Characteristics and Competencies

The next District President of Collin College will be a dynamic leader who is:

- Committed to the mission and Core Values of the college
- Visionary and forward-thinking
- Ethical and able to inspire trust
- Decisive and able to make tough decisions in the best interests of the college
- Engaging in his/her communications with constituents
- Highly visible and accessible both on and off campus
- Clearly knowledgeable of the issues and challenges faced by community colleges
- Skilled in successfully motivating constituencies to support the college’s mission and Core Values

The next District President of Collin College will also demonstrate experience with and/or an understanding of the following competencies:

- Identifying new and emerging needs, developing programs and identifying resources required for implementation
- Advocating for the college with local and state governments, officials and legislators
- Managing finances of a complex, multi-campus college district, including successfully raising funds and identifying opportunities for new resources
- Working with an elected Board of Trustees
- Engaging community leaders on behalf of the college
- Ensuring data-driven decisions in order to improve student completion and other strategic goals and objectives
- Building relationships and partnerships across all segments of the community
- Promoting a culture consistent with the college’s Core Values
- Support professional development for faculty, staff and students
Challenges and Opportunities

The Board of Trustees is seeking a District President who will help the Board develop a vision to take Collin College to the next level of achievement through a strategic plan for student engagement and success, fundraising and fiscal management, consistent with the mission, purpose and Core Values of the college. As outlined in Vision 2016, Collin College is rapidly moving toward the accomplishment of its four key strategic goals that include:

1. Improve academic success by implementing strategies for completion.
2. Provide access to innovative higher education programs that prepare students for constantly changing academic, societal and career/workforce opportunities.
3. Engage faculty, students and staff in improving a district-wide culture of adherence to the Collin College Core Values.
4. Enhance the college’s presence in the community by increasing awareness, cultivating relationships, building partnerships and developing resources to respond to current and future needs.

Planning for new campuses and the ongoing facilities needs of the district to keep pace with the college’s dynamic growth is essential. Opportunities for creativity and entrepreneurial ideas for growth and development are encouraged. Selection of an outstanding leader as Collin College’s next District President is vitally important to help carry out the college’s strategic vision in the coming years.

Qualifications

• Graduate degree from a regionally accredited institution. Doctorate is preferred.

• Five (5) years of executive level administrative experience, with experience reporting to a Board of Trustees as CEO.

• Progressive multi-campus/system community and technical college leadership experience is preferred.
