ABOUT COLLIN COLLEGE'S PROGRAM

If you are passionate about science and committed to your education, the **Medical Laboratory Technician program** is an excellent pathway to a meaningful, in-demand healthcare career. The program offers a comprehensive and rewarding course of study. Enrollment is limited and admission is selective.

PROGRAM FEATURES:

- Coursework in hematology, clinical chemistry, microbiology, immunohematology, urinalysis, coagulation, immunology, and molecular diagnostics
- Hands-on training at the Frisco Campus' state-of-the art Health Sciences Center

This is a new program currently seeking initial accreditation through the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). Accreditation is a multi-step process that includes submission of program documentation and a site visit. Because accreditation is not finalized until this process is complete, accreditation cannot be guaranteed before the first cohort graduates.
