Program Cost =  
\$693\***

*\*Based on in-county tuition rates.*

**Did you know... With the ageing population and increased need for assisted care, CNA's are in high demand and easily employable!**

## CNA Course Details:

- Fall and Spring CNA classes are offered at the Collin College Celina, Plano, Technical, and Wylie Campuses. Summer CNA classes are on offered at the Technical and Wylie Campuses.
- The CNA lecture, lab and clinical rotations are all conducted within the timeframe of the scheduled course.
- Course schedules vary depending on the campus and the semester, ranging from 10 to 16 weeks in length.

## What will I learn?

### **NURA 1401 Nurse Aide for Health Care (4 Credit Hours)**

- Knowledge, skills and abilities essential to provide basic care to residents of long-term care facilities.
- Resident's rights, communication, safety, observation, reporting and assisting residents in maintaining basic comfort and safety.
- Emphasis is on effective interaction with members of the health care team, restorative services, mental health and social service needs.

### **NURA 1160 Clinical – Nursing Aide (1 Credit Hour)**

- A health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts.
- Direct supervision is provided by the clinical instructor.
- Prerequisite: NURA 1401 or consent of Program Director.
- NOTE: All students are required to provide their own reliable transportation to and from clinical rotation sites.

## Where can I work?

CNA's can work at nursing homes, home health agencies, long-term care facilities and some hospitals.
