The Celina Campus opened in Fall 2021. Located at 2505 Kinship Parkway, the Celina Campus provides greater access to quality higher education for northwestern Collin County.

**FAST FACTS**

- The Celina Campus is 96,000 square-feet.
- Set on approximately 75 acres, the campus site provides space for additional facilities based on enrollment growth.
- The campus can support up to 2,500 students.
- The campus offers general education and academic transfer courses as well as business management, construction management, information technology, and health sciences.
- Facilities include classrooms, the Brenda Willard Goodell Library, the Anthony Peterson Center for Academic Assistance, computer and science labs, and student enrollment services.
