

UTD DOCTORAL SCHOLARSHIPS FOR COLLIN FACULTY

Up to ten (10) scholarships are available each year within the UTD Doctoral Partnership Program for full-time Collin College staff and administrators and full-time Collin College faculty. Full-time faculty are given priority. Faculty members are sent annual reminder by the CoE chair regarding the availability of the UTD scholarships. Applicants should make themselves aware of limits on graduate hours in Texas state schools.

ELIGIBILITY AND APPOINTMENT PROCESS:

Collin College full-time faculty members with a minimum of one year regular full-time service are eligible to apply for the UTD Doctoral Scholarship for Collin Faculty. For example, a new faculty member hired in Fall 2014 is eligible to apply in November 2015 for the scholarship to be in effect for Fall 2016.

All applicants for UTD Scholarships are evaluated using the following criteria: length of service with Collin College, grade point average in most recent degree program, reason for wanting to obtain a doctoral degree, applicability of the proposed doctoral degree to current position, engagement at Collin, and service to Collin beyond the scope of the current position.

RESPONSIBILITIES:

To participate in the University of Texas at Dallas Doctoral Partnership program for Collin Faculty and Administrators, employees are required to sign an Employment Training Agreement. By signing this agreement, the employee agrees that if he/she voluntarily leaves full-time employment within the period of the agreement, the employee will fund a \$2,000 annual scholarship to the Collin County Community College District Foundation, Inc. The supervisor is responsible for ensuring the Employment Training Agreement is signed by the employee and submitted to the Human Resources Office within two weeks of the employee being approved for the scholarship.

Scholarship recipients must re-apply every year for the scholarship, noting progress made towards degree during the previous year. Progress is defined as generally completing three courses per academic year (September through August). A maximum of five years can be granted toward completion of the doctoral degree through this scholarship program. To be considered for the scholarship renewal, the faculty member must fill out the reapplication section of the application form and submit the form along with a copy of the most recent transcript to the appropriate Academic Dean. The deadline for reapplication paperwork for the following year (September – August) is March 15th.
