Beginning in 1990, the Collin College Law Enforcement Academy worked in partnership with the Collin County Sheriff's Office and other area law enforcement agencies of Collin County to provide cost-effective and quality training programs to law enforcement. Starting in September 2018, the Collin College Law Enforcement Academy, in partnership with the cities of Allen and McKinney, began the operation of the new Collin College Public Safety Training Center. We aim to provide essential, timely, cost-effective law enforcement training at entry and in-service levels. Our vision is to train the best peace, correctional, and telecommunicators nationwide.

The Collin College Law Enforcement Academy provides training for police, civilian, and volunteer employees of bona fide law enforcement agencies. We are an accredited police academy licensed by the Texas Commission of Law Enforcement (TCOLE). Our classes typically are open only to bona fide law enforcement personnel sponsored by their employing agency. Our Basic Police Academy classes are open only to individuals sponsored by a bona fide law enforcement agency or those who have made an application to and have been approved by the Academy Director. All other course programs are closed to law enforcement.

Collin College's policy is to provide reasonable accommodations for qualified individuals who are students with disabilities. The college will adhere to all Federal, State, and Local Laws, regulations, and guidelines concerning providing reasonable accommodations as required to afford equal educational opportunity. The student must contact the faculty member and the services for Students with disabilities promptly to arrange for appropriate accommodations.
