

Request for Text in Alternate Format

Semester

- I will bring my book(s) prior to the beginning of the semester. Waiting until the semester begins may delay my book's conversion.
- I will provide a class syllabus that will help prioritize the chapters I need and expedite the process. If I do not provide a syllabus, the conversion process may be delayed.
- The binding of my book will be cut and returned to me without a binding.
- I must provide a USB storage drive, Dropbox account, or Google Docs account in order to receive my converted book. (Include login and password with **Special Directions**)

I understand the bulleted statements above and that I will be notified by e-mail when my book or books in alternate format are complete.
