If your answer is No:
Submit the “Application for a First-time Award through the Exemption Program for Children of Professional Nurse Faculty and Staff.”

Submit the First-time Award application to your institution along with a letter from your institution’s human resource (personnel) office, confirming your parent’s employment.

If your answer is Yes:
Submit the “Application for a Renewal Award through the Exemption Program for Children of Professional Nurse Faculty and Staff.”

Beginning fall, 2014, to receive a continuation award the applicant must meet the requirements of Senate Bill 1210, 83rd Legislature, Regular Session. Those requirements are that the student be meeting his/her institution’s grade point average requirement, and that the student has not met the semester credit hour limit for persons enrolled in their degree programs. Your institution can determine whether you meet these requirements. The Renewal Award application has a section to be completed by the institution, certifying the student’s compliance with the grade point average and semester credit hour limit requirements of SB1210.

Submit the Renewal Award application to your institution along with a letter from your institution’s human resource (personnel) office, confirming your parent’s employment. The institution will then complete the compliance section of this form.
