**Expressive Activities in Common Outdoor Areas**

Community members may only engage in expressive activities in common outdoor areas (as defined in this policy) of the College District, as long as the conduct is not unlawful and does not materially and substantially disrupt the functioning and operations of the College District. Common outdoor areas are designated by state law as traditional public forums.

To preserve the functions and operations of the College District, expressive activities in common outdoor areas are subject to the time, place, and manner rules listed in this policy.

The “common outdoor areas” of the College District mean outdoor space that is at least 75 feet from any College District building entrance or window and that is not used, on either a permanent or temporary basis, for the College District’s:

1. Business or operations;
2. Sponsored events;
3. Educational functions; or
4. Research functions.

Common outdoor areas do not include the buildings, classrooms, libraries, facilities, student housing or residential outdoor spaces managed by the College District, outdoor surfaces of college buildings, surfaces associated with or connected to a college building, a college structure, spaces dedicated to temporary outdoor banners, spaces dedicated to temporary outdoor exhibits, or any other space within the College District’s limited public forum.

**Requests for Use of Facilities**

To request permission to meet in College District facilities or limited public forums, interested community members or organizations will file a written application with the Conference Services Department in accordance with administrative procedures.

The community members or organization making the request will indicate that they have read and understand the policies and rules governing use of College District facilities and that they will abide by those rules. The application will be submitted at least ten business days prior to the proposed use but not more than four months prior to the proposed use for all spaces other than conference centers. Conference centers may be booked no more than 12 months in advance. Requests for exceptions to the timeline may be approved by the Conference Services Department. Use of College District facilities may not commence until it is approved, in writing, by the Conference Services Department.
