Greetings, Dance Director!

The Collin College Dance Department is pleased to invite you and your students to College Dance Day on Tuesday, November 4, 2014 from 8:00am-3:15pm at the Spring Creek Campus in Plano.

As College Dance Day participants, your students will have the opportunity to take a variety of master classes and workshops, perform works from their own repertory, and network with area high school and college students and faculty.

Some of the classes we have offered include multiple levels of modern, ballet, and jazz as well as hip hop, partnering, tap, salsa, Pilates, and yoga. After a full day of classes, the event closes with an Informal Dance Concert. We would love for you and your students to showcase your choreography/performance, view the Collin Dance Ensemble's work, and also see the work of other participating high school dance programs at this concert.

The cost per student is $25, which includes a full day of master classes and a dance t-shirt. As a director, your fee is waived. The number of available slots is limited, so I encourage you to indicate your interest early in order to ensure that your students are able to participate.

For those of you that have attended College Dance Day in the past, we are pleased to welcome you again this year, and for those of you that may be new to College Dance Day, we hope to see you at this year's event!
