

Interior Design

Design a plan for your future by shaping the way your clients interact with the world. Explore design concepts for residential and commercial interiors. Learn the process of computer rendering and the practical application of sustainable design and healthy materials. This program will provide you with the skills important to architects and interior designers including spatial composition, digital presentations, building codes, and material selection.

Careers in Interior Design

Residential Design

Interior Design Consulting

Kitchen and Bath Design

Space Planning

Interior & Architectural

Product Sales

Avg. Starting Salary: \$39,300

Average Salary: \$65,000

Projected Job Growth: 18%

The average salary listed reflects the mean average wage for workers in this industry, while the average starting wage is tied to workers at the beginning of their careers. The earning potential for employees with certifications and associate of applied science degrees may exceed the average salary.

*Data for Collin County obtained from JobsEQ and O*Net*

Note: Average salary for occupation as of 2023 and job growth projected from 2023-2029.
