

Collin College Celina Campus

In Fall 2021, Collin College will open a new campus in Celina. Located at 2505 Kinship Parkway, the Celina Campus will provide great access to higher education for northwestern Collin County.

FAST FACTS

- When complete, Phase I of the Celina Campus will be 96,000 square feet.
- The new campus will be set on approximately 75 acres.
- The campus will support 2,500 students.
- The campus will offer academic transfer courses as well as business management, computer-aided drafting and design, information technology, and health sciences.
- Facilities will include classrooms, a library, computer and science labs, and student enrollment services.
