Class / Course Name:

IMMUNIZATIONS

Indicate which ones are Complete (C) or In-Process (IP). Please provide proof of any completed immunizations.

Date of Immunization

Diphtheria/Tetanus/Pertussis (one dose within 10 years)

Hepatitis A (not required, but strongly recommended)

Hepatitis B: consists of a three-dose series over a seven-month period.

The series must be started well before the application deadline.

- Proof of first injection must be provided with application. Suggest beginning this series in March of the application year.
- Proof of third injection must be provided to the Respiratory Care office by September 15 - date is subject to change.
- **Students compromise their standing in the program without completion of their immunizations. Failure to meet deadlines may result in dismissal from the program.**

MMR Vaccine (two doses) or titer showing immunity

TB Test (Negative Tuberculin Test (either TST or QFT. If history of positive PPD, must provide documentation of negative CXR and proof of positive PPD.

Flu Vaccine (must be complete at start of fall semester before first clinical rotation)

Varicella Vaccine

(two doses or titer showing immunity)

Transfer Students from another Respiratory Care Program and Transition Students should also complete an application.

By signing below, I acknowledge and agree to the following:

- The information provided in this application is true and accurate. I understand that knowingly submitting false or misleading information may result in removal from consideration for admission or dismissal from the Respiratory Care Program
- I authorize the Respiratory Care Program to obtain copies of my transcripts and other records relevant to the admissions process.
- I have read and understand the Respiratory Care Program Information Packet and agree to comply with the policies and requirements outlined therein.
- I have reviewed the **Functional Ability/Core Performance Standards** worksheet, available under the Forms link on the Respiratory Care Program website at www.collin.edu/rcp.
- I understand that admission to and continuation in the Respiratory Care Program are contingent upon successfully completing all required criminal background checks and drug testing. I acknowledge that failure to pass or comply with these requirements, or failure to meet the requirements of an assigned clinical affiliate, may prevent placement in a clinical facility and may result in my inability to continue in the program.

Signature

Date

Collin College does not discriminate on the basis of race, color, religion, age, sex, national origin, disability or veteran status.

Please return the completed application, signature page and checklists to the Health Sciences Division Office in H201 at our Central Park Campus in McKinney, TX between the hours of 8 a.m. and 5 p.m., Monday through Friday. The application deadline is the second Friday in May. This application may be emailed to jboganwright@collin.edu .

The Collin College Respiratory Care Program prepares graduates to work in the state of Texas.
