Employee Evaluations

Purpose

The purpose of the employee performance evaluation will be to:

1. Raise the quality of instruction and educational service to the College District’s students and citizens of the community.
2. Maintain the standards of excellence within the College District.
3. Foster an employee’s professional growth and development.
4. Determine the employee’s future employment with the College District.

Evaluation of employees will be a cooperative and continuing process with formal appraisal following established procedures.

College District administrators will evaluate every full-time employee on a job-related basis according to the terms of the evaluation instruments. The employee has the option to submit comments if, in the employee’s opinion, additional information pertinent to the evaluation is needed. Comments are included in the employee’s formal personnel record with the evaluation. Further appeal of an evaluation will be addressed through DGBA(LOCAL).

Associate Faculty Evaluation

An important element of the instructional program at the College District is the associate faculty. In a continual effort to improve the quality of the instructional process, all associate faculty members will be evaluated on a periodic basis by the associate dean/director, or other assigned academic personnel. Associate faculty members are employed on a semester-to-semester basis, as need dictates, and renewal of that employment is based in part on past evaluations.

Components of the evaluation of associate faculty members will include student surveys of instruction and class visits.

Evaluation of Staff and Administrators

Annual written supervisory evaluations of the College District employees in staff, administrative, and leadership positions will also play a significant role in maintaining an excellent educational program. By promoting the growth and development of employees through acknowledging strengths and developing action plans for improving skills, the College District continually strives to meet and exceed its standards for excellence.
Components of the evaluation for full-time staff and administrators include the following items, which are measured/evaluated in relationship to accomplishment of objectives outlined in the College District-wide strategic plan:

1. Goals;
2. Achievements; and
3. Performance indicators, such as essential job functions and demonstration of core values.

**Recognition and Merit Compensation**

**Purpose**

The College District recognizes that some employees perform at an exemplary level by either doing significantly more than what is normally expected of the position by working on special projects of major importance in addition to assigned duties and responsibilities, or by performing their regular duties at a level that far exceeds expectations over a sustained period of time. The use of merit and bonus awards is a positive way to inspire excellence in performance and an appropriate way to reward those employees who contribute beyond expectations.

**General Guidelines**

Merit awards generally fall into two categories: non-recurring bonuses and other forms of recognition (such as days off, letters of commendation, plaques, etc.), which may be more appropriate in certain circumstances or for some employees.

Individual awards will not be construed as establishing automatic or mandatory increases for attainment of certain ratings on performance evaluations.

**Types of Awards**

- **Non-Recurring Bonus**
  
  A non-recurring bonus is a lump sum or cash-equivalent award granted on a one-time basis that does not alter the current base salary of the employee. The use of bonuses is appropriate for special recognition of exceptional performance on a project, activity, or initiative of major importance to the department or to the College District.

- **Other Forms of Recognition**
  
  Other forms of recognition, such as days off, letters of commendation, plaques, etc., may also be used when appropriate to recognize performance that is deemed to be exemplary on a project, task, or initiative.

**Conditions**

Non-recurring bonuses and other forms of recognition are considered annually during the performance appraisal period. The total number of awards will be within the annual merit compensation budget.

**Approval**

Supporting documentation will be added to a written recommendation from the appropriate administrator with the rationale for the
award. The recommendation will be forwarded for review/consideration up through the Leadership Team. Final approval rests with the District President, except in the case of a non-recurring bonus that exceeds five percent of an individual's annualized base salary. In that case, a non-recurring bonus must be submitted for consideration by the Board.

Effective Date

The effective date for a non-recurring bonus or merit increase will be on the regular September payroll following the final level of approval.

Appeals

Appeals will be directed through DGBA(LOCAL).
