*Note: PCT requires successful CNA, PHLEB and EKG course completion.*

### About Collin College's Program

The Health Professions pathways at Collin College prepares students for foundational roles in health care. Students may take one of the Health Professions tracks and develop the skills for certified nurse aide, electrocardiograph technician, and phlebotomy technician with the patient care technician track. All Health Professions pathways are special admissions programs that may require students to complete prerequisite courses, submit additional applications or materials, as well as take an entrance exam.
