Course Number: NDAY 6710

Course Title: Cascading Style Sheets in a Day

Course Description: Cascading Style Sheets (CSS) provide an easy but powerful way to control the style and appearance of the content on web pages. A single style sheet can control a whole web site, providing consistency across the site. CSS has replaced HTML tags as the dominant way to add styling to Web content. The CSS language syntax is compact and easy to learn. Come see how easy it is to add style to your web site.

Suggested Course Prerequisite(s): HTML
