See TWU Catalog and TWU advisor to assist with current core options.

English I and English II should be completed prior to taking TWU courses.

*GOVT 2305 or **TWU GOV 2013** prerequisite for DH 4533 Oral Health Worldview

****MATH 1342** or **TWU MATH 1703** prerequisite for DH 4713 Applied Dental Hygiene Research

Degree conferred in August of last year if all requirements are met.

***If TWU financial aid is needed, 6 hours must be taken each semester. The student may elect to other options, which would delay graduation until December after the AAS degree is completed, rather than August. Student should notify TWU advisor if TWU financial aid is necessary for completion and an alternate plan would be created.
