

Bachelor of Science in Nursing (BSN)

RN-to-BSN Program

Join fellow registered nurses (RNs) in a supportive learning environment with a completion track that is flexible, affordable, and fast.

Advance... *your Degree – your Career – your Life*

The Collin College RN-to-BSN Nursing Program's mission is to educate baccalaureate-prepared professional nurses who are life-long learners actively involved in service, who participate in the nursing community to promote quality of life, and who are members of an interdisciplinary health care team, using clinical judgement to provide safe, evidence-based patient-centered care. Collin College faculty will lead students to acquire the skills, knowledge, and perspectives necessary for advanced employment.

Why complete a BSN at Collin College?

- Complete your BSN in one year by attending classes two days a week **or** attend part time and take classes one day a week
- Schedule all clinical requirements at times that best suit your schedule
- Earn a Sigma Theta Tau Nurse Manager Certificate
