

News & Notes

An update from the Public Relations Office ■ October 2018

Welcome to Fall! From classes and special events to student, staff, and community activities, the new academic year got off to a fast and busy start.

1. Rockwall enrollment increases at new location

- Collin's Rockwall operations **moved this fall** to the Rockwall ISD's new Dr. Gene Burton College & Career Academy
- **32** day and evening courses on the Fall Schedule
- Enrollment jumped from **347** a year ago to more than **600** this fall (609 as of 9/11)
- More info: www.collin.edu/rockwall

2. One celebration down, two more to go

- A standing-room-only crowd of about 280 guests attended the **Collin College Technical Campus** groundbreaking on **Sept. 7**
- **Media coverage** included Dallas Morning News, KRLD radio, Community Impact, Star Local Media (Allen American, etc.)
- Next up: the **Public Safety Training Center** ribbon-cutting on **Friday, Sept. 28, 9 a.m.** at **3600 Redbud Blvd. in McKinney**
- The **Wylie Campus** groundbreaking ceremony is planned for **Friday, Oct. 19 at 9 a.m.**

3. Intramurals underway for new academic year

- **Collin's intramural program** offers individual and organized sports and activities
- Everything from flag football, basketball, golf and bowling...to paintball, laser tag, ropes courses and video game tournaments – and more
- Student ID required; more than **2,000** students participated in 2017-18
- **Activities** take place at Collin's three main campuses and at nearby community facilities
- More info: www.collin.edu/intramurals

4. On site at local schools: College and Career Counselors

- The college has **College and Career Counselors** located at **16 ISDs** in our service area
- All counselors are employed by Collin College
- **Advise students** regarding college and career options, including credit and non-credit opportunities
- Conducted more than **11,000** student meetings and participated in **565** recruitment events, workshops and classroom visits during 2017-18

continued

5. From Corporate College: Disney Institute and More

- Ads will be appearing in local media for “Disney’s Approach to Quality Service,” an **all-day Disney Institute course** coming to our Frisco Campus on **Oct. 30**
- Sponsored by Collin Corporate College
- Corporate College offers a **variety** of training options customized for business needs
- **Categories** include leadership development, organizational effectiveness, technical training and more
- More info: www.collin.edu/corporatecollege

6. Seniors setting SAIL at Collin

- Collin’s Seniors Active in Learning (SAIL) program is for individuals age **55 and older**
- Non-credit educational classes and social activities offered **year-round**
- **One** affordable fee covers all activities per semester
- **No** residency requirements
- Courses **offered** at Courtyard Center, Frisco Campus, and CHEC
- More info: www.collin.edu/sail

COLLIN BY THE NUMBERS

Unduplicated Headcount: A Growing Trend

Collin’s **unduplicated headcount*** has grown by **3,847** students, or **7.4%**, since 2015—including an increase of **1,947** students, or **3.6%**, over the past year alone.

Fiscal Year	Unduplicated Annual Credit ¹	Unduplicated Annual NonCredit	Unduplicated Annual Total ²
2015	40,692	11,712	51,778
2016	41,489	12,236	53,018
2017	43,015	11,376	53,678
2018	44,524	11,818	55,625

* Unduplicated headcount is the actual number of individual students enrolled. Students may be enrolled in one or more classes, but they are counted only once.

¹ Includes audit students.

² The figures for credit and noncredit enrollment do not sum to the total because some students enrolled in both credit and noncredit courses.
