Financial Audits

The Board engages a firm of independent Certified Public Accountants (CPA) for a designated period through a Request for Qualifications (RFQ) solicitation process that outlines the Board’s expectations for the annual financial audit, which includes rendering opinions on the College’s financial statements. Such engagement is conducted according to auditing standards generally applicable in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Additionally, the selected audit firm is required to audit the compliance of the College with the types of compliance requirements described in the *U.S. Office of Management and Budget’s OMB Compliance Supplement* and the *State of Texas Single Audit Circular* that could have a direct and material effect on each of its major federal and state programs.

In each fiscal year that ends with an odd digit, the independent auditor is required to comply with the Public Funds Investment Act (PFIA), Texas Government Code Section 2256.005(n), by submitting the Biennial Compliance Audit Report to the State Auditor’s Office.

An Annual Comprehensive Financial Report (ACFR) is submitted annually to the Board for approval no later than December 31. A copy of the independent audit becomes a part of the Board’s official minutes and is available to the public for inspection during regular office hours.
