

## **Collin Ad Astra Login Instructions**

There are two ways to log-in to Ad Astra. The best way is to type in your browser URL (Chrome browser is the best), **Collin.OneLogin.com**. You will be prompted to enter your Collin username and password.

Click on the **"Collin College Everything"** tab, and then click on the Ad Astra tile. It will automatically send you to the Ad Astra application.

If the **Ad Astra Event Scheduling** widget is not on the first page, click **Find New Widgets,** and type Ad Astra, and select **Add to Dashboard**.

On the Ad Astra Event Scheduling widget, click on the Event Scheduling tab.

On the first sentence, you can click on the **Ad Astra Event Scheduling application**, you will be prompted to enter your Collin username and password. This step will take you into the Ad Astra Event Schedule application.

Home - About Us - Conference Services - Ad Astra Scheduler

The Collin Ad Astra Event Scheduling application plays a key role in academic scheduling and room requests. Customized request forms have been created for each computer label, small
