

CougarCompass Degree Audit Instructions

Need help deciding what to take next semester? Want to know how many classes you have left to graduate? Considering a change of major? Let CougarCompass point you in the right direction.

Watch a video on how to run your [CougarCompass Degree Audit](#), or follow the steps below.

1. Go to www.collin.edu
2. Log into [CougarWeb](#)
3. On the **CougarWeb** home page, under “**Student Quick Links**,” choose “**CougarCompass Degree Audit**.”
4. On the Request an Audit page, there are 2 options – “**Run Declared Program**” and “**Select a What-if**”.
 - Look under the “**Run Declared Program**” section, and determine if it is the degree you want to audit. If yes, follow step 5.
 - If you would like to see requirements for a degree other than your declared degree, choose the option “**Select a What-if**”
 - o Choose the program you would like to view. For catalog year, choose the current semester (e.g. Fall 2020). Then, follow step 5.
5. Click “**View Audit**” to retrieve your degree audit.
6. Click the arrow “**Open All Sections**” to view the courses required in each area.
 -  - Green Checkmark – Area is complete.
 -  - Red X – Area is missing a requirement.
 -  - Blue Ellipse – Area has an In-Progress course, which will complete it once a passing grade is posted.
