Student Services

5.1 Academic Advising

Academic advising is a continual process and an integral component of each student’s success at Collin College. Any student interested in talking with an advisor should contact the Academic Advising Department located within the Student Development Center. New and continuing students are also strongly encouraged to meet with an academic advisor each semester prior to registration and/or to evaluate their academic progress. Academic advisors and their phone numbers are listed by instructional division in the college catalog. Academic advising at each campus offers:

- Advising for the Student Success Program (SSP)
- Assistance in establishing a degree plan
- Assistance in selecting a field of study
- Assistance with registration and adjustment to college
- Facts about classes and programs
- Preparation for online registration
- Procedures for dropping a class, appealing grades, registration, etc.
- Transfer information on four-year institutions
- Unofficial transcript evaluation

5.2 Accommodations at Collin College for Equal Support Services (ACCESS)

Specialized services and academic accommodations are available for students with a documented disability. The law requires that students must self identify to the ACCESS Office and provide required current documentation to that department. Only documentation from a licensed professional (psychologist, diagnostician, or physician) is acceptable. The report must be current; on official letterhead; include the name and title of the person completing the report; their telephone number, address, and signature; the specific diagnosis; current functional limitations related to the educational setting; and the projected duration of the condition. Students seeking accommodations should contact the ACCESS Office at least one (1) month before the services are needed. Services are available for students at all campus locations.

It is the student’s responsibility to pick up their accommodations letter each semester to receive requested accommodations. Students should contact their ACCESS advisor immediately if they are having difficulty in their classes or having problems with their requested accommodations. Students must schedule special testing arrangements with ACCESS at least 2-5 days in advance, due to limited space. Students must take exams on the campus for which they are enrolled. Assistive technology and software are available on each campus for students with disabilities. Please contact the ACCESS Office for more information.
The Coordinator of Student Support Services gathers the required paperwork for the Deaf/Blind tuition waivers. The student must bring the following information to be considered for a tuition waiver: certificate of deafness or blindness; letter of good moral character; high school transcript, diploma, or GED; statement of purpose with degree or certificate declared; proof of residency; and meet all other entrance requirements as outlined by Admissions and Records. This information should be provided to the ACCESS Office at least one (1) month before the student attends Collin College. Students must notify the Coordinator of Student Support Services, in Room G121 at SCC or 972.881.5128, immediately upon registering for classes each semester to obtain a tuition waiver, or their classes will be dropped. The Deaf/Blind tuition waiver does not apply to all courses and will be determined on a per-course, per-semester basis. A tuition waiver is not an academic accommodation.

All campuses are accessible to Individuals with disabilities. For information on these and related services, contact the ACCESS Office at 972.881.5898 (Voice/TTY). ACCESS Offices are located in Rooms D118(I) at CPC, F118 at PRC, and G200 at SCC.

The involvement in a collaborative learning environment forms a community-like atmosphere among students and faculty.

The blending of disciplines and the restructuring of students’ time, credit, and learning experiences fosters more explicit intellectual connections between students, between students and their faculty, and between students and their community.

Collin College’s Learning Communities program has been recognized by the Fund for the Improvement of Post-Secondary Education (FIPSE) and the Pew Charitable Trust. Once a student has registered and paid for their courses, the student ID card will be issued in accordance with the dates posted in the *Important Dates* section of the *Registration Guide*. No fees are assessed for the first ID a student receives. Students must present valid picture ID before a card will be issued. The ID card will be valid district wide throughout the student’s enrollment at the college. Student ID cards will be automatically reactivated each semester after the student enrolls in courses and pays the corresponding tuition and fees.
For a fee, a replacement student ID card will be reissued for students whose card has been lost, stolen or damaged, who have had a name change, or who would prefer a new photo. Only currently enrolled students with valid picture ID may request a replacement student ID card. Contact Student Life for more information.

5.32 Student Leadership Academy (SLA)

Developing effective servant leaders is the core mission of Collin College’s Student Leadership Academy (SLA). Students with a desire to unleash their leadership potential are invited to apply for the SLA. The academy is structured as two semester-long courses (LEAD 1301 and LEAD 2301). These courses are designed to develop servant leaders through the acquisition and application of knowledge. An experiential learning environment engages students in service, research, and reflection projects that promote personal integrity, scholarship, and commitment to the community.

LEAD 1301 classes are scheduled during the fall semester. Introduction to Leadership Theory (LEAD 1301) provides an opportunity for students to apply theoretical and practical concepts of leadership. Topics in LEAD 1301 include communication and leadership styles, leading and diversity, visioning and strategic planning, relationship building and group dynamics, wellness and stress management, and problem solving and decision making. In addition, students develop cumulative portfolios, deliver presentations, and work in teams. Guest speakers from business, industry, and academia share their leadership experiences and the qualities they seek in potential leaders.

LEAD 2301 classes are offered during the spring semester. Advanced Leadership Theory (LEAD 2301) is an expanded leadership development opportunity for students with a desire to explore their unlimited potential. This course is designed to further leadership practices and explore the significance of teamwork and integrity. Topics in LEAD 2301 include an in-depth study of the nature, theories, power, and influence of leadership. In addition, students examine contingency approaches to leadership, leading in crisis, cognitive and emotive aspects of leadership, ethics and morality, followership, organizational design, and leading through change.

Applications may be submitted to the Center for Scholarly and Civic Engagement. Students must have at least a 2.5 cumulative GPA, complete an application packet, provide a letter of recommendation, and submit a personal essay regarding their desire to explore their leadership potential.

For more information on the Student Leadership Academy, call 972.881.5900, email csce@collin.edu or go to www.collin.edu/academics/sla.

The SSP is administered by the Academic Advising Department to assist students who have been placed on academic warning, probation, suspension, or dismissal, as well as those who have repeated specific credit courses multiple times.
The goal of the program is to help students develop an individualized plan for success in order to maintain a 2.0 cumulative GPA. Students participating in SSP will not be permitted to enroll in classes after late registration. This includes regular (16-week) classes and all express and flex-entry classes. To help determine one’s academic status, students should refer to the Academic Standards section of the college catalog.

**5.40 Writing Centers**

The Writing Centers provide students and community members with professional assistance on writing assignments across the curriculum, as well as résumés, application essays, and other writing needs free of charge. Each center's primary purpose is to improve writers' skills by guiding them through the writing process in informal, one-on-one sessions. Appointment schedules are conveniently posted in or near the centers, but walk-ins are welcome at posted times. Students who miss an appointment at the Writing Center without notifying the Center in advance or coming in to cancel will be denied access to the Center the following four academic calendar days.

The Online Writing Lab (OWL) provides a free resource for students who seek writing help but are unable to visit any of the campus Writing Centers during operating hours. OWL tutors, like those of the campus Writing Centers, are degreed professionals with experience helping students in writing better compositions. An online consultant can be reached by emailing OWL@collin.edu.

Writing Center locations and hours of operation for fall and spring semesters are listed below. Hours will vary during mini-semesters, summer semesters, and times when classes are not in session. The Writing Centers also offer a variety of free writing workshops every semester addressing common concerns of student writers. For further information, visit the homepage [www.collin.edu/writingcenter/](http://www.collin.edu/writingcenter/) or contact the Writing Centers (CPC: 972.548.6857, PRC: 972.377.1576, or SCC: 972.881.5843).

6.1 Academic Etiquette and the College Experience

Instructors and students at Collin College share a responsibility to develop and maintain a positive learning environment. As a student, you are asked to show respect to other students and to your instructor. As a citizen of the classroom, it is your responsibility to assist your instructor’s efforts to encourage and facilitate learning.

Students are accountable for their own academic progress and work. With that in mind, prompt submission of all work, according to the course calendar and syllabus guidelines, promotes your success. It is an instructor’s responsibility to present learning opportunities through lectures, projects, in-class and out-of-class exercises, and assignments. It is the student’s responsibility to complete all readings, participate in class discussions, and complete all assignments and project exercises in a timely manner. The course syllabus should provide clear instruction for successful course participation and activities.

It is a violation of the Student Code of Conduct (Section 7-2.4, Other Offenses, item S) to engage “in the use of media or telecommunication devices during class, Collin College labs or other learning environments.” This includes social networking activities such as texting, talking on the phone, and Web browsing from laptops, Smart phones, or any other relevant electronic devices during class time. Please consult the instructor for specific guidance. If you need to monitor any outside communication for emergency purposes during a specific class, set the device on vibrate and inform the instructor before class begins, so that you do not disrupt the class and interfere with the academic class work of other students. In addition to individual course guidelines, please review the Student Code of Conduct, especially Sections 7-1.6, Disorderly Conduct, 7-2.3, Scholastic Dishonesty (including Plagiarism), and 7-2.4, Other Offenses.

Most instructors regard tardiness as both an absence and as disruptive behavior. Sleeping in class, interfering with teaching by talking with other students during directed instruction, and preparing work for another class while engaged in classroom activities are behaviors that are both discourteous to other students and disruptive to the purposes of the course. Please refer to the Student Code of Conduct, Section 7-2.4, Other Offenses, item B (Disruption) and item C (Conduct), for more information.

If you find you are not mastering the material and skills, you are encouraged to reflect on how you study and prepare for each class. Your instructor welcomes a dialogue on what you discover and may be able to assist you in finding resources on campus that will improve your performance. Your instructor wants to provide you with the academic tools you need to succeed in your college career and in the profession of your choice once you obtain your degree.
6.2 Admissions and Records

FERPA
A student who needs assistance or who wishes to file a complaint under FERPA should do so in writing to the Family Policy Compliance Office, sending pertinent information through the mail, concerning any allegations to the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C.  20202-5920

Grade Reports
Grade reports are not mailed to the general student population. Students may access their grades electronically using the website http://cougarweb.collin.edu/. Students will need their CougarWeb username and password to access the system. Anyone needing a paper transcript for any reason may come to the Admissions Office on any campus and it will be printed for them free of charge.

Texas House Bill 1922
With few exceptions, state law gives students the following rights regarding the information collected by Collin College about them: the right to request to be informed about the information; the right to receive and review the information; and the right to correct information that is incorrect.

6.3 Banner Reservations
College departments and student organizations can make and hang approved banners on each campus according to the Student Organization Procedures Manual.

6.4 Bookstore
The bookstore is an auxiliary enterprise of Collin College. Textbooks are selected by the faculty and ordered through the bookstore. Textbooks are priced at industry standard. New books are priced at a 25 percent margin. Used books, which are priced at 75 percent of the new book price, are purchased from various sources. For information on store hours, contact the bookstore, or visit the bookstore website http://bookstore.collin.edu/wm_home.htm.

Textbook and Language Tape Refunds
Students who change courses or select the wrong books and language tapes may return them for a refund under the following conditions:

1. Books or language tapes are returnable during the first 10 calendar days of the fall and spring semesters, the first five (5) calendar days of the summer semesters, and by the second class day for Maymester.
2. Students must have their original cash register receipt to receive a refund. No cash refunds will be given on credit card sales.
3. Students should not write in new books until they are certain they have purchased the correct textbooks. New books that are soiled, damaged, or have been written in will not receive a full refund.

4. Books and cassette tapes in shrink wrap (plastic or vinyl packaging) must be returned unopened in the original package. Books cannot be accepted if the shrink wrap has been removed. Books with access codes cannot be refunded if the access code has been used.

5. Defective books, missing pages, etc., purchased from Collin College bookstores will be replaced at no charge during the semester in which they are purchased.

**Software Returns**

Unopened software may be returned with the original receipt no later than 14 calendar days from date of purchase. Software that is opened is not returnable.

**Textbook Shortages**

The bookstore makes every effort to have required textbooks by registration week. For various reasons, there may be shortages due to books being out of print or out of stock by the publisher, unexpected increases in enrollment, late placement of orders by the faculty, missing shipments, and/or human error. Every attempt is made to minimize these problems.

**Graphing Calculator Buyback**

The bookstore will buy students’ used graphing calculator during final exams each semester. Fifty percent of the bookstore original purchase price will be paid subject to the following conditions:

1. Calculator must be in clean and in working condition with all cords and manuals.
2. Calculators must be required for use by the college during the next semester.
3. Calculators cannot be bought back if the store is overstocked or if needs for the following semester have been filled.
4. Bookstore makes the final decision regarding model, condition, and quantity of calculators bought back.

**Textbook Buyback**

Books are bought back every day at their current market value. During final exams each semester, up to 50 percent of the original purchase price will be paid, subject to the following conditions:

1. Books must be in clean, salable condition.
2. Books must be required for use by the college during the next semester.
4. Workbooks, lab manuals, study guides, mass-market paperbacks, books with torn covers, excessive markings, water damage, books with perforated pages, and books containing diskettes cannot be bought back.
5. Books cannot be bought back if the store is overstocked or if needs for the following semester have been filled.
6. Books with access codes cannot be bought back if the access code has been used.

The instructor, not the bookstore, decides whether each textbook will be used again. Unless an instructor tells the bookstore the title will be used again, the bookstore must assume it will not be used. Books falling in this category can be bought from students only at wholesale prices. Old editions have no value and cannot be resold even to wholesalers. Some courses at Collin College are not taught every semester; therefore, students may wish to sell their books when that course is offered again, provided the faculty member requires the same books.

Payment and Check Cashing
MasterCard, VISA, and Discover cards, as well as cash and checks, are accepted as payment. When writing a check or using a credit card, students must show a Collin College student ID card. With proper identification, checks may be cashed for $10 with or without a purchase.

6.5 Campus Postings
Collin College provides opportunities for students, staff, faculty, and community to publicize approved information only in areas or locations designated by the director of student life, in conjunction with, the campus vice president/provost and the director of plant operations. Student Life serves as the approval center for general campus posting. No person or organization may post a sign that is obscene or libelous or that contains non- permissible solicitation (see Student Life for more information).

Bulletin boards located both inside and outside the classrooms at CPC, PRC, and SCC are governed by the appropriate vice president/provost on each campus. Materials not approved will be removed and discarded. Violation of the campus posting procedure will lead to forfeiture of privileges.

Job Postings (External)
The coordinator of job location/development must approve all external job postings. For further information, contact Career Services at 972.548.6747.

6.6 Collin College Police Department
Safety and security is a concern for all members of the college community including students, college employees, and visitors. The Collin College Police Department is staffed with Texas State Commissioned Law Enforcement Officers who are trained to protect life, and both college and personal property. Collin College Police have the complete authority to apprehend and arrest anyone involved in illegal acts throughout Collin County. Officers have county-wide jurisdiction. All state and city laws and Collin College policies and regulations, including motor vehicle laws,
will be enforced on all Collin College campuses. Officers patrol all district campuses 24 hours a day, seven days a week. If assistance is needed, call 972.578.5555. For further information on any Collin College Police policies or procedures, please refer to the website www.collin.edu/campuspolice/.

**Access Policy**
During business hours, Collin College will be open to students, parents, employees, contractors, guests, and invites. In accordance with the current Collin College student handbook, Section 7-1.1 *Authorized Use of Facilities*, item B, unattended children are not allowed at Collin College facilities at any time. Collin College Police will be notified of unattended children. During non-business hours, access to all college facilities is by key (if issued), or by admittance via the Collin College Police Department or Plant Operations. In the case of periods of extended closing, the college will admit only those with prior written approval to all facilities.

**Citations**
All citations issued by Collin College Police are court citations issued into Justice of Peace courts in Collin or Rockwall counties.

**Confidential Reporting Procedures**
If you are the victim of a crime and do not want to pursue action within Collin College or the criminal justice system, you may still want to consider making a confidential report. With your permission, the chief of police, or a designee, can file a report on the details of the incident without revealing your identity. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

**Crime Reporting**
The Collin College Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. *To report a crime, or an on-campus emergency, immediately call the Collin College Police Department at 972.578.5555 or ext. 5555 from any campus phone. For medical emergencies call 911 and then call 972.578.5555.*

**Criminal Trespass Warnings**
Trespass warnings prohibit the warned person from re-entering Collin College buildings or properties for a specified period of time. Violating the warning is a class B misdemeanor (first offense) and carries a penalty of up to 180 days in jail.

**Encouragement to Report Crimes**
The Counseling Services staff is encouraged to inform their clients of the procedures to report a crime to the Collin College Police on a voluntary or confidential basis, should they feel it is in the best interest of the client. See *Confidential Reporting Procedures* listed above in this section.
Registered Sex Offenders
Please refer to Section 6.22, Registered Sex Offenders, for more information.

Security Awareness and Crime Prevention Programs
Periodically during the academic year, Collin College Police, in cooperation with other student organizations and departments, present crime prevention awareness sessions on sexual assault, drug abuse, theft, and vandalism, as well as educational sessions on personal safety.

Timely Warnings
In the event a situation arises, either on or off campus that in the judgment of the chief of police constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through college email systems and CougarAlert to students, faculty, and staff (see Section 6.7, CougarAlert, for more information).

Weapons on Campus
Possession of firearms or illegal weapons on campus or at Collin College-sponsored events is illegal, except for commissioned police officers as prescribed by law.

6.7 CougarAlert
CougarAlert is the official emergency notification system for Collin College, providing critical information via text message, phone message, or email. CougarAlert may be triggered for evacuation, inclement weather, power outages, or unscheduled closure but not for promotional purposes. During emergencies, go to www.collin.edu for details. If a closure notice is not posted on the website, the college is open. College-issued email and home phone numbers are automatically loaded into CougarAlert, but students can and should add text and additional email contacts as needed. See www.collin.edu/cougaralert.html for instructions. (Standard text messaging fees from service providers may apply.)

6.8 Crime Statistics
The Collin College Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is available on the web at www.collin.edu/campuspolice/. Campus crime, arrest, and referral statistics include those reported to Collin College Police, designated campus officials, and local law enforcement agencies.

The Collin College Police Department maintains a daily log of police activity. For the most current information, contact the Collin College Police Department at 972.578.5555. Information provided by the State concerning registered sex offenders who are on campus may be obtained from the Collin College Police Department. The Collin College Police Department has a policy prohibiting racial profiling and offers a complaint procedure. See any Collin College police officer for further information. 6.12 Financial Aid
As a service to Collin College students, the Financial Aid Office administers a financial aid program that includes grants, loans, and part-time employment. Financial aid advisors are trained to assist students in realizing their educational goals. Financial aid is offered to eligible students who are registered by the College District's official census date.
A primary purpose of the Collin College financial aid program is to provide assistance for students who might otherwise find it difficult or impossible to attend college. All students are encouraged to apply for financial aid. Students should not withdraw from Collin College for financial reasons without first consulting with the Financial Aid Office. All financial aid students must become familiar with the standards of academic progress.

For more information, go to the Financial Aid Office webpage at www.collin.edu/gettingstarted/financialaid/index.html.

Federal Law requires a financial aid student to complete at least 60 percent of each semester. If the student completely withdraws before the 60 percent point in the semester, that student will need to repay a portion of the financial aid funds received. A financial aid student who earns all F’s for the semester must have one (1) instructor provide proof to the Financial Aid Office that the student was in an academically related activity for 60 percent of the semester. Otherwise, that student will owe money back to the financial aid program.

Award amounts are determined by federal guidelines and demonstration of need and enrollment.

FINANCIAL AID PROGRAMS – FEDERAL ASSISTANCE
Collin College’s Title IV School Code is 016792.

Federal Pell Grant – Eligibility for the Pell Grant is based on the financial strength of the student and/or the student’s family, as well as the student’s enrollment status.

Federal Supplemental Educational Opportunities Grant (FSEOG) – FSEOG provides assistance for eligible students who show financial need and are making satisfactory progress toward their educational goal. Priority is given to students demonstrating the greatest financial need.

Federal Work Study (FWS) – Students demonstrating financial need may be considered for the work-study program. Students are employed to work at various jobs on campus or at other College District approved sites. They are allowed to earn the amount designated in their award package as long as they maintain a 2.0 GPA and are enrolled at least half time.

Federal Stafford Loan Program – This program permits a student to borrow money from the Department of Education without the need for collateral provided that the student is enrolled and attending at least six (6) hours. The federal government guarantees repayment of the loan and pays interest on the subsidized amount borrowed until the student graduates or ceases to be enrolled
at least half time. The interest rate for the 2010-2011 academic year was a fixed rate of 6.8 percent. Students may borrow $3,500 for the first year (0-30 hours) of completion in their program of study. During the second year (31 or more hours), the maximum amount is $4,500. The maximum amount a student may borrow depends upon eligibility, dependency status, year in school, previous student loans borrowed, and enrollment status for the year. The interest rate for the subsidized portion of the loan is 3.4 percent and the Interest rate for the unsubsidized portion of the loan Is 6.8 percent.

**Federal PLUS Loans** – Federal PLUS Loans are for parents who want to borrow money to help defray the cost of their children's education. Like Federal Stafford Loans, Federal PLUS Loans are made from the Department of Education. Credit rates will vary. Parents may borrow up to the cost of the education, minus resources and aid. Interest rates for 2010-2011 were 7.9 percent.

**FINANCIAL AID PROGRAMS – STATE ASSISTANCE**

**Texas Public Education Grant (TPEG)** – The TPEG program is a state financial aid program designed to assist students attending state-supported colleges. Students must demonstrate financial need and be making satisfactory progress toward their educational goals. The actual amount of the grant varies depending upon the availability of funds to the college, the student’s financial condition, and other aid the student is receiving.

**TEXAS Grant** – Students graduating high school after December 1998 might be eligible for this grant if the following conditions are met:

- Are a Texas resident
- Do not have a felony drug conviction
- Graduated high school in the recommended or distinguished programs
- Graduated from a Texas high school within 16 months of application
- Must be within first 30 hours of college
- Registered with Selective Service, if required
- Eligible for up to 75 hours at the community college
- Have an estimated contribution as determined by FAFSA of 4,000 or less for initial awards and unmet need for renewal awards
- Be enrolled at least three-quarter time (nine hours)

This grant covers the cost of tuition and fees and it is renewable during the undergraduate career as long as the student meets the college’s SAP requirements during the first year. To continue receiving the TEXAS Grant, the student must complete 24 hours each academic year, maintain a 2.5 cumulative GPA, and completes at least 75 percent of the coursework. Additionally, the student must maintain academic progress. Please refer to the *Institutional Policy of Satisfactory Academic Progress* in this section.
**Texas Equal Opportunity Grant (TEOG)** – Community college students working on their first associate's degree might be eligible for this grant if they:

- Are a Texas resident
- Do not have a felony drug conviction
- Must be within first 30 hours (eligible for up to 75 hours)
- Registered with selective service, if required
- Have an estimated contribution as determined by FAFSA of 2,000 or less for initial awards and unmet need for renewal awards
- Be enrolled at least half time (six hours)

Additionally, a student receiving this grant may become eligible for the TEXAS Grant once they transfer to a university. To remain eligible, the student must meet the college's SAP requirements during the first year. To continue receiving this grant, the student must complete 24 hours each academic year, maintain a 2.5 cumulative GPA, and complete at least 75 percent of the coursework. For additional information on these two grants, please contact the Financial Aid Office.

**ADDITIONAL FINANCIAL AID INFORMATION**

Many of the financial aid programs listed are under constant federal and state review and are subject to change. For additional information on any of the above loans or grants, please contact the Financial Aid Office. Students may apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Collin College's Title IV School Code is 016792.

**Priority deadlines are:**

- Fall Semester: May 1
- Spring Semester: October 1
- Summer Terms: March 1

**SATISFACTORY ACADEMIC PROGRESS**

Priority deadline for fall/spring is May 1. Priority deadline for spring is November 1.

*School policy: 34 CFR 668.16(e); Student eligibility: 34 CFR 668.32(f), 34 CFR 668.34*

To be considered administratively capable, a school must have a satisfactory academic progress policy that, for an FSA recipient, is the same as or more strict than the school's standards for a student enrolled in the same educational program who is not receiving assistance under an FSA program.

**Basic Elements of a Satisfactory Progress Policy**

According to these federal rules, a school's policy must contain certain basic elements:

- **a qualitative component** consisting of grades or comparable factors that are measurable against a norm (a GPA component),
• a quantitative component that consists of a maximum time frame in which a student must complete his or her educational program, subdivided into increments (e.g. the 150 percent rule), and
• a measurement of progress at the end of each increment (a completion rate).

Student Eligibility
To be eligible for FSA funds, a student must make satisfactory academic progress as defined by the school.

A student who loses FSA eligibility because she is not meeting the school’s satisfactory academic progress standards will regain eligibility when it is determined that she is again meeting the standards.

He/she may also regain eligibility by successfully appealing a determination that she was not making satisfactory progress. The school must document each case.

What is your SAP Status?

INSTITUTIONAL POLICY OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID (Effective August 2011)

This is an official statement of Collin College policy related to the financial aid operational definition of Satisfactory Academic Progress of students for Collin College effective for 2011-2012 and subsequent academic years.

I. Incremental Measurement of Progress
The Financial Aid Office evaluates the satisfactory academic progress of Collin College students who receive financial aid including GPA and the number of hours completed at least once each academic year.

II. Grade Point Average (GPA) Requirements
A student with a cumulative GPA of 2.0 or above and meets the requirements under Items III and IV is considered to be making satisfactory academic progress, including enrollment during the summer semesters. Withdrawals, incomplete courses, transfer coursework, and repeated courses when it is not the better grade do not affect GPA.

III. Completion Requirements
1. Enrollment status (hours attempted) is determined by the student’s enrollment on census date (12th class day during the fall and spring semesters; fourth class day during the summer semesters).
   a. Twelve or more hours is considered full time.
   b. Nine to eleven hours is considered three-quarter time.
c. Six to eight hours is considered half time.
d. One to five hours is considered less than half time.

2. Students must complete (earn) 67 percent of attempted hours.
a. Withdrawals, grades of F, incomplete courses, repeated courses, courses taken during the summer sessions, non-credit remedial coursework, and transfer coursework are counted toward attempted hours.
b. A grade of A, B, C, and D, transfer coursework, courses taken during the summer sessions, and repeated courses when it is the better grade are counted toward hours completed (earned).

3. Students who completely withdraw from a semester while on aid (either officially or unofficially) are no longer eligible for financial aid.

IV. Maximum Time Frame
The maximum number of hours a student may attempt is limited to 150 percent of the published length of the program. All hours, including those taken while not receiving Title IV aid, those taken under a different major, hours attempted during summer sessions, remedial hours, ESL hours and hours transferred in from previous/other institutions, etc. shall be counted toward total hours attempted and earned.*

V. Failure to Meet the Standards of Academic Progress
A student who is denied aid under this policy is once again eligible for aid after supplying the Financial Aid Office with documents proving that he/she meets the requirements under Items II, III, and IV, or is approved on appeal.

VI. The Appeal Process
1. Federal regulations allow a student to appeal an adverse satisfactory academic progress finding based on (a) the death of a relative, (b) an injury or illness of the student, or (c) other special circumstances.
2. A student who wishes to appeal shall do so by submitting the college's approved Satisfactory Academic Progress Appeal form to the Financial Aid Office. Supporting documentation must accompany the completed appeal.
3. A student whose appeal is approved is automatically placed on financial aid probation for one payment period unless placed on an academic plan by the financial aid office. At the end of the probation period, the student must be making satisfactory academic progress as defined in Items II, III, and IV to remain eligible for financial aid. If the student is not making satisfactory academic progress at the end of the probation period, he must again submit an appeal with supporting documentation. If approved, the student will be placed on an academic plan by the financial aid office.
Students wishing to change the terms of their academic plan must submit an appeal explaining the reasons they wish to change the plan.

4. A student whose appeal is denied by the Financial Aid Appeals Committee may appeal to the Financial Aid Task Force. The student must provide written notice of intent to do so within 14 calendar days of the notice of the denial.

5. Subsequent to the denial by the Financial Aid Task Force, a student may seek an administrative appeal from the Vice President of Student Development.

Additional Information: Return of Title IV Funds

Title IV aid is earned in a prorated manner on a per diem basis up to and including the 60 percent point in the term. After the 60 percent point all aid is considered earned. The percentage earned is calculated by dividing the number of days completed by the number of days in the repayment period. It is the unearned percentage of aid that determines the amount that must be returned to the Title IV program(s) in the following order: Unsubsidized Direct Loan, Subsidized Direct Loan, Direct Parent PLUS Loan, Pell Grant, and SEOG. The student is not responsible for returning funds to any program to which the student owes $50 or less. The grant funds returned by the student are applied to the following sources in the order indicated, up to the total amount disbursed from that grant program minus any grant funds the school is responsible for returning to that program. Title IV Grant Program sources include: Pell and SEOG. The Department of Education considers a student who earns all F’s to have unofficially withdrawn unless an instructor can prove otherwise. The college, as well as the student may be required to return to the federal government the unearned portion of the Title IV funds. The institution will require students to repay charges resulting from the institution’s portion of the return of unearned Title IV aid. This may cause the student to owe both the college and the federal government. Students withdrawing prior to disbursement may be eligible for a post-withdrawal disbursement. Students who are considering withdrawing should contact the Financial Aid Office for a thorough explanation of how this policy will affect them.

Note: * The Admissions and Records Office (ARO) is the point of record for determining the number of credit hours that transfer into the institution.

FINANCIAL AID PROGRAMS – OTHER

Tuition Exemptions

State tuition waivers provide qualifying students with exemptions from certain tuition and fee charges in public colleges. Contact either the Financial Aid Office or the Admissions and Records Office for additional information regarding a specific waiver. A few of the state waivers are listed below.
Financial Aid Exemptions
Aid for Dependent Children • Deaf/Blind Students • Children of Disabled Firemen and Peace Officers • Children of Prisoners of War or Persons Missing in Action • Early High School Graduation • Firemen Enrolled in Fire Science Courses • Hazelwood Act • Highest Ranking High School Graduate • Orphans of National Guard Members

Admissions Waivers (Admissions and Records Office)
Ad-valorem Tax • Concurrent Enrollment • Contract Training for Out of District • Dual Agreement Dallas County • Senior Citizen

Veterans Educational Benefits
Students requesting veterans’ educational benefits at Collin College should submit all documentation to the Financial Aid/Veterans Affairs (VA) Office at least eight weeks prior to registration, if possible. The steps necessary to do this include:

1. Gain admission to Collin College through the Admissions and Records Office.
2. Submit a degree plan request and all required VA forms to the Financial Aid/Veterans Affairs Office.
3. Ensure all transcripts from prior institutions are submitted to the degree plan coordinator for transfer evaluation.

PLEASE NOTE: Only after an official degree plan is on file will notification of enrollment be sent to the Veterans Administration. Only classes that are on the official degree plan will be paid for. It is the student’s responsibility to ensure the degree program selected is a program approved by the State Approving Agency.

Continuing students who have previously received benefits must notify the VA Advisor in writing at the time of registration, or as soon thereafter as possible. Notification may be submitted at any Collin College Financial Aid/Veterans Affairs Office. If there has been a break of more than two (2) regular 16-week semesters, additional VA documents will be required as well as transcripts from any schools attended during the break.

Any class that is recommended, but not required by a degree program, cannot be certified with the VA. Additionally, classes required for graduation at another institution, but not by Collin College, cannot be certified.

It is assumed that continuing students wish to be certified for any subsequent enrollment unless they notify the Financial Aid/Veterans Affairs Office in writing. Though every effort is made to identify continuing students, it is still the responsibility of the student to notify the veteran certifying official in writing at the time of enrollment. Requests for certification of a prior term will be processed in accordance with standard VA policy and will not be processed ahead of the normal scheduled workload for that term.
Students receiving veterans' benefits must maintain satisfactory academic progress while attending Collin College. Satisfactory academic progress is defined as maintaining a 2.0 GPA. Students failing to make satisfactory academic progress will be reported to the Veterans Regional Office as being on academic suspension at the end of the second consecutive semester when the cumulative GPA remains below 2.0. Developmental courses will be included to determine the cumulative GPA.

A grade of “D” or better received at Collin College, or any other college, is a passing grade and may not be repeated for benefits. If a non-punitive grade of “I” is assigned to a course and it is not converted to a punitive grade, this will be reported to the Veterans Affairs Regional Office within 30 days, and benefits will be reduced accordingly. Students receiving a grade of “F” may repeat the course with benefits one (1) time at Collin College.

**COLLIN COLLEGE SCHOLARSHIP INFORMATION**

**Collin College Foundation Scholarships** – Academic scholarships for Collin College students are awarded through the Collin College Foundation. **6.13 Fire Evacuation**

Fire exits are posted on each floor on all campuses. If an alarm is activated, students should leave the building in a timely manner by the marked exits, unless otherwise instructed, and move as far away from the building as possible. Upon receiving verbal authorization from Collin College Police, an administrator in charge, or a faculty member, students should return to classes, quickly and quietly. If there are questions, please ask a staff or faculty member.
6.14 Freedom from Capricious Grading

Students have a right to be free from capricious grading and to be treated fairly in grading and classroom practices. In most circumstances, students should seek to settle any dissatisfaction concerning grades directly with the faculty member involved. If a grade dispute cannot be settled in this way, students should consult the appropriate dean or academic chair. If the issue remains unresolved, the student may appeal to the Grade Appeals Board (GAB).

Appeals to the GAB shall be filed with the chair of the GAB no later than the last regular class day of the next long semester after receiving the grade. An allegation of capricious grading shall be handled according to Section 6.15, Grade Appeals Procedure, of the Collin College Student Handbook.

6.15 Grade Appeals Procedure

The following procedure is available only for review of alleged capricious grading and not for review of the judgment of a professor in assessing the quality of a student's work.

Capricious Grading

As the term is used herein, is limited to one or more of the following:
A. the assignment of a grade to a student on some basis other than performance in the course;
B. the assignment of a grade to a student by more exacting or demanding standards than were applied to other students in that course; and/or
C. the assignment of a grade by a substantial departure from the professor's standards announced and provided during the first part of the term.

The assessment of the quality of a student's academic performance is one of the major professional responsibilities of Collin College faculty members and is solely and properly their responsibility. It is essential for the standards of the academic programs at the College District, and the integrity of degrees conferred by Collin College, that the professional judgments of faculty members not be subject to pressures or other interference from any source.

It is necessary, however, that any course grade be based on evidence of the student's performance. In a course, that the student have access to the evidence, that the professor be willing to explain and interpret the evidence to the student, and that a grade be determined in accordance with published guidelines. These guidelines should be published and announced in each class within the first week of the semester.

At any time, a student may seek the counsel of a designated Collin College representative regarding the procedure for appealing alleged capricious grades or the merits of a particular case.
Seeking Clarification of Capricious Grading
A student who believes a term grade is capricious may seek clarification, and where appropriate, redress as follows:

A. The student shall confer with the professor, inform the professor of questions concerning the grade, and seek to understand fully the grounds and procedures the professor has used in determining the grade. The aim of such a conference is to reach mutual understanding about the grade, the process by which it was assigned, and to correct errors, if any, in the grade. If for any reason the professor cannot be contacted, the academic dean shall appoint the academic chair (or designee) to act for the professor.

B. If, after consultation with the professor (or designee), the student believes that a grade is capricious, the student shall confer with the appropriate academic dean. The dean shall consult and advise with both the professor and student, separately or together, in an effort to reach an understanding and resolution of the matter.

C. If steps (A) or (B) above do not resolve the problem, the student may submit a petition in writing via email to the chair of the Grade Appeals Board. All supporting documents must be provided before the Grade Appeals Board will consider the petition and may be provided via email or in hard copy. Examples of supporting documents may include, but are not limited to, course syllabus, copies of emails exchanged between professor and student, doctor’s statements, etc. This form can be obtained from the Admissions and Records Office at any campus or online through CougarWeb on the My Courses tab under Rules and Regulations, or on the college website in the Student Resources section under Academic Support.

Again, grade appeals of any type shall be instituted no later than the last regular class day of the next long semester after receiving the grade.

Petitioning for a Grade Appeal Hearing
The petition should be written to:

A. request a hearing with the GAB;
B. present evidence allegedly proving that the grade is capricious as defined above; and
C. present the student’s conclusions.

The Grade Appeals Board will then contact the professor to determine the professor’s position. Based on the student’s petition, the professor’s response, and interviews by the chairperson of the Grade Appeals Board with the student and the professor, the GAB will conduct an inquiry that may include a meeting with the student and the professor, separately or together, to ascertain and consider relevant facts.
Decision of the Grade Appeals Board

The GAB will make one of these decisions:

A. that the grade was not assigned capriciously and the grade will stand as assigned; or
B. that the grade may have been assigned capriciously and merits further consideration.

If further consideration is needed, the GAB may then arrange for the professor (or designee) or a group of two (2) departmental/program colleagues to re-examine all the evidence of the student’s work. The GAB will, as a result of this further consideration, recommend to the appropriate vice president/provost a grade the same as or different from the original grade. If the decision is to change the grade, the Grade Change Form will be sent to the appropriate vice president/provost (or designee) for signature, and then forwarded to the registrar.

If the decision is that the grade will remain as assigned, the student will be notified in writing of that decision. The decision of the GAB will be final.

A. At all points of the decision, the student, the professor, the academic dean, and any parties involved will be notified after each decision has been reached.
B. If the grade is changed, the Grade Change Form will be completed by the appropriate vice president/provost and submitted to the registrar for processing. A copy of the final Grade Change Form will be distributed to the professor (or designee), the academic dean, the chairperson of the Grade Appeals Board, and other appropriate parties.
C. In accordance with Collin College personnel procedures, no decision of the Grade Appeals Board, by itself, will be a basis for disciplinary action against a professor.
D. Students having a grievance with academic or classroom related problems, other than their final grade, should first consult the professor. If the grievance is not resolved, the student should contact the appropriate academic dean. If the matter is still not resolved, the student may appeal to the appropriate vice president/provost.

In certain instances, the problem may be handled best through other procedures; therefore, a referral for assistance may be made to another office or to a task force (e.g., human relations task force, etc.).

6.16 Health Information

Collin College is dedicated to the total well being of its students. Health fairs, alcohol and drug awareness programs, and aerobic and other fitness courses are geared towards student wellness.

The College District policy regarding communicable diseases FDAD (LOCAL) is available at http://pol.tasb.org/home/index/304.
AIDS Information
Collin College has adopted the HIV/AIDS Model Workplace Guidelines approved by the Texas Board of Health. These guidelines, the College District’s AIDS policy, and a brochure developed by the Texas Department of State Health Services (TDSHS) entitled, “HIV and AIDS: Facts You Should Know” are available upon request from Counseling Services. Confidentiality of these requests will be honored.

Bacterial Meningitis
A recent State Law (SB 1107) requires all new students under the age of 30 entering a higher education institution to show proof of having the vaccine 10 days prior to the start of the term. Refer to the current Collin College Registration Guide for more information www.collin.edu/academics/class_schedule.html.

This information is being provided to all new college students in the state of Texas. Bacterial meningitis is an infection of the brain and spinal cord that causes inflammation of the membranes that surround the brain. Several different types of bacteria can cause meningitis. The leading cause of bacterial meningitis in the United States is Neisseria meningitidis, also called meningococcal meningitis (Meningococcal Disease, 2007). Bacteria that cause meningitis can also infect the blood. Bacterial meningitis strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year (American College Health Association, 2008). There is treatment, but those who survive may develop severe health problems or disabilities.

Symptoms may vary but may include some or all of the following:

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
- Severe headache
- Vomiting
- Stiff neck
- Nausea
- Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body. This is a sign of a very serious infection that needs immediate medical care.

How is bacterial meningitis diagnosed?
Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests. Early diagnosis and treatment can greatly improve the likelihood of recovery.

How is bacterial meningitis spread?
The disease is spread when people have direct contact with oral or respiratory secretions of infected people. Direct contact can happen when people kiss, share...
drinks or cigarettes, or if they provide certain types of medical aid to a person with bacterial meningitis. When it is spread, exposed people may become ill within 2-10 days (Meningococcal Disease, 2007).

**Who is at an increased risk of getting bacterial meningitis?**

Vaccination against meningococcal disease is recommended for persons at an increased risk of getting bacterial meningitis. Those persons include, but are not limited to, adolescents from ages 11–18 years, college freshman living in dormitories (or sharing apartments), anyone who has a damaged spleen or whose spleen has been removed, and people who have been exposed to meningitis during an outbreak (Centers for Disease Control and Prevention [CDC], 2008).

**What are the possible consequences of the disease?**

While most people recover fully, 9-12 percent of people who have blood or brain infections caused by Nisseria meningitidis will die (Meningococcal Disease, 2007). About 20 percent of people who survive meningococcal disease will have permanent effects such as hearing loss, brain damage or the loss of a limb (Meningococcal Disease, 2007).

**Can this disease be treated?**

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.
- Vaccination is available and it is recommended for college students living in dorms or sharing apartments. Vaccinations are effective against four of the five most common bacterial types that cause 70 percent of the disease in the U.S. (but does not protect against all types of meningitis). Vaccinations take 7-10 days to become effective, with protection lasting 3-5 years. The cost of vaccine varies.
- The vaccination is very safe. The most common side effects are redness and minor pain at injection site for up to two (2) days. See below for more information.

Collin College expects its students to conduct themselves in a manner that reflects credit upon the institution they represent. There are two basic standards of behavior required of all students:

CHAPTER 1 - STUDENTS’ RIGHTS AND RESPONSIBILITIES

7-1.1 Authorized Use of Facilities

A. Philosophy

Collin College is supported by public and private funds. Those who benefit most from its activities are students. However, since Collin College is supported by all individuals in its service area, Collin College is dedicated to serving the needs of all its constituents, as appropriate. In support of this mission, Collin College encourages use of its facilities by the public.

The grounds and facilities of Collin College shall be made available to members of the Collin College community, including students and their respective approved student organizations, when such use does not conflict with normally scheduled activities or any Collin College policy. Students and approved student organizations shall be subject to Collin College rules and regulations governing the use of Collin College facilities. The requesting student(s) or approved student organizations shall pay all expenses incurred by their use of the facilities. Such expenses are limited to the cost for required Collin College custodial, security, and building staff, and damages and/or losses.
The facilities scheduling coordinator shall assign priorities to requests for the use of Collin College facilities in accordance with Board policy. The facilities scheduling coordinator, working in conjunction with the appropriate campus vice president/provost or designated representative shall approve events, dates, and times, resolve conflicts and approve any deviations from the priority schedule or from the standard fee structure as deemed necessary to carry out Collin College policy in accordance with its philosophy.

Priority for use of Collin College facilities is given to academic programs and approved extra-curricular activities. Collin College will follow the priority schedule contained in Board policy GF (Local) available on the web at http://pol.tasb.org/home/index/304. To reserve space or to obtain activity approval, student organizations should contact Student Life; all other parties should contact the facilities scheduling coordinator at the appropriate campus.

All animals must be on a leash, or equivalent, and fully under the control of their handler. All animals must be accompanied with documentation of current vaccinations. The care and supervision of the animal is the sole responsibility of the handler.

2. Service Animals are defined by the Americans with Disabilities Act (ADA) as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. Service animals are working animals, not pets. Animals that meet this definition are considered service animals regardless of whether they have been licensed or certified by a state or local government. Service animals must be on a leash at all times and under the control of the individual with a disability. The care and supervision of the animal is the sole responsibility of the handler. 7-1.8 Searches of Student’s Personal Possessions, Collin College Property, or Facilities

Collin College respects the privacy rights of students. However, authorized Collin College officials have a limited right to search students or their property when in the interest of the overall welfare of other students or when necessary to preserve good order and discipline.

Other searches by authorized Collin College officials of a student’s personal possessions for the purpose of enforcing this Code or investigating allegations may be conducted based on the official’s reasonable suspicion, with the student’s consent, when practicable. These restrictions do not apply to searches of Collin College property or facilities.

Authorized Collin College officials may question a student regarding the student’s own conduct or the conduct of other students. In the context of Collin College disciplinary proceedings, students have no claim to the right not to incriminate themselves.

All persons are responsible for the security of any vehicle, bag, or other item they own, possess, or bring onto Collin College property or a Collin College-sponsored activity. No person shall own, possess, place, keep, or maintain any article or material that is prohibited by law or Collin College policy in vehicles, on Collin College property, or at a Collin College-sponsored activity. Stolen items and items which are forbidden by Board policy or law may be impounded and may be used as evidence in disciplinary proceedings against the student.

When law enforcement authorities are involved in a search, a law enforcement officer with probable cause is authorized to search a student’s personal possessions for the purpose of enforcing this Code or investigating allegations of illegal or
criminal behavior. Searches by law enforcement officers of a student's possessions shall be only as authorized by law.

If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses to permit the vehicle to be searched, an authorized Collin College official may contact the Collin College Police Department and/or local law enforcement officials and turn the matter over to them.

7-1.9 Prohibition Against Assault

Students are prohibited from assaulting any person on Collin College property or while under Collin College's jurisdiction. Conduct by a student that results in bodily injury or threats of imminent bodily injury against individuals are strictly prohibited. This policy prohibits all forms of assaults, including but not limited to simple assaults, aggravated assaults, sexual assaults or attempted sexual assaults, as governed by the Texas Penal Code, Chapter 2 and/or other applicable law.

Note: Collin College has a process in place to report crimes. In addition, victims also have the right to submit a confidential report, even if they do not want to pursue proceedings with Collin College or the criminal justice system, see Section 6.6, Collin College Police Department, for more information.

7-1.10 Student Complaints

Complaints:
In this policy, the terms “complaint” and “grievance” shall have the same meaning. The student (grievant) making the complaint must be personally affected by the action. This policy shall apply to all student complaints except for the following: complaints alleging discrimination or harassment based on race, color, sex, national origin, disability, or religion; complaints concerning retaliation relating to discrimination and harassment; complaints concerning disciplinary decisions; and/or complaints concerning a commissioned peace officer who is an employee of Collin College. To file a complaint concerning an exception listed above, contact the Dean of Student Development Office.

Informal Grievance Process:
A grievant is encouraged to initially resolve the issue at an informal level by discussing the concern with the individual (student, faculty member, staff member, or administrator) identified by the grievant as causing or contributing to the grievance with his or her supervisor. If the grievant is unable to resolve the concern at the informal level, he or she may proceed to the formal level.

Formal Grievance Process:
The grievant shall file, no later than 20 academic calendar days from the time the student knew or should have known of the alleged incident or events giving rise to the incident, a written statement identifying the actions being complained
of and describing the remedy he or she is seeking. This written complaint shall be filed with the Dean of Student Development Office. This matter shall be closed if the complaint is not substantiated. The grievant shall be notified of the reasons for closure.

The Dean of Student Development or designee shall hear the grievance within the established rules, which shall be provided by the Dean of Student Development or designee upon request. A hearing shall be held, which shall give the grievant and College District personnel who are named in the grievance an opportunity to explain what they know about the issues surrounding the grievance and to review any related information or materials. The Dean of Student Development or designee may choose to hear the information in separate/individual hearings. The student is responsible for presenting his or her own case.

Considering the oral and written statements and comments, the dean of student development or designee shall issue a decision within ten academic calendar days of the close of the hearing. The decision shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). Copies of the decision shall be served to the grievant and the respondent either personally or by certified mail.

The decision of the dean of student development or designee shall be final unless a written request for review is filed with the vice president of student development by either party within three academic calendar days of notification of the decision. Upon receipt of a request for review, the vice president of student development shall review the record and issue a written decision within ten academic calendar days. The decision of the vice president for student development is final and may not be appealed.

Alcohol
The use of alcohol and intoxicating beverages shall be prohibited in classroom buildings; laboratories; auditoriums; library buildings; faculty and administrative offices; intercollegiate and intramural athletic facilities; and all other public campus areas, provided, however, that with the prior consent and approval of the Board, the provisions herein may be waived for specified culinary instructional programs, or with respect to any specific event that is sponsored by Collin College and/or the Collin College Foundation. State law shall be strictly enforced at all times on all property controlled by Collin College in regard to the possession and consumption of alcoholic beverages.

Controlled Substances
In compliance with the Drug-Free Schools and Communities Act Amendment of 1989 (Public Law 101-226) and state law, no student shall, or attempt to, possess, have under their control, manufacture, deliver, distribute, sell, purchase, use, or be under the influence of the following: alcohol; controlled substances or drugs (as defined by federal law or in the Texas Controlled Substances Act); abuseable volatile chemicals (in violation of manufacturer's directions); dangerous drugs (as defined by state or federal law); steroids; substances referred to as “designer drugs;” and the inappropriate or illegal use of over-the-counter medications, prescription medications, inhalants, herbal/“natural” euphoriants; look-alike products (what is
represented to be any of the above-listed substances); and/or any other intoxicant or mood-changing, mind-altering, or behavior-altering drugs at Collin College, on Collin College property, or while attending Collin College-sponsored activities that are on or off campus.

A student who uses a prescription drug authorized by a licensed physician, in accordance with a prescription specifically for that student’s use, shall not be considered to have violated the prohibition against controlled substances.

Paraphernalia
Students shall not possess any pipe, instrument of contrivance, hypodermic syringe, needle, or any instrument adapted for the use of smoking, injecting, and ingesting, any narcotic or hallucinatory drug at Collin College, on Collin College property, or while attending Collin College-sponsored activities on or off campus. Look-alike drug paraphernalia is also prohibited.

Tobacco
Collin College is a smoke- and tobacco-free institution. Smoking and/or using tobacco products or other electronic smoking devices is strictly prohibited anywhere on Collin College property or in campus buildings (see Section 6.26, Smoking/Tobacco). Violators of tobacco regulations may be issued a citation by the Collin College Police Department and may face legal fines up to $200. Additionally, violators may be subject to disciplinary action by Collin College. For assistance with cessation, contact Counseling Services at 972.881.5126.

Possession
For purposes of this policy, possession means actual care, custody, control or management, and includes the act of taking control or occupancy of property without regard to the ownership of the property. Possession is a voluntary act if the possessor knowingly obtains or receives the things possessed or is aware of his or her control over the thing for a sufficient time to permit him or her to terminate his or her control. In addition, items in a car under the care, custody, control or management of the student will be considered to be in the student’s possession.

Violations
Students who violate this policy will be subject to appropriate disciplinary action. Students will be provided the opportunity to show if they were using a prescription drug in accordance with the prescription provided by a licensed physician.

Notice
Such disciplinary action may include referral to drug and alcohol counseling or rehabilitation programs or student assistance programs, suspension, expulsion, and referral to appropriate law enforcement officials for prosecution. Each student taking one (1) or more classes for any type of academic credit, except for continuing education units, shall be given a copy of Collin College’s policy prohibiting the
unlawful possession, use, or distribution of illicit drugs and alcohol, a description of
the applicable legal sanctions under local, state, or federal law, and a description of
the health risks associated with the use of illicit drugs and the abuse of alcohol.

7-2.2 Failure to Pay Financial Obligations
Collin College may initiate disciplinary proceedings against a student who has
allegedly refused to pay or failed to pay a debt (i.e. loans, fines, charges) owed to
Collin College. If a student fails to pay Collin College an amount due, disciplinary
action may be initiated. Disciplinary action may also be initiated if a student
knowingly gives Collin College an “insufficient funds” check or stops payment on a
check or draft.

7-2.3 Scholastic Dishonesty
Every member of the Collin College community is expected to maintain the
highest standards of academic integrity. Collin College may initiate disciplinary
proceedings against a student accused of scholastic dishonesty. Scholastic
dishonesty includes, but is not limited to, statements, acts, or omissions related

of one's own work of material that is not one's own. Scholastic dishonesty shall
involve, but is not limited to, one or more of the following acts: cheating, plagiarism,
collusion, use of annotated texts or teacher's editions, use of information about

without giving credit to the source, including, but not limited to, failure to
acknowledge a direct quotation.

manner during an examination; collaborating with another student during an
examination without authority; using, buying, selling, soliciting, stealing, or
otherwise obtaining course assignments and/or examination questions in advance;
copying computer or Internet files; using someone else's work for assignments
as if it were one's own; or any other dishonest means of attempting to fulfill the
requirements of a course.

Collusion is intentionally or unintentionally aiding or attempting to aid another
in an act of scholastic dishonesty, including but not limited to, failing to secure
academic work; providing a paper or project to another student; providing an
inappropriate level of assistance; communicating answers to a classmate about an
examination or any other course assignment; removing tests or answer sheets from
a test site; and allowing a classmate to copy answers.
In cases where an incident report has been filed for an alleged violation of scholastic dishonesty, faculty are requested to delay posting a grade, for the academic work in question, until the Dean of Student Development Office renders an administrative decision in the case. Students found responsible for scholastic dishonesty offenses will receive an authorized disciplinary penalty from the Dean of Student Development Office. The student may also receive an academic penalty in the course where the scholastic dishonesty took place. The professor will determine the appropriate academic penalty.

CHAPTER 3 – GENERAL PROVISIONS

7-3.1 Purpose and Application

Students of Collin College neither lose the rights nor escape the responsibilities of
citizenship. Students are expected to obey municipal and county laws, and laws of
the State of Texas and the United States of America. They are expected to comply with Collin College rules, regulations, the Student Code of Conduct, procedures, and Board policies. A student may be penalized by Collin College for violating the Student Code of Conduct even though the student is punished by local, state, or federal authorities for the same act.

The Student Code of Conduct applies to individual students and states the role of students in disciplinary proceedings and grievances. Collin College has disciplinary jurisdiction over a person who was a student at the time he/she allegedly violated a regulation, rule, procedure, Code, or policy.

A student who withdraws from school while disciplinary action is pending, or who is involved in misconduct that would subject him/her to disciplinary action after withdrawal, may be required to meet with a representative of the Dean of Student Development Office before re-enrolling or being readmitted to Collin College.

Collin College reserves the right to apply appropriate disciplinary provisions to persons who participate in Collin College-sponsored activities, programs, meetings, registration or advising sessions, but who are not enrolled students.

7-3.2 Off-campus Conduct

When a student is alleged to have violated the Code during a Collin College-sponsored activity off campus, Collin College reserves the right to investigate and initiate disciplinary proceedings. Collin College may take action in situations occurring at off-campus, college-sponsored activities involving: student misconduct demonstrating flagrant disregard for any other student or person; or when a student's behavior is determined to threaten the health, safety, and/or property of any individual; or any other activity which adversely affects the Collin College community and/or the pursuit of Collin College Core Values.

If the Dean of Student Development Office determines that the conduct affects Collin College as stated above, then disciplinary proceedings may be initiated pursuant to the procedures listed in this Code. The actions of the Dean of Student Development Office may be independent of any off campus law enforcement authority.

7-3.3 Reprisals

Students shall not take any adverse action (reprisal) toward any Collin College faculty, staff member, or fellow student who reports an alleged violation of the Student Code of Conduct or participates in any disciplinary proceeding. Reprisals include, but are not limited to, retaliating against, threatening to retaliate against, filing a grievance in bad faith, harassing, interfering with and/or coercing another individual to not report or participate in a disciplinary proceeding.
Chapter 4 – Initiation of Disciplinary Proceedings

7-4.1 Initial Response

To initiate disciplinary proceedings, alleged violations of the Student Code of Conduct shall be submitted in writing (in hardcopy or electronic format) to the Dean of Student Development Office within 20 academic calendar days (not including weekends) of the alleged incident. When a violation of Collin College rules, regulations, the Student Code of Conduct, procedures, Board policies or local, state, or federal laws or regulations is alleged, the dean of student development or designee may investigate the matter and may:

1. dismiss the allegation, if it is unfounded; or
2. notify the student to schedule a conference to review the allegation.

After completing the investigation, the Dean of Student Development Office will either:

1. dismiss the allegation as being unfounded;
2. proceed administratively through the Discipline Hearing Procedures; or
3. resolve the allegation through other appropriate avenues available at Collin College.

If the allegation is substantiated, the Dean of Student Development Office will set a meeting to address the matter in accordance with its Discipline Hearing Procedures. For information on the hearing procedures and deadlines, please contact the Dean of Student Development Office.

Immediate Interim Disciplinary Action

An authorized Collin College official may take immediate interim disciplinary action by suspending a student from classes or from campus, or otherwise altering the status of a student, when such action is in the best interests of Collin College.

7-4.2 Notifying a Student

A. When investigating an alleged violation, a student shall be notified to appear and provide information to assist in the investigation by any of the following methods:

1. A sealed letter sent through campus mail in care of one of the student's professors for delivery at the end of class. The professor will be instructed to return the letter immediately after the class if the student is not in attendance.
2. A letter mailed to the student's address as listed with the Admissions and Records Office. The student is responsible for keeping the Admissions and Records Office apprised of his or her current home address.
3. A written communication sent to the student's Collin College CougarMail (email account) and/or hand-delivered by the dean of student development or designee. If the communication is hand-delivered, the dean of student development or designee will document the date, time and place of hand-delivery.
B. The letter, message, or communication shall direct the student to schedule an appointment with the Dean of Student Development Office not less than three (3) academic calendar days (not including weekends) after the date of the communication. The communication shall also describe the alleged violation(s) and/or provide information regarding the purpose for the meeting. Students may schedule an appointment and meet with the dean of student development or designee prior to the three day waiting period if they sign a waiver form.

C. An authorized Collin College official may place a student on disciplinary probation or determine an appropriate penalty if the student fails, without good cause, to comply with the notification or otherwise fails to attend a scheduled meeting. In addition, an authorized Collin College official may also proceed directly through the Discipline Hearing Procedures.

7-4.3 Administrative Decision of a Violation

A. The dean of student development or designee may administratively address any violation by:
   1. dismissing the allegation; and/or

   3. handling the case in an informal manner; and/or
   4. initiating disciplinary proceedings; and/or
   5. referring the matter to the Discipline Appeals Task Force (DATF).

B. During a conference with the student, the dean of student development or designee shall review the information in the Student Code of Conduct related to the case. The purpose of the conference is to hear and receive information from the student.

C. If a student is found responsible for a violation of the Student Code of Conduct and refuses the administrative decision of the dean of student development or designee, the student is entitled to an appeal hearing.

D. If a student accepts the administrative decision of the dean of student development or designee, he or she will sign a statement that he or she understands the violation(s), his or her student rights, and right to a hearing or to waive the same, and the penalty imposed by the dean of student development or designee. This statement must be signed no later than the third academic calendar day (not including weekends) following the administrative decision of the dean of student development or designee. Once this statement is signed, the student will not be allowed to appeal at a later date and he or she will be expected to comply with all penalties or recommendations in the administrative decision letter.

E. If a student does not sign an administrative decision acceptance statement or submit a signed written request for an appeal hearing by the third academic
calendar day (not including weekends), the original administrative decision issued by the dean of student development or designee will stand. In addition, since the student did not submit a request for an appeal hearing within the designated time period, the student will not be allowed to appeal at a later date, and he or she will be expected to comply with all penalties and/or obligations in the administrative decision letter.

7-4.4 Immediate Suspension

A. An authorized Collin College official may immediately and temporarily suspend a student without advance written notice (verbally direct a student’s immediate removal from Collin College) pending a formal investigation and administrative decision. The causes for immediate suspension without advance written notice include, but are not limited to, the following:

1. failure to comply with a notification for a hearing;
2. an attempt to cause or actually causing bodily harm to himself or herself and/or to others at Collin College, on Collin College property, and/or while attending a Collin College-sponsored activity on or off campus;
3. attempts to, or possesses, manufactures, delivers, distributes, sells, purchases, uses, or is under the influence of, alcoholic beverages, illegal controlled substances (as defined by federal law or in the Texas Controlled Substances Act), steroids, substances referred to as “designer drugs,” and the inappropriate or illegal use of over-the-counter medications, prescription medications, herbal/“natural” euphoriants, inhalants, look-alike products (what is represented to be any of the above-listed substances), and/or drug paraphernalia at Collin College, on Collin College property, or while attending Collin College-sponsored activities on or off campus;
4. destruction or theft of Collin College property or another person’s property;
5. possession of alcohol or intoxicating beverages in violation of this Code at Collin College, on Collin College property, or at Collin College-sponsored activities on or off campus;
6. any incident causing a major disruption or disturbance; and
7. an alleged violation of the Student Code of Conduct that the administrator considers to be a major violation or an immediate threat to faculty, staff, students, or the campus climate.

B. The student will be notified to meet with the dean of student development or designee no later than five (5) academic calendar days (not including weekends) from the action of temporary suspension.

C. If the suspended student receives a favorable administrative decision or favorable hearing, reasonable efforts will be made to ensure that the student will be permitted to make up class work required for satisfactory completion of a course(s) he or she began prior to the onset of the disciplinary process.
7-4.5 Classroom Dismissal by Faculty Member

If a student is disruptive in class (e.g. his or her behavior is disruptive or inappropriate in this setting and interferes with the teaching/learning process), a faculty member has the right to temporarily dismiss the student from class (not to exceed one (1) class). If a faculty member finds it necessary to dismiss a student from one (1) class, the appropriate academic dean should be notified as soon as possible.

A faculty member may not suspend a student from more than one (1) class without notification to the academic dean and the initiation of disciplinary proceedings. If the student’s behavior is so disruptive it is believed that the student should be dismissed from more than one (1) class, the academic dean and the faculty member should collectively contact the Dean of Student Development Office to initiate the student discipline process. Dismissal from more than one (1) class requires formal disciplinary action by the Dean of Student Development Office.

CHAPTER 5 – DISCIPLINARY PENALTIES

7-5.1 Authorized Disciplinary Penalties

A. Penalties for a violation(s) of the Student Code of Conduct, Board policy, Collin College regulation, procedure, or administrative rule may be imposed by an authorized Collin College official. The severity of the penalty shall be in relation to the gravity of the violation. Subject to additional considerations in rendering a disciplinary decision, Collin College will administer penalties consistently. A student’s record of previous violations, the severity of the violation, and the facts surrounding the violation may factor into the determination of the penalty or penalties. Disciplinary penalties may include one (1) or more of the following:

**Level 1**
1. warning;
2. referral;
3. educational project assignment;
4. disciplinary probation;
5. restitution;

**Level 2**
6. withholding of transcript or degree;
7. bar against admission or readmission;
8. suspension of privileges;
9. suspension of eligibility for participation in official athletic and non-athletic extra-curricular activities;
10. administrative re-assignment of an academic grade;
11. denial of degree;
12. suspension; and/or
**Level 3**

13. expulsion (must be approved by the Collin College Board of Trustees).

B. The following definitions apply to the penalties (or disciplinary actions) provided in this section:

1. **Warning**: a warning that further violations of Collin College rules, regulations, the *Student Code of Conduct*, procedures, or Board policies will result in further disciplinary action. This penalty may be imposed for any length of time up to one (1) calendar year and the student shall automatically be removed from warning status when the period expires.

2. **Referral**: a recommendation for specialized help. The dean of student development or designee may recommend that the student seek specialized assistance (e.g., from a family member, counselor, mental health professional, physician, etc.) if appropriate.

3. **Educational project assignment**: a project assignment may be arranged so that the student will have the opportunity to observe and learn specific, valued human behaviors related to his or her own conduct, which led to disciplinary problems and action. A student may be counseled to participate in some campus or community activity with rehabilitative value (e.g., Academic Traditions and Cultures seminar, essay assignment, alcohol awareness seminar, etc.).

4. **Disciplinary probation**: a penalty and status indicating that further violations may result in suspension from Collin College. Disciplinary probation may be imposed for any length of time up to two (2) calendar years.

5. **Restitution**: an order for the student to repair damages or reimburse the affected party for damage to or misappropriation of property. This may take the form of monetary payment or payment of time and services.

6. **Withholding of transcript or degree**: a penalty that may be imposed on a student who fails to pay a debt owed to Collin College or who has a disciplinary case pending a final administrative decision with the dean of student development or designee. The penalty terminates on payment of the debt or the final decision of the case.

7. **Bar against admission or re-admission**: a penalty whereby a student or prospective student may not be allowed to enter or re-enter a Collin College campus (e.g., may not enroll or participate in classes, programs, activities, etc.) if he or she were forced to withdraw for disciplinary reasons, for failure to meet financial obligations, or for disruptive or threatening behavior during the admissions, advising, or assessment period prior to entrance to Collin College. This penalty may be imposed for any period of time not to exceed two (2) calendar years.

8. **Suspension of privileges**: an elastic penalty that may impose limitations or restrictions to fit a particular case. This penalty may be imposed for any length of time up to two (2) calendar years or longer depending on the circumstances.
9. **Suspension of eligibility for participation in official athletic and non-athletic extra-curricular activities**: a penalty that prohibits a student from joining student organizations or participating in Collin College athletics and/or non-athletic, extra-curricular activities. This penalty may be imposed for any length of time up to two (2) calendar years or longer depending on the circumstances.

10. **Administrative Re-assignment of an Academic Grade**: If a student is found responsible, through the disciplinary process, of enrolling in a course or of obtaining a course grade through fraudulent means, the course grade will be changed to a “ZW” on the student’s transcript by the Admissions and Records Office. A “ZW” grade on the student’s transcript will note that no grade was assigned and the student was administratively withdrawn from the course due to a fraudulent act of scholastic dishonesty.

11. **Denial of degree**: a penalty that may be imposed on a student for any length of time and may include a permanent denial.

12. **Suspension**: a penalty and status whereby the student on whom it is imposed may not be initiated into a Collin College honorary or service organization, may not enter a Collin College campus except in response to an official notification, may not register for credit or noncredit classes or seminars, and may not earn academic credit in any form from Collin College for a designated period of time. No former student, who has been suspended for disciplinary reasons from Collin College, shall be permitted on the campus or other facilities of Collin College during the period of suspension without the prior written approval of the vice president of student development and/or the dean of student development or a designee. This penalty may be imposed for any length of time up to two (2) calendar years.

13. **Expulsion**: a penalty and status that permanently bars a student from enrollment at Collin College. No former student who has been expelled for disciplinary reasons shall be permitted on the campus of Collin College or other facilities. The student may not enroll or participate in any Collin College program, activity, or service, and is considered permanently severed from Collin College unless the expulsion status is altered by the Collin College Board of Trustees.

C. Penalties of denial of degree, barred against admission or re-admission, suspension, and expulsion shall be reserved for major violations (or repeated violations) of Collin College rules, regulations, the *Student Code of Conduct*, procedures, or Board policies; and municipal, county, state, and federal law.

D. The imposition of Level 1 disciplinary actions in categories (B) 1-5 above, may be appealed to Collin College’s Discipline Appeals Task Force (DATF) through the process outlined in Chapter 6 of this *Code*. A decision made by DATF with respect to the disciplinary action imposed is final, binding, and non-appealable.
E. The imposition of Level 2 disciplinary actions in categories (B) 6-12 above and Level 3 disciplinary actions in category (B) 13 above, may be appealed to Collin College's DATF through the process outlined in Chapter 6 of this Code. If the student wishes to appeal the DATF’s decision and/or the disciplinary penalty imposed, the student may appeal the decision to the vice president of student development through the process outlined in Chapter 7 of this Code.

7-5.2 Disciplinary Files/Records

Student referrals due to a violation of the Student Code of Conduct may result in the development of a disciplinary file in the name of the accused student. Records relating to violations that result in expulsion from Collin College will be retained permanently. Records relating to all other forms of disciplinary action, including those concerning investigations that do not result in disciplinary action, will be retained for three (3) academic years.

Authorized Collin College officials may disseminate student disciplinary information to officials at other schools without prior consent, in accordance with FERPA, if there is a risk to others and/or for legitimate educational interest.

CHAPTER 6 – THE HEARING

7-6.1 Discipline Appeals Task Force (DATF)

A. When a student refuses the administrative decision of a violation, the student is entitled to a hearing before the DATF. The request for a hearing must be made by the student in writing to the Dean of Student Development Office on or before the third academic calendar day (not including weekends) following the administrative decision.

B. The DATF shall be comprised of no less than three (3) Collin College employees and a minimum of one (1) current Collin College student. Members of the DATF shall be appointed by the Collin College district president or designee, who shall designate one (1) member as chair. All members of the DATF are eligible to vote in the hearing.

C. The dean of student development or designee shall set the date, time, and place for the hearing, notify the student of the same, summon witnesses, and require the production of documentation and other evidence. For information on the hearing procedures and deadlines, see the Dean of Student Development Office.

D. The dean of student development, or designee, shall represent Collin College before the DATF and present evidence to support the alleged violation(s). The dean of student development or designee may be assisted by legal counsel. However, only the dean of student development or designee may speak on Collin College’s behalf.
7-6.2 Notice of Hearing

A. The dean of student development or designee shall notify the student by letter concerning the date, time, and place for the hearing. The letter shall specify a hearing date, not less than three (3) academic calendar days (not including weekends), nor more than 15 academic calendar days (not including weekends) after the date of the student's appeal letter. The notice shall:
   1. specify the allegation(s) and violation(s);
   2. direct the student to appear at the date, time, and place specified; and
   3. advise the student of his or her rights to:
      a. have a private hearing;
      b. appear with an advisor, with a family member, or with legal counsel;
         however, only the student may speak on his or her behalf. The purpose of the hearing is for the DATF to hear from the student;
      c. know the identity of each potential witness who will testify against him or her, to the extent permitted by law;
      d. summon witnesses, request production of evidence on behalf of Collin College, and argue in his or her own behalf;
      e. make an audio recording of disciplinary proceedings. The student shall inform the dean of student development or designee in advance if the student intends to make an audio recording of the proceedings. The student and Collin College may each request a copy of any such audio recording from the other; and
      f. appeal the DATF's decision to the vice president of student development or designee when the DATF upholds or imposes an authorized disciplinary penalty from Section 7-5.1, Authorized Disciplinary Penalties, Item B, penalties 6-13 only.

B. The dean of student development or designee may postpone the hearing for good cause as long as all parties involved are notified of the new hearing date, time, and place. Students are responsible for updating contact information, including current mailing address, with the Admissions and Records Office.

C. The DATF may hold a hearing at any time if:
   1. the student had actual notice of the date, time, and place of the hearing, and the student failed to appear; or
   2. the dean of student development or designee states in writing that because of extraordinary circumstances, the requirements of the above are inappropriate.

D. The dean of student development or designee may suspend a student who fails to comply with a notification letter sent under this section. Further, as outlined above, the dean of student development or designee, at his or her discretion, may proceed with the hearing in the student's absence.
7-6.3 Hearing Procedure

A. The hearing shall be informal. All hearings shall be recorded. The DATF chair shall provide reasonable opportunities for witnesses to be heard. Collin College may be represented by the dean of student development, or designee, as designated by the vice president of student development. Hearings will be closed unless the student requests an open hearing. In the context of the hearing, if the student raises a complaint against an employee or another student, the hearing will be closed unless the accused employee or student requests or gives permission for it to be open.

B. The DATF shall generally proceed as follows during the hearing:
   1. Chair reads the complaint.
   2. Chair informs the student of his or her rights.
   3. Dean of student development or designee presents Collin College’s case.
   4. Student speaks and presents his or her defense. Only the student may speak on his or her behalf.
   5. DATF members may call and freely question witnesses as they deem relevant during the course of the hearing. The DATF is charged with evaluating whether or not a student has violated the Student Code of Conduct, not a student’s character; therefore, character witnesses will not be considered during the hearing.
   6. Dean of student development or designee and student may present rebuttal evidence and arguments.
   7. Cross examination will not be permitted by either the student or the dean of student development or designee, and all communication, by either party, will be made directly to the DATF.
   8. DATF members will deliberate on evidence in closed session. DATF members will vote on the issue of whether or not there has been a violation(s) of Collin College rules, regulations, the Student Code of Conduct, procedures and/or Board policies.
   9. If the DATF finds the student has violated Collin College rules, regulations, the Student Code of Conduct, procedures, and/or Board policy, the DATF shall determine whether the appropriate penalty has been imposed by the dean of student development or designee and adjust the penalty, if warranted.
   10. Within 10 academic calendar days (not including weekends), the DATF shall state in writing each finding and the penalty determined, if any, and may include its reasons for said finding(s) and penalty or penalties. Each DATF member concurring with the finding(s) and penalty or penalties shall sign the statement.
   11. The DATF chair, or the dean of student development or designee acting on behalf of the DATF, shall inform the student, in person or in writing, of the decision and penalty, if any.
7-6.4 Evidence

A. Legal rules of evidence do not apply to hearings before the DATF. The DATF may admit evidence that possesses reasonable value to the intent of the task force. Hearsay testimony and/or evidence are admissible and may be considered on a case-by-case basis.

B. The DATF shall presume a student is not responsible of committing the alleged violation(s) until they are convinced by a preponderance of the evidence that the student violated Collin College rules, regulations, procedures, the Student Code of Conduct, and/or Board policy.

CHAPTER 7 – APPEAL

7-7.1 Appeal of Administrative Decision

To appeal an administrative decision of a disciplinary matter, the student must request a hearing as specified in Chapter 6.

7-7.2 Appeal of Discipline Appeals Task Force (DATF) Decision

A. A decision made by the DATF is final, binding, and nonappealable in cases where the DATF upholds or adjusts the authorized disciplinary penalties in categories 1–5 initially imposed by the Dean of Student Development Office.

B. Appeals of the DATF decision are only allowed in cases where disciplinary action in categories 6-13 of Chapter 5, Section 7-5.1, Item B, Authorized Disciplinary Penalties, above have been imposed. Following the DATF hearing, if the student wishes to appeal its decision and/or the disciplinary penalty imposed, the student may appeal the decision to Collin College’s vice president of student development. This appeal shall be made in writing on or before the third academic calendar day (not including weekends) following receipt of notice of the DATF’s decision. If a student does not file a timely written appeal with the vice president of student development following the DATF decision, the decision of the DATF will stand and no further appeal will be allowed.

C. If a student files a written appeal of the DATF decision, the vice president of student development shall be provided a copy of the hearing file and review the records related to the case. In some discipline cases, the vice president of student development may, at his or her discretion, designate another vice president to hear the case.

D. Within 15 academic calendar days (not including weekends) following the appeal hearing or the date of the decision, the student shall be notified in writing of the vice president’s decision. The vice president has the right to change the disciplinary action imposed. The decision of the vice president is considered final, binding, and non-appealable, except where expulsion is recommended.
7-7.3 Appeal of Expulsion to the Board of Trustees

A. Following receipt of the notice of the vice president’s recommendation for expulsion, the student may appeal the decision to Collin College’s Board of Trustees. This appeal must be made in writing and submitted to the Dean of Student Development Office on or before the third academic calendar day (not including weekends) following receipt of the vice president’s or designee’s decision. The Dean of Student Development Office shall forward the appeal to the Collin College district president.

B. If a student does not file a timely written appeal, the decision of the vice president or designee will stand and no further appeal will be allowed. In this case, the recommendation of the vice president or designee is forwarded to the President’s Office to be considered by the Board of Trustees.

C. In the event a timely appeal of expulsion is filed, the Collin College District President’s Office shall set and notify the student of the date, time, and place where the Board of Trustees will consider the appeal. Documentation concerning the case will be forwarded to the Board of Trustees and no additional evidence shall be heard unless requested by the Board of Trustees.

D. Within 10 academic calendar days (not including weekends) following the consideration of the student’s appeal by the Board of Trustees, the student shall be notified in writing of the Board of Trustees’ decision.

7-7.4 Favorable Hearing

If the student receives a favorable administrative decision or hearing, reasonable efforts shall be made to ensure that the student will be permitted to make up class work required for satisfactory completion of a course(s) he or she began prior to the onset of the disciplinary process.

In the event that any provision in this Student Code of Conduct conflicts with the law of the State of Texas or the United States of America, the state or federal law shall prevail.

In accordance with applicable federal and state law, Collin College prohibits discrimination, including harassment, on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or other legally protected class.

Collin College provides reasonable accommodations, in accordance with the Americans with Disabilities Act of 1990 and Section 504 of the Vocational Rehabilitation Act of 1973, to afford equal educational opportunities to all people.
