CFT Launches North Texas Cares
https://northtexascares.org/
CFT is proud to be leading and participating in North Texas Cares, a partnership of 20 North Texas foundations and funders who have come together to provide support for organizations working with people and communities most negatively affected by COVID-19. Nonprofits can now submit emergency funding requests to all 20 funders at once through one simplified grant application online. We encourage you to share this opportunity with nonprofits you know that are responding to local, immediate needs.

For businesses that find themselves in this situation, our agency is offering assistance in the form of short-term payment agreements and, in most instances, waivers of penalties and interest. We ask that you contact our Enforcement Hotline at 800-252-8880 to learn about your options for remaining in compliance and avoiding interest and late fees due.
In addition, we have a variety of online tools for businesses seeking assistance. See our COVID-19 emergency response webpage for access to online tools, tutorials and other resources for tax services, and to establish 24/7 online account access with Webfile.
