PROMISE.
POWER.
PRIDE.
Whether you are just beginning your collegiate journey or already have a degree and want to change careers, Collin College delivers a solid education for today’s increasingly competitive world.

Why Collin College?

You are making the right decision when you choose Collin College. Our award-winning faculty include four Texas Professors of the Year and four U.S. Professors of the Year. Collin College is the most affordable college in the state of Texas, and we offer many resources for your success.

- Instruction by award-winning professors … not graduate assistants
- 100+ outstanding associate degrees and certificates
- Advanced studies, research and service learning
- Magnificent campus facilities anchored by new libraries
- Convenience through eCollin online courses and Weekend College
- Lowest tuition in the state of Texas
- Vibrant campus life through clubs and student organizations
- Pre-admission with university partners
- University center for baccalaureate and graduate degrees
Tuition and fees are based on residency and the number of credit hours in which a student enrolls.

Collin Higher Education Center (CHEC):
Students can pursue bachelor’s, master’s and doctoral degrees at the Collin Higher Education Center, where our university partners offer junior and senior-level courses as well as graduate courses. www.collin.edu/chec

Pre-Admission Partnerships:
Collin College has countless agreements with universities from around the country as another avenue for students to make sure credits transfer for completion of a bachelor’s degree. Visit http://transferu.collin.edu or call 972.985.3734.

These partnership programs allow students to experience university life while attending Collin College. The 10 partner universities provide benefits that may include guaranteed tuition, access to events and bookstore discounts.

- Austin College
- Baylor University
- Dallas Baptist University
- Southern Methodist University
- Texas A&M University-Commerce
- Texas Tech University
- Texas Wesleyan University
- Texas Woman’s University
- The University of Texas at Dallas
- University of North Texas
Student Services

Collin College offers a variety of academic and personalized support services to help students with their success. For a full list of services please visit http://bit.ly/1HtM6bj.

Counseling and Career Services
Counseling Services helps students with personal issues that may arise when balancing academic challenges, interpersonal relations and employment responsibilities. Visit http://bit.ly/1IZJSrB.

Disability Services
The ACCESS office follows ADA guidelines by providing reasonable accommodations, individual attention and support for students with disabilities. This includes students who need assistance with any aspect of their campus experience such as accessibility, academics, testing and registration. Visit http://bit.ly/1LUK4t0.

Math Labs
The Math Lab offers students free one-on-one tutoring in various math courses. It is staffed with faculty and other professionals in the field to assist Collin College students enrolled in developmental math, college level math and natural science courses that include math-based assignments. Visit http://bit.ly/1T7Uowi.

Veterans Resource Center
The Veterans Resource Center (VRC) at Collin College connects students with resources designed to ensure a smooth transition into college and foster academic success. The VRC can help connect students to resources both at school and in the community. Visit http://bit.ly/1IZK6y0.

Writing Center
The Writing Center offers Collin College students and community members free one-on-one tutoring with degreed professionals in all areas of writing. Visit http://bit.ly/1Dxe2js.
**Honors Institute**
The Honors Institute at Collin College offers qualified students (students with a 3.5 GPA or higher) an enhanced academic experience, solid preparation for transfer to four-year programs and several benefits in recognition of their academic achievements. [http://bit.ly/1J0y0aS](http://bit.ly/1J0y0aS)

**Center for Advanced Study in Mathematics and Natural Sciences (CASMNS)**
CASMNS offers advanced study opportunities for selected students taking biology, chemistry, geology, mathematics and physics courses for science majors who are preparing to enter related professions. [http://bit.ly/1eVCWxJ](http://bit.ly/1eVCWxJ)

**Center for Scholarly and Civic Engagement (CSCE)**
The CSCE brings together students, faculty and community members involved in academic initiatives to focus on leadership, scholarship and community involvement. [http://bit.ly/1UqPQ6R](http://bit.ly/1UqPQ6R)

**Learning Communities**
Learning Communities are innovative learning opportunities that combine two classes from different subjects around a common theme. [http://bit.ly/1DtzmXm](http://bit.ly/1DtzmXm)

**Weekend College**
Weekend College provides the opportunity to complete the entire core curriculum for the Associate of Arts (AA), Associate of Arts in Teaching (AAT) or Associate of Science (AS) degrees on Friday evenings, Saturday mornings, Saturday afternoons, Sunday afternoons or any combination thereof without interrupting the work week. Courses are offered in express (eight-week courses or three-weekend courses) and standard sixteen-week formats. For additional information, please contact the Weekend College Office at 972.881.5801, or visit the Weekend College at [http://bit.ly/1DtzmXm](http://bit.ly/1DtzmXm).
