CSI

Learn hands-on forensic investigation techniques at Collin College’s

Crime Scene Investigation
Summer Camp!

Learn the skills to become a junior detective from experts in the field of criminal justice.

July 27-29
9:00 a.m.-3:00 p.m.

Collin College
Farmersville Campus
501 S. Collin Parkway
Farmersville, TX 75442

Participants will learn crime scene processing techniques. Campers will participate in various exercises that apply forensic methods to the identification, documentation, preservation, and collection of various types of crime scene evidence including: fingerprints, blood evidence, DNA, shoe and tire impressions, and search procedures. Mock crime scene activities and evidence are age appropriate and challenging. Campers entering 9-12 grades are eligible to attend. The cost is $110 per participant. Cost includes supplies, snacks, and lunch.
