Faculty Salary Calculation Guidelines

The figure above reflects hiring salaries for new full-time faculty on full year (260 workday) contracts only.

- Only directly related experience AFTER the date the qualifying degree was awarded is eligible for compensation credit.
- A maximum of six (6) research/dissertation hours may be credited toward the M+24 or M+48 educational milestones beyond the master's degree.
- One (1) year of part-time experience is equivalent to 1/2 year of full-time experience credit. Maximum overall part-time experience credit is five (5) years.
- If multiple positions have overlapping dates, credit may only be given for one position. However, if total weekly hours of overlapping part-time assignments are equivalent to 30+ hrs per week, multiple jobs may be credited during that time frame (to a max of 5 years overall part-time experience credit).
- Maximum overall experience credit (full-time and part-time combined) is 10 years.
- Experience must be within the past 12 years to be eligible for compensation credit.
- Additional extra-service and summer assignments are contingent upon the needs of the division and are subject to approval by the appropriate dean and campus provost.
- Additional faculty load and compensation information can be found on the HR Compensation website.

* The full-time faculty salary range maximum is \$122,210.
