AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 11 affects adult faculty, staff, students and visitors who are 21 years of age or older (unless in the military), who have passed state and federal criminal records checks, completed a firearms proficiency test, and completed Department of Public Safety-mandated training and education.

S.B. 11 removes criminal prohibitions in the Texas Penal Code on the possession of concealed handguns by concealed handgun licensees (CHLs) on the campuses of public or private institutions of higher education.

The bill states that public institutions of higher education may not circumvent the intent of the Act by imposing administrative bans and sanctions on CHLs on their campuses. Private or independent institutions of higher education may, after consulting with students, faculty and staff, establish rules or regulations prohibiting CHLs on their campuses. The structure of this bill tracks with how public and private property are generally treated elsewhere in the state under the concealed carry law.

S.B. 11 allows institutions of higher education to establish rules and regulations governing the storage of handguns by CHLs in dorms and residential facilities and to post athletic events and sporting venues as off-limits to CHLs. Locations that are off-limits under the Penal Code (bars, hospitals, and churches, for example) will remain off-limits to CHLs even if they happen to be located on a campus.

S.B. 11 provides institutions of higher education with immunity from liability for actions of CHLs on campus (except in cases where private or independent institutions of higher education have adopted administrative prohibitions for CHLs on campus).

S.B. 11 amends current law relating to the carrying of handguns on the campuses of and certain other locations associated with institutions of higher education and provides a criminal penalty.
