Mama Lucido’s café with a Starbucks bar – Student Center
Welcome Center, Student and Enrollment Services – Campus Commons

Barnes & Noble bookstore – Student Center
American National Bank of Texas Honors Institute – Library
CougarFit fitness center – Campus Commons
Students will experience a warm welcome in the Campus Commons building. Featuring wooden accents, the Campus Commons is home to the Welcome Center, Career Center, state-of-the-art science labs, and CougarFit, a fitness center with the latest exercise equipment. The Campus Commons also offers admissions, advising, career services, financial aid, and veterans assistance.

Boldly ushering the outdoors into a modern, indoor environment, the Library’s stately, glass-enclosed rotunda is a campus highlight. The Library is home to the American National Bank of Texas Honors Institute and the Anthony Peterson Center for Academic Assistance, which houses a math lab, a writing center, and a science den. The expansive building offers students the opportunity to study together in comfortable, collaborative spaces with open-seating areas or take advantage of quiet study rooms.

Whether the goal is to relax, grab a bite to eat, meet with friends over coffee, get school supplies, or let creativity soar, students can find what they are looking for in the Student Center. This area includes Mama Lucido’s café with a Starbucks bar, and a Barnes & Noble bookstore as well as student engagement facilities, art studios, music practice rooms with Steinway products, and a retro game room with classic video games. In addition, a spacious conference center is connected to the campus Student Center.

The Collin College Wylie Campus offers a comprehensive higher education experience. This modern campus provides specialized facilities for STEM, business, hospitality, fine arts, education, and health sciences programs.
