1.2 Definitions of Clery Act Crimes

When counting and disclosing statistics in the Violence Against Women Act (VAWA) Offenses category, the Clery Act requires Collin College to use the definitions 2024 Annual Security and Fire Safety Report (ASFSR) 12 provided by the Violence Against Women Act. Section 1: Crime Statistics

1.3 Counting and Disclosing Crime Statistics

Crime statistics must be disclosed separately for each of the four (4) categories listed in the Collecting Crime Statistics section of this document. This means that when an incident meets a definition in more than one (1) of these categories, it must be reported in each category. For example, any crime that meets the definition of a Criminal Offense and also meets the definition of a Hate Crime must be counted in both the Criminal Offenses and Hate Crimes categories.

Hierarchy Rule

When counting multiple offenses within the Criminal Offenses category, the FBI's UCR "Hierarchy Rule" is used for Clery Act reporting purposes. Under the Hierarchy Rule, when more than one (1) Criminal Offense was committed during a single incident, only the most serious offense is counted. A "single incident" means the offenses were committed at the same time and place. For example, if a student was both raped and robbed during a single incident, only the rape would be counted in the crime statistics because it is classified as the more serious crime under the Hierarchy Rule. The hierarchy for Clery Act reporting, beginning with the most serious offense, is as follows:

- Murder and Non-Negligent Manslaughter
- Manslaughter by Negligence
- Sexual Assault (i.e., Rape, Fondling, Incest, and Statutory Rape)
- Robbery

Section 1: Crime Statistics

- Aggravated Assault
- Burglary
- Motor Vehicle Theft

Exceptions to the Hierarchy Rule

There are exceptions to the Hierarchy Rule which apply to arson, sexual assaults, Arrests and Referrals for Disciplinary Action, Violence Against Women Act (VAWA) Offenses, and Hate Crimes.

Rules for Counting Arson

The rules for counting arson are:

- Arson is always counted regardless of the nature of any other offense(s) that was committed during the same incident,
- When multiple offenses are committed during the same distinct operation as the arson offense, the most serious offense is reported along with the arson, and
- Incidents in which persons are killed as a direct result of arson must be included as either murder and non-negligent manslaughter and arson, or manslaughter by negligence and arson.

Rules for Counting Sexual Assaults

The rules for counting sexual assaults are:

- If fondling, incest, rape, or statutory rape occurs in the same incident as murder, both the sexual assault and the murder must be counted.
- Because fondling is recognized as an element of the other sexual assaults, an incident should be counted as fondling if that was the only sexual assault that occurred.
- If fondling occurs in the same incident as murder, both the fondling and the murder must be counted.

Rules for Counting Arrests and Referrals for Disciplinary Action

Arrests and Referrals for Disciplinary Action only include violations of the law, not violations of Collin College's policies that resulted in persons being referred for disciplinary action if there was no violation of the law. For example, if an individual over the age of 21 is caught in possession of alcohol in their on-campus residence and referred to the District Dean of Students Office for disciplinary action, this is a violation of Collin College's alcohol policy and not a law violation. Therefore, this incident will not be included in the crime statistics. If an individual is both arrested and referred for disciplinary action for an offense, only the arrest will be included in the crime statistics. Arrests and Referrals for Disciplinary Action are not covered by the Hierarchy Rule. Therefore, arrests for weapons, drug abuse, and liquor law violations must be counted in addition to the most serious Criminal Offense when multiple offenses occur in a single incident.

Rules for Counting Violence Against Women Act (VAWA) Offenses

The Hierarchy Rule does not apply to Violence Against Women Act (VAWA) Offenses. Therefore, for any Criminal Offense, Hate Crime, or Arrests and Referrals for Disciplinary Action crime that is also a VAWA Offense, the statistics must reflect both the original offense and the VAWA Offense.

Rules for Counting Hate Crimes

The Hierarchy Rule does not apply to Hate Crimes. Therefore, all of the offenses committed in a bias-motivated incident must be counted in the statistics for each crime. For example, if a

Section 1: Crime Statistics

single bias-motivated incident is reported that involves both an aggravated assault and motor vehicle theft, the incident must be included in both categories.

For any Criminal Offense that is also a Hate Crime, the crime statistics must indicate the offense and also the offense with the category of bias. For example, if an aggravated assault is a Hate Crime, it must be included in the aggravated assault statistics under the Criminal Offenses category and also in the aggravated assault motivated by the appropriate type of bias in the Hate Crimes category.

1.4 Collection and Reporting Procedures

In accordance with the [Clery Act](#), Collin College collects statistics for the following four (4) categories of crimes:

- Criminal Offenses
- Arrests and Referrals for Disciplinary Action
- Violence Against Women Act (VAWA) Offenses
- Hate Crimes

Campus crime statistics are collected annually by the Collin College Police Department. These statistics include all incidents reported to the Collin College Police Department, campus security authorities (CSAs); and local law enforcement agencies that occur within Collin College's Clery Act geography. Reports of crimes that are submitted anonymously are also counted and disclosed in the annual campus crime statistics. The Collin College Police

Department requests and makes a reasonable, good-faith effort to obtain crime statistics from the local law enforcement agencies with jurisdiction over some or all of Collin College's Clery Act geography. However, the Clery Act does not require local law enforcement agencies to provide Collin College with crime statistics, and Collin College is not responsible for local law enforcement agencies' failure to supply them. Additionally, the Clery Act does not require Collin College to verify the accuracy of the crime statistics provided by local law enforcement agencies. However, Collin College is required to ensure the statistics received cover only Collin College's Clery Act geography and do not also include other areas.

As required by the Clery Act, campus crime statistics for each of Collin College's campuses and centers during the three (3) previous calendar years (i.e., January 1 through December 31) are located in [Appendix B](#).

1.5 Campus Maps of Clery Geography

Maps showing the boundaries of Clery geography for each Collin College campus are provided in [Appendix A](#).

1.6 Crime Statistics Tables for Calendar Years 2023–2025

- Tables summarizing reported crimes for each campus, broken down by year and location, are included in [Appendix B](#).

Section 2: Reporting Policies and Procedures

2.1 Reporting Criminal Actions and Other Emergencies

Collin College encourages accurate and prompt reporting of all crimes to the Collin College Police Department (CCPD) and appropriate law enforcement agencies when the victim of a crime elects to or is unable to make such a report.

Emergencies should be reported by calling 972.578.5555 or 911. Reports may also be made in person at any campus police department location.

Students and employees may report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics by contacting the CCPD or a Campus Security Authority (CSA).

2.2 Campus Security Authorities (CSAs)

“Campus security authority (CSA)” is a [Clery Act](#)-specific term that encompasses the following four (4) groups of individuals and organizations associated with an institution:

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has

significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline; and campus judicial proceedings. An “official” is defined as any person who has the authority and duty to take action or respond to particular issues on behalf of the institution.

Collin College students and employees are encouraged to report crimes to a CSA for the purpose of issuing emergency notifications and timely warning notices and inclusion in the annual disclosure of crime statistics. At Collin College, CSAs include the following employees:

- All Collin College Police Department officers, sergeants, lieutenants, and the chief of police.
- The district dean of students, associate dean of Title IX compliance, associate deans of students, and student conduct officers.
- The vice president of student and enrollment services, associate vice president of student and enrollment services, deans of student and enrollment services, and associate deans of student and enrollment services.
- All campus provosts.
- All academic/workforce deans, associate academic/ workforce deans, and program directors.
- All evening and weekend administrators.
- The director of student housing operations and all resident life staff.
- All athletics directors and associate athletics directors.
- All athletics coaches, assistant coaches, volunteer coaches, and trainers.

Section 2: Reporting Policies and Procedures

- All student organization advisors.
- Any other employees who have a significant responsibility for student and campus activities (e.g., student travel responsible parties).

CSAs must promptly forward all crime reports to the Collin College Police Department so crimes can be accurately counted, disclosed in the annual crime statistics, and entered on the daily crime log.

In addition to reporting potential Title IX violations to the appropriate [Title IX coordinator or deputy Title IX coordinator](#), any Collin College employee who suspects or receives notice that a student or group of students has or may have experienced dating violence, domestic violence, sexual assault, or stalking must complete and submit the Campus Security Authority (CSA) Crime Reporting Form when a Clery Act crime is reported. Employees must promptly forward all crime reports to the Collin College Police Department so crimes can be accurately counted, disclosed in the annual crime statistics, and entered on the daily crime log. The appropriate Title IX coordinator or deputy [Title IX](#) coordinator will also report information about any Clery Act crimes to the Collin College Police Department for inclusion in the annual crime statistics and daily crime log.

When a Clery Act crime is reported to a CSA, the CSA must complete the Campus Security Authority (CSA) Crime Reporting Form located at collin.guardianconduct.com/student-portal/new-report. If a CSA has questions regarding the Campus Security Authority (CSA) Crime Reporting Form or needs to provide additional information about the alleged incident(s), they should contact:

Rita Fernaine

Manager of Accreditation
and Clery Compliance
Collin College Police Department
Courtyard Center
4800 Preston Park Blvd.
Plano, TX 75093
Phone: 972.881.5698
Email: ritafernaine@collin.edu

This process is used to ensure crimes reported to a CSA, but not to a law enforcement agency, will be accurately counted and included in the annual crime statistics and daily crime log. For more information, contact the Collin College Police Department at 972.578.5555.

2.3 Pastoral and Professional Counselors

Campus pastoral and professional counselors, when acting as such, are not considered to be a campus security authority (CSA), and are not required by the [Clery Act](#) to report crimes for inclusion in the annual crime statistics and daily crime log.

Collin College does not employ any pastoral counselors. As a matter of policy, the licensed mental health professionals at Collin College are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis to the Collin College Police Department for inclusion in the annual disclosure of campus crime statistics and daily crime log. Collin College's licensed mental health professionals are informed during monthly staff meetings and various training sessions throughout each calendar

Section 2: Reporting Policies and Procedures

year of the procedures to report crimes to the Collin College Police Department. Collin College's licensed mental health professionals are encouraged to inform their clients of the procedures to report crimes to the Collin College Police Department on a voluntary confidential basis should they feel it is in the best interest of their clients. Additionally, crimes can be confidentially discussed with Collin College's licensed mental health professionals, and victims have the right to not report a crime if they so choose.

In accordance with the [Texas Education Code, Section 51.252](#), all Collin College employees, including licensed mental health professionals must report any incident of dating violence, sexual assault, sexual harassment, or stalking to the appropriate Collin College Title IX coordinator or deputy Title IX coordinator, even if the incident was reported during a confidential counseling session. However, the licensed mental health professional is only required to report the type of incident, and is not required to report identifying information regarding the victim, respondent, and witnesses, or details of the incident.

2.4 Employee Mandatory Reporting Under State Law for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking

Note: Submitting a Mandatory Reporting Form for Incidents of Dating Violence, Domestic Violence, Sexual Assault, Sexual Harassment, and Stalking does not constitute filing a formal complaint for the purposes of initiating the Title IX complaint resolution process. To initiate the Title IX complaint resolution process, the complainant must submit a formal complaint to the

appropriate Title IX coordinator or deputy Title IX coordinator.

In accordance with the [Texas Education Code Section 51.252](#), a Collin College employee who, in the course and scope of employment, witnesses or receives information regarding the occurrence of an incident that the employee reasonably believes constitutes dating violence, sexual assault, sexual harassment, or stalking as defined in this document, and is alleged to have been committed by or against a person who was a student enrolled at or an employee of Collin College at the time of the incident will promptly report the incident to Collin College's Title IX coordinator or deputy Title IX coordinator. The report must include all information concerning the incident known to the reporting person that is relevant to the investigation and, if applicable, redress of the incident, including whether an alleged victim has expressed a desire for confidentiality in reporting the incident.

In accordance with the [Texas Education Code Section 51.252](#), an employee who is designated by Collin College as a person with whom students may speak confidentially concerning dating violence, sexual assault, sexual harassment, or stalking as defined in this document, or who receives information regarding such an incident under circumstances that render the employee's communications confidential or privileged under other law will, in making a report under this section, state only the type of incident reported and may not include any information that would violate a student's expectation of privacy. This requirement does not affect the employee's duty to report an incident under any other law.

Section 2: Reporting Policies and Procedures

Peace Officer

A Collin College peace officer who received information regarding an incident from an alleged victim who chooses to complete a pseudonym form as described by law will, in making a report, state only the type of incident reported and may not include the victim's name, phone number, address, or other information that may directly or indirectly reveal the victim's identity.

Exceptions

Under Texas Education Code Section 51.252, a Collin College employee is not required to make a report concerning:

- An incident in which the employee was a victim of dating violence, sexual assault, sexual harassment, or stalking; or
- An incident in which the employee received information due to a disclosure made at a dating violence, sexual assault, sexual harassment, or stalking public awareness event sponsored by Collin College or by a student organization affiliated with Collin College.

Mandatory Reporting Form

Collin College employees can access the Mandatory Reporting Form for Incidents of Dating Violence, Domestic Violence, Sexual Assault, Sexual Harassment, and Stalking online at collin.guardianconduct.com/login or under the "Crisis Response" channel on the My Workplace tab in CougarWeb (cougarweb.collin.edu).

2.5 Timely Warning Policy

Collin College will issue timely warnings to the campus community for Clery crimes that pose a serious or ongoing threat, as determined by CCPD in coordination with college leadership.

Timely warnings are issued through Cougar

Alerts, the [college website](#), email, and other appropriate channels.

Collin College will not include names or other personally identifying information in timely warnings.

2.6 Annual Disclosure of Crime Statistics

The Clery Compliance Officer, in coordination with the Chief of Police, is responsible for collecting crime data from CSAs and local law enforcement.

These data are compiled and submitted to the U.S. Department of Education and published in the Annual Security Report by October 1 each year.

2.7 Hazing

Hazing is prohibited at Collin College, on Collin College property, or while attending Collin College-sponsored activities on or off campus. Hazing is a violation of the Student Code of Conduct and may also constitute a criminal violation under Texas law. For more information about hazing, hazing prevention and awareness, reporting options, and student conduct procedures, please visit the [Hazing page at Collin College's website](#), board policies [FLBC \(LEGAL\)](#) and [FLBC \(LOCAL\)](#), and the current Collin College [Student Handbook](#).

2.8 Voluntary Confidential Reporting

Victims or witnesses may report crimes confidentially to the CCPD for inclusion in the annual security report statistics without revealing their identity.

Confidential reports may also be made through designated campus officials when applicable.

Section 3: Campus Security Policies

3.1 Security and Access to Campus Facilities

All Collin College campuses and centers are part of the cities in which they are located, and, as such, are open to students, faculty, staff, and the public. The Collin College Police Department and Facilities and Plant Operations are responsible for monitoring and enforcing policies and procedures regarding security of and access to Collin College's facilities. During business hours, Collin College facilities will be open to students, parents, employees, contractors, guests, and invitees.

During non-business hours and periods when Collin College buildings are closed, access to Collin College facilities is by security badge, key (if issued), or by admittance via the Collin College Police Department or Facilities and Plant Operations. In the case of periods of extended closing, Collin College will admit only those individuals who have obtained prior written approval to its facilities.

Academic and Administrative Buildings

Collin College's academic and administrative buildings are open to the public, at a minimum, during normal business hours (i.e., Monday through Friday from 8 a.m. to 5 p.m.). Some facilities have individual hours which may vary at different times of the year (e.g., Fitness Centers and Libraries). In these cases, the facilities will be secured according to schedules developed by the department responsible for that specific facility, in consultation with the Collin College Police Department and Facilities and Plant Operations. Most academic and administrative buildings do not have a specific Collin College Police Department officer assigned

to them. However, Collin College Police Department officers patrol all academic and administrative buildings on a regular basis. For information regarding the access protocol for a specific building, contact the Collin College Police Department at 972.578.5555.

Academic and Administrative Building Hours

For more information regarding the academic and administrative building hours at each campus and center, go to www.collin.edu/campuses and click on the campus or center.

Residential Buildings

Access to Collin College Student Housing residential buildings is restricted to student residents, their approved guests, Student Housing and Resident Life staff, and other approved members of the Collin College community. Student residents are cautioned against permitting strangers to enter the buildings and are urged to require individuals seeking entry to check in at the Collin College Student Housing Office. Overnight visitation is strictly prohibited under all circumstances.

Collin College Police Department officers actively patrol Collin College Student Housing on a regular basis. Additionally, police officers now have a dedicated office in Student Housing, Room 715. Student Housing and Resident Life staff also enforce safety and security measures at Collin College Student Housing, and work with student residents to achieve a community that is respectful of individual and group rights and responsibilities. Student Housing and Resident Life staff and Collin College Police Department officers also conduct periodic educational sessions on prevention of

Section 3: Campus Security Policies

various crimes, including, but not limited to, sexual assault and acquaintance rape.

The Collin College Student Housing Leasing Office hours are Monday through Thursday from 9 a.m. to 6 p.m. and Friday from 8 a.m. to 5 p.m. The office may occasionally close for holidays, inclement weather; or other circumstances. If the office is closed, a sign will be placed on the office front door. The sign will include information as to when the office will be closed, when it will reopen; and the number to call for maintenance emergencies. For scheduled closings, the director of student housing operations or designee will provide a minimum of 72 hours' notice prior to the date of closing.

The Collin College Student Housing grounds and individual student residents' apartments are accessible by access code and keys, issued to each student resident during the check-in process, 24 hours a day, seven (7) days a week.

Quiet hours for Collin College Student Housing begin at 10 p.m. every night. Residents should not congregate in the hallways or stairwells during quiet hours. Violations could result in the loss of privileges.

Changes to Normal Building Hours

Any changes to normal building hours will be noted by signs posted on the doors at each building's entrances and exits. Emergencies may necessitate changes or alterations to posted schedules. In an emergency situation, the Collin College community will be notified of the changes to building hours via Collin College's [CougarAlert](#) emergency notification system.

3.2 Security Considerations in Maintenance

Collin College is committed to safety and security at all its facilities and grounds. Collin College designs security and safety into systems for locks, landscaping, and outdoor lighting. Sidewalk designs and illumination of sidewalks and building entrances provide well-traveled, lighted routes from parking areas to buildings and from building to building.

Security surveys are conducted on areas that are revealed as problematic to examine various security issues (e.g., landscaping, locks, alarms, lighting). Administrators from each Campus Provost's Office, Facilities and Plant Operations, and other concerned areas review the results of these surveys and recommend appropriate measures to resolve the issues, as necessary.

Facilities and Landscaping Maintenance

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Facilities and Plant Operations staff at each campus and center regularly evaluate both interior and exterior lighting and perform necessary changes or repairs as needed. Collin College Police Department officers regularly patrol all Collin College campuses and centers, and reports of maintenance concerns such as malfunctioning lights and other unsafe physical conditions are submitted to Facilities and Plant Operations staff for correction. All members of the Collin College community are helpful when they promptly report equipment, facilities, landscaping, and maintenance concerns to Facilities and Plant Operations staff.

Section 4: Law Enforcement Policies

4.1 Law Enforcement Authority and Jurisdiction

The Collin College Police Department protects and prevents criminal activities and threats through community policing by creating a bond with students, faculty, and staff. This proactive approach develops trust between the Collin College Police Department officers and those they serve.

The Collin College Police Department is organized, trained; and equipped to respond to criminal activity as well as real or perceived physical threats to the Collin College community. The Collin College Police Department accomplishes this through constant collaboration with other Collin College departments and municipal agencies.

The Collin College Police Department is staffed with Texas State Licensed Law Enforcement Officers who are trained to protect life as well as Collin College and personal property. The Collin College Police Department Communications Center is staffed with Texas Commission on Law Enforcement (TCOLE) licensed police telecommunicators.

All municipal, local, state, and federal laws; as well as the [Student Code of Conduct](#), Board policies; and Collin College procedures, including motor vehicle laws, will be enforced on all Collin College campuses and centers. Collin College Police Department officers patrol all Collin College campuses and centers 24 hours a day, seven (7) days a week, 365 days a year.

The primary jurisdiction of College District peace officers will include all counties in which property is owned, leased, rented, or otherwise under the

control of the College District. Local, county, and state law enforcement agencies have concurrent jurisdiction on Collin College property. Per the [Texas Education Code, Section 51.203 Campus Peace Officers](#), Collin College Police Department officers are empowered with countywide jurisdiction. Therefore, they have vested authority to apprehend and arrest anyone involved in illegal acts throughout Collin County, as conferred by Board Policy [CHA \(LOCAL\)](#).

If offenses involving Collin College policies and procedures are committed by a Collin College student, the Collin College Police Department may also refer the individual to the District Dean of Students Office for appropriate disciplinary action. If offenses involving Collin College policies and procedures are committed by a Collin College employee, the Collin College Police Department may also refer the individual to the Human Resources Department for appropriate disciplinary action.

When major offenses (e.g., aggravated assault, motor vehicle theft, murder and non-negligent manslaughter, robbery, sexual assault) are reported to the Collin College Police Department, assistance may be requested from local law enforcement agencies to investigate and solve these serious felony crimes. The prosecution of all felony and misdemeanor criminal offenses is conducted at Municipal, Justice of the Peace, or Collin County Courts.

Suspicionless Searches

For purposes of this policy, a suspicionless search is a search carried out based on lawful security procedures, such as metal detector searches or random drug testing.

Use of Trained Dogs

Collin College reserves the right to use trained dogs to conduct screening for concealed prohibited items. Such procedures will be unannounced. The dogs will not be used with students; however, students may be asked to leave personal belongings in an area that will be screened. If a dog alerts to an item or area, it may be searched by Collin College officials.

4.3 Crime Reporting Encouragement and Disclosure

The Collin College Police Department encourages anyone who is the victim of or a witness to any crime or public safety-related incident on a Collin College campus or center to promptly and accurately report the incident to the Collin College Police Department and/or appropriate local law enforcement agencies when the victim of a crime elects to, or is unable to, make such a report. Making a police report does not obligate the victim to file criminal charges, but it does create a record of the incident. The police report will include the victim's name, respondent's name, witnesses' names, and details of the incident. Police reports are public records under state law; however, voluntary confidential reports for purposes of inclusion in the annual disclosure of crime statistics can be made to the Collin College chief of police or designee.

Collin College Police Department officers are available 24 hours a day, 365 days a year to answer calls. If assistance is required from another police department, Collin College Police Department officers will contact the appropriate agency. Any individual who prefers to report a crime or an emergency that occurred on a Collin College campus or center in person may do so at any of the Collin College Police Department office locations.

In a medical emergency, individuals should first dial 911, and then contact the Collin College Police Department Communications Center through one (1) of the methods listed above.

If an incident occurs off campus, the victim or witness should dial 911 and/or contact the appropriate law enforcement agency in the jurisdiction in which the incident occurred when the victim of a crime elects to, or is unable to, make such a report. If a victim requests assistance, a Collin College official will help the victim with this process.

If a fire occurs in a Collin College building, the individual who discovers it should immediately notify the Collin College Police Department at 972.578.5555 or dial 911. The Collin College Police Department will initiate a response and can summon the local fire department quickly through their communication links, if necessary. If a member of the Collin College community finds evidence of a fire that has been extinguished and is unsure whether the Collin College Police Department has already responded, they should immediately notify the

Collin College Police Department so an officer can investigate and document the incident.

In order to ensure inclusion in the annual crime statistics and aid in providing emergency notifications and timely warning notices to the Collin College community, all [Clery Act](#) crimes should be reported to the Collin College Police Department at 972.578.5555.

Additionally, when a Clery Act crime is reported to a campus security authority (CSA), the CSA must complete the Campus Security Authority (CSA) Crime Reporting Form located on Collin College’s website at www.collin.edu/studentresources/deanofstudents/cleryact. The completed Campus Security Authority (CSA) Crime Reporting Form must be submitted to Rita Fernaine, Collin College Police Department Manager of Accreditation and Clery Compliance, at the Courtyard Center Room 406L; or by email to ritafernaine@collin.edu. This process is used to ensure crimes reported to a CSA, but not to a law enforcement agency, will be included in the annual crime statistics. For more information regarding Collin College Police Department policies and procedures, go to www.collin.edu/campuspolice.

Reporting a Non-Emergency Complaint or Concern

Any individual who needs to report a non-emergency complaint or concern to the Collin College Police Department can send an email to CCPDComplaint@collin.edu.

For more information regarding Collin College Police Department policies and procedures, go to www.collin.edu/campuspolice.

Section 4: Law Enforcement Policies

Voluntary Confidential Reporting

Collin College recognizes incidents of crime can be difficult to discuss, and victims and witnesses may want confidentiality in addition to support. Victims and witnesses of a crime who do not want to pursue action within the Collin College system or the criminal justice system may still want to consider making a voluntary confidential report. The Collin College Police Department can file a report on the details of the incident without revealing the victim's or witness's identity.

The purpose of a voluntary confidential report is to comply with the victim's or witness's wish to keep the matter confidential while taking steps to ensure the future safety of the victim, witness, and others. With such information, Collin College can keep an accurate record of the number of incidents involving students, employees, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in Collin College's annual [Clery Act](#) crime statistics.

To submit a voluntary confidential report, victims and witnesses can contact the Collin College Police Department Communications Center 24 hours a day by dialing 972.578.5555 (or 5555 from a campus phone) or pressing the "Emergency" button located at any Collin College System phone.

The victim or witness must inform the dispatcher they would like their name and any identifying information to remain confidential

at the start of the report. The victim or witness should provide as much detail as possible, and the dispatcher will take the report without including the victim's or witness's name or identifying information. If the victim or witness would prefer to submit a voluntary confidential report in person, they may do so at any of the Collin College Police Department office locations. When submitting a voluntary confidential report in person, the victim or witness must inform the Collin College Police Department officer they would like their name and any identifying information to remain confidential at the start of the report. The victim or witness should provide as much detail as possible, and the Collin College Police Department officer will take the report without including the victim's or witness's name or identifying information.

Additionally, victims and witnesses have the right not to report a crime if they so choose.

Anonymous Reports of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking

In accordance with the [Texas Education Code Section 51.252](#) and [Section 51.283](#), Collin College students and employees can report prohibited conduct anonymously or using a pseudonym by submitting the online form available at collin.guardianconduct.com/incident-reporting?incident_type=TitleIXFormalComplaintForm. However, the submission of an anonymous report or use of a pseudonym may impair Collin College's ability to investigate and address the prohibited conduct. Additionally, to initiate the Title IX complaint resolution process, complainants cannot remain anonymous.

Section 4: Law Enforcement Policies

To report dating violence, sexual assault, sexual harassment; or stalking anonymously or using a pseudonym, victims can submit the online form available at collin.guardianconduct.com/incident-reporting or contact the Collin College Police Department Communications Center 24 hours a day by dialing 972.578.5555 (or 5555 from a campus phone) or pressing the “Emergency” button located at any Collin College System phone. The victim should inform the dispatcher they would like to remain anonymous or use a pseudonym at the start of the report.

The victim should provide as much detail as possible, and the dispatcher will take the report using a pseudonym in place of the victim’s name.

To submit an in-person report of dating violence, sexual assault, sexual harassment, or stalking anonymously or using a pseudonym, victims can go to any of the Collin College Police Department office locations.

When submitting an anonymous report of dating violence, sexual assault, sexual harassment, or stalking in person, the victim should inform the Collin College Police Department officer they would like to remain anonymous or use a pseudonym at the start of the report. The victim should provide as much detail as possible, and the Collin College Police Department officer will take the report using a pseudonym in place of the victim’s name.

If a victim of dating violence, sexual assault, sexual harassment, or stalking files a report and later determines they would like to remain anonymous or use a pseudonym, the Collin College Police Department can assign a pseudonym to the victim. The victim must inform the Collin

College Police Department officer assigned to investigate the case over the phone or in writing that they would like a pseudonym assigned to them. The pseudonym will be used in place of the victim’s name to identify them on any further documentation that could become public information.

Reporting to a Local Law Enforcement Agency

If an incident occurred off campus, the victim or witness should dial 911 and/or contact the appropriate law enforcement agency in the jurisdiction in which the incident occurred when the victim of a crime elects to, or is unable to, make such a report. If a victim requests assistance, a Collin College official will help the victim with this process. Contact information for local law enforcement agencies is located below.

Contact Information for Local Law Enforcement Agencies

Section 5: Campus Security and Crime Prevention Programs

5.1 Vehicle Use and Operation

Bicycles and properly state-registered and -inspected motor vehicles are allowed on designated streets, roadways, and surface parking areas. Only motor vehicles are allowed in parking garages. In the interest of safety, operating or riding hoverboards, longboards, rollerblades, scooters, Segways, skateboards, etc., is prohibited in Collin College parking garages and/or buildings, unless authorized by the Accommodations at Collin College for Equal Support Services (ACCESS) Office or Human Resources Department as a reasonable accommodation required by the [Americans with Disabilities Act of 1990 \(ADA\)](#), [Americans with Disabilities Act and Amendments Act of 2008 \(ADAAA\)](#); or other federal law. Pedestrians have the right of way on Collin College sidewalks.

5.2 Weapons on Campus

Respect for the Right to Bear Arms

Collin College supports every citizen's Constitutional right to bear arms and recognizes the vital role of responsible firearm ownership in ensuring individual liberty and public safety. In alignment with state and federal law, Collin College policy [CHF\(LOCAL\)](#) allows individuals to carry firearms under specific conditions that prioritize both personal rights and campus security

Constitutional Carry and Peace Officers

Constitutional Carry is permitted for active Peace Officers—including those employed by Federal, State, County, and Local law enforcement agencies—who are licensed in accordance with applicable laws. These officers may carry

firearms on Collin College property consistent with their law enforcement duties and legal authority.

School Marshal Program

The Collin College Board of Trustees approved a local policy [CGFC\(LEGAL\)](#) at its December 11, 2018 meeting that authorized the development of an on-campus school marshal program. First enacted during the 83rd session of the Texas Legislature in 2013, the Texas school marshal program was expanded in 2015 to include public two-year colleges. Collin College is the first community college district in Texas to authorize such a program. According to the policy adopted by the trustees, school marshals at Collin College will only be authorized to act “to prevent or abate the commission of an offense that threatens serious bodily injury or death of students, faculty, staff, or visitors on school premises.” This policy provides for specialized training for those who are most likely already license holders and who wish to be considered for the program, which we believe will lead to a safer environment on our campuses.” Applicants for the school marshal program will be required to have a current License to Carry (LTC) from the state and meet Texas Commission on Law Enforcement (TCOLE) requirements, including psychological and extensive background checks. Candidates must also complete a training course of at least 80 hours. Collin College's school marshal program trains full-time employees who have been vetted and approved by the board to be able to respond in the event of an active shooter or other life-threatening

Section 5: Campus Security and Crime Prevention Programs

incident occurring on college property. Anyone interested in becoming a School Marshal may contact Lt. Don Mewbourn at 972.881.5643 or dmewbourn@collin.edu.

For more information about this program, please see: www.collin.edu/campus-safety/school-marshal-program.

License to Carry (LTC) Holders

In accordance with [Texas Government Code §411.2031](#), individuals who possess a valid License to Carry a handgun (LTC), issued by the Texas Department of Public Safety or a reciprocal licensing authority recognized by the State of Texas, may legally carry a **concealed handgun** on or about their person while on Collin College property. Open carry is not permitted. The College District President, in consultation with students, faculty, and staff, has adopted rules that balance public safety with the rights of LTC holders in the unique higher education environment.

Legal Limitations and Prohibited Carry

While Collin College honors and upholds legal firearm possession, a citizen's right to open carry is prohibited on all Collin College campuses under [Texas Penal Code §§30.05, 30.06, and 30.07](#).

Additionally, possession or use of **prohibited weapons**—as defined in Board policies [CHF \(LEGAL\)](#), [DH \(LOCAL\)](#), and [FLB \(LOCAL\)](#)—is not allowed on any Collin College property or during college-sponsored activities, unless specifically permitted as part of a college-approved and supervised activity, or otherwise authorized by law.

No violation of this policy occurs when the use, possession, or display of an otherwise prohibited weapon takes place as part of a Collin College-approved activity supervised by proper authorities, or in accordance with law.

LTC Procedures

After consulting with the students, staff, and faculty of Collin College regarding the nature of the student population, specific safety considerations; and the uniqueness of the Collin College environment, the College District President has established the following rules regarding the carrying of concealed handguns by license holders on the campuses of Collin College:

- Only individuals with a valid License to Carry a Handgun (LTC) issued by the [Texas Department of Public Safety \(TxDPS\) under Texas Government Code, Chapter 411, Subchapter H](#), as well as LTC licenses* from other states, the validity of which are

Section 5: Campus Security and Crime Prevention Programs

recognized by the State of Texas, may carry a concealed handgun on or about their person on the property of Collin College. *Validly issued LTC licenses are collectively referred to hereinafter as “LTC.”

- Individuals who do not possess a valid LTC are prohibited from possessing a handgun on Collin College campuses.
- Collin College prohibits the use, possession, or display of any illegal knife, club, or prohibited weapons, as defined by the [Texas Penal Code](#) and described in Board policy CHF (LEGAL), on Collin College property or at a Collin College-sponsored or -related activity, unless written authorization is granted in advance by the College District President or designee. For more information, see Board policy [CHF \(LEGAL\)](#).
- While on Collin College campuses, it is the responsibility of the LTC holder to conceal the handgun so that it is not partially or wholly visible to another person.
- While on a Collin College campus, an LTC holder who is in possession of a handgun must keep that handgun on or about their person or in a locked vehicle, as permitted by law.
- Other than a handgun owned by a qualified resident of Collin College Student Housing as defined herein, handguns may not be stored overnight on Collin College campuses, unless in a locked, privately owned or leased motor vehicle, as permitted by law.
- Possession of a hand gun on Collin College property while intoxicated, under the influence of illegal drugs, or while taking prescription drugs that impair judgment or physical abilities is prohibited.
- This policy applies to persons traveling in Collin College-owned vehicles. However, the policies of the owner of the vehicle apply when private or commercial transportation is used for Collin College travel.
- This policy applies to all students, staff, faculty, and visitors of Collin College, except for law enforcement officers licensed by a state of the United States or a federal agency and school marshals licensed by the State of Texas and appointed by the Collin College Board of Trustees (Board).
- Open carry of a handgun on a campus of Collin College is restricted to law enforcement officers licensed by a federal, state, or local law enforcement agency.
- Students and employees of Collin College, with the exception of police officers employed by Collin College, will not inquire as to whether any person is carrying a concealed weapon or possesses an LTC.
- The storage or transportation of a firearm or ammunition is allowed by Collin College students, faculty, staff, and employees if the individual is authorized to such possession in a locked, privately owned or leased motor vehicle on those specific premises allowed by law and described in Board policy [CHF \(LEGAL\)](#).

Section 5: Campus Security and Crime Prevention Programs

LTC On-Campus Student Housing

A resident with an LTC may only carry or store a concealed handgun in campus housing as established in this policy. Any time a handgun in a campus housing facility is not in the immediate care, custody, or control of the owner, that handgun must be stored in a locked, personal vehicle or within a locked gun safe in the resident's room. No gun storage will be provided by Collin College. This policy applies to all residents as well as live-in staff in any campus facility designed for housing or overnight stay.

Residents

An LTC license holder who resides in campus housing in which all the residents of the unit are age 21 or older may carry a concealed handgun into campus housing and may store the weapon in their assigned residential room. An exception to the age 21 requirement is a person who is at least 18 years of age but not yet 21 years of age who:

- Is a member or veteran of the United States armed forces, including a member or veteran of the reserves or national guard;
- Was discharged under honorable conditions, if discharged from the United States armed forces, reserves, or national guard; and
- Meets the other eligibility requirements for an LTC except for the minimum age required by federal law to purchase a handgun.

A resident who brings a concealed handgun into campus housing pursuant to this policy must carry the weapon on their person at all times or store it in their assigned room within a locked gun safe.

A resident may not intentionally or knowingly display a handgun in plain view of another person in campus housing except as necessary to properly store and secure the weapon within a gun safe in their assigned residential room.

A student who is assigned to a residential room in campus housing where a firearm is stored and is concerned about their well-being may request a transfer to another residential room through the regular housing process with no penalty.

Non-Residents

An LTC license holder who does not reside in campus housing may carry a concealed handgun into campus housing. The handgun must be carried on or about the nonresident's person at all times and may not be stored in a campus housing room.

Responsibility for Personal Injury or Damage

A resident or non-resident whose possession, use, or storage of a handgun results in personal injury or property damage is personally liable for the injury or damage.

Requirements for Proper Storage

When not carried on or about a person, handguns must be in a locked personal vehicle or a locked gun safe that meets Collin College's following requirements:

- Be large enough to fully contain the firearm(s) placed in it and provide for secure storage
- Have exterior walls constructed of a minimum 16- gauge steel
- Have a high-strength locking system consisting of a mechanical or electronic

Section 5: Campus Security and Crime Prevention Programs

combination or biometric lock, and not a key lock

- Be certified and listed as meeting Underwriters Laboratories Residential Security Container rating standards by a Nationally Recognized Testing Laboratory (NRTL).

Compliance with storage and security requirements are part of the residence inspection process, as outlined in the current Collin College Resident Handbook located on Collin College's website at www.collin.edu/studenthousing.

An exception is authorized for the limited purpose of honor guards who carry ceremonial swords at a Collin College sponsored event (e.g., Military Ball). The possession or use of articles not generally considered to be weapons may be prohibited when the College District President or designee determines that a danger exists for any student, Collin College employee, or Collin College property by virtue of possession or use. Possession of other weapons on Collin College campuses is grounds for immediate disciplinary action and possible prosecution for violations of state law.

Exclusion Zones

Possession of a handgun is prohibited on Collin College campuses in the following locations by any person except law enforcement officers licensed by a state of the United States or a federal agency. These locations will be appropriately identified by signage as specified under [Sections 30.06](#) and [30.07](#) of the [Texas Penal Code](#):

- Child care facilities.
- Polling locations.

- In the room or rooms where a meeting of a governmental entity is held, and if the meeting is an open meeting subject to [Chapter 551, Government Code](#); and notice as required by that chapter is provided.
- High-hazard laboratories and health science education facilities where the presence of high hazard materials or operations creates a significant risk of catastrophic harm due to a negligent discharge.
- Designated meeting room(s) at each campus in Student and Enrollment Services that can be used, as needed, for disciplinary meetings or counseling meetings.
- Facilities where professional, high school, college sporting, or interscholastic events are in progress as prohibited by [Texas Penal Code, Section 46.035\(b\)\(2\)](#).
- Locker and dressing rooms where individuals change clothes, including those at athletic, theatre, and health science education facilities.
- Any location or facility of Collin College, as directed or approved by the College District President as necessary for campus safety, where effective notice on a temporary basis pursuant to [Sections 30.06](#) and [30.07, Texas Penal Code](#), has been given by the required signage. An example might include a Collin College facility where alcohol is being served for a special event.

A violation of these specific prohibitions is considered an offense under Section 46.035 (a-3), Texas Penal Code.

Section 5: Campus Security and Crime Prevention Programs

Other Weapons and Devices Prohibited

All other weapons are strictly prohibited for students, staff, faculty, and visitors on Collin College property or at any Collin College-sponsored or -related activity, including, but not limited to, long guns, location-restricted knives, clubs, knuckle devices, firearm silencers, explosives, fireworks of any kind, incendiary devices, instruments designed to expel a projectile with the use of pressurized air, such as a BB gun, martial arts throwing stars, or any weapons described in Board policy [CHF \(LEGAL\)](#).

Violations

Violations of this policy should be reported immediately to the Collin College Police Department at 972.578.5555. Such violations may result in disciplinary action by Collin College up to and including criminal prosecution for violation of the Texas Penal Code.

Employees and students found to be in violation of this policy will be subject to disciplinary action. For more information, see Board policies [DH \(LOCAL\)](#), [FM \(LOCAL\)](#), and [FMA \(LOCAL\)](#) and Chapter 13: Student Disciplinary Procedures in the Student Code of Conduct located in the current Collin College Student Handbook available on Collin College's website at www.collin.edu/studentresources/deanofstudents/studenthandbook.

Reporting

Not later than September 1 of even-numbered years, Collin College will submit a report to

the Texas State Legislature and to the standing committees of the legislature with jurisdiction over the implementation and continuation of [Section 411.2031, Texas Government Code](#) that:

- Describes the Collin College rules, regulations, or other provisions regarding the carrying of concealed handguns on the campuses of Collin College; and
- Explains the reasons the institution has established these provisions.

Safety Committee

The College District President will appoint a standing committee, the Collin College Safety Committee, that is chaired by the executive vice president and includes representatives from the administration, faculty, staff, and student government.

The Safety Committee will be charged with meeting as needed, but at least once each fall and spring semester, to review Collin College's weapons policy, any new legislation and legal decisions relating to this issue, and the effectiveness of the implementation of Collin College's policy. Advisory notes and recommendations from the Safety Committee will be forwarded for review and consideration by the Executive Leadership Team, College District President, and Board of Trustees (Board), as necessary.

To contact Collin College's Safety Committee directly, email safety@collin.edu.

Crime prevention, safety, and security awareness programs are offered on a continual basis. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

6.2 Alcohol and Substance Abuse Prevention and Intervention Programs

Collin College has developed an alcohol and substance abuse prevention and intervention program to educate, empower, and provide resources that address the use and abuse of alcohol and controlled substances by students and employees. This program provides services related to drug use and abuse, including dissemination of informational materials, educational programs, counseling services, referrals; and college disciplinary actions.

For more information about Collin College's prevention and awareness programs, please see www.collin.edu/titleix/preventionandawareness.

Section 7: Policies Regarding Dating Violence, Domestic Violence, Sexual Assault, and Stalking

Collin College prohibits dating violence, domestic violence, sexual assault, and stalking as defined by federal and state law. These offenses are violations of law and Collin College Board policies [FA \(LEGAL\)](#), [FA \(LOCAL\)](#), [FFDA \(LEGAL\)](#), [FFDA \(LOCAL\)](#), [DAA \(LEGAL\)](#), [DAA \(LOCAL\)](#), [DIAA \(LEGAL\)](#), and [DIAA \(LOCAL\)](#).

Collin College addresses complaints of sexual harassment and sexual violence through the procedures outlined at www.collin.edu/titleix. These documents outline institutional response protocols, investigation procedures, and grievance processes in accordance with [Title IX of the Education Amendments of 1972](#).

Definitions under the [Clery Act](#) and Title IX can be found at the beginning of this [document](#).

Collin College definitions of prohibited conduct can be found here: www.collin.edu/titleix/documents/Definitions_of_Prohibited_Conduct.pdf.

Collin College provides written notification to students and employees about rights, options, and available resources for support, including counseling, health, mental health, victim advocacy, legal assistance, and changes to academic, living, transportation, or working situations regardless of whether the crime is reported to law enforcement.

The college issues timely warnings and emergency notifications as appropriate, maintains compliance with the Clery Act, and ensures transparency in its procedures.

Bystander intervention and risk reduction education are offered through annual training and awareness programs coordinated by the Collin College Police Department and Student and Enrollment Services.

For a complete description of the rights and procedures, students and employees are encouraged to review the Title IX Procedures Document and the Title IX Handbook available at www.collin.edu/titleix.

Section 8: Emergency Response and Evacuation Procedures

Emergency Management at Collin College

The Office of Emergency Management directs the development, implementation, and maintenance of Collin College's emergency management program. The Office maintains and updates the emergency management plan that provides the framework for the structure of the College's response and resources during an emergency or incident affecting the campus community. This plan is flexible to accommodate various contingencies.

The priorities of the plan include:

- Life safety, infrastructure integrity, and environmental protection
- Coordination among departments for planning, testing, and exercises
- Cooperation with local, state, and federal emergency agencies

Evacuation and Relocation

In the event of an alarm, complete evacuation is recommended. Departmental evacuation plans detail specific procedures. Transportation for displaced individuals will be coordinated by the Collin College Police Department and Office of Emergency Management.

Temporary shelters may include athletic facilities or other campus buildings. Assignments for critical roles are determined based on situational needs. A summary of emergency procedures is at www.collin.edu/campuspolice/OEM.

Emergency Management Drills, Exercises, and Trainings

Drills, exercises, and trainings are conducted regularly to test emergency procedures. These include lockdown/active assailant drills, fire/

evacuation drills, and shelter/severe weather drills. Student housing conducts two fire drills per semester, including one at night. Child Development Lab conducts monthly fire drills and quarterly shelter and lockdown drills.

All exercises are documented and evaluated with After Action Reports maintained by the Office of Emergency Management.

Emergency Notification Procedures

Collin College uses a multi-tiered emergency notification system to quickly inform the community of significant emergencies. Notifications are issued immediately upon confirmation of an emergency threatening health or safety.

Examples include weather emergencies, active threats, chemical spills, or other health risks. Notifications may be triggered by reports to the College Police Department or emergency managers.

Determining the Content and Recipients of Notifications

Notifications include specific threat details and safety instructions. The College determines affected campus segments based on the emergency's scope. Notification methods include CougarAlerts, the College website, emails, and other appropriate systems.

Procedures for Community and External Notification

Information may also be shared with the broader community through local media and external partners as appropriate. The College encourages community members to report any information warranting emergency notification to the Collin College Police Department.

Section 9: Missing Person Notification Policy and Procedures

The [Clery Act](#) requires institutions that maintain on-campus student housing facilities to establish a missing student notification policy and related procedures.

When it is determined that a student resident is missing from Collin College Student Housing located on the Plano Campus, the Director of Student Housing Operations, Collin College Police Department, and District Dean of Students Office, in collaboration with local law enforcement, will follow the Missing Student Notification Policy and procedures as outlined in the current [Collin College Resident Handbook](#).

Collin College provides all student residents the opportunity to register one or more individuals to be contacted if they are determined to be missing. This information is collected via the Missing Student Contact Information Form, which is distributed annually and when students sign the housing lease agreement. Forms are submitted online and stored confidentially with the District Dean of Students Office.

Campus safety and security is a shared responsibility. Student residents can protect themselves, the community, and their property by taking steps to decrease their exposure to risk. Student residents should always be aware of their physical surroundings and the people around them. Travel with friends at night or use the Collin College Police Department's walking escort services. Keep doors and windows locked, even when inside. Trust your instincts and use common sense to help keep you safe and deter an attacker. Remember, a crime cannot occur if the opportunity for crime is not present!

The Collin College Student Housing community is patrolled by the Collin College Police Department; however, no police department can function effectively without the collaborative assistance of the community it serves. If there is an immediate physical or medical emergency, dial 911 or contact the Collin College Police Department at 972-578-5555.

No structural changes or additions may be made to building exteriors, including apartment front entrances, patios, and balconies. No alterations may be made to the front door or apartment entrance. Student residents may not tamper with existing locks or add additional locks to their units. If there is a problem with a lock or it is not working correctly, the student resident should notify the Director of Student Housing or designee immediately. Colored light bulbs are prohibited in all

exterior features. Extra exterior lighting (e.g., garden lights, patio lights, etc.) is not permitted.

Plano, TX 75093

When reporting a fire for purposes of inclusion in the Annual Fire Safety Report, provide as much information as possible about the location, date, time, and cause of the fire as well as any property damage that occurred and any injuries that may have resulted. All fires that occur, including minor fires that do not require an emergency response, must be reported to the Collin College Police Department as soon as possible to ensure inclusion in the Annual Fire Safety Report and fire statistics.

Procedures for Evacuation in Case of a Fire

Never assume a fire alarm is a drill or false alarm. Treat each alarm as if it is the real thing. For your safety and protection, remember: in case of a fire, get out as quickly as possible and leave the firefighting to the professionals. If a fire alarm is activated, Collin College Student Housing student residents and guests must do the following:

- Evacuate the building immediately, move at least 300 feet away from the building, and stay out of fire lanes.

Section 14: Annual Fire Safety Report for Collin College Student Housing on the Plano Campus

- After everyone has exited an area, close the door and leave it unlocked.
- Take personal belongings (e.g., keys, bags) if it is safe to do so.
- Use stairways.
- Remain calm and assist others, if necessary and safe to do so.
- Notify emergency personnel or 911 if there is anyone trapped or injured in the building. Provide the individual's location in the building and any additional information the first responders need to know.
- Upon receiving verbal authorization from a Plano Fire-Rescue Department official, Collin College Police Department officer, or the director of student housing or designee, student residents and their guests should return to their residences quickly and quietly.
