Search, Register and Pay for CE classes

- From CE Courses, Select Category of courses that you would like to view or register for. ESL Languages will be used for this example.

- Note some individual classes are hyperlinked in blue, i.e. **American English Idioms**. ➤ **Foreign Languages** is a hyperlink and to view information on Spanish, French, etc., click on **Foreign Languages**.

- Choose class desired. For this example, **Spanish II**.
Search, Register and Pay for CE classes

- You will see courses available for this term. You need to look at details, however, to view Description, Fees, CRN, Required Materials. Hold Mouse over lower right of course Magnifying Glass sign (See course details) or + sign to Add course to Shopping Cart.

- Overview shows fee, instructor, campus, seats available. In the course description at the bottom of Overview, you will see a statement if there are any prerequisites for the class or if there is a textbook required for the class. Click on Meeting Times to see dates, times and campus of the classes. Click on Close to close the Course Details box.

- You can also Add class to your Shopping Cart (Schedule Builder) by clicking on “+” sign.

- Your Shopping Cart now looks like this, if you added the Spanish II class.

POSSIBLE ERROR MESSAGES

Duplicate Registrations

If you try to register for the same class twice, you will receive this message. You either already have this class in your shopping cart or you have previously registered.

Unable to Create New Account

You will receive this error message if the system detects that a record with a similar name already exists in the system. Please email cehelp@collin.edu and include name and date of birth. Please use the same email address as on your existing account.

Class has already started

You will receive this message if you attempt to register for a class that has already started. If you click on the magnifying glass in the lower right of course listing and then click on Meeting Times, you can view class start dates.

Conflicts

You will receive this error message if you attempt to select two classes with a date and time conflict.

Click on the Red Conflict Box to see what the conflict is and you could then remove one of the conflicting classes.
