So, you know you want to work in health care. Now what?

2015 Health Science Career Information Expo
11:30 a.m.-1 p.m.
Tuesday, Sept. 15
Central Park Campus Conference Center
2200 W. University Drive, McKinney

Learn the benefits and challenges of different health related fields.
Talk to Collin program directors and faculty about programs that interest you.
Figure out which career is right for you.

Programs represented include:
Dental Hygiene, Emergency Medical Technician/Paramedic,
Fire Science, Health Information Management, Nursing,
Polysomnographic Technology, Respiratory Care, Surgery Tech,
Central Sterile Processing and the college’s continuing education health sciences programs.

For more information, contact Pam Love-White at plove-white@collin.edu or Yajaira Diaz at ydiaz@collin.edu.
