Rights & Expectations

1. I understand that upon registration & payment for the externship experience, Collin College will make every effort to arrange an externship interview/orientation with a site within 45 days.
2. Upon registration & full payment for the externship experience, Collin College will arrange for 1 interview with a potential clinical site. If I am not chosen by that site to complete my hours there, or if I refuse the placement, Collin College will find 1 more site. If I am not chosen by that second site, or if I refuse the placement, the obligation held by Collin College has been fulfilled, & my externship registration fee will not be refunded.
3. As a student extern, my behavior at site is to be professional. If, after externship hours have begun, I am asked to leave site due to poor performance, behavior, attitude, or insubordination, Collin College is under no obligation to find me another site. The obligation held by Collin College will have been fulfilled, & my externship registration fee will not be refunded.
4. I understand that I am expected to arrive at my site with all necessary paperwork (skills checklist, timesheet, & personal identification). I will arrive at least 10 minutes prior to my interview time.
5. Once I have been accepted by the site & my externship hours have begun, I will take initiative with tasks & be open to instruction & new techniques. I will be coachable in all aspects of the profession.
6. Timesheets are due to the Clinical Coordinator every week. I will have them signed by my site supervisor & will return them to Collin College via email, fax, or will personally deliver them each week.
7. After completing my assigned hours, I will submit my completed & approved skills checklist to the Clinical Coordinator.
8. My site supervisor will have the opportunity to submit an evaluation upon the completion of my externship. The evaluation will be given by the site supervisor directly to the Collin College Clinical Coordinator who will then review it with me. Poor performance on this evaluation will result in a grade of No-Pass (NP).
   a. If the NP is due to poor behavior & I would like an opportunity to earn a Pass-Competency (PC) for the externship, I will be required to repeat Health Career Success, then repeat the externship. Repeats of all classes will require new registration & payment in full.
   b. If the NP is due to poor performance on skills & I would like an opportunity to earn a Pass-Competency (PC) for the externship, I will be required to repeat the full course or a remediation course, then repeat the externship. Repeats of all classes will require new registration & payment in full.

I have read the above rights & expectations & will comply with the best of my ability.
