Expressive Activities by Students or Student Organizations in Common Outdoor Areas

Common outdoor areas are designated by state law as traditional public forums.

For purposes of this policy, the terms “expressive activities” and “common outdoor areas” are defined in GD(LOCAL).

Students and student organizations may engage in expressive activities in common outdoor areas, unless:

1. The person’s conduct is unlawful;

2. The use would constitute an immediate and actual danger to the peace or security of the College District that available law enforcement officials could not control with reasonable efforts;

3. The use would materially or substantially disrupt or disturb the regular academic program; or

4. The use would result in damage to or defacement of property.
Students or student organizations do not need a College District permit or reservation for the exercise of expressive activities in common outdoor areas of the College District. Expressive activity may occur in those common outdoor areas of the College District that are not in use by others.

However, students and student organizations may, and are encouraged to, reserve a space to assemble in the common outdoor areas of the College District. Once a person or group reserves a certain space in a common outdoor area for assembly or expressive activities, it is not available for another person or group’s use or reservation at the same time. Therefore, any person or group using or occupying the space without a reservation must yield control of the space in time to permit any user with a reservation to begin using the space promptly at the beginning of the reserved time.

In addition, when outdoor space is being used, even on a temporary basis, for College District business, operations, events, an educational function or a research function, it is not part of the common outdoor area available for use for others’ expressive activities.

Reservations for assembly or expressive activities in the common outdoor areas of the College District may be made through the Conference Services Department on a form prescribed by them or through a request sent to reserveCOA@collin.edu. If the expected attendance at an assembly or expressive activity is fifteen or more people, advance notice and a reservation of no less than two weeks is recommended. Persons and organizations are encouraged to seek a reservation of a space that is suited to their assembly’s anticipated size.

### Time, Place, and Manner Rules for Common Outdoor Areas

In addition to the specific rules addressed in this policy for Distribution of Literature, expressive activities by students or student organizations in common outdoor areas are subject to the time, place, and manner rules listed in GD(LOCAL).

Failure to comply with this policy and procedures regarding use of College District common outdoor areas, College District facilities, or distribution of literature will result in appropriate administrative action, including but not limited to, the suspension of the individual’s or organization’s use of College District facilities and/or the
confiscation or discarding of nonconforming materials. A student or student organization who fails to comply with or violates this policy may be disciplined under applicable procedures provided by other College District policies and rules, including the Student Handbook, and may be referred to the Dean of Students Office for disciplinary action.

### Interference with Expressive Activities in Common Outdoor Areas

Students or student organizations that interfere with the expressive activities permitted by this policy will be subject to disciplinary action in accordance with the College District’s discipline policies and procedures [See DH, FM, and FMA].
