

BE IT RESOLVED, at the recommendation of the President, that the Board of Trustees of Collin County Community College District approves the 2012 Calculated Effective Tax Rate and Rollback Rate.

## 2012 Property Tax Rates in Collin County Community College District

This notice concerns the 2012 property tax rates for Collin County Community College District. It presents information about three tax rates. Last year's tax rate is the actual tax rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers start rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's operating taxes	\$60,234,742

+ This year's adjusted tax base	\$68,748,634,285
= This year's effective operating rate	\$0.086256/\$100
x 1.08 = this year's maximum operating rate	\$0.093156/\$100
