TWU News Update

GREETINGS FROM TEXAS WOMAN’S UNIVERSITY!
The TWU admissions office would like to wish you a Happy New Year! We are excited to get back to work during one of our busiest times of the year. We have seen a large applicant pool this year, and students are being notified about our admissions decision each day.

Do you have students that applied, but haven’t heard back? Please encourage them to create a pioneer portal to monitor the status of their application. As a reminder, we consider students on a rolling basis as their application becomes completed.

We look forward to a great Spring semester in serving your students. We take pride in serving your community college district and look forward to working with you and your students.

Transfer Connection features an academic preview with faculty/advisors. Additionally, we will have a student services information fair on: admissions, financial aid, university housing, distance education, scholarships, veteran affairs, student life and commuter student services. Transfer students attending the Transfer Connection will receive a $50 application fee coupon. Please encourage students to visit the website for our April 9th Transfer Connection.

**TWU TRANSFER APPLICATION PROCESS**

Applying to TWU has never been easier!! We operate on a rolling admissions basis and accept applications throughout the year.

1. Apply online at www.applytexas.org
2. Pay the $50 application fee ($75 for international applicants.
3. Submit official transcripts from each college or university.
4. Copy of PR card (permanent residents only)

Application documents are to be mailed to: TWU Office of Admissions Processing PO Box 425649 Denton Texas 76204.
APPLYING FOR FINANCIAL AID FOR THE 2016-2017 YEAR

To be considered for federal and state aid and TWU funds, students must complete the FAFSA application. Funding for many aid programs is limited and awarded on a first-come, first-serve basis; students and their families are encouraged to complete the FAFSA online as soon as possible after January 1st. TWU applicants must also complete the Certification and Information Form (CIF) through their Pioneer Portal in order for their financial aid application to be processed. For more information, visit the Office of Financial Aid.

Don’t let your students be confused by the Financial Aid Process. Follow our steps to Financial Aid checklist.

Texas Woman’s University priority deadline for the FAFSA application is March 15, 2016.

The most common step that students forget is completing the CIF Form! This causes students to NOT receive their AID in a timely manner. Please remind your students to fill it out.
