### ONCE-A-WEEK CLASSES

Final exams for classes meeting only once each week are scheduled for the regular class time during finals week. Friday-only weekend classes meet May 14 for their final exams. Saturday-only classes meet May 15 for their final exams. Sunday-only classes will meet May 16 for their final exams. All other classes will meet only for final exams during finals week. The final exam schedule is subject to change. For classes starting at times other than those listed above, the instructor must make arrangements with the class for the exam.

### Let's get you "Ready to Register."

Here are some of the basic steps you need to complete to make sure you are **Ready to Register**. For more comprehensive information, please visit the Collin College website at [www.collin.edu](http://www.collin.edu). (Please note: International Students have a separate process. **Contact the International Student Office** at 972.516.5012 or visit their webpage at [www.collin.edu/gettingstarted/advising/international/](http://www.collin.edu/gettingstarted/advising/international/).)

### STEP 1 APPLY

Make sure you have submitted your application.

**Admissions:** <https://apply.collin.edu>

**Financial Aid** (optional): <https://fafsa.gov> Collin College school code 016792

**Scholarships** (optional): [www.collin.edu/foundation/students/](http://www.collin.edu/foundation/students/)

### STEP 2 REMOVE ALL HOLDS

Once your application has been processed, your CougarWeb username and password will be emailed to your personal email account. CougarWeb is an online web portal where you can view and register for classes, pay tuition, view financial aid status, access Collin email, and most importantly, take care of registration holds.

To check your holds, log in to CougarWeb, click the Student tab, find the Mandatory Training and Hold section. Once there, click the "View My Holds" link. You will see a list of all holds. Any required training can also be found in this section.

### Mandatory Training & Hold Information

Depending on your student admissions status, there are different requirements.

Before taking the initial Texas Success Initiative (TSI) Assessment, you must participate in a pre-assessment activity (PAA). A Certificate of Completion will be printed at the end of this activity.

All incoming college students in Texas are required to take the TSI Assessment unless exemption has been met. The cost of the TSI Assessment is \$29. Any needed retest will also cost \$29 (regardless if one part or all parts are retaken). Based on assessment results, you may be eligible to enroll in a college-level course that matches your skill level or you may be placed in the appropriate developmental course to improve your skills in preparation for college-level courses.

For more information regarding the TSI Assessment, exemptions, and testing hours, please visit the Testing Center website at [www.collin.edu/studentresources/testing/availabletesting/tsi.html](http://www.collin.edu/studentresources/testing/availabletesting/tsi.html).

## STEP 3 READY TO REGISTER

After all holds have been removed, you will be ready to register for your classes. Now that you have your TSI results, you should meet with an advisor or counselor to review your degree plan. You can check your degree plan through Cougar Compass, found on the Student tab in CougarWeb.

Once you have picked out which classes you want to take, log in to CougarWeb. Either on the Home or Student tab, locate the Registration Tools section. From here you will be able to complete registration.

**Registration Tools**

- [My Profile](#)
- [Registration and Planning \(Add, Drop, & Withdraw\)](#)
- [Course Catalog & Descriptions](#)
- [Look Up Classes](#)
- [Quick Course Finder](#)

Select “Registration and Planning” then click “Register for Classes.” Select your desired registration term. You will want to use the “Advanced Search” option to select your class. Once the list of sections is displayed, be sure to click the title to get details about the class. When you find a class you want, select the add box to the right and click “Submit” at the bottom of the screen.

### COURSE OPTIONS

Collin College offers flexible scheduling. We have 16-week classes, 14-week classes, 8-week classes, weekend classes, online classes, and more! Each session will have a registration hard stop deadline. Here are a few types of classes that you may not be familiar with:

- **Blended** = Requires both on campus and online instruction, but more instruction is conducted online than on campus. Be sure to click on the CRN to know when you need to come to campus.
- **Daily Flex** = Listed as TBA for the course days, daily flex allows you to determine the times that work for your schedule. Flex entries are available for select courses in developmental and college-level mathematics.

- **Veteran-Centered Courses** = Traditional classes that include additional topics that are of interest to students who are veterans and are “military friendly” with special circumstances such as IRR status, VA regulations, or deployment.
- **Web** = Also known as online. Be sure to read all class descriptions to see if you need to come to campus or go to an approved testing center for your exams.

When selecting your classes, pay attention to the campus location and days of the week.

Will your course/lab have associated fees? See a list of lab and special fees at [www.collin.edu/bursar/labfees.pdf](http://www.collin.edu/bursar/labfees.pdf).

Is the class you wanted full? After the early registration payment date, but prior to the first day of the semester, you can sign up for the waitlist. When you receive the registration add error, select “Waitlisted” in the Action box and then select “Submit Changes.” If a seat becomes available, you will be notified through Collin email. You will only have 24 hours to confirm and pay for the waitlisted class.

Have questions about a specific academic subject, degree plan or transferability? Look up the academic contact at [www.collin.edu/academics/programs/pdf/AcademicDisciplineContacts.pdf](http://www.collin.edu/academics/programs/pdf/AcademicDisciplineContacts.pdf).

Having technical problems? Contact Technical Support at 972.377.1777.

## STEP 4 PAYMENT

Now that you have your classes, you need to make sure to complete payment. The following chart provides the Board-approved per hour registration costs. Multiply the number of hours you are registered for by the per hour cost for your residency status to get your registration cost estimate.

### COURSE COSTS PER CREDIT HOUR\*

Cost	In-District	Out-of-District	Out-of-State/ Country
Tuition	\$52.00	\$98.00	\$165.00
Student Activity Fee	\$2.00	\$2.00	\$2.00
<b>PER HOUR COST</b>	<b>\$54.00</b>	<b>\$100.00</b>	<b>\$167.00</b>

*\* This is a tool to help budget and is not an exhaustive list of costs. All tuition and fees are subject to change by the Collin College Board of Trustees.*

*Additional Board-approved fees for specific courses and/or services are available at [www.collin.edu/bursar/tuition.html](http://www.collin.edu/bursar/tuition.html).*

Your Student tab has a Tuition/Payment section with important links. Check out the “Paying for College Information” link or the Student Handbook for detailed payment information and requirements, including the complete student financial responsibility agreement, as well as the critically important “Payment Deadlines” link. Remember, registration is only complete when full payment is made, and Collin has a strict drop for non-payment policy.

### Tuition/Payment

- [Payment Deadlines](#)
- [Student's Taxpayer ID Certification](#)
- [Paying for College Information](#)
- [Tuition Rates](#)
- [1098T Information](#)

Follow the “CougarPay (*Pay My Balance*)” link to see your account balance, make payments on your account, enroll in an installment plan during open enrollment periods, authorize a family member access to make payments on your account, and/or set up bank accounts for fast cash e-Refunds of any eligible credit balances. Account balance notifications are sent to your Collin email account — check it regularly.

### FINANCIAL AID

There are different types of financial aid available to help you pay for classes. To learn more and start the process, visit [www.collin.edu/gettingstarted/financialaid](http://www.collin.edu/gettingstarted/financialaid).

Not eligible for financial aid and/or need additional help paying for classes? Learn about installment plans, third-party contracts, veteran benefits, and exemptions/waivers of tuition at [www.collin.edu/bursar/paymentpoliciesandmethods.html](http://www.collin.edu/bursar/paymentpoliciesandmethods.html).

### DROP FOR NON-PAYMENT

If you register for Spring during early registration, your account must be 100 percent funded by the early registration payment deadline or **all of your classes can be dropped** for non-payment. If dropped for non-payment, it is your responsibility to re-register for classes, and there is no guarantee there will be seats available in your original courses.

After the early registration payment deadline, you can still register for classes. However, regular registration for Spring will be pay-as-you-go. When you register, you must have funding in place or *any new classes can be dropped for non-payment*.

Only courses dropped prior to the first day of a term qualify for 100 percent refund of tuition and fee amounts. When the term begins, refunds are percentage based — from 70 to 0 percent — depending on the date the course is dropped/withdrawn and the number of weeks the course meets. More information on refund calculation rules and processing of eligible account credits is available at [www.collin.edu/bursar/refunds.html](http://www.collin.edu/bursar/refunds.html).

## SOME IMPORTANT INFORMATION AND DEFINITIONS

- **Add** – You may add classes through the first four days during a long semester and during the first day of Summer or mini semester terms. For express and weekend courses, registration deadlines will vary.
- **Auditing** – To audit a class, you can register for that course on or after the first day of the term. Registration may only be done in person at one of our admissions offices. You must meet all admission and registration requirements. Regular tuition must be paid plus an additional non-refundable fee.
- **Course Limits** – Students registering for Wintermester or Maymester are limited to one class for the term.
- **Co-requisite courses** – Some classes require a co-requisite (ex. lecture and lab or Learning Community). You must register for both classes. If not, the original class will be dropped.
- **Drops** – You can drop classes through the census date for each term. Be careful! Once classes start, any classes dropped will only be refunded based on the state refund guidelines. You must also drop any co-requisite courses as well.
- **Waitlist** – The waitlist option for a class begins after the early registration payment deadline date. You will need to select “waitlist” if signing up for a class that is full. If a seat becomes available, you will be notified through Collin email. Being waitlisted for a course does not guarantee enrollment in the course, and it will expire on the first day of class.
- **Withdrawal** – A withdrawal occurs when you drop a class after the census date. Be sure to talk to your professor about your progress prior to withdrawing. If you do not withdraw by the deadline for the class, you will receive a grade on your transcript.

**Disclaimer:** This booklet is intended to provide a brief overview of the registration process. For comprehensive information, please refer to the Student Handbook and the Collin College website [www.collin.edu](http://www.collin.edu).
