

Within the context of current law, the College District shall be guided by Board-adopted written policies that are given appropriate distribution and are accessible to staff members, parents, students, and community residents.

ORGANIZATION

Legally referenced policies contain provisions from federal and state statutes and regulations, case law, and other legal authority that together form the framework for local decision making and implementation. These policies are binding on the College District until the cited provisions are repealed, revised, or superseded by legislative, regulatory, or judicial action.

At each policy code, the legally referenced policy and the Board-adopted local policy must be read together to further a full understanding of a topic.

TERMS

The terms "Trustee" and "Board member" are used interchangeably in the local policy manual. Both terms are intended to reflect all the duties and obligations of the office.

[See AB for College District name terminology]

HARMONY WITH LAW

Newly enacted law is applicable when effective. No policy or regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable law.

SEVERABILITY

If any portion of a policy or its application to any person or circumstance is found to be invalid, that invalidity shall not affect other provisions or applications of policy that can be given effect without the invalid provision or application. To this end, the provisions of this policy manual are declared to be severable.

POLICY
DEVELOPMENT

Policies and policy amendments may be initiated by the College President, Board members, College District personnel, students, or community citizens, but generally shall be recommended for the Board's consideration by the District College President.

ADOPTION AND
AMENDMENT

Local policies may be adopted or amended by a majority of the Board at any regular or special meeting, provided that Board members have had advance written notice of the proposed change and that it has been placed on the agenda for such meeting.

~~The Board shall have the sole right to adopt policies. Proposed local policies or amendments introduced and recommended to the Board at one meeting shall not be adopted until a subsequent meeting. Emergency adoption, however, may occur in one meeting if special circumstances demand an immediate response.~~

Local policies shall become effective upon Board adoption or at a future date designated by the Board at the time of adoption.
