What is Concurrent Enrollment?

The Continuing Education Division works closely with the credit program to offer concurrent enrollment in some credit classes. Space is limited for concurrent participants.

- Participants in concurrent courses are expected to attend class regularly, complete all assignments and take tests.
- Concurrent students earn Continuing Education Units (CEUs), not semester credit hours.
- Refunds are based on Continuing Education Department refund policy.
- If you wish to receive semester credit hours for a concurrent course, you must enroll through the credit registration process rather than through Continuing Education.
