1.1 Policy for Reporting the Annual Disclosure of Crime Statistics

Safety and security is a concern for all members of the Collin College community including students, employees, and visitors. Collin College's Dean of Students Office (DOS) prepares this report annually in order to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. § 1092(f) (Clery Act). The full text of this report is available on Collin College's website at www.collin.edu/studentresources/deanofstudents/AnnualSecurityReports.aspx.

This report is prepared in cooperation with the local law enforcement agencies surrounding Collin College’s main campuses and alternative sites, Century Court Student Housing (Century Court) management, the Collin College Police Department, and the Human Resources Office (HR). Each entity provides updated information on their educational efforts and programs to comply with the Clery Act annually.

Campus crime, arrest, and referral statistics are collected annually by the Collin College Police Department. These statistics include crimes, arrests, and referrals reported to the Collin College Police Department, campus security authorities (CSAs), and local law enforcement agencies. Additionally, Counseling Services staff members inform their clients of the procedures to report crimes to the Collin College Police Department on a voluntary, confidential basis should they feel it is in the best interest of their clients. A procedure is in place to anonymously capture crime statistics disclosed confidentially each session. Campus crime, arrest, and referral statistics are located in Appendix A.

The Collin College Police Department maintains a daily log of police activity. For the most current information contained in the daily log, contact the Collin College Police Department at 972.578.5555 or see any Collin College police officer. Information provided by the State of Texas concerning registered sex offenders who are on campus may be also obtained from the Collin College Police Department. The Collin College Police Department has a policy prohibiting racial profiling and offers a complaint procedure. Contact the Collin College Police Department at 972.578.5555 for additional information.

Notification is made through email to all enrolled Collin College students (including those attending less than full-time and those not enrolled in Title IV programs or courses) annually prior to October 1st, which provides information on the Clery Act, a brief description of this report, and the website to access this report. Collin College faculty and staff members receive a similar email notification annually prior to October 1st. Additionally, information on the Collin College Police Department's policies and procedures is published annually in the Collin College student handbook located at http://www.collin.edu/studentresources/personal/studenthandbook.aspx.

Prospective students are provided with information on the Clery Act, a brief description of this report, and the website to access this report during the admissions process and mandatory new student orientation sessions. Prospective employees are also provided with information on the Clery Act, a brief description of this report, and the website to access this report during the hiring process. A link to Collin College's annual security reports is also located on the Human Resources Employment website at http://www.collin.edu/hr/employment/index.html.

1.4 Collin College Police Department Authority and Jurisdiction

Information on the Collin College Police Department can also be found in the current student handbook, Section 6.6 Collin College Police Department.

The Collin College Police Department is staffed with Texas State Licensed Law Enforcement Officers who are trained to protect life as well as Collin College and personal property. All municipal, local, state, and federal laws, as well as the Student Code of Conduct, Board Policies, and Collin College procedures, including motor vehicle laws, will be enforced on Collin College campuses. Collin College police officers patrol all district campuses 24 hours a day, seven (7) days a week.

The Collin College Police Department’s primary jurisdiction is any property owned or controlled by Collin College. Local, county, and state law enforcement agencies have concurrent jurisdiction on Collin College property. Per the Texas Education Code, Section 51.203 Campus Peace Officers, Collin College Police Department officers are empowered with county-wide jurisdiction and work under the same authority as municipal and county agents. Therefore, they have complete authority to apprehend and arrest anyone involved in illegal acts throughout Collin County. If offenses involving Collin College policies and procedures are committed by a Collin College student, the Collin College Police Department will also refer the individual to the Dean of Students Office (DOS) for appropriate disciplinary action.

When major offenses (e.g., aggravated assault, motor vehicle theft, murder, robbery, sexual assault, etc.) are reported to the Collin College Police Department, assistance may be requested from local city police departments to solve these serious felony crimes. The prosecution of all felony and misdemeanor criminal offenses is conducted at Municipal, Justice of the Peace, or Collin County Courts.

1.2 Collin College Police Department Mission

The fundamental mission of the Collin College Police Department is to uphold and enforce the Constitution of the United States of America; all applicable federal, state, and local laws; and Collin College policies and procedures. Additionally, the Collin College Police Department helps to ensure a positive learning environment free from crime, violence, or the threat of violence for all entities using Collin College's facilities and participating in its educational programs.

1.3 Collin College Police Department History

Due to the rapid growth of Collin College’s student population, the Collin College Police Department was formed in December 2002 to serve students, faculty, staff, and community members throughout the College District. Collin College Police Department officers are located at each campus and currently serve more than 53,000 credit and continuing education students annually as well as community members.
Collin College Police Department personnel work closely with local, state, and federal agencies. By mutual agreement with state and federal agencies, the Collin College Police Department maintains a National Law Enforcement Telecommunications System (NLETS) network terminal. Through this system, Collin College Police Department personnel can access the National Crime Information Center (NCIC) as well as the Texas Law Enforcement Telecommunication System (TLETS). These databases are used for accessing criminal history data, nationwide police records, and driver/vehicle identification, as well as other local, state, and federal enforcement information.

Collin College does not currently recognize any student organizations with non-campus locations.

For additional information on Collin College Police Department authority and jurisdiction, refer to their website www.collin.edu/campuspolice/.

1.5 Collin College Police Department Emergency Response

The Collin College Police Department is a key element in area emergency management. Due to Collin College’s high profile in the community, the Collin College Police Department maintains close ties to the Collin County Department of Homeland Security as well as each municipal agency in Collin County. Collin College Police Department officers are trained to be first (1st) level responders and to coordinate these efforts with other local agencies. The Collin College Police Department also takes a proactive approach to crime prevention. Efforts such as community policing, enhanced patrols, and strict enforcement of parking restrictions aid in ensuring a safe environment.

Collin College Police Department officers are stationed at each campus throughout the College District, and will respond to every medical emergency along with local city paramedics, as necessary.

All calls to the Collin College Police Department are answered by trained communications operators. Calls are then dispatched to Collin College Police Department officers stationed at each campus. Campuses are monitored by a state-of-the-art surveillance system which is housed in the Collin College Police Department Communications Center.

1.6 Collin College Facilities Access Policy

The information in the following paragraph can also be found in the current student handbook. Section 6.6 Collin College Police Department.

During business hours, Collin College will be open to students, parents, employees, contractors, guests, and invitees. In accordance with the Student Code of Conduct, unattended children are not allowed at Collin College facilities at any time. The Collin College Police Department will be notified of unattended children. During non-business hours, access to all Collin College facilities is by key (if issued), or by admittance via the Collin College Police Department or Plant Operations. In the case of periods of extended closing, the college will admit only those with prior written approval to all facilities.

Some facilities may have individual hours, which can vary at different times of the year (e.g., the Fitness Centers and the Libraries). In these cases, the facilities will be secured according to schedules developed by the department responsible for that specific facility.

Emergencies may necessitate changes or alterations to posted schedules. In these situations, the Collin College community will be notified of the changes or alterations via Collin College’s CougarAlert emergency notification system. See Section 3.3 CougarAlert in this document for additional information.

1.7 Security Considerations for the Maintenance of Collin College Facilities

Collin College is committed to safety and security at all its facilities and grounds. Collin College designs security and safety into systems for locks,
landscaping, and outdoor lighting. Sidewalk designs and illumination of sidewalks and building entrances provide well-traveled, lighted routes from parking areas to buildings and from building to building.

Areas that are revealed as problematic have security surveys conducted of them to examine various security issues (e.g., landscaping, locks, alarms, lighting, etc.). Administrators from each campus Vice President/Provost’s Office, Plant Operations, and other concerned areas review the results of these surveys and recommend appropriate measures to resolve the issues, as necessary.

Facility and landscape maintenance occurs in a manner that minimizes hazardous conditions. Plant Operations staff at each campus regularly evaluate interior and exterior lighting, and perform necessary changes or repairs as needed. Maintenance concerns observed by Collin College Police Department officers during routine campus patrols are reported to Plant Operations staff. Additionally, all Collin College community members are encouraged to promptly report any safety and security concerns, including, but not limited to, concerns regarding locking mechanisms, lighting, or landscaping, to the Collin College Police Department and/or Plant Operations.

1.10 No-contact Orders, Orders of Protection, and Restraining Orders

Victims have the right to seek a no-contact order, order of protection, restraining order, or similar lawful orders with a civil, criminal, or tribal court. Once a victim notifies the Collin College Police Department he or she is in possession of a court order, the Collin College Police Department will enforce the court order as appropriate.

1.11 Disclosure of Results of Disciplinary Proceeding to the Alleged Victim of a Crime of Violence or a Non-forceable Sex Offense

Upon written request, Collin College shall disclose to the alleged victim of a crime of violence, as defined in Title 18, § 16, United States Code, or a non-forceable sex offense (i.e., incest or statutory rape) the report on the results of any disciplinary proceeding conducted by Collin College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, Collin College shall treat the victim’s next of kin as the alleged victim.

1.14 Vehicle Use and Operation

The following information can also be found in the current student handbook, Section 6.6 Collin College Police Department.

Bicycles and properly state registered and inspected motor vehicles are allowed on designated streets, roadways, and surface parking areas. Only motor vehicles are allowed in parking garages. In the interest of safety, operating or riding hoverboards, longboards, rollerblades, scooters, Segways, skateboards, etc. is prohibited in Collin College parking garages and/or buildings, unless authorized by the ACCESS Office or Human Resources Office as a reasonable accommodation required by the Americans with Disabilities Act (ADA) or other federal law. Pedestrians have the right of way on Collin College sidewalks.
Section 2: Procedures for Reporting a Crime or Emergency

2.1 Reporting a Crime or Emergency to the Collin College Police Department

The Collin College Police Department encourages anyone who is the victim or witness to any crime or public safety related incident on a Collin College campus to promptly report the incident to the Collin College Police Department when the victim of a crime elects to, or is unable to, make such a report. Because police reports are, with some exceptions, public records under state law, the Collin College Police Department cannot guarantee the confidentiality of information included in reports of crime. If requested, a sexual assault victim can be provided a pseudonym for reporting purposes.

To report a crime or an emergency on any Collin College campus, dial extension 5555 from any Collin College phone or dial 972.578.5555 from any phone outside the Collin College system. In a medical emergency, dial 911, and then dial extension 5555 or 972.578.5555.

Collin College Police Department officers are available 24 hours a day, 365 days a year to answer calls. If assistance is required from another police department, Collin College Police Department officers will contact the appropriate agency. If a sexual assault should occur, responding officers will inform the victim of the support services available.

If a fire occurs in a Collin College building, the individual who discovers it should immediately notify the Collin College Police Department at 972.578.5555 or dial 911. The Collin College Police Department will initiate a response, and can summon the local fire department quickly through their communication links, if necessary. If a member of the Collin College community finds evidence of a fire that has been extinguished and is unsure whether the Collin College Police Department has already responded, he or she should immediately notify the Collin College Police Department so an officer can investigate and document the incident.

For any non-emergency complaint or concern, the Collin College Police Department can be contacted via email at cccdpublicsafety@collin.edu.

In order to ensure inclusion in the annual crime statistics and to aid in providing timely warnings and emergency notifications to the Collin College community, all Clery Act crimes should be reported to the Collin College Police Department at 972.578.5555. Additionally, when a Clery Act crime is reported to a campus security authority (CSA), the CSA must complete the Campus Security Authority (CSA) Crime Reporting Form located in Appendix B.1 and on Collin College’s website at http://www.collin.edu/studentresources/deanofstudents/forms/CSA%20Crime%20Reporting%20Form%20with%20Crime%20Definitions.pdf.

Once complete, the Campus Security Authority (CSA) Crime Reporting Form must be submitted to Collin College Police Department Sergeant Bobby McCoy at the Spring Creek Campus, Room K-128, or by email to bmccoy@collin.edu. This process is used to ensure crimes reported to a CSA, but not to a law enforcement agency, will be included in the annual crime statistics.

For more information regarding Collin College Police Department policies and procedures, refer to their website www.collin.edu/campuspolice/.

2.2 Reporting to Local Law Enforcement

If the incident occurred off campus, the victim or witness should dial 911 and contact the appropriate law enforcement agency in the jurisdiction in which the incident occurred when the victim of a crime elects to, or is unable to, make such a report. If a victim requests assistance, a Collin College official will help the victim with this process. Contact information for local law enforcement agencies is located in Section 2.3.
Contact Information for Local Law Enforcement Agencies in this document.

Making a police report does not obligate the victim to file criminal charges, but it does create a record of the incident. The police report will include the victim’s name, witnesses’ names, the respondent’s name, and details of the incident.

2.4 Confidentiality and Anonymous Reports

The following information can also be found in the current student handbook, Section 6.6 Collin College Police Department.

Collin College recognizes incidents of crime can be difficult to discuss, and victims may want complete confidentiality in addition to support. If the victim of a crime does not want to pursue action within the college system or the criminal justice system, he or she may still want to consider making a confidential report. With the victim’s permission, a Collin College police officer can file a report on the details of the incident without revealing the victim’s identity. The purpose of a confidential report is to comply with the victim’s wish to keep the matter confidential, while taking steps to ensure the safety of the victim and others. With such information, the college can keep an accurate record of the number of criminal incidents; determine whether there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution. Additionally, victims have the right not to report a crime if they so choose.

Victims can submit an anonymous report of sexual violence. However, doing so may limit Collin College’s ability to conduct a thorough
The Counseling Services staff is encouraged to inform their clients of the procedures to report a crime to the Collin College Police Department on a voluntary confidential basis, should they feel it is in the best interest of the client.

2.5 Campus Security Authorities (CSAs)

The following information can also be found in the current student handbook, Section 6.6 Collin College Police Department.

A campus security authority (CSA) is a Collin College employee who has significant responsibility for student and campus activities.

Collin College students and employees are encouraged to report crimes to a CSA for the purpose of making timely warning reports and inclusion in the annual disclosure of crime statistics. At Collin College, CSAs include the following employees:

1. all Collin College Police Department officers, sergeants, and the chief of police;
2. the dean of students, associate deans of students, and student conduct officers;
3. the vice president of student and enrollment services, deans of student and enrollment services, and associate deans of student and enrollment services;
4. all academic/workforce deans and associate deans;
5. all campus vice president/provosts;
6. all evening and weekend administrators;
7. all athletics directors and associate athletics directors;
8. all athletics coaches, assistant coaches, volunteer coaches, and trainers;
9. all student organization advisors; and
10. any other employees who have a significant responsibility for student and campus activities (e.g., student travel responsible parties).

Campus “pastoral counselors” and “professional counselors,” when acting as such, are not considered to be a CSA, and are not required to report crimes for inclusion in the annual crime statistics. However, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of campus crime statistics. Collin College does not currently employ any pastoral counselors. Collin College’s licensed professional counselors are informed of the procedures to report crimes during various training sessions throughout each academic calendar year.

For more information, contact the Collin College Police Department at 972.578.5555 or the Dean of Students Office at 972.881.5604.

2.6 Missing Student Notification

Collin College students living in Century Court Student Housing (Century Court), located at 5800 Jupiter Road, Plano, Texas, 75074, may register one (1) or more individuals to be a missing person contact. If it is determined by the Collin College Police Department or a local law enforcement agency that the student is missing, the student’s missing person contact or contacts shall be notified by Collin College within 24 hours of the determination.

Students’ missing person contact information will be registered confidentially and accessible only to authorized Collin College officials. Additionally, this contact information will not be disclosed, except to law enforcement personnel who are authorized to access it during a missing person investigation.
Century Court management distributes the *Missing Student Contact Information Form* (see Appendix B.2) to all student residents annually and upon signing the lease agreement when new students move into Century Court mid-year. Contact the Century Court management staff at 972.509.0247 or info@centurycourt.com to obtain the Missing Student Contact Information Form and register a missing person contact or contacts. Any missing person report regarding a Collin College student that is received by the Century Court management staff, Collin College Dean of Students Office (DOS), or any other Collin College employee must be immediately forwarded to the Collin College Police Department.

A student is determined to be missing when his or her whereabouts are unknown and unexplainable for a period of time that is regarded by knowledgeable parties as highly unusual or suspicious given consideration of the student's behavior patterns, plans, and/or routines. All concerns regarding a Century Court resident student's unexplained absence or lack of contact that is contrary to the student's normal behavior or is unusual based on existing circumstances will be immediately investigated in an effort to locate the student and confirm his or her safety.

Collin College will notify the local law enforcement agency that has jurisdiction in the area within 24 hours of the determination that a student is missing, unless the local law enforcement agency was the entity that made the determination. Additionally, Collin College must notify a custodial parent or guardian within 24 hours of the determination that a student who is under 18 years of age and not emancipated is missing, in addition to notifying any additional contact person or persons designated by the student.

The following procedures will be utilized when the Collin College Police Department is notified of a missing student who resides in Century Court:

1. The Collin College Police Department officer on duty will respond to the location.
2. The responding officer will initiate an investigation by interviewing the reporting party, and will obtain as much information as
possible about the reported missing student (e.g., last date and time seen; place of employment; places where the student normally hangs out; make, model, and year of vehicle student drives; student's hometown; etc.).

3. The responding officer will notify Century Court management, the Collin College Police Department chain of command (i.e., sergeants and chief of police), and the Dean of Students Office (DOS).

4. A DOS staff member will check the Banner Student Information System to obtain the student's current class schedule, and will then contact each of the student's professors to find out whether the student has been attending classes or has contacted them.

5. The responding officer will conduct a check of the local hospitals to ascertain whether the student has been admitted as a patient.

6. The responding officer will obtain the student's emergency contact information on file with DOS, if the student chose to register this information.

7. Within 24 hours of the Collin College Police Department's determination that a resident student who is the subject of a missing person report has been missing for more than 24 hours and has not returned to Century Court or a Collin College campus, the Collin College Police Department will contact:
   a. the person or persons identified confidentially by the student as a designated contact person;
   b. the custodial parent or guardian and any other designated contact person of a student under 18 years of age who is not emancipated; and

Section 3: Collin College’s Emergency and Safety Procedures

3.1 Emergency Notification Procedures

Collin College is committed to ensuring its community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of Collin College students, faculty, and staff. Collin College has a multi-tiered notification system, which employs various means for communicating information quickly.

Collin College will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation occurring on a Collin College campus that involves an immediate threat to the health or safety of students, faculty, and/or staff. An “immediate threat” includes an imminent or impending threat, significant emergency, or dangerous situation (e.g., approaching tornado or other extreme weather condition, armed intruder, bomb threat, chemical or hazardous waste spill, explosion, fire, gas leak, outbreak of a serious illness, etc.). In these instances, Collin College’s chief public relations officer in consultation with the chief of police and College District president will, without delay, and taking into account the safety of the community, determine the content of the emergency notification and initiate the emergency notification system, unless issuing a notification will, in the professional judgment of Collin College officials, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

CougarAlert is Collin College’s official emergency notification system, providing critical information to the entire Collin College community via text message, phone message, and/or email. For additional information on CougarAlert, see Section 3.3 CougarAlert in this document. Additionally, Collin College utilizes a public address system through campus phones and posts information prominently throughout the campuses, on its website www.collin.edu, and on the Collin College Police Department’s website www.collin.edu/campuspolice. Traditionally, all of these methods of communication are utilized in the event an emergency notification is needed.

Anyone with information warranting an emergency notification should immediately report the circumstances to the Collin College Police Department by phone at 972.578.5555 or in person at any of the following Collin College Police Department office locations:

1. Central Park Campus (CPC) Room C-119,
2. Collin Higher Education Center (CHEC) Room 134,
3. Courtyard Campus (CYC) Room 125,
4. Preston Ridge Campus (PRC) Room H-179, or
5. Spring Creek Campus (SCC) Room K-128.

3.2 Timely Warning Procedures

The information in the following paragraph can also be found in the current student handbook, Section 6.6 Collin College Police Department.

In the event a criminal offense occurs, either on or off campus, that in the judgment of the Collin College Police Department constitutes an ongoing or continuing threat to members of the college community, a campus wide “timely warning” will be issued. Timely warnings will be issued through college email systems and CougarAlert to students, faculty, and staff. For additional information on CougarAlert, see Section 3.3 CougarAlert in this document.

The purpose of a timely warning is to notify the Collin College community of the criminal offense and provide information that may enable community members to better protect themselves from similar incidents.
Determining When to Issue a Timely Warning

To provide timely notice in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the Collin College community, the Collin College Police Department, Collin College’s Public Relations Department, and designated Collin College officials will coordinate information and may issue a “timely warning” for the following crimes:

1. aggravated assault,
2. arson,
3. burglary
4. criminal homicide,
5. robbery,
6. sexual assault (i.e., rape, incest, and statutory rape), and
7. hate crimes.

Timely warnings may also be issued for other Clery Act crimes, as deemed necessary.

The Collin College Police Department, Collin College’s Public Relations Department, and designated Collin College officials will issue a timely warning when the following criteria are met:

1. a Clery Act crime is reported,
2. the crime occurred in a Clery Act-reportable location,
3. the perpetrator has not been apprehended, and
4. there is a serious or ongoing threat to the Collin College community because of this crime.

The decision to issue a timely warning shall be decided on a case-by-case basis considering the following criteria:

1. Was the suspect identified?
2. Was the suspect apprehended?
3. If known, does the suspect have prior arrests, reports, or complaints or any other history of violent behavior?
4. If known, does the suspect have a history of failure to comply with a Collin College no contact directive, other protective measures, or a judicial protective order?
5. Did the crime involve physical violence?
6. Has the suspect threatened to commit physical violence?
7. Did the crime involve multiple victims?
8. Does it appear to be an isolated criminal act involving a specifically targeted victim?
9. Does the report reveal a pattern of behavior (e.g., by the suspect, by a particular group or organization, around a particular recurring event or activity, or at a particular location)?
10. Did the suspect use “date-rape” or similar drugs or intoxicants?
11. Did the crime occur while the victim was unconscious, physically helpless, or unaware of what was occurring?
12. Was the victim under 18 years of age?
13. Were there other aggravating circumstances or signs of predatory behavior that may constitute a serious or ongoing threat?

The Collin College chief of police and designated Collin College officials are responsible for making a timely warning consideration using the criteria previously listed. If the timely warning criteria are met, a notice will be drafted and issued by the Collin College Police Department, Collin College’s Public Relations Department, and designated Collin College officials as soon as pertinent information is available. Timely warnings are generally issued via CougarAlert, but may also be
distributed through college email systems; press releases; and notices posted on the campus-wide bulletin boards, the college's website www.collin.edu, and the Collin College Police Department's website www.collin.edu/campus police/. Collin College may not use all distribution methods for every incident.

Content of a Timely Warning

The following information is typically included in a timely warning, if available:

1. a statement of the criminal offense, including the nature and severity of the threat and the persons or locations that might be affected,
2. any connection to a previous criminal offense(s),
3. a physical description and/or composite drawing of the suspect,
4. the date and time the warning was released,
5. other relevant and important information (e.g., gender of the victim, whether the victim and suspect are students, etc.), and
6. appropriate safety tips.

When issuing a timely warning, some specific information may be withheld if there is a possible risk of compromising law enforcement efforts to investigate and/or solve the crime. Additionally, when issuing a timely warning, Collin College will not include personally identifying information about victims, including, but not limited to, victims’ names, which will be kept confidential.

Reporting Information Warranting a Timely Warning

All campus security authorities (CSAs) must report crimes to the Collin College Police Department for the purpose of issuing a timely warning. See Sections 2.1 Reporting a Crime or Emergency to the Collin College Police Department and 2.5 Campus Security Authorities (CSAs) in this document for additional information.

Anyone with information warranting a timely warning should immediately report the circumstances to the Collin College Police Department by phone at 972.578.5555 or in person at any of the following Collin College Police Department office locations:

1. Central Park Campus (CPC) Room C-119,
2. Collin Higher Education Center (CHEC) Room 134,

College issued email and home phone numbers are automatically loaded into CougarAlert, but students can and should add text and additional email contacts as needed. See https://www.collin.edu/cougaralert.html for instructions. Standard text messaging fees from service providers may apply. During emergencies, go to www.collin.edu for details. If a closure notice is not posted on the website, Collin College is open.

All Collin College community members are encouraged to regularly review and update their information in CougarAlert.

In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), the term “dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

The information in the following paragraph can also be found in the current student handbook in the Student Code of Conduct, Chapter 1, Section 1.5 Freedom from Sex Discrimination, Sexual Harassment, Sexual Violence, and Retaliation and Board policy FFDA (LOCAL) located at http://pol.tasb.org/Policy/Download/304?filename=FFDA(LOCAL).pdf.

In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), the term “domestic violence” includes felony or misdemeanor crimes of violence committed “in a relationship by one partner to gain or maintain power and control over another intimate partner” (Office on Violence Against Women, United States Department of Justice, www.justice.gov/ovw/domestic-violence).

Examples of domestic violence may include abuse committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

State of Texas’ Definition

The State of Texas’ term for domestic violence is “family violence,” and its definition is located in the Family Code, Chapter 71, Section 71.004 Family Violence:

“Family violence” means:

(1) an act by a member of a family or household against another member of the family or household that is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the member in fear of imminent physical harm, bodily injury, assault, or sexual assault, but does not include defensive measures to protect oneself;

(2) abuse, as that term is defined by Sections 261.001 (1) (C), (E), (G), (H), (I), (J), and (K), by a member of a family or household toward a child of the family or household; or

(2) “Property” includes a pet, companion animal, or assistance animal, as defined by Section 121.002, Human Resources Code.

6.6 Retaliation

The following information can also be found in the current student handbook in the Student Code of Conduct, Chapter 1, Section 1.5 Freedom from Sex Discrimination, Sexual Harassment, Sexual Violence, and Retaliation and Board policy FFDA (LOCAL) located at http://pol.tasb.org/Policy/Download/304?filename=FFDA(LOCAL).pdf.

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Additionally, students may not harass, stalk, intimidate, interfere with, or coerce another individual to not
6.7 Consent to Sexual Activity

Collin College’s Definition

The following information can also be found in the current student handbook in the Student Code of Conduct, Chapter 1, Section 1.5 Freedom from Sex Discrimination, Sexual Harassment, Sexual Violence, and Retaliation.

Sexual activity requires consent, which is defined as an informed, voluntary, affirmative, and mutual agreement between the participants to engage in a specific sexual act. The following guidelines will be used to determine whether consent was obtained:

1. Consent to sexual activity can be communicated in a variety of ways, but one should not presume consent has been given in the absence of a clear, positive agreement.

2. Consent can only be accurately gauged through direct communication about the decision to engage in sexual activity. The absence of the word “no” or the like (e.g., “stop”) does not imply consent.

3. Although consent can be nonverbal, verbal communication is the most reliable form of asking for and obtaining consent. Discussing your desires, needs, and limitations with sexual partners provides a basis for positive sexual experiences shaped by mutual willingness and respect.

4. Presumptions based upon contextual factors (e.g., provocative clothing or dancing, etc.) are unwarranted, and should not be considered grounds for consent.

5. As defined in the State of Texas Penal Code § 22.011 Sexual Assault, the age of sexual consent is 17. Therefore, consent cannot be obtained from someone who is under the age of 17 as that person is legally considered to be a minor.

6. Consent cannot be obtained from someone who is asleep, unconscious, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition (e.g., an intellectual or other disability). A person is mentally or physically incapacitated when that person lacks the ability to make or act on considered decisions to engage in sexual activity. Engaging in sexual activity with a person whom you know – or reasonably should know – to be incapacitated constitutes sexual violence.

7. Consent to some sexual acts does not constitute consent to others.

8. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. If you proceed despite your partner’s verbal and/or nonverbal communication to stop, you have committed sexual violence.

9. Consent cannot be obtained by threat, coercion, or force. Agreement under such circumstances does not constitute consent.

10. A prior sexual encounter or pre-existing relationship does not indicate consent to current or future sexual activity.

State of Texas’ Definition

The Texas Penal Code, Section 22.011 Sexual Assault states:

(b) A sexual assault under Subsection (a) (1) is without the consent of the other person if:

(1) the actor compels the other person to submit or participate by the use of physical force or violence;

(2) the actor compels the other person to submit or participate by threatening to use force or violence against the other person, and the other person believes
that the actor has the present ability to execute the threat;

(3) the other person has not consented and the actor knows the other person is unconscious or physically unable to resist;

(4) the actor knows that as a result of mental disease or defect the other person is at the time of the sexual assault incapable either of appraising the nature of the act or of resisting it;

(5) the other person has not consented and the actor knows the other person is unaware that the sexual assault is occurring;

(6) the actor has intentionally impaired the other person's power to appraise or control the other person's conduct by administering any substance without the other person's knowledge;

(7) the actor compels the other person to submit or participate by threatening to use force or violence against any person, and the other person believes that the actor has the ability to execute the threat;

(8) the actor is a public servant who coerces the other person to submit or participate;

(9) the actor is a mental health services provider or a health care services provider who causes the other person, who is a patient or former patient of the actor, to submit or participate by exploiting the other person's emotional dependency on the actor;

(10) the actor is a clergyman who causes the other person to submit or participate by exploiting the other person's emotional dependency on the clergyman in the clergyman's professional character as spiritual adviser; or

(11) the actor is an employee of a facility where the other person is a resident, unless the employee and resident are formally or informally married to each other under Chapter 2, Family Code.

6.8 Safe and Positive Options for Bystander Intervention

The following information can also be found on Collin College's website at www.collin.edu/studentresources/deanofstudents/BystanderIntervention.aspx.

Bystander intervention occurs when a witness speaks up and/or steps in to stop a potentially dangerous situation. Bystanders often do not become involved in a situation because they do not know what to do, are worried about their own safety, or think other witnesses will intervene.

Empowered Bystanders
1. are mindful of their environment,
2. take care of their friends and classmates,
3. ask their friends and classmates to take care of them,
4. are empathetic,
5. familiarize themselves with campus resources,
6. have the Collin College Police Department's phone number (972.578.5555) programmed into their cell phones,
7. speak up to stop violence, and
8. are willing to act.

The entire campus community plays a vital role in preventing acts that violate Collin College's Core Value of Dignity and Respect. As a friend, classmate, partner, family member, etc., you are in a unique position – you have the power to intervene and stop an incident before it occurs. You can use your power to stop a potentially dangerous situation by:
Intervening

Questions to ask before taking action:

1. Am I concerned about a situation becoming a potential problem?
2. Do I recognize someone who may need help?
3. Do I see others and myself as part of the solution?
4. Do I have a responsibility to act?
5. If the roles were reversed would I want or need someone to intervene?

Questions to ask during the situation:

1. How can I keep myself and others safe if I intervene?
2. What are my available options? Options may include, but are not limited to:
   - creating a distraction,
   - interrupting a situation,
   - removing others and myself from the situation,
   - checking in to make sure friends and any vulnerable individuals make it home safely, and
   - speaking out against social norms that support violence.
3. Are there others I can call for help, including 911 and the Collin College Police Department?
4. What are the benefits and costs of taking action?

Being a Supportive Ally

1. Educate yourself and others about gender inequality, prohibited conduct, the causes of violence, healthy relationships, and consent to sexual activity.
2. Challenge the myths surrounding violence and prohibited conduct. Understand how your attitudes and actions may perpetuate these myths, and work toward changing them.
3. Don’t make excuses for other people’s inappropriate behavior.
4. Don’t blame the victim.
5. Gently offer support if you suspect someone close to you has been a victim of violence.

Reporting Incidents that Violate the Student Code of Conduct

6.9 Ways to Reduce Risk of Becoming a Victim

The following information can also be found on Collin College’s website at www.collin.edu/studentresources/deanofstudents/SexualViolence.aspx.

The following are suggestions for how to reduce your risk of becoming a victim of dating violence, domestic violence, sexual violence, and stalking.

1. Have a plan. Tell someone you trust where you are going and when you expect to return. If you go together, leave together. Do not leave a friend behind.
2. Take care of your friends, and ask them to take care of you. Respect them when they do.
3. In social situations, do not accept food or open beverages, as it can be easy for someone to slip a drug into them without your knowledge. Warn your friends if you see someone tampering with their drink.
4. Take responsibility for your alcohol intake and/or drug use. Using these substances lowers inhibitions and may make you a target.
5. Know that you have the right to set limits concerning your sexual activity. Make your limits known as early as possible and communicate them clearly and consistently.
6. If you change your mind during sexual activity, speak up and communicate your decision to no longer proceed clearly and firmly. Say something like, "No" or "I want you to stop."

7. If a situation feels uncomfortable or you are uncertain about something, trust your instincts, remove yourself from the situation, and ask for help.

8. If you feel you have been victimized, find a safe place away from the aggressor and call the police or a community agency, such as a rape crisis center, domestic violence hotline, or hospital.

9. Do not assume, "It can't happen to me."

10. If you see something of concern, say something.

6.10 Procedures Victims of Dating Violence, Domestic Violence, Sexual Violence, and Stalking Should Follow

The following information can also be found on Collin College's website at www.collin.edu/studentresources/deanofstudents/SexualViolence.aspx.

Seek Medical Attention Immediately

If you request it or if you have already reported the incident to a law enforcement official, a sexual assault nurse examiner (SANE) or doctor will conduct both a forensic and medical exam and collect evidence. For evidence collection to take place, it is best for an exam to occur within five (5) days (i.e., 120 hours) of the incident. It is advised that you do not shower, bathe, eat, drink, wash your hands, change clothes, brush your teeth, or do anything that may interfere with the collection of evidence. If you do change your clothes, be sure to take the clothes you had on when the incident occurred with you to the hospital. It is also important to share as much information as you can remember with medical personnel. Learn more about the sexual assault exam process online at www.rainn.org/articles/rape-kit.

Collin County has a mobile sexual assault nurse examiner (SANE) team. If you go to any hospital in Collin County, the staff can contact the mobile SANE team, and they will come to that hospital to assist you.

You can receive attention at any medical facility; however, the following local hospitals have specially-trained staff to help survivors of sexual violence. Victims 17 years of age and under must be seen at a hospital with an approved colposcope. These hospitals are noted with an asterisk (*) below. Collin College does not provide transportation to any of these hospitals.

Consider Counseling and/or Other Support Services

This is a difficult and stressful time, and you may need assistance now or in the future. Counseling services are offered free of charge to all current Collin College students. Counseling Services can be reached at 972.881.5126 or personalcounseling@collin.edu.

Keep a Journal

Write down everything you can remember about what occurred including: the events that led up to the incident, the date the incident occurred, the time the incident occurred, names of any potential witnesses or persons who may have additional information, etc. If applicable, keep any voicemails, harassing letters, texts, online postings, emails, etc. as evidence.
6.11 Preservation of Evidence

The following information can also be found on Collin College's website at www.collin.edu/studentresources/deanofstudents/SexualViolence.aspx.

Collin College recognizes that making the decision to report sexual violence may take time. Nevertheless, pending the decision to report, all individuals are strongly encouraged to take immediate steps to preserve evidence that might support a future report of sexual violence; a protective order; or an investigation by the police, Collin College, or both. Such evidence may include, but is not limited to, the following:

1. a forensic sexual assault examination completed within five (5) days (i.e., 120 hours) of the incident;

2. any clothing, sheets, or other materials containing bodily fluids. These items should be stored in cardboard boxes or paper bags;

3. electronic exchanges to the extent that they can be captured or preserved (e.g., emails; text messages; and social media posts in Facebook, Instagram, Snapchat, Twitter, etc.);

4. photographs, including photographs stored on smartphones, tablets, and other electronic devices;

5. voicemail messages; and

6. any other physical, documentary, or electronic data that might be helpful or relevant in an investigation.

6.12 Written Notification of Victim’s Rights and Options

When a student or employee reports to Collin College he or she has been a victim of dating violence, domestic violence, sexual violence, or stalking, whether the offense occurred on or off campus, Collin College will provide the student or employee with written notification explaining:

1. his or her rights and options;

2. existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other appropriate services available for victims, both at Collin College and in the local community; and

3. options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures. Note: Collin College must make such accommodations or provide such protective measures if the victim requests them and they are reasonably available, regardless of whether the victim chooses to report the crime to the Collin College Police Department or local law enforcement.

6.13 Available Options and Interim Action

The information in the following paragraph can also be found in the current student handbook in the Student Code of Conduct, Chapter 1, Section 1.5 Freedom from Sex Discrimination, Sexual Harassment, Sexual Violence, and Retaliation and Board policy FFDA (LOCAL) located at http://pol.tasb.org/Policy/Download/304?filename=FFDA(LOCAL).pdf.

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, Collin College shall promptly take interim action calculated to address prohibited conduct prior to the completion of Collin College's investigation.
The information in the following paragraph can also be found in the current student handbook in the Student Code of Conduct, Chapter 3, Section 3.5 Interim Disciplinary Action and Board policy FMA (LOCAL) located at http://pol.tasb.org/Policy/Download/304?filename=FMA(LOCAL).pdf.

The dean of students or designee may take immediate disciplinary action, including, but not limited to, temporary immediate suspension pending resolution of the matter through the student disciplinary process, against a student for policy violations if the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the educational environment.

Regardless of whether a victim chooses to report to local law enforcement, the Collin College Police Department, or the student or employee disciplinary process, Collin College must provide certain options and interim action if the victim requests them and they are reasonably available. This amnesty policy does not apply to a student who reports his or her own commission of sexual assault or assistance in the commission of sexual assault.

False Claims

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a Collin College investigation regarding sex discrimination, sexual harassment, or sexual violence shall be subject to appropriate disciplinary action.

Confidentiality of Victims and Other Parties

To the greatest extent possible, Collin College shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Additionally, Collin College will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality does not impair Collin College’s ability to provide the accommodations or protective measures.

Investigation of the Report

Collin College may request, but shall not require, a written report. If a report is made orally, the Collin College official shall reduce the report to written form.

Initial Assessment

The investigation may also include analysis of other information or documents related to the allegations. Both the complainant and student respondent may have an observer(s) present during any meetings with the investigator.
Collin College will not limit the complainant or student respondent’s choice of observer(s). However, the purpose of any meetings with the investigator is to hear directly from the complainant or student respondent. Therefore, only the complainant or student respondent may speak on his or her own behalf. Additionally, should the complainant or student respondent choose to have legal counsel as an observer, he or she must notify the investigator prior to the meeting in order for Collin College to also secure legal counsel.

Section 7: Awareness and Prevention Programs

7.1 Alcohol and Substance Abuse Prevention Programs

Collin College has developed a prevention and intervention program to educate, empower, and provide resources that address the use and abuse of drugs and alcohol by students and employees. This program provides services related to drug use and abuse including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary actions.

Collin College’s Counseling Services provides overall coordination of the Drug Free School Program, as required by the Higher Education Act, § 120 (a) through (d). The materials Collin College disseminates annually to comply with the requirements of the Drug-Free Schools and Communities Act Amendments of 1989 are located on the Counseling Services website at https://www.collin.edu/studentresources/counseling/students/cougarcounselingservices.aspx.

In an effort to fulfill the requirements of the Drug Free School Program, Collin College’s Counseling Services coordinates Know Now, an initiative which will begin programming in the fall 2017 semester. The purpose of Know Now is to educate Collin College students about issues related to substance use and abuse, empower students to make positive choices for their futures, and encourage utilization of campus and community resources for recovery. The objectives of this initiative are to:

1. Develop prevention and education regarding current trends, statistics, and issues related to the consumption of alcohol and other substances through:
   a. presentations coordinated by Counseling Services about issues concerning substance use and abuse,
   b. promoting alcohol-free social options in partnership with student engagement events, and
   c. campaigns to share statistics and trends in the community that may affect the normative environment.

2. Conduct early intervention awareness in order to empower students to self-refer by:
   a. promoting use of online screening tools (available on the Counseling Services website) to identify problematic substance use and
   b. providing assessment and referral for students concerned about substance use.

3. Increase awareness of resources that may assist students affected by addiction (either personally or those who have peers and/or family in need of support) by educating them about community resources for treatment (e.g., no- or low-cost treatment options, support services such as Alcoholics Anonymous [AA] and Narcotics Anonymous [NA], and off-campus counseling options).

Additional information on the Know Now initiative and their current schedule of events can be found on the Counseling Services website at http://www.collin.edu/studentresources/counseling/index.html.

Many services regarding alcohol and substance abuse prevention are the responsibility of other areas of the institution. These services and responsible areas include:

1. Alcohol and Drug Education: Collin College Health Classes, Counseling Services, Dean of Students Office (DOS), Employee Assistance Program (EAP), and Student Engagement.
2. Personal Counseling: Counseling Services and EAP.

3. Referral Services: Counseling Services, DOS, and EAP.

Collin College offers information on alcohol and substance abuse prevention during the following programs and events:

1. Distracted Driving Event organized by Student Engagement,

2. Health and Safety Fair at the Central Park Campus (CPC),

3. Alcohol and Other Drugs Canvas Module Educational Project Experience (EPE) provided by DOS,

4. Alcohol/Drug Awareness Seminar and Essay EPE provided by Counseling Services and DOS, and

5. “Marijuana Myths” presentation provided by Counseling Services.

7.2 Crime Prevention, Safety, and Security Awareness Programs

The information in the following paragraph can also be found in the current student handbook, Chapter 6, Section 6.6 Collin College Police Department.

Periodically during the academic year, the Collin College Police Department, in cooperation with other college departments, presents crime prevention and awareness sessions on topics such as sexual assault, alcohol and drug abuse, theft, vandalism, and personal safety. Collin College Police Department officers facilitate these programs for Collin College students, parents, faculty, staff, student organizations, and community organizations.

During mandatory new student orientation sessions in April, May, June, July, August, December, and January, students are informed of services offered by the Collin College Police Department. These presentations outline ways to maintain campus safety and security as well as personal safety. Students are informed about crime on campus and in surrounding neighborhoods. Similar information is presented to new employees during the hiring process and new employee orientation sessions.

Crime and sexual assault prevention programs are offered on a continual basis. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Collin College implemented Texas Government Code, Section 411.2031, Carrying of Handguns by License Holders on Certain Campuses, effective August 1, 2017. In an effort to inform the entire Collin College community about the details of this law, commonly known as “Campus Carry,” and Collin College’s policies and procedures, the Collin College Police Department is presenting a series of educational programs for students, faculty, and staff. These information sessions are planned for each of Collin College’s main campuses, and are intended to promote open discussion of the law and its provisions. For additional information on Campus Carry and these information sessions, go to www.collin.edu/aboutus/concealedcarry.html.

Collin College Police Department officers trained in Citizen Response to Active Shooter Events (CRASE) will be conducting ongoing educational programs at the Central Park Campus (CPC), Preston Ridge Campus (PRC), and Spring Creek Campus (SCC) throughout the academic year. The CRASE educational programs are based on the “avoid, deny, defend (ADD)” strategy of responding to active shooter events, which was originally developed by Advanced Law Enforcement Rapid Response Training (ALERRT) in 2004. The CRASE educational programs will provide strategies, guidance, and a proven plan for...
surviving an active shooter event. Topics covered in these programs include, but are not limited to, the history and prevalence of active shooter events, civilian response options, and considerations for conducting active shooter drills. For additional information on the CRASE educational programs, go to the Collin College Police Department’s website www.collin.edu/campuspolice/.

The Collin College Police Department also offers “Coffee with the Cops” sessions at the Central Park Campus (CPC), Preston Ridge Campus (PRC), and Spring Creek Campus (SCC) throughout the academic year. These informational sessions give Collin College students and employees the opportunity to meet and interact with Collin College Police Department officers located on their campuses. During these sessions, Collin College Police Department officers present information on campus safety and security, crime prevention and awareness, and personal safety. Additionally, students, faculty, and staff are given the opportunity to ask the Collin College Police Department officers questions regarding safety and security topics that affect their daily business on the campuses. For additional information on the “Coffee with the Cops” sessions, go to the Collin College Police Department’s website www.collin.edu/campuspolice/.

Information is also disseminated to Collin College students, faculty, and staff through crime prevention awareness packets, security alert posters, displays, videos, articles in Collin College’s electronic newsletter, CougarNews, and on the Collin College Police Department’s website www.collin.edu/campuspolice/.

7.3 Strategies of Behavioral Intervention (SOBI)

To extend its efforts on emergency preparedness and prevention, Collin College has established a behavioral intervention team (BIT) called Strategies of Behavioral Intervention (SOBI). SOBI is made up of Collin College administrators, faculty, staff, and police from each campus throughout the district, and serves as a central network focused on preventive and timely intervention before a crisis arises. SOBI has designed a process that reflects the best practices for referring, assessing, responding to, and assisting students who may display various levels of distressed, disturbed, and/or unregulated behavior.

SOBI serves as a resource for the entire Collin College community, and its goals are to:

1. centralize collection and assessment of “red flags” raised by students’ behaviors;

2. determine, on an individual basis, the need to further assess the potential for harmful behavior;

3. intervene early to provide support and respond appropriately to students’ concerning behaviors;

4. coordinate various interventions and services, and ensure resources are deployed effectively; and

5. balance students’ educational needs with Collin College’s mission.

SOBI only responds to referrals regarding student behaviors of concern. Reports regarding faculty and/or staff members should be sent directly to Collin College’s Human Resources Office (HR). Additionally, SOBI actions are not a substitute for student disciplinary or law enforcement interventions. Referrals regarding Student Code of Conduct violations will be immediately forwarded to the Dean of Students Office. Referrals regarding criminal or threatening activity will be immediately forwarded to the Collin College Police Department.

Throughout the academic year, SOBI offers informational and training sessions on various topics related to behavioral intervention, campus safety and security, identifying and responding to student behaviors of concern, and other pertinent issues. These sessions are open to students,
faculty, and staff; and information on session dates, times, and locations is disseminated to the entire Collin College community through email, SOBI’s website, and campus postings.

For additional information on SOBI or to submit a referral, go to [http://www.collin.edu/studentresources/SOBI/index.html](http://www.collin.edu/studentresources/SOBI/index.html) or contact SOBI directly at sobi@collin.edu.

### 7.4 Programs to Promote Awareness of Dating Violence, Domestic Violence, Sexual Violence, and Stalking

Periodically throughout the academic year, the Collin College Police Department, Counseling Services, Dean of Students Office (DOS), and the Strategies of Behavioral Intervention (SOBI) Committee present programs and training sessions to promote awareness of dating violence, domestic violence, sexual violence, and stalking. Information on personal safety, bystander intervention, the importance of preserving evidence, and reporting options are also presented during these programs and training sessions.

**Primary Prevention and Awareness Programs**

During mandatory new student orientation sessions in April, May, June, July, August, December, and January, the Dean of Students Office (DOS) presents information to incoming students and their parents. Topics covered include, but are not limited to, dating violence, domestic violence, sexual violence, stalking, consent to sexual activity, the investigation and student disciplinary processes, personal safety, and bystander intervention.

In order to comply with the federal government’s mandated training requirement under the *Violence Against Women Reauthorization Act of 2013 (VAWA)*, Collin College instituted a mandatory online “Sexual Harassment and Sexual Violence” training for all new Collin College students during the spring 2015 semester. This mandatory online training provides incoming students with information on bystander awareness, dating violence, domestic violence, sexual violence, stalking, Collin College’s policies and procedures, and appropriate campus and community resources. All new Collin College students are required to access this training through the college’s online portal, CougarWeb. A registration hold is placed on all new students’ records until this mandatory online training is completed. Once students complete this mandatory online training, their holds are removed and they are allowed to register for classes. Completion of the mandatory online training is tracked by the Admissions and Records Office (ARO).

**Ongoing Prevention and Awareness Programs**

Ongoing training (e.g., seminars, presentations, videos, etc.) on dating violence, domestic violence, sexual violence, stalking, and other relevant topics are also offered to all new and returning students at each of the three (3) main campuses throughout the academic year.

**Bystander Awareness**

Collin College’s I Got Your Back (IGYB) Bystander Awareness Project is an educational campaign to inform the entire Collin College community about and improve bystander intervention. IGYB’s purpose is to raise awareness, educate everyone on their role as a bystander, and make Collin College a safer community for students, staff, and faculty. Through its various initiatives, IGYB aims to teach everyone to be an active, effective bystander.

The IGYB committee has created a series of videos on bystander awareness and intervention in collaboration with Counseling Services, the Dean of Students Office (DOS), and the Strategies of Behavioral Intervention (SOBI) committee. The first (1st) and second (2nd) videos in this series, titled “Have a Heart” and “Empowered Bystanders,” respectively, are linked in several places on the college’s website (e.g., Bystander Intervention and Awareness, Counseling Services, DOS, and Sexual Violence webpages). These videos
The IGYB committee has also created a webpage titled “Bystander Awareness and Intervention” to house information and various resources related to this issue. This webpage contains accurate, up-to-date information on how to become an empowered bystander as well as links to the bystander intervention video series and various campus and community resources. It is located on the college’s website at www.collin.edu/studentresources/deanofstudents/BystanderIntervention.aspx.

The Dignity Initiative
Collin College’s Committee Against Gender Violence and Oppression has launched The Dignity Initiative, which is a multi-year district-wide campaign to educate the campus community about the following five (5) specific elements of gender violence:

1. aggressor roles and responsibilities,
2. objectification of women,
3. sex trafficking,
4. gender violence, and
5. the global impact of oppression.

The Dignity Initiative seeks to empower the campus community with specific action steps to end gender-based oppression. Additionally, the Dignity Initiative envisions a future in which women are treated with respect and honored as valuable members of cultures around the world.

The Dignity Initiative is entering its fourth (4th) year at Collin College. Over the last three (3) years, approximately 11,000 students, faculty, staff, and community members have attended The Dignity Initiative events. Each semester, The Dignity Initiative focuses on a specific aspect of violence and how to stop violence against women.

Additional information on The Dignity Initiative and the current schedule of events can be found on Collin College’s website at https://www.collin.edu/community/dignity/.

Healthy Relationships Canvas Module Educational Project Experience (EPE)
This online module may be issued by the Dean of Students Office (DOS) as part of the disciplinary penalty for students found responsible for an allegation of dating violence, domestic violence, sexual violence, or stalking. Topics covered include: the characteristics of healthy relationships; tips for anger management in relationships; and effective communication in relationships. The student must watch the video and then earn a minimum grade of 70% on the quiz over the material covered before the disciplinary hold is removed from the student’s records.

Paired Relationships Seminar and Essay Educational Project Experience (EPE)
This two (2) hour seminar may be issued by the Dean of Students Office (DOS) as part of the disciplinary penalty for students found responsible for an allegation of dating violence, domestic violence, sexual violence, or stalking. This seminar is facilitated by Counseling Services, but is not a mandated counseling session. This seminar can be tailored to address the reasons an individual student was brought in for disciplinary action. Topics covered include: the characteristics of healthy relationships; tips for anger management in relationships; and effective communication in relationships. Finally, the presenter and student discuss the benefits of change and the motivations for change.

The student must write a 3-4 page reaction essay capturing the personal insight he or she gleaned after attending the Paired Relationships Seminar. This reaction essay must address the following points:

1. Summarize the main points covered in your EPE Seminar.
2. What new information did you learn from your EPE Seminar?

3. Summarize the incident that led to your involvement with the EPE Seminar. If you are confronted with a similar incident in the future, how will you respond differently?

The student is given a deadline by which the Paired Relationships Seminar must be completed and the reaction essay returned to the DOS Office. Essays are evaluated by the DOS case adjudicator and run through Turnitin.com before the disciplinary hold is removed from the student's records.

Sexual Violence Webpage
In order to make it easier for students and other interested parties to access information, procedures, and various resources related to these issues, the Dean of Students Office (DOS) has created a webpage titled "Sexual Violence: What Students Should Know." This webpage contains the most accurate, up-to-date information on the various federal laws, Collin College's policies and procedures, and links to campus and community resources. It is located on the college's website at www.collin.edu/studentresources/deanofstudents/SexualViolence.aspx.

Section 8: Annual Fire Safety Report

8.1 Policy for Publishing the Annual Fire Safety Report

Collin College publishes this Annual Fire Safety Report as part of its Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. § 1092(f) (Clery Act) compliance document. This report contains information on fire protection systems, fire safety practices, and fire safety standards for Century Court Student Housing (Century Court). Additionally, this report includes fire statistics for Century Court concerning the number of fires, the cause of each fire, the number of injuries and deaths related to a fire, and the value of the property damage caused by the fire.

8.2 Century Court Student Housing (Century Court)

Century Court Student Housing (Century Court) is a 128-unit complex located at 5800 Jupiter Road, Plano, Texas, 75074, and is the only residential facility located on any Collin College campus. Century Court is located on the west side of the Spring Creek Campus (SCC), and is under the ownership and direction of the Collin College Student Housing Foundation, which operates under the rules and regulations of community college dormitories in Texas. Additional information about Century Court can be found on their website http://centurycourt.com/.

Fire Safety Systems

Century Court facilities are inspected for fire safety annually by municipal fire marshals, in accordance with the relevant city codes as well as state and federal guidelines. Each Century Court residential unit is equipped with smoke detectors and sprinkler systems. Additionally, fire extinguishers are provided in the kitchens of each residential unit. Century Court’s fire safety and suppression system is maintained and monitored 24 hours a day, 365 days a year by Frontline Fire Protection, Inc.

Century Court Lease and Community Policies

Policies for safe occupation of the residential units, including standards for community living, prohibited items, portable electrical appliances, smoking, and open flames are governed by the Century Court lease and community policies.

The Century Court Lease Addendum (effective 2016) includes the following information under the “Maintenance, Alteration and Repairs” section on pages 6-7:

B. You must not disconnect or intentionally damage a smoke detector or remove the battery without immediately replacing it with a working one. If you do not comply with this, you may be subject damages, civil penalties and attorneys’ fees under Section 92.2611 of the Texas Property Code. You alone are responsible for keeping the smoke detector in working order and will be fined $250.00 if your smoke detector is disconnected.

D. Except in the event of an emergency, all requests for repairs or replacements must be in writing to us. In case of malfunction of utilities or damage by fire, water, or similar cause, you must notify the office or after hours staff immediately, and call 911 for immediate help with health or safety emergencies.

G. If you fail to comply with these provisions, you will be considered in violation of your lease and can be held responsible for property damage to the Premises or any health problems that might result.

L7. BARBECUE GRILLS – The local fire code prohibits the storage or use of barbecue grills on the sidewalks in front of each building and on the unit patios and balconies. You may be referred to the local Fire Marshal if you fail to comply. Flammable liquids may not be stored in your suite nor Unit. Any and all such items will be confiscated by Century Court staff and removed from property. **Violation will result in a $200 fine.**

L8. SMOKE DETECTORS – At the beginning of your lease we will test the smoke detector(s) in your Unit for proper operation and working batteries. Thereafter, it is your responsibility to replace the batteries. **Do not render the smoke detector(s) inoperable or fail to keep working batteries installed.** Report to us any malfunctioning or inoperable smoke detector(s). **Removal of batteries and/or tampering with smoke detectors will result in a $250.00 fine** from Century Court and possible additional fines by the local Fire Marshal.

L10. SMOKING PROHIBITED – We do not allow smoking in our office, the model, the clubroom or the laundry rooms. **Smoking within a Unit is permitted only if all roommates agree that the unit is earmarked as a smoking unit.** Properly dispose of cigarette butts in containers and do not dispose of them on the grounds, on walkways or parking areas. Improper disposal of cigarette butts will result in cleaning fines and/or disciplinary action. **Smoking or evidence of smoking in a non-smoking unit or common area will result in resident(s) being fined $75.00.** Smoking of hookah is prohibited in all areas of the property and units.

L15. PROPERTY INSPECTION/ENTRY/HEALTH AND SAFETY INSPECTION/ENTRY – Residents have both a right and a responsibility to abide by College and Community policies, and state and civil laws while living in student housing. The management, through its representatives, reserves the right to enter a Unit or room for the purpose of inspection, repair, inventory, verification of safety-regulation compliance, or to correct a potentially hazardous, disruptive, or life threatening situation. The Manager and/or his/her designee may enter Units/rooms at their discretion if they believe a College or Community policy or state or civil law is being broken, or a person is in danger or needs assistance. Staff may also enter a Unit/room during a fire alarm, for noise violations, and for any suspected drug and/or alcohol related infractions. Residents are not required to be present for staff members to enter a Unit or room. Items that represent a violation of College or Community Policies or that are against state or civil laws will be confiscated. All such incidents will be documented and Residents held accountable for the violation.

L16. UNITS – We recognize the importance of personalizing your housing suite. However, in order to comply with fire codes (which exist for your protection and safety), to reduce the risk of accidents, and to prevent other damage to the Unit, we have established the policies that follow. **If you fail to follow these policies, we will charge you a minimum fine of $75.00.**

A. We do not allow hot plates in your Unit.

B. We do not allow multiple-outlet, “octopus,” plugs in your Unit unless they have a self-contained circuit breaker. All extension cords must be U.L. approved.

only for light. Do not store flammable liquids in or around your Unit.

D. You may not hang, stick, or erect anything in, on, or about any windows or anywhere else on the outside of any building.

E. All decorations should be temporary in nature so as to not permanently deface or damage any of your Unit finishes. You can hang posters and other wall decorations with poster putty, thumbtacks, or any other method that will not damage painted wall surfaces. No wall papering or painting is permitted in your Unit.

F. Do not use nails, stickers or tape on the Unit entrance, bedroom and closet doors, or kitchen cabinet surfaces.

G. We do not allow waterbeds.

H. Do not hang anything from sprinkler heads. Damage to these may result in flood damage, which you will be responsible.

I. Aluminum foil may not be placed in windows as insulation or decoration. No Exterior TV Dishes or TV antennas are allowed.

J. Live Plants with electric lights (e.g. Christmas Trees) are not permitted.

ANY OF THE ABOVE MENTIONED ITEMS A. – J. MAY BE CONFISCATED BY CENTURY COURT STAFF AND HELD FOR 3 DAYS BEFORE BEING REMOVED FROM CENTURY COURT PROPERTIES.

Number of Fire Drills Held

There were zero (0) fire drills held at Century Court during the 2016 calendar year.

8.3 Policies Regarding Fire Safety Education and Training Programs

Century Court has established policies regarding fire safety and training education programs for its employees and student residents. This information is disseminated to new student residents during the application and leasing process. Contact Century Court management at 972.509.0247 for additional information.

8.4 Procedures for Reporting a Fire

Any Century Court employee or resident student who discovers a fire should immediately sound the fire alarm and dial 911 to report the fire to the Plano Fire-Rescue Department. If a Century Court employee or resident student finds evidence of a fire that has been extinguished and is unsure whether the Plano Fire-Rescue Department has already responded, he or she should immediately dial 911 to report the fire and also notify Century Court management so the incident can be investigated and documented appropriately.

For purposes of including a fire in the annual fire safety report, any Century Court employee or resident student should report that a fire occurred to a Collin College Police Department officer, sergeant, or the chief of police by phone at 972.578.5555 or in person at the Collin College Police Department Headquarters, Spring Creek Campus (SCC), 2800 East Spring Creek Parkway, Plano, TX 75074, Room K-128.

When reporting a fire for purposes of inclusion in the annual fire safety report, provide as much information as possible about the location, date, time, and cause of the fire as well as any property damage that occurred and any injuries that may have resulted. All fires that occur, including minor fires that do not require an emergency response, must be reported to the Collin College Police Department as soon as possible.
8.5 Procedures for Evacuation in Case of a Fire

For your safety and protection, remember: in case of a fire, get out as quickly as possible and leave the firefighting to the professionals. If a fire alarm is activated, students and guests must leave their Century Court residence in a timely manner by the marked exits and move as far away from the building as possible. Never assume it is a drill or false alarm – treat each alarm as if it is the real thing. Upon receiving verbal authorization from a Plano Fire-Rescue Department official, Collin College Police Department officer, or Century Court management, students and guests should return to their residences quickly and quietly. If there are questions or concerns, contact Century Court management at 972.509.0247.

8.6 Fire Safety Information and Tips

Buildings are equipped with a variety of features that are designed to detect, stop, and suppress the spread of a fire. A door can be the first line of defense against the spread of smoke or fire from one area to another. Some doors, such as fire doors in corridors or stairwells, are designed to stand up to fire longer than those of an individual room. It is important that these doors remain closed for them to work. Additionally, if a door has a device that automatically closes the door, it should not be propped open.

Sprinklers are effective in preventing the spread of fire when operating properly in 98% of fire incidents (Effectiveness and Reliability of Fire Protection Systems, Milke, J. [2014], Society of Fire Protection Engineers [SFPE]. http://www.sfpe.org/?page=2014_Q4_4). Do not obstruct the sprinkler heads with materials like clothing hanging from the piping.

Smoke detectors cannot do their job if they are disabled or covered. Disabling or covering smoke detectors is a violation of Collin College and Century Court policies.

Almost three quarters (¾) of all fires that are caused by smoking material are the result of a cigarette being abandoned or disposed of carelessly (Smoking-Related Fires in Residential Buildings (2008-2010), Topical Fire Report Series [2012]. https://www.usfa.fema.gov/downloads/pdf/statistics/v13i6.pdf). Collin College is a smoke- and tobacco-free institution; therefore, smoking is not permitted in any Collin College building or on any Collin College property. Smoking is only permitted in designated units and areas at Century Court.

Safe evacuation will require familiarization with the exits in each facility so the evacuees use the nearest stairwell or exit from the facility. Safe evacuations also include not using an elevator as a means of escape. The elevators that have not been recalled for fire department use may operate erratically in a fire situation, which may result in entrapment. Emergency phones in the elevators should be used to call 911 should entrapment occur.

The following information can also be found on the Collin College Police Department's website: http://www.collin.edu/campuspolice/firesafety.html.

Prepare in Advance

Know the locations of alternate exits from your area. If your work station is located within an office, know exactly how many doors you will pass along your evacuation route before you reach the nearest exit door since exit signs may be invisible in heavy smoke. Even in heavy smoke, you can count the number of doors you pass so you will know when you reach the exit door.

If There is a Fire on Your Floor

1. Immediately call 911 and report the location of the fire.

2. When it is safe to do so, also call 972.578.5555 and report the fire to the Collin College Police Department.
3. Activate the fire alarm, alert others, and move everyone away from the fire.

4. Use a fire extinguisher on small (i.e., wastebasket size) fires only if it is safe to do so.

5. For larger fires, get out and close the doors to contain the fire as much as possible.

6. If clothing catches fire, STOP, DROP, and ROLL.

7. Follow all directions given to you by emergency personnel, if present.

**Fire Extinguisher Instructions**

1. PULL the safety pin from the handle.

2. AIM the nozzle, cone, and horn at the base of the fire.

3. SQUEEZE the trigger handle.

4. SWEEP the nozzle from side to side, and watch for re-flash (i.e., rekindling of the fire).

**When a Fire Alarm is Activated on Your Floor**

1. Proceed to the nearest exit.

2. Feel the top and bottom of the door for heat using the back of your hand. If the door is hot, do not open it. If the door is not hot, open it slowly. Stand behind the door and to one side, and be prepared to close it quickly if fire is present.

4. Stay low when moving through smoke

5. Walk down to the ground floor and exit the building.

6. Do not return to the area until instructed to do so by emergency personnel.

**If You Are Trapped in a Room**

1. Place cloth material around and under the door to prevent smoke from entering.

2. Retreat, and close as many doors as possible between you and the fire.

3. Be prepared to signal from a window, but do not break the glass unless absolutely necessary, as outside smoke may be drawn in.

**If You Are Caught in Smoke**

1. Drop to your hands and knees, and crawl or crouch low with your head 30” to 36” above the floor. Watch the base of the wall as you go.

2. Hold your breath as much as possible, and breathe shallowly through your nose using your shirt as a filter.

**8.7 Plans for Future Improvements in Fire Safety**

The Collin College Student Housing Foundation and Century Court management continually evaluate the Century Court fire safety program and fire protection systems. Upgrades and improvements are made based on need and funding. At this point in time, the Collin College Student Housing Foundation and Century Court management have not determined that plans for future improvements in fire safety are necessary for Century Court Student Housing.

B.1 Campus Security Authority (CSA) Crime Reporting Form with Crime Definitions

Pursuant to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), Collin College is required to collect and disclose statistics regarding the occurrence of certain criminal offenses that are reported to college officials designated as a campus security authority (CSA). Additionally, Collin College has a responsibility to notify the campus community about any crimes which pose an ongoing threat to the community. Therefore, CSAs are obligated by law to report crimes which fall under one (1) or more of the classifications listed below to the Collin College Police Department.

This form is to be completed by the CSA every time a criminal offense is reported that occurs on campus, in or on non-campus buildings or property owned or controlled by Collin College, and on public property within or immediately adjacent to campus. If there is an ongoing threat or imminent danger to members of the campus community, contact the Collin College Police Department immediately at 972.881.3555.

Completed forms must be submitted as soon as possible to:

Crime and Offense Definitions

The following definitions should be used when classifying crimes and offenses. These definitions are taken from the Uniform Crime Reporting Handbook (UCR) and the Violence Against Women Reauthorization Act of 2013 (VAWA).

Aggravated Assault: An unlawful attack by one (1) person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Note: include assaults or attempts to kill or murder, poisoning (including the use of date rape drugs), assault with a dangerous or deadly weapon, maiming, mayhem, assault with explosives, assault with disease (i.e., offender is aware he or she is infected with a deadly disease and deliberately attempts to inflict the disease by biting, spitting, etc.).

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes, this definition includes: unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses. Three (3) conditions must be met to classify a crime as burglary:

1. There must be evidence of unlawful entry (i.e., trespass). This means the person did not have the right to be in the structure at the time the incident occurred.
2. The unlawful entry must occur within a structure, which is defined as having four (4) walls, a roof, and a door.
3. The structure was unlawfully entered to commit a felony or theft.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Destruction/Damage/Vandalism of Property: To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.
**Domestic Violence:** A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or by any other person against an adult or youth victim who is protected from that person's actions under the domestic or family violence laws of the jurisdiction in which the violence occurred.

**Drug Abuse Violations:** The violation of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include opium or cocaine and their derivatives (e.g., morphine, heroin, codeine); marijuana; synthetic narcotics (e.g., Demerol, methadone); and dangerous non-narcotic drugs (e.g., barbiturates, Benzedrine).

**Hate Crime:** a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim.

**Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

**Larceny – Theft:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. “Constructive possession” is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.

**Liquor Law Violations:** The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.

**Manslaughter by Negligence:** The killing of another person through gross negligence. Any death caused by the gross negligence of another (i.e., something a reasonable and prudent person would not do). Note: “gross negligence” is the intentional failure to perform a manifest duty in reckless disregard of the consequences as affecting the life or property of another.

**Motor Vehicle Theft:** The theft or attempted theft of a motor vehicle. Does not include thefts from a motor vehicle. Classify as motor vehicle theft all incidents where automobiles
are taken by persons not having lawful access even though the vehicles are later abandoned, including joy riding.

**Murder and Non-negligent Manslaughter:** The willful (non-negligent) killing of one human being by another. Any death caused by injuries received in a fight, argument, quarrel, assault, or the commission of a crime. Note: do not include suicides, fetal deaths, traffic fatalities, accidental deaths, assaults with intent to murder, attempts to murder, deaths by negligence, or justifiable homicides.

**Robbery:** The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear. Essential elements: committed in the presence of a victim (usually the owner or person having custody of the property); victim is directly confronted by the perpetrator; victim is threatened with force or put in fear that force will be used; and involves a theft or larceny. Includes both armed robbery and robbery where only personal weapons (e.g., hands, fists, feet, etc.) are used.

**Sexual Assault:** Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.

  - **Fondling:** The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his or her age or because of his or her temporary or permanent mental incapacity.

  - **Incest:** Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

  - **Rape:** The penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration be a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.

  - **Statutory Rape:** Sexual intercourse with a person who is under the statutory age of consent. Note: the statutory age of consent in Texas is 17.

**Simple Assault:** An unlawful physical attack by one (1) person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

**Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or suffer substantial emotional distress. "Course of conduct" means two (2) or more acts including, but not limited to, acts in which the stalker directly, indirectly, or through third (3rd) parties,
by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. "Reasonable person" means a reasonable person under similar circumstances and with similar identities to the victim. "Substantial emotional distress" means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

**Weapons Violations (Carrying, Possessing, Etc.):** The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.

**Type of Bias Definitions**

When a hate crime is reported, the appropriate type of bias must also be reported. The following definitions apply to the eight (8) categories of bias which are reported under the Clery Act:

- **Disability:** A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

- **Ethnicity:** A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry.

Appendix C: Dating Violence, Domestic Violence, Sexual Violence, and Stalking Documents

C.1 Written Notification of Victim’s Rights and Options Handout

If you or someone you know has been hurt by dating violence, domestic violence, sexual violence, or stalking, Collin College is here to help. You have the right to live, learn, and work in a safe and welcoming environment.

Violence is unacceptable, and Collin College policy prohibits all forms of dating violence, domestic violence, sexual violence, and stalking.

Your immediate and long-term safety is what’s most important. This document outlines steps to take depending on what services you want or need. The resources and options outlined in this document may be helpful as you decide the next steps that are best for you.

Do you need medical attention?

You can receive attention at any medical facility, however, certain hospitals have specially-trained staff to help survivors of sexual violence. Contact information for local hospitals is on page 7 of this document.

It is important to preserve evidence that may be useful in obtaining a protective order or in proceeding with a criminal investigation should you choose to do so. Completing a forensic medical examination does not require you to file a police report or submit a report to Collin College, although we encourage these reports if you are comfortable with doing so.

Medical exams can also address other physical needs or trauma and assess for sexually transmitted infections or pregnancy. If possible, do not: shower, bathe, douche, eat, drink, wash your hands, change your clothes, brush your teeth, smoke, use the toilet, or clean the location where the incident occurred.

Save the clothing you were wearing, sheets, or towels in a paper bag. Keep any text messages, records of phone calls, emails, pictures, notes, gifts, etc., as this information can be pertinent for a report of dating violence, domestic violence, sexual violence, or stalking.

**Dating violence, domestic violence, sexual violence, and stalking are crimes and are not tolerated at Collin College.**

Members of the Collin College community, including visitors, have the right to be free from all forms of dating violence, domestic violence, sexual violence, and stalking.

Are you in danger?

- If yes, call 911.
- The Collin College Police Department can also provide assistance. Call 972.578.5655 to report an incident or emergency.
Making a Report

You may choose to report to local law enforcement, the Collin College Police Department, Collin College's student or employee disciplinary process, or all of these entities. You may choose not to report to any of these entities, and you are not obligated to report the incident if you choose not to do so. If you decide to report, Collin College will protect your identity in publicly available information, such as within our annual security report (ASR) or warnings sent to the campus community.

You can also access the resources listed in this document regardless of whether or where you choose to report. Collin College will keep referrals to resources confidential, as long as it does not limit our ability to provide them to you. If Collin College needs to share information in order to refer you to a resource, we will notify you of what information needs to be shared, why, and with whom prior to sharing the information.

Reporting to Law Enforcement

In an emergency, dial 911.

Many victims find law enforcement to be a great resource, and others choose not to report to law enforcement. We always encourage reporting, but only you can determine whether doing so is the right decision for you. Making a police report does not oblige you to file criminal charges, but it does create a record of the incident. The police report will include your name, the respondent's name, and details of the incident.

It is important to note which law enforcement agency you report to can vary depending on the specifics of your case and where the incident(s) occurred. Additionally, there are people on campus who can assist you in reporting to law enforcement if you choose to do so. For assistance in reporting to law enforcement, contact the Dean of Students Office at 972.881.5804 or dos@collin.edu.

If the incident occurred on campus, contact the Collin College Police Department at 972.578.5555 or extension 5555 from any campus phone. The Collin College Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are, with some exceptions, public records under state law, the Collin College Police Department cannot guarantee the confidentiality of information included in reports of crime. For more information regarding Collin College Police Department policies and procedures, refer to their website: www.collin.edu/campuspolice/

If the incident occurred off campus, contact the appropriate police department in your home city and/or the city in which the incident occurred. If you request assistance, a Collin College official will help you with this process. Contact information for local law enforcement agencies is located in the left-hand sidebar.

Regardless of whether or not you report to law enforcement, there are campus options available to you, including resolution through the Collin College disciplinary process.

No Contact Directives and Orders of Protection

Depending on the nature of the incident, Collin College may be able to issue a no contact directive to prevent contact between two (2) individuals. To request a no contact directive, contact the Dean of Students Office at 972.881.5804 or dos@collin.edu.

A Texas criminal, civil, or tribal court order of protection or no contact order may also be available. To request a court order of protection or no contact order, contact the appropriate law enforcement entity (see sidebar at left for contact information) or court in the jurisdiction in which the incident(s) occurred. The Collin College Police Department enforces these court orders, so it is important to notify them as soon as possible if you have an order of protection or no contact order against a person.

Confidentiality and Anonymous Reports
Collin College recognizes incidents of dating violence, domestic violence, sexual violence, and stalking can be difficult to discuss, and victims may want complete confidentiality in addition to support. If you do not want to pursue action with Collin College or the criminal justice system, you may still want to consider making a confidential report. With your permission, a Collin College police officer can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the safety of yourself and others. With such information, Collin College can keep an accurate record of the number of criminal incidents, determine whether there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in Collin College’s annual crime statistics.

Victims can submit an anonymous report of dating violence, domestic violence, sexual violence, or stalking. However, doing so may limit Collin College’s ability to conduct a thorough investigation, respond appropriately, and stop the behavior from recurring.

The Counseling Services staff is encouraged to inform their clients of the procedures to report a crime to the Collin College Police Department on a voluntary, confidential basis, should they feel it is in the best interest of the client.

- Title IX Coordinator for Students or Designee

**Step 1: Receipt of Notice**
- Notice of an incident is received through a Student Incident Report, SOBI Referral, police narrative, etc.
- The person receiving the notice requests the complainant submit a written complaint using the online student complaint system.
- If the complainant is unable or unwilling to submit a written complaint, the person receiving the notice reduces the complaint to writing using the online student complaint system.

**Step 2: Determination to Proceed**
- The Title IX coordinator for students or designee is notified of the complaint and determines whether the allegation(s), if proven, constitute prohibited conduct as defined by Board policy FFDA (LOCAL).
- If so, the Title IX coordinator for students or designee assigns a DOS investigator to investigate the complaint.
- If the allegations should be addressed through another Collin College process, the Title IX coordinator for students or designee forwards the complaint to the appropriate party (e.g., employee complaint process, general student complaint process, grade appeals, etc.).

**Step 3: Investigation**
- The DOS investigator initiates an investigation and meets separately with the complainant, respondent, and witnesses.
- If appropriate and approved by the Title IX coordinator for students or designee, the DOS investigator imposes interim action, which may include but is not limited to: placing a hold on the respondent’s record, issuing a temporary immediate suspension to the respondent, issuing a no contact directive to the complainant and/or respondent, changing the complainant or respondent’s class schedule, etc.
- The DOS investigator follows Collin College’s student disciplinary and appeals processes, and conducts a prompt, fair, and impartial investigation and resolution.
- The DOS investigator notifies both the complainant and respondent of their rights and options, including their rights to file a complaint with the United States Department of Education Office for Civil Rights (OCR).
- At the conclusion of the investigation, the DOS investigator submits the investigation summary and recommended findings to the Title IX coordinator for students or designee for approval.
- See the current Student Code of Conduct, Board policies FM (LOCAL) and FMA (LOCAL), and the Dean of Students Office Disciplinary Process Flowchart for additional information.

**Step 4: Approval of the Report**
- The Title IX coordinator for students or designee reviews the DOS investigator’s report.
- Once the Title IX coordinator for students or designee confirms the investigation is complete, both the complainant and respondent are notified simultaneously in writing of the decision, any disciplinary penalties imposed, and both parties’ rights to appeal by the date and time specified, in accordance with federal law.
- Disciplinary penalties imposed can range from a reprimand to expulsion.

Dean of Students Office Disciplinary Process Flowchart

This information is also located in the current student handbook, which can be found on Collin College’s website: www.collin.edu/studentresources/personal/studenthandbook.aspx.

Incident Report is Filed

- The incident report is assigned to a Dean of Students Office (DOS) case adjudicator.
- The DOS case adjudicator reviews the incident report and initiates the disciplinary process.
- The DOS case adjudicator contacts the person who originated the incident report, gathers and reviews the documentation, and interviews potential witnesses.

Notification Conference

- The student is sent a Notification Letter instructing him or her to schedule an appointment for a notification conference to discuss the alleged Student Code of Conduct violation(s).
- The purpose of the notification conference is to afford the student the opportunity to respond to the allegation(s), review the Student Code of Conduct and receive clarification about students’ rights and the disciplinary process. The DOS case adjudicator will also review the incident report and documentation obtained during the investigation.
- If the student fails to respond to the Notification Letter(s) and/or fails to attend a notification conference, the DOS case adjudicator will proceed through the disciplinary process.

Administrative Decision

- Once the investigation is complete, the DOS case adjudicator will use the “preponderance of the evidence” standard (i.e., more likely than not to have occurred) to determine whether the Student Code of Conduct was violated.
- In some instances, the case may be resolved informally. If the case is not resolved informally, the student will be found either responsible or not responsible for violating the Student Code of Conduct for each of the allegations listed in the Notification Letter.
- All decisions are given to the student in writing. This is called an Administrative Decision.

Student Accepts

A student who has been issued a disciplinary penalty or penalties other than suspension or recommendation for expulsion and accepts the Administrative Decision will sign an Acceptance of the Administrative Decision Statement indicating that he or she:
1. understands the Student Code of Conduct violation(s).
2. understands and agrees to comply with the disciplinary penalty or penalties imposed, and
3. waives his or her right to appeal the administrative decision.

Once this statement is signed, the student will not be allowed to appeal at a later date and will be expected to comply with all disciplinary penalties and obligations set forth in the Administrative Decision.

Student Takes No Action

In a case where a student is issued a disciplinary penalty or penalties other than suspension or recommendation for expulsion and does not sign an Acceptance of the Administrative Decision Statement or submit the Disciplinary Appeal Form by the stated deadline, the original Administrative Decision will stand. In addition, the student will not be allowed to appeal at a later date and will be expected to comply with all disciplinary penalties and obligations set forth in the Administrative Decision.

Student Appeals

Disciplinary Penalties Other than Suspension or Recommendation for Expulsion:
The student must submit the online Disciplinary Appeal Form requesting to appeal the Administrative Decision. The Disciplinary Appeal Committee’s (DAC) decision may be appealed to the designated Leadership Team Member. The designated Leadership Team Member’s decision is final and non-appealable.

Suspension and Recommendation for Expulsion:
The DAC will automatically be convened to hear the case. The DAC’s decision may be appealed to the designated Leadership Team Member. The designated Leadership Team Member’s decision is final and non-appealable, except when expulsion is recommended. If the designated Leadership Team Member affirms the DAC’s expulsion recommendation, the student may appeal to the Board of Trustees (Board). The Board’s decision is final and non-appealable, except when considering expulsion revocation requests.

3. **Level Two:**
   a. If the complainant is not satisfied with the Level One response, he or she may submit a Level Two appeal form (which will accompany the Level One response) within 5 business days to the vice president of human resources or designee.
   b. Human Resources will assign the appropriate vice president as the Level Two hearing officer, and provide the hearing officer with a copy of the complaint file. The Level Two hearing officer will review the complaint file, and conduct any further investigation, as appropriate.
   c. Within 10 business days following the receipt of the appeal, a Level Two response will be sent to the employee. The decision of the vice president is final for all complaints except complaints regarding the termination of a full-time contract employee.

4. **Level Three**
   a. Level Three appeals apply only to complaints filed by an employee complainant regarding the termination of a full-time contract.
   b. If the employee meets the criteria above and is not satisfied with the Level Two response, he or she may submit a Level Three appeal form (which will accompany the Level Two response) to the manager of HR/employee relations within 5 business days of the receipt of the executive vice president or designee’s decision.

d. The District President will review the record of all prior levels. Generally within 30 days of receipt of the appeal, the District President will issue a written response regarding the appeal, which will be sent to the complainant.

e. If additional investigation or information is required, the District President may request such information or meet with the individuals as necessary to clarify issues raised in the record. If additional time is required for such investigation or information gathering, the complainant will be notified in writing of the modified timeline.

f. If the District President reverses the decision of the executive vice president, the recommendation for termination or non-renewal will be vacated and the complainant will be notified in writing of the District President’s findings and related actions regarding the matter. In this case, the matter will not proceed to the Board. If the District President affirms the executive vice president’s decision, the matter will be placed on the Board agenda, providing at least 15 business days advance written notice to the complainant.

g. The complainant will be notified in writing of the date, time, and place of the Board meeting at which the complainant will present his/her concerns to the Board.

h. After considering the complaint, the Board may give notice of its decision orally or in writing at any time up to an including the next regularly scheduled Board meeting after the Board considers or hears the complaint. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision.
