Within the context of current law, the College District will be guided by Board-adopted written policies that are given appropriate distribution and are accessible to staff members, parents, students, and community residents.

**Organization**

Legally referenced policies contain provisions from federal and state statutes and regulations, case law, and other legal authority that together form the framework for local decision making and implementation. These policies are binding on the College District until the cited provisions are repealed, revised, or superseded by legislative, regulatory, or judicial action.

At each policy code, the legally referenced policy and the Board-adopted local policy must be read together to further a full understanding of a topic.

**Terms**

The terms “Trustee” and “Board member” are used interchangeably in the local policy manual. Both terms are intended to reflect all the duties and obligations of the office.

[See AB for College District name terminology]

**Harmony with Law**

Newly enacted law is applicable when effective. No policy or regulation, or any portion thereof, will be operative if it is found to be in conflict with applicable law.

**Severability**

If any portion of a policy or its application to any person or circumstance is found to be invalid, that invalidity will not affect other provisions or applications of policy that can be given effect without the invalid provision or application. To this end, the provisions of this policy manual are declared to be severable.

**Policy Development**

Policies and policy amendments may be initiated by the District President, Board members, College District personnel, students, or community citizens but generally will be recommended for the Board’s consideration by the District President.

**Adoption and Amendment**

Local policies may be adopted or amended by a majority of the Board at any regular or special meeting, provided that Board members have had advance written notice of the proposed change and that it has been placed on the agenda for such meeting.

Local policies will become effective upon Board adoption or at a future date designated by the Board at the time of adoption.

**Official Policy Manual**

The Board will designate one copy of the local policy manual as the official policy manual of the College District. The official copy will be kept in the District President’s office, and the District President or designee will be responsible for its accuracy and integrity.
and will maintain a historical record of the College District’s policy manual.

**TASB Localized Updates**

After Board review of legally referenced policies and adoption of local policies, the new material will be incorporated into the official policy manual and into the online policy site maintained by the College District. If discrepancies occur between different copies of the policies, the version contained in the official policy manual will be regarded as authoritative.

**Perfunctory Changes**

The District President, or designee, may approve perfunctory or insignificant changes to any portion of a (LOCAL) policy, so long as such change does not alter the purpose, intent, or application of the policy. Perfunctory changes will be limited to changes made to correct spelling or grammatical errors, and to update titles, names, or other contact information for individuals or departments assigned to carry out the responsibilities of a particular policy.
