Although most Collin College students come from the central west area of Collin County, the college draws students from across the state, the country, and the globe.

Collin College drew 468 international students from 79 countries in 2022. The most common home countries of Collin College international students are: Vietnam, Nigeria, South Korea, China, Pakistan, India, Kenya, Brazil, Mexico, Canada, Japan, and Nepal.

About 52 percent of Fall 2022 students with declared majors are academic transfer students. About 43 percent of Fall 2022 students with declared majors are workforce students.

THE COLLIN COLLEGE FOUNDATION

- Raised more than $2.6 million in the 2021-2022 academic year.
- Awarded more than $950,000 in scholarships in 2021-2022 based on financial need, academic performance, and service to the community.
- Funded 13,594 credit hours for Collin College students on scholarships in 2021-2022.
- Reached endowments and investments nearing $20 million, up from $12.9 million six years ago.
- Has more than 550,000 members of The Pride, the college’s official alumni network of former students and graduates. It is called The Pride because alumni are the college’s greatest source of pride.
