

OUT OF POLICY REFUND PETITION

Based on Unforeseen Medical Condition/Death in the Immediate Family

Administrative Office: Bursar, 3452 Spur 399, McKinney, TX 75069

Phone 972-985-3716 Fax 972-758-3843 Office Hours M-F 8:00-5:00

Please review entire packet (3 pages) carefully before completing.

Please ensure all requirements are met and the package is complete before submitting the petition for final determination. Students must officially drop or withdraw from the course(s) in the Student Enrollment and Services Office BEFORE submitting the petition. A complete petition package includes the Out of Policy Refund Petition (Petition) the Refund Petition FERPA Information Release (Release), and supporting documentation for the petition. The Release must be submitted in person, with a picture ID, at a Bursar/Cashier office location, if information is to be shared with anyone other than Collin employees or the petitioner; otherwise it may be submitted with the Petition. Complete Petition packages should be emailed to refund_exception@collin.edu, faxed to 972-881-5157, or mailed to the administrative office noted above. **Incomplete packages will not be evaluated or considered.** Please attach all supporting documentation at time of submission. If adequate documentation is not provided, the petition will be rejected and/or denied.

Student Signature: _____ Date: _____

INSTRUCTIONS FOR PETITIONING THE REFUND EXCEPTION COMMITTEE

This Refund Exception Petition is for Undergraduate Academic Tuition and Fees only

A committee of Collin staff/faculty (Committee) is authorized to consider petitions for limited out of policy exceptions to Collin's published refund schedule (<http://www.collin.edu/gettingstarted/bursar/refunds.html>). To be considered by the Committee a student must have completely dropped/withdrawn from the term OR provide additional justification for the necessity of only dropping/withdrawing from specific classes. Petition packages should be submitted to refund_exception@collin.edu **no later than the last day of classes for the particular term for which the student is petitioning.** Requests submitted after the last day of the term will not be considered unless extenuating circumstances for the delay are presented, documented, and accepted by the Committee. When submitting the Petition, please provide all supporting documentation and, if applicable, identify on the Release any Collin offices, departments, faculty and/or staff which should be contacted for information in support of the Petition.

Examples of refund exception justifications (extenuating circumstances) which may be considered are:

- An unforeseen accident, illness, injury or incident which could not have been influenced, predicted, planned for or prevented by the student or the institution
- Death of an immediate family member (child, sibling, spouse/partner, parent, or other individual with a comparable supportive or dependent relationship)
- Unexpected job loss, short-notice job transfer away from the greater Collin County service area, or acceptance of full time employment (if currently unemployed)
- Military transfer and/or temporary duty orders
- Death of student

Examples of refund exception justifications (extenuating circumstances) which will NOT be considered are:

- Chronic or recurring medical condition or illness, including mental health and/or substance abuse (*unforeseen symptoms or relapse situations will be determined on a case by case basis as documented by petition documentation provided by petitioner*)
- Missed coursework which may be completed under special circumstances with faculty approval
- Caregiver responsibilities known to student at time of enrollment
- Enrolling in a course while employed full-time, or attempting to work one or more part-time jobs, in a work environment where schedule changes are customary and/or anticipated, including voluntary job/position changes
- Changing degree plan and corresponding course requirements or personal preference after term begins
- Transferring to another institution
- Military voluntary enlistment
- Inability (for whatever reason) to pay your tuition bill, or delays in financial aid notification

Students are responsible for being informed of drop/withdrawal procedures and/or refund schedules listed in College catalog, registration guides , www.collin.edu (<https://www.collin.edu/gettingstarted/register/withdrawal.html> and <http://www.collin.edu/gettingstarted/bursar/refunds.html>), and included in eBills. Regardless of who enrolls a student, it is ultimately the student's responsibility, whether full or part-time, to be mindful of enrollment and withdrawal policies, deadlines, registration status, and financial consequences of schedule changes.

Committee reviews the documentation provided for final determination and may request clarification or additional information, including confirmation from faculty coursework missed is quantitatively or qualitatively too substantial to complete for the term. Requests for additional information will be sent to the student's CougarMail account. Requested information should be submitted to the Committee within 30 days. Collin reserves the right to close all incomplete files within 30 days of receiving the initial petition package or requested additional information.

Medical documentation must contain date of initial treatment, dates student was under medical care, nature of illness/injury, and physicians' comments and signature. Death of a family member or student must be documented with an obituary, death certificate or other reasonable substitute and, if applicable, explanation of relationship provided.

Once a Committee determination is made, students will be notified of the final decision via CougarMail. If a credit is approved, it will be posted and applied against existing charges before any refund is issued. If term funding was provided by a third party, applicable credit will be refunded to the third party vendor/donor rather than the student. Financial aid students who withdraw may incur reductions in financial aid eligibility, resulting in account balances. A credit posted to the account as a result of a refund petition does not reduce a student's liability for student loan amounts. If a credit results in a refund due the student, the credit balance will be processed as a refund in the next five to seven business days, per Collin's refund procedures.
