Section 1: Clery Act Information and Definitions

Policy for Preparing and Publishing the Annual Security and Fire Safety Report (ASFSR) and Disclosure of Crime Statistics

Safety and security are concerns for all members of the Collin College community including students, employees, and visitors. Collin College’s District Dean of Students Office prepares this Annual Security and Fire Safety Report (ASFSR) every year in order to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. § 1092(f) (Clery Act).

This Annual Security and Fire Safety Report (ASFSR) is prepared in cooperation with the local law enforcement agencies surrounding Collin College’s main campuses, centers, and alternative sites; the Collin College Police Department; Collin College Student Housing and Resident Life staff; the Human Resources (HR) Office; and the Office of Emergency Management. Each entity provides updated information on their educational efforts and programs to comply with the Clery Act annually.

Notification is made through email to all enrolled Collin College students (including those attending less than full time and those not enrolled in Title IV programs or courses) annually prior to October 1, which provides information on the Clery Act, a brief description of the current Annual Security and Fire Safety Report (ASFSR), and the website to access this document. Collin College faculty and staff members receive an identical email notification annually prior to October 1. Additionally, information on the Collin College Police Department’s general orders and procedures and a link to the current Annual Security and Fire Safety Report (ASFSR) are published annually in the current Collin College Student Handbook available at www.collin.edu/studentresources/personal/studenthandbook.html.

Prospective students are provided with information on the Clery Act, a brief description of the current Annual Security and Fire Safety Report (ASFSR), and the website to access this document during the admissions process and mandatory New Student Orientation sessions. A link to Collin College’s current Annual Security and Fire Safety Report (ASFSR) is also located on the Admissions and Aid website located at https://www.collin.edu/gettingstarted/index.html.

Prospective employees are provided with information on the Clery Act, a brief description of the current Annual Security and Fire Safety Report (ASFSR), and the website to access this document during the hiring process. A link to Collin College’s current Annual Security and Fire Safety Report (ASFSR) is also located on the Human Resources (HR) Office’s Employment website located at www.collin.edu/studentresources/deanofstudents/AnnualSecurityReports.html and in print at the following campus locations.

Definitions of Clery Act Geography

The Clery Act requires Collin College to use the following definitions to classify the geography of each campus.

1. Campus:
   a. Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls.

   b. Any building or property that is within or reasonably contiguous to the area identified in the paragraph above, that is owned by the institution but controlled by another person, is frequently used by students, and supports
institutional purposes (such as a food or other retail vendor).

2. Non-Campus Building or Property:
   a. Any building or property owned or controlled by a student organization that is officially recognized by the institution.
   b. Any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

3. Public Property: All public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to, the institution’s educational purposes. Public property includes all public property including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

4. Residential Facilities: Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility.

Collin College periodically reviews the geography for each campus to ensure compliance with the Clery Act. Maps showing the Clery Act geography boundaries for each Collin College campus are located in Appendix A.

Definitions of Clery Act Crimes
The Clery Act requires Collin College to use the definitions provided by the Federal Bureau of Investigation’s (FBI’s) Uniform Crime Reporting (UCR) Program when counting and disclosing statistics in the Criminal Offenses, Arrests and Referrals for Disciplinary Action, and Hate Crimes categories.

When counting and disclosing statistics in the Violence Against Women Act (VAWA) Offenses category, the Clery Act requires Collin College to use the definitions provided by the Violence Against Women Act. The definitions for each Clery Act crime are listed alphabetically under the appropriate category below.

Criminal Offenses
1. Aggravated Assault: An unlawful attack by one (1) person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. This includes assaults or attempts to kill or murder, poisoning (including the use of date rape drugs), assault with a dangerous or deadly weapon, maiming, mayhem, assault with explosives, and assault with disease (i.e., offender is aware they are infected with a deadly disease and deliberately attempts to inflict the disease by biting, spitting, etc.).

2. Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc. Note: The Clery Act definition does not require that any findings be made by a fire official before classifying an incident as arson. All Collin College Police Department officers have the authority to determine whether an incident should be classified as arson for purposes of Clery Act reporting.

3. Burglary: The unlawful entry of a structure to commit a felony or a theft, including forcible entry; unlawful entry-no force; attempted forcible entry; unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses. The following three (3) conditions must be met to classify a crime as burglary:
   a. There must be evidence of unlawful entry (i.e., trespass). This means the person did not have the right to be in the structure at the time the incident occurred;
b. The unlawful entry must occur within a structure, which is defined as having four (4) walls, a roof, and a door; and

c. The structure was unlawfully entered to commit a felony or theft.

4. Criminal Homicide:
   a. Manslaughter by Negligence: The killing of another person through gross negligence. Any death caused by the gross negligence of another (i.e., something a reasonable and prudent person would not do). “Gross negligence” is the intentional failure to perform a manifest duty in reckless disregard of the consequences as affecting the life or property of another.

   b. Murder and Non-Negligent Manslaughter: The willful (non-negligent) killing of one (1) human being by another. Any death caused by injuries received in a fight, argument, quarrel, assault, or the commission of a crime. Suicides, fetal deaths, traffic fatalities, accidental deaths, assaults with intent to murder, attempts to murder, deaths by negligence, or justifiable homicides are not included in this definition.

5. Motor Vehicle Theft: The theft or attempted theft of a motor vehicle. Theft of any self-propelled vehicle that runs on land surface and not on rails, such as sport utility vehicles, automobiles, trucks, buses, motorcycles, motor scooters, trail bikes, mopeds, all-terrain vehicles, self-propelled motor homes, snowmobiles, golf carts, and motorized wheelchairs. This includes all incidents where automobiles are taken by persons not having lawful access, even though the vehicles are later abandoned, and joy riding. Does not include thefts from a motor vehicle.

6. Robbery: The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear. This definition includes armed robbery, robbery where only personal weapons (e.g., hands, fists, feet) are used, and carjacking. The essential elements of a robbery include:
   a. Committed in the presence of a victim (usually the owner or person having custody of the property);
   b. Victim is directly confronted by the perpetrator;
   c. Victim is threatened with force or put in fear that force will be used; and
   d. It involves a theft or larceny.

7. Sexual Assault: Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. Includes attempted sexual assaults. Only includes the four (4) types of sexual assault listed below.
   a. Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of their age or because of their temporary or permanent mental incapacity.
   b. Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
   c. Rape: The penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females, incidents in which force was used or threatened, incidents in which the victim was incapable of giving consent because of their age, and incidents in which the victim was incapable of giving consent due to temporary or permanent mental impairment.
d. **Statutory Rape:** Sexual intercourse with a person who is under the statutory age of consent. Note: The statutory age of consent in the state of Texas is 17.

**Arrests and Referrals for Disciplinary Action**

1. **Drug Abuse Violations:** The violation of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation, or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include opium or cocaine and their derivatives (e.g., morphine, heroin, codeine); marijuana; synthetic narcotics (e.g., Demerol, methadone); and dangerous non-narcotic drugs (e.g., barbiturates, Benzedrine).

2. **Liquor Law Violations:** The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.

3. **Weapons: Carrying, Possessing, Etc.:** The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.

**Violence Against Women Act (VAWA) Offenses**

1. **Dating Violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence below.

2. **Domestic Violence:** A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or by any other person against an adult or youth victim who is protected from that person’s actions under the domestic or family violence laws of the jurisdiction in which the violence occurred.

3. **Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others; or suffer substantial emotional distress. “Course of conduct” means two (2) or more acts including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property. “Reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim. “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

**Hate Crimes**

A Hate Crime is a criminal offense that manifests evidence the victim was intentionally selected because of the perpetrator’s bias against the victim. When a Hate Crime is reported, the appropriate type of bias must also be reported. The following definitions apply to the eight (8) categories of bias which are reported under the [Clery Act](https://www.cleryact.org).
1. **Disability:** A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

2. **Ethnicity:** A preformed negative opinion or attitude toward a group of people whose members identify with each other through a common heritage, often consisting of a common language, common culture (often including a shared religion), and/or ideology that stresses common ancestry.

3. **Gender:** A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender (e.g., male or female).

4. **Gender Identity:** A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity (e.g., bias against transgender or gender non-conforming individuals).

5. **National Origin:** A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth.

6. **Race:** A preformed negative attitude toward a group of persons who possess common physical characteristics (e.g., color of skin, eyes, and/or hair; facial features; etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (e.g., Asians, Blacks or African Americans, whites).

7. **Religion:** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (e.g., Catholics, Jews, Protestants, atheists).

8. **Sexual Orientation:** A preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation.

For Clery Act purposes, Hate Crimes include the following seven (7) Criminal Offenses that are motivated by bias.

1. Aggravated assault
2. Arson
3. Burglary
4. Motor Vehicle Theft
5. Murder and Non-Negligent Manslaughter
6. Robbery
7. Sexual Assault (i.e., Fondling, Incest, Rape, and Statutory Rape)

These offenses are defined in the Criminal Offenses subsection above.

In addition, the following four (4) offenses must be included in the crime statistics only if they are Hate Crimes.

1. **Destruction/Damage/Vandalism of Property:** To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it (e.g., cutting automobile tires, drawing obscene pictures on walls, smashing windows, destroying school records, defacing library books).

2. **Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack. This category includes cyber-intimidation if the victim was threatened via electronic means while on Collin College’s Clery Act geography.

3. **Larceny–Theft:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. “Constructive possession” is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.

4. **Simple Assault:** An unlawful physical attack by one (1) person upon another where neither the offender displays a weapon nor the victim suffers obvious severe or aggravated bodily injury involving
apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

**Counting and Disclosing Crime Statistics**

Crime statistics must be disclosed separately for each of the four (4) categories listed in the *Collecting Crime Statistics* section of this document. This means that when an incident meets a definition in more than one (1) of these categories, it must be reported in each category. For example, any crime that meets the definition of a Criminal Offense and also meets the definition of a Hate Crime must be counted in both the Criminal Offenses and Hate Crimes categories.

**Hierarchy Rule**

When counting multiple offenses within the Criminal Offenses category, the FBI’s UCR “Hierarchy Rule” applies. Under the Hierarchy Rule, when more than one (1) Criminal Offense was committed during a single incident, only the most serious offense is counted. A “single incident” means the offenses were committed at the same time and place. For example, if a student was both raped and robbed during a single incident, only the rape would be counted in the crime statistics because it is classified as the more serious crime under the Hierarchy Rule.

The hierarchy for *Clery Act* reporting, beginning with the most serious offense, is as follows.

1. Murder and Non-Negligent Manslaughter
2. Manslaughter by Negligence
3. Sexual Assault (i.e., Rape, Fondling, Incest, and Statutory Rape)
4. Robbery
5. Aggravated Assault
6. Burglary
7. Motor Vehicle Theft

**Exceptions to the Hierarchy Rule**

There are exceptions to the Hierarchy Rule which apply to arson, sexual assaults, Arrests and Referrals for Disciplinary Action, Violence Against Women Act (VAWA) Offenses, and Hate Crimes.

**Rules for Counting Arson**

The rules for counting arson are:

1. Arson is always counted regardless of the nature of any other offense(s) that was committed during the same incident,
2. When multiple offenses are committed during the same distinct operation as the arson offense, the most serious offense is reported along with the arson, and
3. Incidents in which persons are killed as a direct result of arson must be included as either murder and non-negligent manslaughter and arson, or manslaughter by negligence and arson.

**Rules for Counting Sexual Assaults**

The rules for counting sexual assaults are:

1. If fondling, incest, rape, or statutory rape occurs in the same incident as murder, both the sexual assault and the murder must be counted;
2. Because fondling is recognized as an element of the other sexual assaults, an incident should be counted as fondling if that was the only sexual assault that occurred; and
3. If fondling occurs in the same incident as murder, both the fondling and the murder must be counted.

**Rules for Counting Arrests and Referrals for Disciplinary Action**

Arrests and Referrals for Disciplinary Action only include violations of the law, not violations of Collin College’s policies that resulted in persons being referred for disciplinary action if there was no violation of the law. For example, if an individual over the age of 21 is caught in possession of alcohol in their on-campus residence and referred to the District Dean of Students Office for disciplinary action, this is a violation of Collin College’s alcohol policy and not a law violation. Therefore, this incident will not be included in the crime statistics.

If an individual is both arrested and referred for disciplinary action for an offense, only the arrest will be included in the crime statistics. Arrests and Referrals for Disciplinary Action are not covered by the Hierarchy Rule. Therefore, arrests for weapons, drug abuse, and liquor law violations must be counted in addition to the most serious Criminal Offense when multiple offenses occur in a single incident.
**Rules for Counting Violence Against Women Act (VAWA) Offenses**
The Hierarchy Rule does not apply to Violence Against Women Act (VAWA) Offenses. Therefore, for any Criminal Offense, Hate Crime, or Arrests and Referrals for Disciplinary Action crime that is also a VAWA Offense, the statistics must reflect both the original offense and the VAWA Offense.

**Rules for Counting Hate Crimes**
The Hierarchy Rule does not apply to Hate Crimes. Therefore, all of the offenses committed in a bias-motivated incident must be counted in the statistics for each crime. For example, if a single bias-motivated incident is reported that involves both an aggravated assault and motor vehicle theft, the incident must be included in both categories.

For any Criminal Offense that is also a Hate Crime, the crime statistics must indicate the offense and also the offense with the category of bias. For example, if an aggravated assault is a Hate Crime, it must be included in the aggravated assault statistics under the Criminal Offenses category and also in the aggravated assault motivated by the appropriate type of bias in the Hate Crimes category.

**Collecting Crime Statistics**
In accordance with the Clery Act, Collin College collects statistics for the following four (4) categories of crimes.

1. **Criminal Offenses**
2. **Arrests and Referrals for Disciplinary Action**
3. **Violence Against Women Act (VAWA) Offenses**
4. **Hate Crimes**

For more information on the specific crimes that are included under each of these categories and their definitions, see the Definitions of Clery Act Crimes section in this document.

Campus crime statistics are collected annually by the Collin College Police Department. These statistics include all incidents reported to the Collin College Police Department, campus security authorities (CSAs), and local law enforcement agencies that occur within Collin College’s Clery Act geography. Reports of crimes that are submitted anonymously are also counted and disclosed in the annual campus crime statistics.

The Collin College Police Department requests and makes a reasonable, good-faith effort to obtain crime statistics from the local law enforcement agencies with jurisdiction over some or all of Collin College’s Clery Act geography. However, the Clery Act does not require local law enforcement agencies to provide Collin College with crime statistics, and Collin College is not responsible for local law enforcement agencies’ failure to supply them. Additionally, the Clery Act does not require Collin College to verify the accuracy of the crime statistics provided by local law enforcement agencies. However, Collin College is required to ensure the statistics received cover only Collin College’s Clery Act geography and do not also include other areas.

As required by the Clery Act, campus crime statistics for each of Collin College’s campuses and centers during the three (3) previous calendar years (i.e., January 1 through December 31) are located in Appendix B on page 190.

Collin College Police Department History
Due to the rapid growth of Collin College’s student population, the Collin College Police Department was formed in December 2002 to serve students, faculty, staff, and community members throughout the College District. Collin College Police Department officers are located at each campus and currently serve an annual student population of approximately 59,000 credit and continuing education students as well as faculty, staff, and community members.

Collin College Police Department Authority, Jurisdiction, and Working Relationships
The Collin College Police Department protects and prevents criminal activities and threats through community policing by creating a bond with students, faculty, and staff. The proactive approach develops trust between the police and those they serve.

The Collin College Police Department is organized, trained, and equipped to respond to criminal activity as well as real or perceived physical threats to the Collin College community. The Collin College Police Department accomplishes this through constant collaboration with other Collin College departments and municipal agencies.

The Collin College Police Department is staffed with Texas State Licensed Law Enforcement Officers who are trained to protect life as well as Collin College and personal property. The Collin College Police Department Communications Center is staffed with Texas Commission on Law Enforcement (TCOLE) licensed police telecommunicators.

All municipal, local, state, and federal laws, as well as the Student Code of Conduct, Board policies, and Collin College procedures, including motor vehicle laws, will be enforced on all Collin College campuses and centers. Collin College Police Department officers patrol all Collin College campuses and centers, except for the Rockwall Center which is patrolled by the Rockwall Police Department, 24 hours a day, seven (7) days a week.

The Collin College Police Department’s primary jurisdiction is any property owned or controlled by Collin College. Local, county, and state law enforcement agencies have concurrent jurisdiction on Collin College property. Per the Texas Education Code, Section 51.203 Campus Peace Officers, Collin College Police Department officers are empowered with countywide jurisdiction and work under the same
authority as municipal and county agencies. Therefore, they have complete authority to apprehend and arrest anyone involved in illegal acts throughout Collin County.

If offenses involving Collin College policies and procedures are committed by a Collin College student, the Collin College Police Department may also refer the individual to the District Dean of Students Office for appropriate disciplinary action. If offenses involving Collin College policies and procedures are committed by a Collin College employee, the Collin College Police Department may also refer the individual to the Human Resources (HR) Office for appropriate disciplinary action.

When major offenses (e.g., aggravated assault, motor vehicle theft, murder and non-negligent manslaughter, robbery, sexual assault) are reported to the Collin College Police Department, assistance may be requested from local law enforcement agencies to investigate and solve these serious felony crimes. The prosecution of all felony and misdemeanor criminal offenses is conducted at Municipal, Justice of the Peace, or Collin County Courts.

Collin College Police Department personnel work closely with the following local, state, and/or federal agencies.

1. Allen Police Department  
2. Celina Police Department

4. Farmersville Police Department  
5. Frisco Police Department  
6. McKinney Police Department  
7. Plano Police Department

By mutual agreement with state and federal agencies, the Collin College Police Department maintains a National Law Enforcement Telecommunications System (NLETS) network terminal. Through this system, Collin College Police Department personnel can access the National Crime Information Center (NCIC) as well as the Texas Law Enforcement Telecommunication System (TLETS). These databases are used for accessing criminal history data; nationwide police records; driver/vehicle identification; and other local, state, and federal law enforcement information.

The Collin College Police Department participates in the Dallas-Fort Worth Law Enforcement Agency Mutual Aid Agreement through a memorandum of understanding (MOU) that includes most of the law enforcement agencies in the Dallas-Fort Worth metroplex. Additionally, MOUs are in place with the following agencies in the event the Collin College Police Department should require assistance investigating a criminal incident.

Monitoring and Recording of Criminal Activity at Non-Campus Locations of Student Organizations

Collin College does not currently recognize any student organizations that own or control property on campus or at non-campus locations. Therefore, the Collin College Police Department does not monitor and record, on its own or through local police agencies, criminal activity by Collin College students at non-campus locations of student organizations.

Collin College Police Department Emergency Response

The Collin College Police Department is a key element in area emergency management. Due to Collin College’s high profile in the community, the Collin College Police Department maintains close ties to the Collin County Department of Homeland Security as well as each municipal agency in Collin County. Collin College Police Department officers are trained
to be first-level responders and to coordinate these efforts with other local agencies. The Collin College Police Department also takes a proactive approach to crime prevention. Efforts such as community policing, enhanced patrols, and enforcement of parking restrictions aid in ensuring a safe environment.

Collin College Police Department officers are stationed at each campus and center throughout the College District, except for the Rockwall Center which is patrolled by the Rockwall Police Department, and will respond to medical emergencies along with local city paramedics and other first responders, as necessary.

All calls to the Collin College Police Department are answered by trained communications operators. Calls are then dispatched to Collin College Police Department officers stationed at each campus and center, except for the Rockwall Center which is patrolled by the Rockwall Police Department. Campuses and centers are monitored by a state-of-the-art surveillance system, which is housed in the Collin College Police Department Communications Center.

Security of and Access to Collin College Facilities
All Collin College campuses and centers are part of the cities in which they are located, and, as such, are open to students, faculty, staff, and the public. The Collin College Police Department and Facilities and Plant Operations are responsible for monitoring and enforcing policies and procedures regarding security of and access to Collin College’s facilities.

During business hours, Collin College facilities will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours and periods when Collin College buildings are closed, access to Collin College facilities is by security badge, key (if issued), or by admittance via the Collin College Police Department or Facilities and Plant Operations. In the case of periods of extended closing, Collin College will admit only those individuals who have obtained prior written approval to its facilities.

Academic and Administrative Buildings
Collin College’s academic and administrative buildings are open to the public, at a minimum, during normal business hours (i.e., Monday through Friday from 8:00 a.m. to 5:00 p.m.). Some facilities have individual hours which may vary at different times of the year (e.g., Fitness Centers and Libraries). In these cases, the facilities will be secured according to schedules developed by the department responsible for that specific facility, in consultation with the Collin College Police Department and Facilities and Plant Operations.

Most academic and administrative buildings do not have a specific Collin College Police Department officer assigned to them. However, Collin College Police Department officers patrol all academic and administrative buildings, except for the Rockwall Center which is patrolled by the Rockwall Police Department, on a regular basis.

For information regarding the access protocol for a specific building, contact the Collin College Police Department at 972.578.5555.

### Residential Buildings

Access to Collin College Student Housing residential buildings is restricted to student residents, their approved...
guests, Student Housing and Resident Life staff, and other approved members of the Collin College community. Student residents are cautioned against permitting strangers to enter the buildings and are urged to require individuals seeking entry to check in at the Collin College Student Housing Office.

Collin College Police Department officers actively patrol Collin College Student Housing on a regular basis. Student Housing and Resident Life staff also enforce safety and security measures at Collin College Student Housing, and work with student residents to achieve a community that is respectful of individual and group rights and responsibilities. Student Housing and Resident Life staff and Collin College Police Department officers also conduct periodic educational sessions on prevention of various crimes, including, but not limited to, sexual assault and acquaintance rape.

The Collin College Student Housing Leasing Office hours are Monday through Thursday from 9:00 a.m. to 6:00 p.m. and Friday from 8:00 a.m. to 5:00 p.m. The office may occasionally close for holidays, inclement weather, or other circumstances. If the office is closed, a sign will be placed on the office front door. The sign will include information as to when the office will be closed, when it will reopen, and the number to call for maintenance emergencies. For scheduled closings, the director of student housing operations or designee will provide a minimum of 72 hours’ notice prior to the date of closing.

The Collin College Student Housing grounds and individual student residents’ apartments are accessible by access code and keys, issued to each student resident during the check-in process, 24 hours a day, seven (7) days a week. Overnight guests are allowed to stay for 72 hours if the student resident completes an Overnight Guest Form with the Collin College Student Housing Office. Only one (1) overnight guest is allowed per apartment. Contact the Collin College Student Housing Office at 972.881.5151 to obtain the Overnight Guest Form.

Quiet hours for Collin College Student Housing begin at 10:00 p.m. every night. Residents should not congregate in the hallways or stairwells during quiet hours. Violations could result in the loss of privileges.

**Changes to Normal Building Hours**

Any changes to normal building hours will be noted by signs posted on the doors at each building’s entrances and exits. Emergencies may necessitate changes or alterations to posted schedules. In an emergency situation, the Collin College community will be notified of the changes to building hours via Collin College’s CougarAlert emergency notification system. See the [CougarAlert](#) section in this document for additional information.

**Security Considerations for the Maintenance of Collin College Facilities**

Collin College is committed to safety and security at all its facilities and grounds. Collin College designs security and safety into systems for locks, landscaping, and outdoor lighting. Sidewalk designs and illumination of sidewalks and building entrances provide well-traveled, lighted routes from parking areas to buildings and from building to building.

Security surveys are conducted on areas that are revealed as problematic to examine various security issues (e.g., landscaping, locks, alarms, lighting). Administrators from each Campus Provost’s Office, Facilities and Plant Operations, and other concerned areas review the results of these surveys and recommend appropriate measures to resolve the issues, as necessary.

**Safety Plan**

In November 2017, the Collin College Board of Trustees (Board) approved a multi-year comprehensive Safety Plan for the College District. The purpose of the Safety Plan is to:

1. Ensure everyone working and learning at any facility operated by Collin College is able to do so with an expectation not only of excellence but of personal safety, and
2. Safeguard the investment of Collin County’s taxpayers by ensuring Collin College’s facilities are secure.

Collin College is already working to accomplish the goals of the Safety Plan, and will continue to roll out various campus safety improvements over the next several years. Key components of the Safety Plan include, but are not limited to:
1. Establishing a standard access control system to retrofit existing facilities and serve as the model for new facilities,
2. Improving emergency communication systems,
3. Enhancing and expanding video surveillance systems,
4. Integrating new systems with existing systems,
5. Upgrading crime prevention initiatives,
6. Improving traffic management and controls,
7. Enhancing classroom signage for better locational awareness in case of an emergency, and
8. Reorganizing and expanding safety and security staff to appropriately meet Collin College’s needs resulting from growth of both the College District’s physical footprint and student enrollment.

During the 2017, 2018, 2019, 2020, and 2021 calendar years, Collin College has taken major steps to improve campus safety and security as part of the Safety Plan. These improvements include, but are not limited to:

1. Hiring additional police officers, sergeants, lieutenants, and dispatchers;
2. Hiring a director of safety and emergency management who has completed the Multi-Hazard Emergency Operations Plan for the entire college district;
3. Installing emergency information signs in every classroom at all campuses;
4. Adding one-touch emergency calling on every multi-line phone;
5. Installing cellular-powered Blue Light emergency phones in the parking garages and parking lots on the Frisco Campus, McKinney Campus, and Plano Campus;
6. Installing interior locks on all classroom doors and electronic external locks across all campuses; and
7. Upgrading the CougarAlert emergency broadcasting system.

For additional information on Collin College’s Safety Plan, go to https://meetings.boardbook.org/Public/Agenda/1010?meeting=143651.

Facilities and Landscaping Maintenance
Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Facilities and Plant Operations staff at each campus and center regularly evaluate both interior and exterior lighting and perform necessary changes or repairs as needed. Collin College Police Department officers regularly patrol all Collin College campuses and centers, except for the Rockwall Center which is patrolled by the Rockwall Police Department, and reports of maintenance concerns such as malfunctioning lights and other unsafe physical conditions are submitted to Facilities and Plant Operations staff for correction. All members of the Collin College community are helpful when they promptly report equipment, facilities, landscaping, and maintenance concerns to Facilities and Plant Operations staff.

If there is reasonable suspicion to believe that searching a student’s person, belongings, or vehicle will reveal evidence of a violation of Collin College policy and procedures, a Collin College official may conduct a search in accordance with the law and Collin College regulations.
Suspicionless Searches
For purposes of this policy, a suspicionless search is a search carried out based on lawful security procedures, such as metal detector searches or random drug testing.

Use of Trained Dogs
Collin College reserves the right to use trained dogs to conduct screening for concealed prohibited items. Such procedures will be unannounced. The dogs will not be used with students; however, students may be asked to leave personal belongings in an area that will be screened. If a dog alerts to an item or area, it may be searched by Collin College officials.

Collin College Property
Collin College-provided technology, storage, and similar items are the property of Collin College and are provided for student use as a matter of convenience. Collin College property is subject to search or inspection at any time without notice. Students have no expectation of privacy in their use of Collin College property. Students will be fully responsible for the security and contents of Collin College property assigned to them. Students will not place or keep in Collin College-provided technology, storage, or similar item, any article or material prohibited by law or Collin College policy and procedures. A student will be held responsible for any prohibited item found in Collin College property provided to the student.

Residence Hall Rooms
Searches of student residence hall rooms will be conducted in accordance with administrative procedures established by the College District President or designee. The procedures will describe the situations for which a search may be conducted and distinguish searches by Collin College officials from law enforcement searches.

Searches Conducted by Law Enforcement
Searches and interrogations will be conducted by Collin College Police Department officers consistent with the law and Collin College Police Department procedures.

Any time a handgun in a campus housing facility is not in the immediate care, custody, or control of the owner, that handgun must be stored in a locked, personal vehicle or within a locked gun safe in the resident's room. No gun storage will be provided by Collin College. This policy applies to all residents as well as live-in staff in any campus facility designed for housing or overnight stay.

A student who is assigned to a residential room in campus housing where a firearm is stored and is concerned about their wellbeing may request a transfer to another residential room through the regular housing process with no penalty.

Non-Residents
An LTC license holder who does not reside in campus housing may carry a concealed handgun into campus housing. The handgun must be carried on or about the non-resident’s person at all times and may not be stored in a campus housing room.

The possession or use of articles not generally considered to be weapons may be prohibited when the College District President or designee determines that a danger exists for any student, Collin College employee, or Collin College property by virtue of possession or use.

Possession of other weapons on Collin College campuses is grounds for immediate disciplinary action and possible prosecution for violations of state law.

Section 3: Procedures for Reporting a Crime or Emergency

Reporting a Crime or Emergency to the Collin College Police Department

Collin College Police Department officers patrol all campuses and centers 24 hours a day, seven (7) days a week, except for the Rockwall Center which is patrolled by the Rockwall Police Department.

The Collin College Police Department encourages anyone who is the victim of or a witness to any crime or public safety-related incident on a Collin College campus or center to promptly and accurately report the incident to the Collin College Police Department and/or local law enforcement agencies when the victim of a crime elects to, or is unable to, make such a report. Making a police report does not obligate the victim to file criminal charges, but it does create a record of the incident. The police report will include the victim’s name, respondent’s name, witnesses’ names, and details of the incident. Police reports are public records under state law; however, voluntary confidential reports for purposes of inclusion in the annual disclosure of crime statistics can be made to the Collin College chief of police or designee. See the Voluntary Confidential Reporting section in this document for additional information.

Collin College Police Department officers are available 24 hours a day, 365 days a year to answer calls. If assistance is required from another police department, Collin College Police Department officers will contact the appropriate agency. If a sexual assault should occur, responding officers will inform the victim of the support services available.

Any individual who needs to report a crime or an emergency that occurred on a Collin College campus or center can contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension 5555 from any Collin College system phone;
2. Dialing 972.578.5555 from any phone outside the Collin College system;
3. Pressing the “Emergency” button located on any Collin College system phone;
4. Pressing the “Emergency” button on any of the Blue Light phones located in the parking garages and parking lots at the Frisco Campus, McKinney Campus, and Plano Campus; or
5. Utilizing the Collin Mobile App “Call Campus Police” function under the “Emergency” menu.

Any individual who prefers to report a crime or an emergency that occurred on a Collin College campus or center in person may do so at any of the following Collin College Police Department office locations.

1. Celina Campus Room 129
2. Collin Higher Education Center (CHEC) Room 134
3. Courtyard Center (CYC) Room 125
4. Farmersville Campus Room 103
5. Frisco Campus Room LH-179
6. McKinney Campus Room C-119
7. Plano Campus Suite K-119
8. Technical Campus Room C-010
9. Wylie Campus Room B-139

In a medical emergency, individuals should first dial 911, and then contact the Collin College Police Department through one (1) of the methods listed above.

If a fire occurs in a Collin College building, the individual who discovers it should immediately notify the Collin College Police Department at 972.578.5555 or dial 911. The Collin College Police Department will initiate a response, and can summon the local fire department quickly through their communication links, if necessary. If a member of the Collin College community finds evidence of a fire that has been extinguished and is unsure whether the Collin College Police Department has already responded, they should immediately notify the Collin College Police Department so an officer can investigate and document the incident.

In order to ensure inclusion in the annual crime statistics and aid in providing emergency notifications and timely warning notices to the Collin College community, all Clery Act crimes should be reported to the Collin College Police Department at 972.578.5555.

Additionally, when a Clery Act crime is reported to a campus security authority (CSA), the CSA must complete the Campus Security Authority (CSA) Crime Reporting Form located on Collin College’s website at https://www.collin.edu/student.
resources/deanofstudents/CleryAct.html. The completed Campus Security Authority (CSA) Crime Reporting Form must be submitted to David Prevatte, Collin College Police Department Manager of Accreditation and Clery Compliance, at the Collin Higher Education Center (CHEC) Room 134, or by email to daprevatte@collin.edu. This process is used to ensure crimes reported to a CSA, but not to a law enforcement agency, will be included in the annual crime statistics.

**Reporting a Non-Emergency Complaint or Concern to the Collin College Police Department**

Any individual who needs to report a non-emergency complaint or concern to the Collin College Police Department, can send an email to ccpdcomplaint@collin.edu.

For more information regarding Collin College Police Department policies and procedures, go to www.collin.edu/campuspolice/.

**Voluntary Confidential Reporting**

Collin College recognizes incidents of crime can be difficult to discuss, and victims and witnesses may want confidentiality in addition to support. Victims and witnesses of a crime who do not want to pursue action within the Collin College system or the criminal justice system may still want to consider making a voluntary confidential report. The Collin College Police Department can file a report on the details of the incident without revealing the victim’s or witness’s identity.

The purpose of a voluntary confidential report is to comply with the victim’s or witness’s wish to keep the matter confidential while taking steps to ensure the future safety of the victim, witness, and others. With such information, Collin College can keep an accurate record of the number of incidents involving students, employees, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in Collin College’s annual crime statistics. Additionally, victims and witnesses have the right not to report a crime if they so choose.

To submit a voluntary confidential report, victims and witnesses can contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension 5555 from any Collin College system phone;
2. Dialing 972.578.5555 from any phone outside the Collin College system;
3. Pressing the “Emergency” button located on any Collin College system phone;
4. Pressing the “Emergency” button on any of the Blue Light phones located in the parking garages and parking lots at the Frisco Campus, McKinney Campus, and Plano Campus; or
5. Utilizing the Collin Mobile App “Call Campus Police” function under the “Emergency” menu.

The victim or witness must inform the dispatcher they would like their name and any identifying information to remain confidential at the start of the report. The victim or witness should provide as much detail as possible, and the dispatcher will take the report without including the victim’s or witness’s name or identifying information.

If the victim or witness would prefer to submit a voluntary confidential report in person, they may do so at any of the following Collin College Police Department office locations.

1. Celina Campus Room 129
2. Collin Higher Education Center (CHEC) Room 134
3. Courtyard Center (CYC) Room 125
4. Farmersville Campus Room 103
5. Frisco Campus Room LH-179
6. McKinney Campus Room C-119
7. Plano Campus Suite K-119
8. Technical Campus Room C-010
9. Wylie Campus Room B-139

When submitting a voluntary confidential report in person, the victim or witness must inform the Collin College Police Department officer they would like their name and any identifying information to remain confidential at the start of the report. The victim or witness should provide as much detail as possible, and the Collin College Police Department officer will take the report without including the victim’s or witness’s name or identifying information.
Additionally, victims and witnesses have the right not to report a crime if they so choose.

**Anonymous Reports of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking**

In accordance with the Texas Higher Education Code Section 51.252 and Section 51.9365, victims can report dating violence, sexual assault, sexual harassment, and stalking anonymously. However, the submission of an anonymous report may impair Collin College’s ability to investigate and address the prohibited conduct. Additionally, to initiate the Title IX complaint resolution process, complainants cannot remain anonymous.

To report dating violence, sexual assault, sexual harassment, or stalking anonymously, victims can submit the online form available at https://c0bkr412.caspio.com/dp/eaab3000c5296cdacd74b438776 or contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension 5555 from any Collin College system phone;
2. Dialing 972.578.5555 from any phone outside the Collin College system;
3. Pressing the “Emergency” button located on any Collin College system phone;
4. Pressing the “Emergency” button on any of the Blue Light phones located in the parking garages and parking lots at the Frisco Campus, McKinney Campus, and Plano Campus; or
5. Utilizing the Collin Mobile App “Call Campus Police” function under the “Emergency” menu.

The victim should inform the dispatcher they would like to remain anonymous at the start of the report. The victim should provide as much detail as possible, and the dispatcher will take the report using a pseudonym in place of the victim’s name.

If the victim or witness would prefer to submit an anonymous report of dating violence, sexual assault, sexual harassment, or stalking in person, they may do so at any of the following Collin College Police Department office locations.

1. Celina Campus Room 129
2. Collin Higher Education Center (CHEC) Room 134
3. Courtyard Center (CYC) Room 125
4. Farmersville Campus Room 103
5. Frisco Campus Room LH-179
6. McKinney Campus Room C-119
7. Plano Campus Suite K-119
8. Technical Campus Room C-010
9. Wylie Campus Room B-139

When submitting an anonymous report of dating violence, sexual assault, sexual harassment, or stalking in person, the victim should inform the Collin College Police Department officer they would like to remain anonymous at the start of the report. The victim should provide as much detail as possible, and the Collin College Police Department officer will take the report using a pseudonym in place of the victim’s name.

If a victim of dating violence, sexual assault, sexual harassment, or stalking files a report and later determines they would like to remain anonymous, the Collin College Police Department can assign a pseudonym to the victim. The victim must inform the Collin College Police Department officer assigned to investigate the case over the phone or in writing that they would like a pseudonym assigned to them. The pseudonym will be used in place of the victim’s name to identify them on any further documentation that could become public information.

**Reporting to Local Law Enforcement Agencies**

If an incident occurred off campus, the victim or witness should dial 911 and/or contact the appropriate law enforcement agency in the jurisdiction in which the incident occurred when the victim of a crime elects to, or is unable to, make such a report. If a victim requests assistance, a Collin College official will help the victim with this process. Contact information for local law enforcement agencies is located in the Contact Information for Local Law Enforcement Agencies section in this document.

**Contact Information for Local Law Enforcement Agencies**

In an immediate life-threatening emergency, the victim or witness should contact emergency services at 911. Contact information for local law enforcement agencies with jurisdiction in Collin County, Texas, and Rockwall County, Texas, is listed below.
Campus Security Authorities (CSAs)

In addition to reporting potential Title IX violations to the appropriate Title IX coordinator or deputy Title IX coordinator, any Collin College employee who suspects or receives notice that a student or group of students has or may have experienced sexual assault or sexual harassment must complete and submit the Campus Security Authority (CSA) Crime Reporting Form when a Clery Act crime is reported. Employees must promptly forward all crime reports to the Collin College Police Department so crimes can be accurately counted, disclosed in the annual crime statistics, and entered on the daily crime log. The appropriate Title IX coordinator or deputy Title IX coordinator will also report information about any Clery Act crimes to the Collin College Police Department for inclusion in the annual crime statistics and daily crime log.

When a Clery Act crime is reported to a CSA, the CSA must complete the Campus Security Authority (CSA) Crime Reporting Form located on Collin College’s website at https://www.collin.edu/studentresources/deanofstudents/CleryAct.html. The completed Campus Security Authority (CSA) Crime Reporting Form must be submitted to:

David Prevatte
Manager of Accreditation and Clery Compliance
Collin College Police Department
Collin Higher Education Center (CHEC)
Room 134

For more information, contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu, or the Collin College Police Department at 972.578.5555.

Pastoral Counselors and Professional Counselors
Campus pastoral counselors and professional counselors, when acting as such, are not considered to be a campus security authority (CSA), and are not required by the Clery Act to report crimes for inclusion in the annual crime statistics and daily crime log. As a matter of policy, the professional counselors at Collin College are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis to the Collin College Police Department for inclusion in the annual disclosure of campus crime statistics and daily crime log.

Collin College does not currently employ any pastoral counselors. Collin College’s licensed mental health professionals are informed during monthly staff meetings and various training sessions throughout each calendar year of the procedures to report crimes to the Collin College Police Department. Collin College’s licensed mental health professionals are encouraged to inform their clients of the procedures to report crimes to the Collin College Police Department on a voluntary confidential basis should they feel it is in the best interest of their clients. Additionally, crimes can be confidentially discussed with Collin College’s licensed mental health professionals, and victims have the right to not report a crime if they so choose.

In accordance with the Texas Higher Education Code, Section 51.252, Collin College’s licensed mental health professionals must report any incident of dating violence, sexual assault,
sexual harassment, or stalking to the appropriate Collin College Title IX coordinator or deputy Title IX coordinator, even if the incident was reported during a confidential counseling session. However, the licensed mental health professional is only required to report the type of incident, and is not required to report identifying information regarding the victim, respondent, witnesses, or details of the incident. For more information, see the Employee Mandatory Reporting Under State Law for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking section in this document.

Employee Mandatory Reporting Under State Law for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking

Note: Submitting a Mandatory Reporting Form for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking does not constitute filing a formal complaint for the purposes of initiating the Title IX complaint resolution process. To initiate the Title IX complaint resolution process, the complainant must submit a formal complaint to the appropriate Title IX coordinator or deputy Title IX coordinator, as outlined in the Reporting to the Appropriate Title IX Coordinator or Deputy Title IX Coordinator section in this document.

In accordance with the Texas Higher Education Code Section 51.252, a Collin College employee who, in the course and scope of employment, witnesses or receives information regarding the occurrence of an incident that the employee reasonably believes constitutes dating violence, sexual assault, sexual harassment, or stalking, and is alleged to have been committed by or against a person who was a student enrolled at or an employee of Collin College at the time of the incident will promptly report the incident to Collin College’s Title IX coordinator or deputy Title IX coordinator. The report must include all information concerning the incident known to the reporting person that is relevant to the investigation and, if applicable, redress of the incident, including whether an alleged victim has expressed a desire for confidentiality in reporting the incident.

In accordance with the Texas Higher Education Code Section 51.252, an employee who is designated by Collin College as a person with whom students may speak confidentially concerning dating violence, sexual assault, sexual harassment, or stalking, or who receives information regarding such an incident under circumstances that render the employee’s communications confidential or privileged under other law will, in making a report under this section, state only the type of incident reported and may not include any information that would violate a student’s expectation of privacy. This requirement does not affect the employee’s duty to report an incident under any other law.

Exceptions
A Collin College employee is not required to make a report concerning:

1. An incident in which the employee was a victim of dating violence, sexual assault, sexual harassment, or stalking; or
2. An incident in which the employee received information due to a disclosure made at a dating violence, sexual assault, sexual harassment, or stalking public awareness event sponsored by Collin College or by a student organization affiliated with Collin College.

Mandatory Reporting Form
Collin College employees can access the Mandatory Reporting Form for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking under the “Crisis Response” channel on the My Workplace tab in CougarWeb, https://cougarweb.collin.edu.

Strategies of Behavioral Intervention (SOBI)
To extend its efforts on emergency preparedness, incident reporting, and prevention, Collin College has established a behavioral intervention team (BIT) called Strategies of Behavioral Intervention (SOBI). SOBI is made up of Collin College administrators, faculty, staff, and police from each campus throughout the College District, and serves as a central network focused on preventive and timely intervention before a crisis arises. SOBI has designed a process that reflects the best practices for referring, assessing, responding to, and assisting students who may display various levels of distressed, disturbed, and/or unregulated behavior.

SOBI serves as a resource for the entire Collin College community, and its goals are to:
1. Centralize collection and assessment of “red flags” raised by students’ behaviors;
2. Determine, on an individual basis, the need to further assess the potential for harmful behavior;
3. Intervene early to provide support and respond appropriately to students’ concerning behaviors;
4. Coordinate various interventions and services, and ensure resources are deployed effectively; and
5. Balance students’ educational needs with Collin College’s mission.

SOBI only responds to referrals regarding student behaviors of concern. Reports regarding faculty and/or staff members should be sent directly to Collin College’s Human Resources (HR) Office. Additionally, SOBI actions are not a substitute for student disciplinary or law enforcement interventions. Referrals regarding Student Code of Conduct violations will be immediately forwarded to the District Dean of Students Office. Referrals regarding criminal or threatening activity will be immediately forwarded to the Collin College Police Department.

Throughout the academic year, SOBI offers informational and training sessions on various topics related to behavioral intervention, campus safety and security, identifying and responding to student behaviors of concern, and other pertinent issues. Additionally, SOBI offers joint presentations and training sessions with the Collin College Police Department, Counseling Services, and District Dean of Students Office. These presentations and training sessions teach participants useful tactics and practical tools to de-escalate difficult situations. Participants are able to bring in real-life examples and obtain assistance with effectively managing difficult situations they have had to face. These sessions are open to all Collin College students, faculty, and staff; and information on session dates, times, and locations is disseminated to the entire Collin College community through email, SOBI’s website www.collin.edu/studentresources/SOBI/index.html, Collin College’s online calendar CougarCal, and campus postings.

For additional information on SOBI, go to www.collin.edu/studentresources/SOBI/index.html or contact SOBI directly at sobi@collin.edu. To submit a SOBI Referral, go to https://k1.caspio.com/dp.asp?AppKey=eaab3000dc4d032413574af896f0.

**Missing Student Notification Policy for Collin College Student Housing**

The Clergy Act requires institutions that maintain on-campus student housing facilities to establish a missing student notification policy and related procedures. When it is determined that a student resident is missing from Collin College Student Housing located on the Plano Campus, the director of student housing operations, Collin College Police Department, and District Dean of Students Office, in collaboration with local law enforcement, will be guided by this Missing Student Notification Policy and the related procedures below. This information can also be found in the current Collin College Resident Handbook located on Collin College’s website at www.collin.edu/studenthousing/.

**Missing Person Contact(s)**

Collin College will provide every student resident living in Collin College Student Housing on the Plano Campus the opportunity and means to register one (1) or more individuals to be a missing person contact(s). If it is determined by the Collin College Police Department or a local law enforcement agency that the student resident is missing, the student resident’s missing person contact(s) will be notified by Collin College within 24 hours of the determination.

Any missing person report regarding a student resident that is received by the director of student housing operations or designee, District Dean of Students Office, or any other Collin College employee must be immediately forwarded to the Collin College Police Department.

A student resident is determined to be missing when their whereabouts are unknown and unexplainable for a period of time that is regarded by knowledgeable parties as highly unusual or suspicious given consideration of the student resident’s behavior patterns, plans, and routines. All concerns regarding a Collin College Student Housing student resident’s unexplained absence or lack of contact that is contrary to the student resident’s normal behavior or is unusual based on existing circumstances will be immediately investigated in an effort to locate the student resident and confirm their safety.

Collin College will notify the local law enforcement agency that has jurisdiction in the area within 24 hours of the determination that a student resident is missing, unless the local law enforcement agency was the entity that made the determination. Additionally, Collin College must notify a custodial parent or guardian within 24 hours of the determination that a student resident who is under 18 years of age and not emancipated is missing, in addition to notifying any additional missing person contact(s) designated by the student resident.

The following procedures will be utilized when the Collin College Police Department is notified of a missing student resident who lives in Collin College Student Housing.

1. The Collin College Police Department officer on duty will respond to the location.
2. The responding Collin College Police Department officer will initiate an investigation by interviewing the reporting party, and will obtain as much information as possible about the reported missing student resident (e.g., last date and time seen; place of employment; places where the student resident normally hangs out; make, model, and year of vehicle student resident drives; student resident’s hometown; etc.).
3. The responding Collin College Police Department officer will notify the director of student housing operations or designee, the dean of students or designee, and the Collin College Police Department chain of command (i.e., sergeants, lieutenants, and chief of police), of the report and pertinent details.
4. The dean of students or designee will check the Banner Student Information System to obtain the student resident’s current class schedule, and will then contact each of the student resident’s
professors to find out whether the student resident has been attending classes or has contacted them.

5. The responding Collin College Police Department officer will conduct a check of the local hospitals to ascertain whether the student resident has been admitted as a patient.

6. The responding Collin College Police Department officer will obtain the student resident’s missing person contact(s) information from the dean of students or designee, if the student resident chose to register this information with the District Dean of Students Office.

7. Within 24 hours of the Collin College Police Department’s determination that a student resident who is the subject of a missing person report has been missing for more than 24 hours and has not returned to Collin College Student Housing or a Collin College campus or center, the Collin College Police Department will contact the:
   a. Person(s) identified confidentially by the student resident as a designated missing person contact(s);
   b. Custodial parent or guardian and any other designated missing person contact(s) of a student resident under 18 years of age who is not emancipated; and
   c. Local county or municipal law enforcement agency with concurrent jurisdiction in the area.

The Collin College Police Department and District Dean of Students Office, in collaboration with local law enforcement, will coordinate their efforts to locate the missing student resident. The dean of students or designee will notify and update Collin College’s vice president of student and enrollment services and members of Collin College’s Executive Leadership Team, as appropriate.

When the missing student resident is located, the dean of students or designee will contact the student resident to offer support and provide referrals to appropriate on- and off-campus resources, as appropriate. At that time, the Collin College Police Department will also contact the student resident’s missing person contact(s) and custodial parent or guardian (if the student resident is under 18 years of age and not emancipated) to confirm the student resident has been located.

If the initial investigation is unsuccessful in locating the missing student resident, the Collin College Police Department will continue to investigate, in collaboration with local law enforcement, according to established police procedures. The dean of students or designee will determine whether further action(s) is warranted by the District Dean of Students Office, and will initiate such action(s), as appropriate.

Section 4: Emergency Response and Evacuation Procedures

Emergency Management at Collin College
The Office of Emergency Management directs the development, implementation, and maintenance of Collin College’s emergency management program. The Office of Emergency management maintains and updates Collin College’s emergency management plan that provides the framework for the structure of Collin College’s response and resources during an emergency or incident affecting the campus community. Collin College activates the emergency management plan when an emergency or incident affecting the campus community reaches proportions that cannot be handled by established measures. The emergency may be sudden and unforeseen, or there may be varying periods of warning before it occurs. Collin College intends for the emergency management plan to be sufficiently flexible to accommodate contingencies of all types, magnitudes, and durations. The priorities of Collin College’s emergency management plan include, but are not limited to, the following:

1. Life safety, infrastructure integrity, and environmental protection during an emergency or incident;
2. Coordination with various Collin College departments to write, maintain, test, and exercise the emergency management plan; and
3. Cooperation, integration, and mutual aid with local, state, and federal planning, response, and public safety agencies and their respective emergency management plans.

Contact the Office of Emergency Management at 972.881.5617 or emergencymanagement@collin.edu to obtain details regarding Collin College’s emergency management plan.

Evacuation and Relocation
In an alarm situation, the complete evacuation of a building is recommended. Departmental evacuation plans provide detailed information regarding the evacuation procedures for individual buildings. If necessary, transportation of persons will be coordinated with appropriate Collin College Police Department and Office of Emergency Management personnel for the purpose of evacuation and relocation of persons threatened or displaced by an incident. Responding emergency managers will identify a temporary shelter or facility (e.g., athletic facility, campus conference center) or another facility, as needed. The Office of Emergency Management designates key functions and critical roles, and assigns them based on situational factors.

A summary of Collin College’s Standard Emergency Procedures is available at www.collin.edu/campuspolice/OEM/index.html. For detailed information regarding Collin College’s emergency notification system, including how to ensure you receive emergency alerts via text and email, see the CougarAlert section in this document or go to www.collin.edu/cougaralert.html.

In conjunction with each of these exercises, Collin College will notify the entire campus community of the exercise and remind the community about Collin College’s publicly
available information regarding emergency response procedures, as appropriate.

Collin College conducts situational reports (SITREPs) and after-action reviews (AARs) of all emergency management drills, exercises, and emergency responses. Each drill, exercise, and training is documented with an exercise plan or after-action report that is maintained by the Office of Emergency Management.

Contact the Office of Emergency Management at 972.881.5617 or emergencymanagement@collin.edu to obtain details regarding Collin College’s emergency management plan, drills, exercises, and training.

**Emergency Notification Procedures**
Collin College is committed to ensuring its community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of Collin College students, faculty, and staff. Collin College has a multi-tiered emergency notification system that employs various means for communicating information quickly.

Collin College will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of Collin College students, faculty, and staff. Collin College has a multi-tiered emergency notification system that employs various means for communicating information quickly.

An “immediate threat” includes an imminent or impending threat, significant emergency, or dangerous situation (e.g., approaching tornado or other extreme weather condition, armed intruder, bomb threat, chemical or hazardous waste spill, explosion, fire, gas leak, outbreak of a serious illness).

**Confirming the Existence of a Significant Emergency or Dangerous Situation and Initiating the Emergency Notification System**
The Collin College Police Department, Office of Emergency Management, and/or other local first responders may become aware of a significant emergency or dangerous situation that potentially affects the health and safety of the Collin College community. Generally, first responders become aware of these situations through reports made to the Collin College Police Department Communications Center or during a routine patrol or other assignments. Confirmation depends on the type of significant emergency or dangerous situation, but is typically based on the receipt of multiple reports from the campus community to the Collin College Police Department Communications Center, secondary observation by a Collin College Police Department officer, or, in the case of severe weather, receipt of a warning on more than one (1) device located the Collin College Police Department Communications Center and/or Office of Emergency Management.

Once first responders confirm that there is, in fact, a significant emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the Collin College community, first responders will notify the Collin College Police Department chain of command (i.e., sergeants, lieutenants, and the chief of police) and any other authorized Collin College official(s) to issue an emergency notification.

One (1) or more of Collin College’s authorized official(s) will immediately initiate all or some portions of the CougarAlert system. If, in the professional judgment of first responders, issuing an emergency notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, Collin College may elect to delay issuing an emergency notification. As soon as the condition that may compromise efforts is no longer present, Collin College will issue the emergency notification to the Collin College community.

**Determining the Appropriate Segment(s) of the Collin College Community to Receive an Emergency Notification**
The Collin College Police Department and/or local first responders on the scene of a significant emergency or dangerous situation will assist the authorized official(s) preparing the emergency notification by determining what segment(s) of the Collin College community should receive the notification. Generally, Collin College community members in the immediate area of the significant emergency or dangerous situation (e.g., the particular campus, building, adjacent buildings, surrounding area) will be the first individuals to receive the emergency notification. Collin College may issue subsequent notifications to a wider group of community members, as appropriate.

In addition to the emergency notification that may be issued via the CougarAlert system, Collin College may post applicable messages about the significant emergency or
dangerous situation on the homepage of its website, www.collin.edu, to ensure the rest of the Collin College community is aware of the situation and knows the steps they should take to maintain personal and community safety. If the emergency affects a significant portion of Collin College’s campuses and centers, the authorized official(s) will distribute the notification to the entire Collin College community.

**Determining the Content of the Emergency Notification**

The appropriate campus provost, Collin College Police Department Communications Center, and Office of Emergency Management staff have the authority to initiate the emergency notification system. Once authorization is received, the Collin College Police Department Communications Center transmits pre-scripted CougarAlert notifications, and then transmits Cisco phone messages. The Public Relations (PR) Department and Office of Emergency Management are equipped to serve as a back-up, and may transmit emergency notifications, if required. If time permits, the appropriate campus provosts and Cabinet Emergency Management Team members are informed of the situation and any needed messages prior to an emergency notification being transmitted.

Collin College has developed a wide range of template messages addressing various types of emergencies. The authorized official(s) issuing the emergency notification will select the template message most appropriate to the ongoing situation and modify it, as necessary, to address the specifics of the present incident. Messages are typically composed of predetermined text that requires minor modification (e.g., campus or building name). In instances where there are no predetermined template messages in the system, the authorized official(s) will develop a succinct message to convey the appropriate information to the Collin College community. The goal is to ensure individuals are aware of the significant emergency or dangerous situation and know the steps they should take to safeguard their own and the Collin College community’s safety.

In the event an emergency notification is warranted, Collin College’s senior vice president of external relations in consultation with the director of emergency management and College District President will, without delay, and taking into account the safety of the campus community, determine the content of the emergency notification and initiate the emergency notification system, unless issuing a notification will, in the professional judgment of Collin College officials, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency notifications may be sent to the entire campus community or only to the segment(s) of the campus community directly affected by the emergency.

**Procedures Used to Notify the Collin College Community**

CougarAlert is Collin College’s official emergency notification system, providing critical information to the entire Collin College community via text message, phone message, and/or email. For additional information, see the CougarAlert section in this document. Additionally, Collin College utilizes a public address system through campus phones and posts information prominently throughout the campuses and on the homepage of its website, www.collin.edu. Traditionally, all of these methods of communication are utilized in the event an emergency notification is needed. Official updates to, and discontinuance of, an emergency notification will be posted prominently on the homepage of Collin College’s website, www.collin.edu, and may also be sent through the CougarAlert and public address systems.

Messages may direct individuals to evacuate, shelter in place, stay away from a certain area, or contain other information pertinent to the situation. Collin College may also send follow-up messages to update the community, change the actions individuals should take, or provide other pertinent information as the significant emergency or dangerous situation unfolds. In all cases, Collin College will provide an “all clear” or “end of incident” message when there is no longer a danger to the Collin College community.

**Procedures for Disseminating Emergency Information to the Larger Community**

During critical incidents, Collin College’s Public Relations (PR) Department will work with the Collin College Police Department, Office of Emergency Management, College District President, authorized official(s), and/or other organizational units, as necessary, to gather accurate and substantial information regarding the situation and details of Collin College’s response. The senior vice president of external relations, working with city and county public information officers, as appropriate, will provide information to the general public on progress toward recovery utilizing
one (1) or more of the following methods: newspaper, radio, and/or television.

At its discretion, Collin College may release information regarding a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty, and staff off campus. Such information would have to be provided by another agency, organization, or jurisdiction, and release allowed by the supplying entity. Collin College has no way to compel the release of information by another agency, organization, or jurisdiction; nor can Collin College determine the time period in which that entity may provide information to Collin College.

**Reporting Information Warranting an Emergency Notification**

All campus security authorities (CSAs) must report crimes to the Collin College Police Department for the purpose of issuing an emergency notification. For additional information, see the **Reporting a Crime or Emergency to the Collin College Police Department** and **Campus Security Authorities (CSAs)** sections in this document.

All Employee Complaint Forms will be screened by Human Resources (HR) Office staff and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

All Student Incident Reports, Student Complaint Forms, and Strategies of Behavioral Intervention (SOBI) Referral Forms will be screened by District Dean of Students Office staff and SOBI Executive Committee members, respectively, and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

All Title IX Complaint Forms will be screened by the appropriate Title IX coordinator, deputy Title IX coordinator, or designee, and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

4. There is a serious or continuing threat to the Collin College community because of the crime.

The decision to issue a college-wide security and safety alert will be made on a case-by-case basis considering the following criteria.

1. Was the suspect identified?
2. Was the suspect apprehended?
3. What is the potential impact on various law enforcement operations?
4. If known, does the suspect have prior arrests, reports, complaints, or any other history of violent behavior?
5. If known, does the suspect have a history of failure to comply with a Collin College no contact directive, other protective measures, or a judicial protective order?
6. Did the crime involve physical violence?
7. Has the suspect threatened to commit physical violence?
8. Did the crime involve multiple victims?
9. Does it appear to be an isolated criminal act involving a specifically targeted victim?
10. Does the report reveal a pattern of behavior (e.g., by the suspect, a particular group, or organization; around a particular recurring event or activity; or at a particular location)?
11. Did the suspect use “date-rape” or similar drugs or intoxicants?
12. Did the crime occur while the victim was unconscious, physically helpless, or unaware of what was occurring?
13. Was the victim under 18 years of age?
14. Were there other aggravating circumstances or signs of predatory behavior that may constitute a serious or continuing threat?
Responsibility for Drafting and Distributing a College-Wide Security and Safety Alert

The Collin College chief of police and designated Collin College officials are responsible for determining whether a college-wide security and safety alert is warranted using the criteria listed above. If the college-wide security and safety alert criteria are met, a college-wide security and safety alert will be drafted and distributed by the Collin College Police Department, Collin College’s Public Relations (PR) Department, and designated Collin College officials as soon as pertinent information is available.

Content of a College-Wide Security and Safety Alert

The following information is typically included in a college-wide security and safety alert, if available:

1. The nature of the crime,
2. The date(s) and time(s) of the incident,
3. The location(s) of the incident,
4. The severity of the threat and the person(s) or location(s) that might be affected,
5. Any connection to a previous crime(s),
6. A physical description and/or composite drawing of the suspect,
7. Other relevant and important information (e.g., gender of the victim, whether the victim and suspect are students or employees), and
8. Appropriate crime prevention and safety tips.

When issuing a college-wide security and safety alert, some specific information may be withheld if there is a possible risk of compromising law enforcement efforts to investigate and/or solve the crime. Additionally, when issuing a college-wide security and safety alert, Collin College will not include personally identifying information about victims, including, but not limited to, victims’ names, which will be kept confidential.

How College-Wide Security and Safety Alerts Are Distributed

College-wide security and safety alerts will always be distributed through CougarAlert to students, faculty, and staff. For more information, see the CougarAlert section in this document. College-wide security and safety alerts will always be posted on the Collin College Police Department’s webpage, www.collin.edu/campuspolice/. College-wide security and safety alerts may be posted prominently as a banner on the homepage of Collin College’s website, www.collin.edu. College-wide security and safety alerts may also be sent through Collin College’s email systems, notices posted prominently on the campus-wide bulletin boards, and press releases. Collin College may not use all of these distribution methods for every college-wide security and safety alert.

Official updates to and discontinuance of college-wide security and safety alerts will always be sent through CougarAlert to students, faculty, and staff. For more information, see the CougarAlert section in this document. Official updates to and discontinuance of college-wide security and safety alerts will always be posted on the Collin College Police Department’s webpage, www.collin.edu/campuspolice/. Reporting Information Warranting a College-Wide Security and Safety Alert

All campus security authorities (CSAs) must report crimes to the Collin College Police Department for the purpose of issuing a college-wide security and safety alert. For additional information, see the Reporting a Crime or Emergency to the Collin College Police Department and Campus Security Authorities (CSAs) sections in this document.

All Employee Complaint Forms will be screened by Human Resources (HR) Office staff and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

All Student Incident Reports, Student Complaint Forms, and Strategies of Behavioral Intervention (SOBI) Referral Forms will be screened by District Dean of Students Office staff and
SOBI Executive Committee members, respectively, and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

All Title IX Complaint Forms will be screened by the appropriate Title IX coordinator, deputy Title IX coordinator, or designee, and, when appropriate, promptly forwarded to the Collin College Police Department as campus security authority (CSA) reports for the purposes of determining whether issuance of an emergency notification is required.

College-wide security and safety alerts are not required when a crime is reported to a pastoral counselor or professional counselor, due to confidentiality. For additional information, see the Pastoral Counselors and Professional Counselors section in this document.

CougarAlert

CougarAlert is the official emergency notification system for Collin College, providing critical information via text message, phone message, social media, and/or email. CougarAlert may be triggered when a situation places Collin College community members at risk; and may provide information for evacuation, inclement weather, power outages, unscheduled closures, etc., but not for promotional purposes. Collin College-issued email addresses and home phone numbers are automatically loaded into CougarAlert, but students, faculty, and staff can and should add text and additional email contacts and update existing contacts, as needed. Community members can also register to receive CougarAlert notifications by going to https://www.collin.edu/cougaralertCEDualCHEC.html and following the instructions. Standard text messaging fees from service providers may apply. During emergencies, go to www.collin.edu for details. If a closure notice is not posted on the website, Collin College is open.

For more information and instructions on how to update or add email, phone, and text contacts, go to www.collin.edu/cougaralert.html.

Testing the CougarAlert System

The CougarAlert system is tested on at least an annual basis to ensure contact information for all students, faculty, staff, and other individuals (e.g., parents, community members) is correct and the system is working properly. All individuals registered in the CougarAlert system will receive at least one (1) email in advance of the test informing them of the test and the date it will occur.

On the test date, the CougarAlert system is triggered and all individuals registered in the system are sent a notification via Collin College-issued email, personal email, phone, and/or text, depending on which methods of contact they have set up in the system. The notification clearly states, “This is a test of the Collin College CougarAlert system. In an actual emergency you will be provided with information. This is only a test.” After the test is concluded, Collin College’s Public Relations (PR) Department documents the results and corrects any errors or problems, as necessary.

The CougarAlert system was successfully tested on Monday, August 9, 2021.

When indoor alarms sound or strobe lights flash to signal there is danger inside or near a building, such as a fire, leave the building immediately using the nearest marked exit, unless otherwise instructed. Go outside the building, and assist those who are disabled. Take all valuables (e.g., backpack, cellphone, purse) with you. Assemble outside as directed by Collin College officials, and stay at least 100 feet away from the building. Notify the Collin College Police Department or emergency crews if you suspect someone is still in the building. Wait for Collin College officials to notify you when it is safe to return to normal activities.

**Avoid:** Go to a safer location if that is an option.

**Deny:** Get out of sight, remain quiet, and lock or barricade doors when possible.

**Defend:** If confronted with violence, collaborate with others to distract the intruder and get away or defend yourselves.

Warn others and call 972.578.5555 or extension 5555 from any campus phone if you have information for the Collin College Police Department. Wait for Collin College officials to notify you when it is safe to return to normal activities.

Be sure to provide the dispatcher with your name, the location of the incident, the type of criminal activity, and a phone number where you can be contacted for additional information. If instructed by the Collin College Police Department, dial 911 and report the criminal activity to emergency services. Do not attempt to interfere with the activity, except in the case of self-defense or self-preservation.

Collin College’s Policies on Alcohol and Controlled Substances
State and federal laws regarding the use, possession, consumption, sale, manufacture, and distribution of alcohol and controlled substances will be strictly enforced at all times on all property owned and controlled by Collin College. The enforcement of these laws on all property owned and controlled by Collin College is primarily the responsibility of the Collin College Police Department. Students or employees who violate alcohol or drug laws and/or Collin College policies are subject to college disciplinary action, criminal prosecution, fine, and/or imprisonment.

Individuals seeking assistance or educational materials regarding alcohol, drugs, tobacco, or other substances should contact Counseling Services at 972.881.5126 or personalcounseling@collin.edu.

Alcohol
The possession, consumption, sale, manufacture, distribution, and furnishing of alcohol on Collin College campuses is governed by Collin College’s alcohol policy and Texas State law. Laws regarding the possession, consumption, sale, manufacture, distribution, and furnishing of alcohol are controlled by the Texas Alcoholic Beverage Commission (TABC; https://www.tabc.texas.gov/).

It is unlawful to sell, furnish, distribute, or provide alcohol to a person under the age of 21. The possession or use of alcohol by anyone less than 21 years of age in a public place or a place open to the public is illegal. State of Texas
underage drinking laws will be strictly enforced at all times on all property owned and controlled by Collin College.

It is a violation of Collin College’s alcohol policy for anyone to consume, distribute, sell, or possess alcohol in any public or private area of a Collin College campus without prior approval from the appropriate Collin College administrator(s). Individuals, organizations, or groups violating alcohol policies and/or laws may be subject to sanctions by Collin College. Only under certain regulated circumstances is the consumption of alcohol permitted on property owned or controlled by Collin College. Any person who appears to be under the influence of intoxicating liquor or drugs will be denied access to and/or the use of Collin College property or facilities.

The use of intoxicating beverages will be prohibited in classroom buildings; laboratories; auditoriums; library buildings; faculty and administrative offices; intercollegiate and intramural athletic facilities; and all other public campus areas. The College District President is authorized by the Board of Trustees (Board) to permit the serving and consumption of alcohol at special fundraising functions for Collin College, at specially designated events in Collin College facilities, and as a part of specifically defined and approved academic curricular programs/classes (e.g., culinary arts). With the prior consent of the Board, the provisions herein may be waived with respect to any specific affair that is sponsored by Collin College and/or the Collin College Foundation. State law will be strictly enforced at all times on all property owned and controlled by Collin College in regard to the possession and consumption of alcoholic beverages.

Controlled Substances
All Collin College campuses and property have been designated drug-free. The possession, consumption, sale, manufacture, or distribution of any controlled substance is illegal under both State of Texas and federal laws.

When on Collin College property or while attending Collin College-sponsored activities on or off campus, an individual will not, or attempt to, possess, have under their control, manufacture, deliver, distribute, sell, purchase, use, or be under the influence of:

1. Alcohol;
2. Any controlled substance as defined by the Texas Controlled Substances Act;
3. Abusable volatile chemicals in violation of manufacturer’s directions;
4. A dangerous drug as defined by state or federal law;
5. Steroids;
6. Substances referred to as designer drugs; or
7. Any other intoxicant or mood-changing, mind-altering, or behavior-altering drugs.

In addition, an individual will not inappropriately or illegally use over-the-counter medications, prescription medications, inhalants, herbal/natural euphoriants, and/or look-alike products or anything represented to be one (1) of these substances.

Paraphernalia
An individual will not possess any pipe, instrument of contrivance, hypodermic syringe, needle, or any instrument adapted for the use of smoking, injecting, or ingesting any narcotic or hallucinatory drug.

Notice Regarding Steroids
In accordance with the Texas Higher Education Code Section 51.921, anabolic steroids and growth hormones are for medical use only. State law prohibits possessing, dispensing, delivering, or administering an anabolic steroid or growth hormones in any manner not allowed by state law. State law provides that body building, muscle enhancement, or increasing muscle bulk or strength through the use of an anabolic steroid is not a valid medical purpose. Only a medical doctor may prescribe an anabolic steroid or human growth hormone for a person. A violation of state law concerning anabolic steroids or human growth hormones is a criminal offense punishable by confinement in jail or imprisonment in the Texas Department of Criminal Justice.

Definition of Possession
Possession means actual care, custody, control, or management and includes the act of taking control or occupancy of property without regard to the ownership of the property. Possession is a voluntary act if the possessor knowingly obtains or receives the item possessed or is aware of their control over the item for a sufficient time to permit the individual to terminate their control. In addition, items in
a car under the care, custody, control, or management of the individual will be in the individual’s possession.

Exceptions
It will not be considered a violation of this policy if the individual:

1. Uses or possesses a controlled substance or drug authorized by a licensed physician through a prescription specifically for that individual’s use;
2. Possesses a controlled substance or drug that a licensed physician has prescribed for the individual’s child or other person for whom the individual is a legal guardian;
3. Cultivates, possesses, transports, or sells hemp as authorized by law; or
4. Possesses, sells, or distributes Dextromethorphan.

Drug Testing
Student participation in certain academic and extracurricular programs may require drug testing. A student may be tested upon beginning participation in the identified programs and/or on a random basis. The requirements are defined and available for review prior to a student enrolling in Collin College or participating in the affected programs and activities.

Collin College does not currently require newly hired faculty and staff members to complete drug testing, nor are existing employees required to participate in random drug testing. Upon hire, Collin College Police Department officers are required to complete drug testing, but there is no requirement for existing Collin College Police Department officers to participate in random drug testing.

Smoking, Tobacco, and Electronic Smoking Devices
Collin College is a smoke- and tobacco-free institution. The use of any tobacco product or other electronic smoking device (including, but not limited to, electronic cigarettes or personal vaporizers) will be strictly prohibited anywhere on Collin College property or in Collin College facilities.

An individual who violates this policy may be issued a citation by the Collin College Police Department and may face legal fines. Collin College students who violate this policy are also subject to disciplinary action as defined in the Student Code of Conduct located in the current Collin College Student Handbook.

The following definition of “electronic smoking devices” is listed in the College Terminology section in the current Collin College Student Handbook.

Electronic smoking devices, also known as electronic cigarettes or personal vaporizers, are products often shaped like cigarettes, cigars, or pipes that are designed to deliver nicotine or other substances to a user in the form of a vapor. Electronic smoking devices typically contain battery-powered heating elements, replaceable cartridges containing nicotine or other chemicals, and an atomizer that converts the contents of the cartridge into a vapor the user inhales. This policy addresses complaints of dating violence, domestic violence, sexual assault, and stalking (i.e., prohibited conduct) against Collin College students and employees. For legally referenced material relating to complaints of prohibited conduct against Collin College students, see Board policies FA (LEGAL) and FFDA (LEGAL) located at https://pol.tasb.org/Policy/Search/304?filter=fa. For legally referenced material relating to complaints of prohibited conduct against Collin College employees, see Board policies DAA (LEGAL) and DIAA (LEGAL) located at https://pol.tasb.org/Policy/Search/304?filter=diaa.

For more information on Collin College’s compliance with Title IX of the Education Amendments of 1972 (Title IX), as amended and published on May 19, 2020, see the current Title IX Complaint Resolution Process Handbook for Collin College Students and Employees located at www.collin.edu/titleix.

Prohibition Against Dating Violence, Domestic Violence, Sexual Assault, and Stalking

Collin College prohibits all forms of dating violence, domestic violence, sexual assault, and stalking, as those terms are defined for purposes of the Clery Act, Title IX, and the Violence Against Women Reauthorization Act of 2013 (VAWA).

Statement of Non-Discrimination

Collin College is an equal opportunity institution that provides educational and employment opportunities without discrimination, including harassment, on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or other legally protected class.

Collin College prohibits discrimination, including harassment, against any student or employee on the basis of sex or gender. Retaliation against anyone involved in the complaint process is a violation of Collin College policy and is prohibited.

Definitions

The terms used throughout this section are defined below, and these definitions comply with Clery Act, Title of the Education Amendments of 1972 (Title IX), as amended, and Violence Against Women Reauthorization Act of 2013 (VAWA) regulations. In accordance with the Clery Act, Title IX, as amended, and VAWA, these definitions will be used when investigating complaints of dating violence, domestic violence, sexual assault, and stalking against a Collin College student or employee. These definitions, as well as State of Texas and jurisdictional definitions, are included in primary and ongoing prevention and training programs.

Actual Knowledge

Actual knowledge means notice of dating violence, domestic violence, gender-based harassment, sex discrimination, retaliation, sexual assault, sexual harassment, or stalking (i.e., prohibited conduct) or allegations of prohibited conduct to the appropriate Title IX coordinator or designee who has authority to institute corrective measures on behalf of Collin College. This standard is not met when the only individual with actual knowledge of prohibited conduct is the respondent. The term “notice,” as used in this paragraph, includes, but is not limited to, a report of prohibited conduct to the appropriate Title IX coordinator or designee.

College District Business Days

Do not include Collin College-recognized holidays or days when Collin College is officially closed.

Collin College’s Definition of Consent to Sexual Activity

Sexual activity requires consent, which is defined as an informed, voluntary, affirmative, and mutual agreement between the participants to engage in a specific sexual act. The following guidelines will be used to determine whether consent was obtained when investigating a complaint of sexual assault against a Collin College student or employee.

1. Consent to sexual activity can be communicated in a variety of ways, but one should not presume consent has been given in the absence of a clear, positive agreement.

2. Consent can only be accurately gauged through direct communication about the decision to engage
in sexual activity. The absence of the word “no” or the like (e.g., “stop”) does not imply consent.

3. Although consent can be non-verbal, verbal communication is the most reliable form of asking for and obtaining consent. Discussing desires, needs, and limitations with sexual partners provides a basis for positive sexual experiences shaped by mutual willingness and respect.

4. Presumptions based upon contextual factors (e.g., provocative clothing or dancing) are unwarranted and should not be considered grounds for consent.

5. As defined in the State of Texas Penal Code §22.011 Sexual Assault, the age of sexual consent is 17. Therefore, consent cannot be obtained from someone who is under the age of 17, as that person is legally considered to be a minor.

6. Consent cannot be obtained from someone who is asleep, unconscious, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition (e.g., an intellectual or other disability). A person is mentally or physically incapacitated when that person lacks the ability to make or act on considered decisions to engage in sexual activity. Engaging in sexual activity with a person whom you know – or reasonably should know – to be incapacitated constitutes sexual assault.

7. Consent to some sexual acts does not constitute consent to other sexual acts.

8. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. If you proceed despite your partner’s verbal and/or non-verbal communication to stop, you have committed sexual assault.

9. Consent cannot be obtained by threat, coercion, or force. Agreement under such circumstances does not constitute consent.

10. A prior sexual encounter or pre-existing relationship does not indicate consent to current or future sexual activity.

Complainant
A complainant is an individual who is alleged to be the victim of conduct that could constitute dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking.

Dating Violence
In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), the term “dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship will be determined based on the reporting party’s statement and with consideration of the:

1. Length of the relationship,
2. Type of relationship, and
3. Frequency of interaction between the persons involved in the relationship.

Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence below.

Deliberate Indifference
Deliberate indifference occurs when an institution of higher education with actual knowledge of dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking (i.e., prohibited conduct) in the institution’s education program or activity against a person in the United States responds in a manner that is clearly unreasonable in light of the known circumstances. When an institution of higher education responds in a clearly unreasonable manner, that response constitutes intentional discrimination. Failing to promptly respond once an institution of higher education has actual knowledge of prohibited conduct can also be considered deliberate indifference.

Domestic Violence
In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), the term “domestic violence” means a felony or misdemeanor crime of violence committed by:

1. A current or former spouse or intimate partner of the victim;
2. A person with whom the victim shares a child in common;
3. A person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
4. Any other current or former member of the victim’s household as defined by state law (i.e., a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred); or
5. Any other person who acts against the victim in violation of the family violence laws of this state or the jurisdiction where the conduct occurs (i.e., any other person against an adult or youth victim who is protected from that person’s actions under the domestic or family violence laws of the jurisdiction in which the violence occurred).

Education Program or Activity
Education program or activity includes locations, events, or circumstances over which Collin College exercised substantial control over both the respondent and the context in which the dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking (i.e., prohibited conduct) occurred; and also includes any building owned or controlled by a student organization that is officially recognized by Collin College.

Formal Complaint
In accordance with applicable federal Title IX regulations, a “formal complaint” is a document filed by a complainant or signed by the appropriate Title IX coordinator or designee that alleges dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking (i.e., prohibited conduct) occurred; and also includes any building owned or controlled by a student organization that is officially recognized by Collin College.

1. At the time of filing a formal complaint, the complainant must be participating in or attempting to participate in Collin College’s education program or activity as defined in this policy.
2. A formal complaint may be filed with the appropriate Title IX coordinator or designee in person, by mail, or by email by using the contact information required to be listed for the appropriate Title IX coordinator or designee in the Reporting the Appropriate Title IX Coordinator or Deputy Title IX Coordinator section below; by completing the online form available at https://c0bkr412.caspio.com/dp/eaab3000c5296cbdad74b438776; and by any additional method designated by Collin College.
3. The phrase “document filed by a complainant” means a document or electronic submission (e.g., by email or through an online portal provided by Collin College specifically for this purpose) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
4. If the complainant is not able or willing to sign the complaint, the appropriate Title IX coordinator or designee may sign the complaint in the complainant’s stead; however, where the appropriate Title IX coordinator or designee submits a formal complaint, the appropriate Title IX coordinator or designee is not a complainant or a party during the grievance process and must comply with the requirements for Title IX personnel to be free from conflicts and bias.

Gender-Based Harassment
Gender-based harassment includes physical, verbal, or non-verbal conduct based on the student’s or employee’s gender, the student’s or employee’s expression of characteristics perceived as stereotypical for the student’s or employee’s gender, or the student’s or employee’s failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, pervasive, or objectively offensive that the conduct limits or denies a student’s or employee’s ability to participate in or benefit from Collin College’s education program or activity.

Acts of gender-based harassment may also be considered sex discrimination or sexual harassment.

Examples
Examples of gender-based harassment directed against a student or employee, regardless of the student’s or employee’s or the harasser’s actual or perceived sexual orientation or gender identity, may include offensive jokes,
name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property. Examples may also include forms of dating violence, domestic violence, or stalking.

**Official with Authority**
An “official with authority” is any Collin College employee to whom notice of an incident of dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking triggers Collin College’s response obligations under Title IX; and who has authority to institute corrective measures on behalf of Collin College. Collin College’s officials with authority include, but are not limited to, the Title IX coordinators, deputy Title IX coordinators, dean of students, associate deans of students, and student conduct officers.

**Prohibited Conduct**
The term “prohibited conduct” includes dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, and stalking, as defined in this handbook, even if the behavior does not rise to the level of unlawful conduct.

**Respondent**
Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, or stalking.

**Retaliation**
Retaliation against anyone involved in the complaint process is a violation of Collin College policy and is prohibited. Neither Collin College nor any person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by applicable federal Title IX regulation or this policy. For additional information, see Board policies DIAA (LOCAL) and FFDA (LOCAL) located at [https://pol.tasb.org/Policy/Search/304?filter=title%20ix](https://pol.tasb.org/Policy/Search/304?filter=title%20ix).

Charging an individual with a violation(s) that does not involve sexual harassment, but arises out of the same facts or circumstances as a formal complaint of sexual harassment, for the purposes of interfering with any right or privilege secured by applicable federal Title IX regulations, constitutes retaliation.

In an effort to prevent acts of retaliation, Collin College will keep confidential and not disclose the identities of complainants, respondents, and witnesses, except as permitted by the Family Educational Rights and Privacy Act (FERPA), required by law, or necessary to investigate and resolve a Title IX complaint.

The exercise of rights protected under the First Amendment does not constitute retaliation.

Charging an individual with a violation(s) for making a materially false statement in bad faith in the course of a Title IX complaint proceeding does not constitute prohibited retaliation. However, a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Complaints alleging retaliation in connection with a complaint of prohibited conduct as defined by this policy will be addressed in accordance with this policy.

Complaints alleging retaliation in connection with other policies or laws may be filed in accordance with Collin College’s prompt and equitable grievance procedures. For more information, see Board policies DIAB (LOCAL) and FFDB (LOCAL), and the student and employee disciplinary processes. To view Board policies DIAB (LOCAL) and FFDB (LOCAL), go to [https://pol.tasb.org/Policy/Search/304?filter=retaliation](https://pol.tasb.org/Policy/Search/304?filter=retaliation). For more information on the student disciplinary process, see the Student Code of Conduct located in the current Collin College Student Handbook, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu. For more information on the employee disciplinary process, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

**Examples**
Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
Sex Discrimination
Sex discrimination against a student or employee is defined as conduct directed at a student or employee on the basis of sex or gender that adversely affects the student or employee.

Sexual Assault
Sexual assault is a form of sexual harassment. Sexual assault includes physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol or due to an intellectual or other disability. In accordance with the Clery Act, sexual assault is any sexual act directed at another person, without consent of the victim, including instances where the victim is incapable of giving consent; and includes attempted sexual acts, fondling, incest, rape, and statutory rape.

Sexual Harassment

**Title IX Definition**
In accordance with Title IX, as amended May 19, 2020, sexual harassment means conduct on the basis of sex that satisfies one (1) or more of the following:

1. A Collin College employee conditioning the provision of an aid, benefit, or service of Collin College on an individual’s participation in unwelcome sexual conduct (i.e., quid pro quo sexual harassment);
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Collin College’s education program or activity; or
3. Sexual assault, as defined in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act); and dating violence, domestic violence, or stalking as defined in the Violence Against Women Reauthorization Act of 2013 (VAWA).

Note: Quid pro quo sexual harassment, Clery Act, and VAWA offenses are not evaluated for severity, pervasiveness, offensiveness, or denial of equal educational access because prohibiting such conduct presents no First Amendment concerns and such serious misconduct causes denial of equal educational access.

Sexual Harassment of a Student by an Employee
For purposes of this policy, sexual harassment of a student by a Collin College employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or non-verbal conduct; or other conduct or communication of a sexual nature when:

1. A Collin College employee causes the student to believe that the student must submit to the conduct in order to participate in a Collin College program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct (i.e., quid pro quo harassment);
2. It is based on unwelcome conduct that a reasonable person would determine is so severe, persistent, pervasive, and objectively offensive that it limits or denies the student’s educational access and/or ability to participate in or benefit from Collin College’s educational program; or
3. Any instance of sexual assault, as defined in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act); and dating violence, domestic violence, or stalking as defined in the Violence Against Women Reauthorization Act of 2013 (VAWA).

Note: Quid pro quo sexual harassment, Clery Act, and VAWA offenses are not evaluated for severity, pervasiveness, offensiveness, or denial of equal educational access because such misconduct is considered sufficiently serious to deprive a student of equal access.

Sexual Harassment of a Student by Others
Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or non-verbal conduct when the conduct is so severe, persistent, or pervasive, and objectively offensive that it limits or denies a student’s ability to participate in or benefit from Collin College’s educational program. Physical contact not reasonably construed as sexual in nature is not sexual harassment.

Sexual Harassment of an Employee
For purposes of this policy, sexual harassment is a form of sex discrimination defined as unwelcome sexual advances;
requests for sexual favors; sexually motivated physical, verbal, or non-verbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee’s employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee;
2. It is based on unwelcome conduct that a reasonable person would determine is so severe, persistent, pervasive, and objectively offensive that it has the purpose or effect of unreasonably interfering with the employee’s work performance or creates an intimidating, threatening, hostile, or offensive work environment; or
3. Any instance of sexual assault, as defined in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act); and dating violence, domestic violence, or stalking as defined in the Violence Against Women Reauthorization Act of 2013 (VAWA).

Note: Quid pro quo sexual harassment, Clery Act, and VAWA offenses are not evaluated for severity, pervasiveness, offensiveness, or denial of equal educational access because such misconduct is considered sufficiently serious to deprive a student of equal access.

Examples
Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; offensive or derogatory language of a sexual nature directed at another person; and other sexually motivated conduct, communication, or contact. Examples may also include forms of dating violence, domestic violence, or stalking.

Stalking
In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), the term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others; or suffer substantial emotional distress. For the purposes of this definition:

1. “Course of conduct” means two (2) or more acts including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
2. “Reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim.
3. “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Supportive Measures
Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Supportive measures are designed to restore or preserve equal access to Collin College’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties and Collin College’s educational environment, or deter prohibited conduct. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. Collin College must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality will not impair Collin College’s ability to provide the supportive measures. The appropriate Title IX coordinator or designee is responsible for coordinating the effective implementation of supportive measures.

Safe and Positive Options for Bystander Intervention
Bystander intervention is one of the most effective ways to prevent violence and sexual assault. Bystander intervention occurs when a witness speaks up and/or steps in to stop a potentially dangerous situation. Bystanders often do not
become involved in a situation because they do not know what to do, are worried about their own safety, or think other witnesses will intervene.

The entire campus community plays a vital role in preventing acts that violate Collin College's Core Value of Dignity and Respect. As a friend, classmate, partner, family member, etc., you are in a unique position – you have the power to intervene and stop an incident before it occurs. You can use your power to stop a potentially dangerous situation by knowing your options for safe and positive bystander intervention.

Empowered Bystanders
Empowered bystanders intervene in ways that positively impact the outcome of a potentially dangerous situation. Empowered bystanders:

1. Are mindful of their environments,
2. Recognize when a situation may become violent,
3. Take care of their friends and classmates,
4. Ask their friends and classmates to take care of them,
5. Are empathetic,
6. Familiarize themselves with the resources available on and off campus,
7. Have the Collin College Police Department’s phone number (972.578.5555) programmed into their cellphones,
8. Are motivated to speak up and intervene to stop violence, and
9. Are willing to act.

Additionally, empowered bystanders are supportive allies who:

1. Educate themselves and others about gender inequality, prohibited conduct, the causes of violence, healthy relationships, and consent to sexual activity;
2. Challenge the myths surrounding violence and prohibited conduct;
3. Understand how their attitudes and actions may perpetuate violence, and work toward changing them;
4. Do not make excuses for other people’s inappropriate or potentially dangerous behavior;
5. Do not blame the victim;
6. Gently offer support if they suspect someone close to them has been a victim of violence; and
7. Report incidents of prohibited conduct to the appropriate Collin College or local law enforcement official(s). For more information on reporting procedures, see the Reporting Incidents of Prohibited Conduct section in this document.

Stages of Bystander Intervention
In 1968, Darley and Latané’s seminal work on bystander intervention identified the following five (5) non-linear stages people go through when evaluating whether to intervene in a potentially dangerous situation.1

Stage 1: Notice a Potentially Dangerous Situation
During this stage, it is important to recognize the problematic and high-risk behaviors (e.g., offensive or inappropriate comments, controlling behavior, excessive drinking) that can escalate to a dangerous situation. When your gut instinct or intuition tells you something is wrong, trust that cue.

Stage 2: Identify When It Is Appropriate to Intervene
At this stage, it is important to interpret a situation as a problem in need of intervention and gather more information (e.g., by observing the situation or asking someone else what they are seeing). The first priority in bystander intervention is your own safety. It may not be effective, safe, or appropriate for you to intervene in every potentially dangerous situation; but by identifying problematic behavior you can initiate the safest solution possible.

Stage 3: Recognize Personal Responsibility for Intervention
Ask yourself, “Do I need to act?” It is easy to assume someone else will intervene, especially when there are other bystanders or witnesses present. This phenomenon is called

---

“diffusion of responsibility,” and it is important to not just assume others will intervene so you don’t have to. Even if it seems like the situation is none of your business or someone else will intervene, you may need to step in and act to help make that happen.

Stage 4: Know How to Intervene
It is important to educate yourself on bystander intervention skills and develop a range of strategies that will help you be an effective, empowered bystander. When you know how to intervene safely and appropriately, you will likely be more willing and able to step in and intervene in a potentially dangerous situation.

Stage 5: Take Action to Intervene
It is important to carefully evaluate a potentially dangerous situation, be smart, and think about your own safety before rushing in to intervene. There are many effective options when it comes to intervening. It is important to learn about these different strategies and choose the ones that best fit the situation and your own personal comfort level. Ask yourself the following questions before intervening.

1. Am I concerned about a situation becoming a potential problem?
2. Do I recognize someone who may need help?
3. Do I see others and myself as part of the solution?
4. Do I have a responsibility to act?
5. If the roles were reversed, would I want or need someone to intervene?
6. How can I keep myself and others safe if I intervene?
7. What are all the options available to me for safe and positive bystander intervention in this situation?
   Options may include, but are not limited to:
   a. Creating a distraction,
   b. Interrupting a situation,
   c. Removing others and myself from the situation,
   d. Checking in to make sure friends and any vulnerable individuals make it home safely, and
   e. Speaking out against social norms that support violence.
8. Who else might be able to assist me, including local emergency services (911) and the Collin College Police Department (972.578.5555)?
9. What are the benefits and costs of intervening?

I Got Your Back (IGYB) Bystander Intervention
Collin College’s I Got Your Back (IGYB) Bystander Intervention program is an educational campaign to inform the entire Collin College community about the importance of bystander intervention and how to improve it. IGYB’s purpose is to raise awareness, educate individuals on their roles as bystanders, and make Collin College a safer community for students, faculty, and staff. Through its various initiatives, IGYB aims to teach everyone to be an active, effective bystander.

The IGYB Bystander Intervention Committee has created a series of videos on bystander awareness and intervention. The first and second videos in this series, titled “Have a Heart” and “Empowered Bystanders,” respectively, are linked in several places on Collin College’s website (e.g., Bystander Intervention and Awareness; Counseling Services; District Dean of Students Office; and Dating Violence, Domestic Violence, Sexual Assault, and Stalking: What You Should Know webpages). These videos can also be accessed directly at https://www.youtube.com/watch?v=QnPFwayMS8Y and https://www.youtube.com/watch?v=ilkUvLojOo.

The IGYB Bystander Intervention Committee has also created a webpage titled “Bystander Awareness and Intervention” to house information and various resources related to this issue. This webpage contains accurate, up-to-date information on how to become an empowered bystander as well as links to the bystander intervention video series and various campus and community resources.

For more information and a list of IGYB events, go to www.collin.edu/studentresources/deanofstudents/BystanderIntervention.html.

Risk Reduction Strategies
Risk reduction consists of options designed to decrease perpetration and bystander inaction, increase empowerment in an effort to promote safety, and help individuals and communities address conditions that facilitate violence. Collin College’s primary prevention and awareness programs and ongoing prevention and awareness programs include information on risk reduction strategies that is appropriate for the needs of the Collin College community and does not encourage victim blaming. For more information on Collin College’s prevention and awareness programs, see the Primary Prevention and
Awareness Programs and Ongoing Prevention and Awareness Programs sections in this document.

Risk reduction strategies include, but are not limited to, the following.

1. Trust your intuition. It’s right most of the time. If a situation feels uncomfortable or you are uncertain about something, trust your instincts, remove yourself from the situation, and ask for help.

2. If someone is behaving disrespectfully or making you feel uncomfortable, take steps to remove yourself from the situation early, especially if you are concerned it may become violent.

3. If you feel afraid or threatened, look for a Blue Light emergency phone, call the Collin College Police Department at 972.578.5555, or contact local emergency services at 911.

4. If you feel as though someone may be stalking you, talk to someone who understands these issues (e.g., Collin College Police Department, local law enforcement, District Dean of Students Office, Counseling Services Office or other licensed mental health professional) to help you clarify what’s happening and develop a safety plan.

5. If you are being stalked, tell everyone you know. Ask your friends to keep an eye out for your stalker and report any suspicious or unusual activity to the Collin College Police Department at 972.578.5555 or local law enforcement at 911.

6. Do not second-guess yourself or the intentions of the person attempting to harm you.

7. Know that you have the right to set limits concerning your sexual activity. Make your limits known as early as possible and communicate them clearly and consistently.

8. If you change your mind during sexual activity, speak up and communicate your decision to no longer proceed clearly and firmly. Say something like, "No" or "I want you to stop."

9. If you have indicated you do not want to engage in a particular sexual activity and your partner ignores you, take this as a sign they have no intention of taking your feelings into consideration. This will help you decide what to do next.

10. There is no shame in being a victim. Talk to someone who has knowledge of Collin College and community resources. There are many people on campus and in the community who can help you identify resources and options, and who may be able to reduce the impact on your well-being and help you end the abuse.

11. You have the right to defend your body, personal integrity, and yourself.

12. Your voice and body are your best weapons. Learn effective ways to use them by taking a self-defense class.

13. Have a plan. Tell someone you trust where you are going and when you expect to return. If you go together, leave together. Do not leave a friend behind.

14. In social situations, do not accept food or open beverages, as it can be easy for someone to slip a drug into them without your knowledge. Warn your friends if you see someone tampering with their food or drinks.

15. Take responsibility for your alcohol intake and/or drug use. Using these substances lowers inhibitions and may make you a target.

16. If you feel you have been victimized, find a safe place away from the aggressor and call the police or a community agency, such as a rape crisis center, domestic violence hotline, or hospital.

17. Do not assume, "It can't happen to me."

18. If you see something of concern, say something.

Procedures Victims of Dating Violence, Domestic Violence, Sexual Assault, and Stalking Should Follow
Seek Medical Attention Immediately

Medical exams can address physical needs or trauma and assess for sexually transmitted infections (STIs) or pregnancy. If you request it or if you have already reported the incident to a law enforcement official, a sexual assault nurse examiner (SANE) or doctor will conduct both a forensic and medical exam and collect evidence. Having a forensic exam conducted does not require you to file a police report, proceed through the criminal justice process, or submit a report to Collin College, but it will preserve evidence in the event you decide to do so at a later time. Victims are encouraged to file a police report, proceed through the criminal justice process, or submit a report to Collin College.
if they are comfortable doing so. Note: Victims have the right not to report a crime or to decline to notify authorities, including law enforcement, if they so choose.

For evidence collection to take place, it is best for an exam to occur within five (5) days (i.e., 120 hours) of the incident. It is advised that you do not shower, bathe, douche, eat, drink, wash your hands, change clothes, brush your teeth, smoke, use the toilet, clean the location where the incident occurred, or do anything that may interfere with the collection of evidence. If you do change your clothes, save the clothing you were wearing and be sure to take it with you to the hospital in a paper (not plastic) bag. It is also important to share as much information as you can remember with medical personnel. Learn more about the sexual assault exam process online at www.rainn.org/articles/rape-kit.

Collin County has a mobile SANE team. If you go to any hospital in Collin County, the staff can contact the mobile SANE team, and they will come to that hospital to assist you.

You can receive attention at any medical facility; however, the following local hospitals have specially trained staff to assist survivors of dating violence, domestic violence, sexual assault, and stalking. Victims 17 years of age and under must be seen at a hospital with an approved colposcope. These hospitals are noted with an asterisk (*) below. Collin College does not provide transportation to any of these hospitals.

Keep a Journal
Write down everything you can remember about what occurred including, but not limited to, the events that led up to the incident, date the incident occurred, time the incident occurred, and names of any potential witnesses or persons who may have additional information.

If applicable, keep any emails, harassing letters, online postings, photos, texts, voicemails, etc., as evidence.

Preservation of Evidence
Collin College recognizes that making the decision to report dating violence, domestic violence, sexual assault, and stalking may take time. Nevertheless, pending the decision to report, all individuals are strongly encouraged to take immediate steps to preserve evidence that may assist in proving the alleged criminal offense occurred; be helpful in obtaining a protective order; or assist with an investigation by the police, Collin College, or both, should the victim choose to report the incident. Such evidence may include, but is not limited to, the following:

1. A forensic sexual assault examination completed within five (5) days (i.e., 120 hours) of the incident;
2. Any clothing, sheets, towels, or other materials containing bodily fluids. These items should be stored in cardboard boxes or paper bags, not plastic;
3. Electronic exchanges to the extent that they can be captured or preserved (e.g., emails; text messages; social media posts in Facebook, Instagram, Snapchat, Twitter);
4. Gifts and notes;
5. Photographs, including photographs stored on smartphones, tablets, and other electronic devices;
6. Records of phone calls and voicemail messages; and
7. Any other physical, documentary, or electronic data that might be helpful or relevant in an investigation.

Written Notification of Rights, Options, and Supportive Measures
Collin College will provide written notification to all students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to complainants and respondents both at Collin College and in the community. Additionally, when a student or employee reports to Collin College they have been a victim of prohibited conduct, whether the offense occurred on or off campus, Collin College will provide the student or employee with a written explanation of their rights, options, and supportive measures. This written notification will be provided to the student or employee whether or not they choose to submit a formal complaint of prohibited conduct, and will include, but is not limited to the following information:

1. Procedures victims should follow,
2. Information regarding confidentiality of victims and others,
3. Campus and community victim services,
4. Information regarding accommodations and protective measures, and
5. Procedures for institutional disciplinary action.

In the event a complaint is filed and the appropriate Title IX coordinator or designee determines an investigation should be initiated, supportive measures will also be offered to the respondent.
Collin College’s Complainant’s Rights, Options, and Supportive Measures and Respondent’s Rights and Supportive Measures documents outline steps a complainant or respondent may want to take depending on the services they need. The resources, options, and supportive measures outlined in these documents may be helpful as a complainant or respondent decides the next steps that are best for them. <td><strong>No Contact Order</strong></td>
<td>A no contact order, also known as a “restraining order,” consists of directions from a court specifying that an offender cannot have any direct contact (e.g., email, in person, phone call, text) or indirect contact (e.g., having a third party initiate contact) with the victim. The offender is also instructed to stay a minimum number of feet away from the victim’s home, place of employment, and any places the victim frequents. No contact orders are often issued in cases of domestic violence or assault on a family member. If an offender violates a no contact order, they can face consequences including potential jail time, payment of fines, or the loss of certain civil rights.</td>

A hearing is held, and the judge will determine whether there are reasonable grounds to believe the applicant is a victim of sexual assault, sexual abuse, indecent assault, stalking, trafficking, or another crime of a sexual nature. In cases of stalking, the judge will determine whether there is probable cause that stalking occurred and the offender is likely to stalk again in the future.</td>

Employee Mandatory Reporting Under State Law

Note: Submitting a Mandatory Reporting Form for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking does not constitute filing a formal complaint for the purposes of initiating the Title IX complaint resolution process. To initiate the Title IX complaint resolution process, the complainant must submit a formal complaint to the appropriate Title IX coordinator or deputy Title IX coordinator, as outlined in the Reporting to the Appropriate Title IX Coordinator or Deputy Title IX Coordinator section of this document.

In accordance with the Texas Higher Education Code Section 51.252, a Collin College employee who, in the course and scope of employment, witnesses or receives information regarding the occurrence of an incident that the employee reasonably believes constitutes dating violence, sexual assault, sexual harassment, or stalking as defined in this policy, and is alleged to have been committed by or against a person who was a student enrolled at or an employee of Collin College at the time of the incident, will promptly report the incident to Collin College’s Title IX coordinator or deputy Title IX coordinator. The report must include all information concerning the incident known to the reporting person that is relevant to the investigation and, if applicable, redress of the incident, including whether an alleged victim has expressed a desire for confidentiality in reporting the incident.
In accordance with the Texas Higher Education Code Section 51.252, an employee who is designated by Collin College as a person with whom students may speak confidentially concerning dating violence, sexual assault, sexual harassment, or stalking as defined in this policy, or who receives information regarding such an incident under circumstances that render the employee’s communications confidential or privileged under other law will, in making a report under this section, state only the type of incident reported and may not include any information that would violate a student’s expectation of privacy. This requirement does not affect the employee’s duty to report an incident under any other law.

Exceptions
A Collin College employee is not required to make a report concerning:

1. An incident in which the employee was a victim of dating violence, sexual assault, sexual harassment, or stalking; or
2. An incident in which the employee received information due to a disclosure made at a dating violence, sexual assault, sexual harassment, or stalking public awareness event sponsored by Collin College or by a student organization affiliated with Collin College.

Mandatory Reporting Form
Collin College employees can access the Mandatory Reporting Form for Incidents of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking under the “Crisis Response” channel on the My Workplace tab in CougarWeb, https://cougarweb.collin.edu.

Anonymous Reports
In accordance with the Texas Higher Education Code Section 51.9365, Collin College students and employees can report prohibited conduct anonymously by submitting the online form available at https://c0bkr412.caspio.com/dp/eaab3000c5296cbdad74b438776. However, the submission of an anonymous report may impair Collin College’s ability to investigate and address the prohibited conduct. Additionally, to initiate the Title IX complaint resolution process, complainants cannot remain anonymous.

Alternative Reporting Procedures
A student or employee will not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinators, may be directed to the College District president.

A report under this policy against the College District president may be made directly to the Board of Trustees (Board). If a report is made directly to the Board, the Board will appoint an appropriate person to conduct the investigation.

Timely Reporting
Reports of prohibited conduct should be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair Collin College’s ability to investigate and address the prohibited conduct.

Amnesty Policy for Collin College Students
In accordance with the Texas Higher Education Code Section 51.284, Collin College will give amnesty to (i.e., not take disciplinary action against) a student who reports, in good faith, that the student was the victim of or a witness to an incident of prohibited conduct as defined by this policy. This amnesty policy applies regardless of the location at which the incident occurred or the outcome of Collin College’s disciplinary process regarding the incident, if any. This amnesty policy does not apply to a student who reports their own commission or assistance in the commission of prohibited conduct as defined by this policy.

False Reports and Claims
A Collin College student who intentionally submits a false report, makes a false claim, or offers false statements regarding dating violence, domestic violence, gender-based harassment, sex discrimination, sexual assault, sexual harassment, and/or stalking will be subject to appropriate disciplinary action. Charging an individual with a violation(s) for submitting a false report, making a false claim, or making a materially false statement in bad faith during the course of a Title IX investigation does not constitute retaliation. However, a determination regarding responsibility, alone, is not sufficient to conclude that any party submitted a false report, made a false claim, or made a bad faith materially false statement.
A Collin College employee who intentionally submits a false report, makes a false claim, offers false statements, or refuses to cooperate with a Collin College investigation regarding dating violence, domestic violence, gender-based harassment, sex discrimination, sexual assault, sexual harassment, and/or stalking is subject to appropriate discipline. Charging an employee with a violation(s) for submitting a false report, making a false claim, making a materially false statement, or refusing to cooperate during the course of an investigation regarding prohibited conduct does not constitute retaliation. However, a determination regarding responsibility, alone, is not sufficient to conclude that any party made a false claim or materially false statement.

Collin College’s Mandatory Response Obligations and the Deliberate Indifference Standard

Collin College will respond promptly to sexual harassment, as defined in this policy, in a manner that is not deliberately indifferent, which means a response that is not clearly unreasonable in light of known circumstances, or as otherwise required by applicable Title IX regulations. Collin College’s response obligations include, but are not limited to:

1. Collin College must offer supportive measures to the person making the allegations (i.e., the complainant).
2. The appropriate Title IX coordinator or designee must promptly contact the complainant confidentially to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of supportive measures available with or without filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.
3. Collin College must follow a grievance process that complies with applicable federal Title IX regulations before the imposition of any disciplinary sanctions (or other actions that are not supportive measures) against a respondent.
4. Collin College must not restrict rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment, when complying with applicable federal Title IX regulations and this policy.
5. Under applicable federal Title IX regulations, the Collin College is required to investigate allegations of prohibited conduct as defined in this policy in any formal complaint, which can be filed by a complainant or submitted by a Title IX coordinator.
6. The federal Title IX regulations affirm that a complainant’s wishes with respect to whether Collin College investigates the complaint should be respected, unless the appropriate Title IX coordinator or designee determines that submitting a formal complaint to initiate an investigation against the wishes of the complainant is not clearly unreasonable in light of the known circumstances.
7. Collin College will dismiss the allegations in a formal complaint if such allegations do not meet the definitions of prohibited conduct outlined in this policy or did not occur in Collin College’s education program or activity. However, Collin College may still address the allegations in any manner it deems appropriate (e.g., general investigation for violation of the Student Code of Conduct).

Complainant’s Request Not to Investigate

In accordance with the Texas Higher Education Code Section 51.285, a complainant may request that Collin College not investigate an allegation(s) of prohibited conduct. If a complainant requests Collin College not investigate the alleged incident(s), Collin College may investigate the alleged incident(s) in a manner that complies with the confidentiality requirements under the Texas Higher Education Code Section 51.291. In deciding whether to initiate an investigation, Collin College will consider:

1. The seriousness of the alleged incident(s),
2. Whether Collin College has received other reports of prohibited conduct committed by the alleged perpetrator(s),
3. Whether the alleged incident(s) poses a risk of harm to others, and
4. Any other factor(s) Collin College determines relevant.

Collin College will promptly notify the complainant of the decision regarding whether it will conduct the investigation. If Collin College decides not to investigate the allegation(s), Collin College will take reasonable steps to protect the health and safety of the Collin College community.
Privacy and Confidentiality
To the greatest extent possible, Collin College will respect the privacy of the complainant, respondent, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law. Collin College will complete publicly available recordkeeping, including Clery Act reporting and disclosures, without inclusion of personally identifying information about the complainant. Additionally, Collin College must maintain as confidential any accommodations or supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality will not impair Collin College's ability to provide the accommodations or supportive measures.

Authorization to Obtain Treatment Records
In accordance with federal Title IX regulations, Collin College will not access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless Collin College first obtains the party's voluntary, written consent to do so.

Application of Collin College's Title IX Complaint Resolution Procedures
Collin College has adopted the complaint resolution procedures outlined in this section to comply with Title IX of the Education Amendments of 1972 (Title IX), as amended and published on May 19, 2020, the Clery Act, and the Violence Against Women Reauthorization Act of 2013 (VAWA). The complaint resolution procedures outlined in this section provide for the prompt and equitable resolution of student and employee complaints alleging dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, and stalking (i.e., prohibited conduct). These complaint resolution procedures include information on how to report or file a complaint of prohibited conduct and how Collin College will respond once it has actual notice of an allegation of prohibited conduct.

The complaint resolution procedures outlined in this section apply equally to all Collin College students and employees who are participating in or attempting to participate in Collin College's education program or activity. Additionally, these complaint resolution procedures only apply to prohibited conduct that impacted a person in the United States.

Title IX Informal Resolution Process
The Title IX Informal Resolution Process Flowchart on page 102 provides an overview of Collin College’s Title IX informal resolution process. For more information and specific procedures, see the sections below and the current Title IX Complaint Resolution Process Handbook for Collin College Students and Employees located at www.collin.edu/titleix/.

Receipt of Complaint
Collin College’s Title IX complaint process is initiated by the alleged victim (hereafter referred to as the “complainant”), appropriate Title IX coordinator, or an official with authority to institute corrective measures on behalf of Collin College.

To file a complaint, the complainant can contact the appropriate Title IX coordinator or deputy Title IX coordinator listed in the Reporting to the Appropriate Title IX Coordinator or Deputy Title IX Coordinator section of this document, or submit the online form available at https://c0bkr412.caspio.com/dp/eaab3000c5296cbdadc74b438776.

If reported orally, the complaint will be reduced to writing by the appropriate Title IX coordinator or designee.

The complaint must be signed. If the complainant is not able or willing to sign the complaint, the appropriate Title IX coordinator or designee may sign the complaint in the complainant’s stead.

Supportive Measures
Once Collin College has actual knowledge of an allegation of dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, and/or stalking (hereafter referred to as "prohibited conduct"), the appropriate Title IX coordinator or designee will promptly contact the complainant and offer supportive measures (i.e., appropriate advocacy resources on and off campus).

These supportive measures and resources are available to the complainant whether or not they choose to file a formal complaint.
In the event a complaint is filed and the appropriate Title IX coordinator or designee determines an investigation should be initiated, supportive measures will also be offered to the respondent.

**Initiation of Informal Resolution Process**
*Title IX* permits the voluntary use of an informal resolution process after a formal complaint is filed at any time prior to a final determination being reached in the case. The parties must provide their voluntary consent in writing to participate in an informal resolution process.

Informal resolution is prohibited in any case where an employee is accused of engaging in prohibited conduct against a student.

Collin College will not require the parties to waive their rights to a formal process and agree to informal resolution as a condition of enrollment or employment.

Prior to initiating the informal resolution process, the appropriate Title IX coordinator will provide the parties with the required written notice of the allegations and a description of the parameters of the informal resolution process. This written notice will include a statement that either party is permitted to withdraw from the informal resolution process and resume the formal resolution process at any time prior to a final determination being reached in the case.

**Anticipated Time Frame for Informal Resolution Process**
Collin College will endeavor to expedite all informal resolutions. Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the informal resolution process should be completed within a reasonably prompt time frame. However, Collin College may temporarily delay or grant a limited extension of the time frame for good cause as long as both parties are notified in writing of the delay or extension and the reason(s) for the action.

The anticipated time frame from receipt of the formal complaint through the informal resolution process, culminating with both parties signing the *Informal Resolution Agreement Form*, is 30 College District business days.

**Phase 1 of the Informal Resolution Process: Meeting with Informal Resolution Facilitator**
Collin College will maintain a pool of informal resolution facilitators. The appropriate Title IX coordinator or designee will assign an individual(s) from the pool of informal resolution facilitators to coordinate the informal resolution process.

The informal resolution facilitator will meet separately with both parties and their respective advisors (if the parties elect to provide their own advisors during the informal resolution process) and explain the *Title IX* complaint and informal resolution processes. The informal resolution facilitator will inform the parties that an informal resolution is permissible if both parties choose to participate in and willingly consent to this type of resolution in writing. The informal resolution facilitator will notify both parties that either party is permitted to withdraw from the informal resolution process and resume the formal complaint process at any time prior to a final determination being reached in the case.

Both parties will read and sign the *Consent to Informal Resolution Form* indicating they are voluntarily and willingly consenting to pursue the informal resolution process at this time. This form serves as written notice to both parties that they are permitted to withdraw from the informal resolution process and resume the formal complaint process at any time prior to a final determination being reached in the case. Additionally, this form stipulates that the matter will be closed once a final determination is reached, and informs the parties that the formal process will not be re-initiated once both parties agree to the final determination in writing.

If either party chooses to withdraw from the informal resolution process after signing the *Consent to Informal Resolution Form*, they will be required to read and sign the *Withdrawal from Informal Resolution Notice Form*. This form must be completed prior to a final determination being reached and both parties signing the *Informal Resolution Agreement Form*.

**Phase 2 of the Informal Resolution Process: Informal Resolution Agreement**
After meeting with both parties and their respective advisors (if the parties elect to provide their own advisors during the informal resolution process) separately to ascertain the parameters for an informal resolution agreement, the
informal resolution facilitator will present the Informal Resolution Agreement Form to both parties and clearly explain the informal resolution terms.

Both parties and their respective advisors (if the parties elect to provide their own advisors during the informal resolution process) will be notified simultaneously in writing of the completed Informal Resolution Agreement Form and allowed 10 College District business days to review and respond to the document.

Any edits made to the Informal Resolution Agreement Form by either party and/or the informal resolution facilitator will be simultaneously sent in writing to both parties and their respective advisors (if the parties elect to provide their own advisors during the informal resolution process).

If, after 10 College District business days, both parties agree to the informal resolution terms, including any edits made by either party and/or the informal resolution facilitator during the review period, they will sign the final Informal Resolution Agreement Form. Both parties and their respective advisors (if the parties elect to provide their own advisors during the informal resolution process) will be provided an electronic and hard copy of the signed Informal Resolution Agreement Form for their respective records by the informal resolution facilitator or appropriate Title IX coordinator or designee.

Once the final Informal Resolution Agreement Form is signed, the matter will be closed, the resolution will be non-appealable, and the formal complaint process will not be re-initiated.

**Title IX Formal Resolution Process**

The Title IX Formal Resolution Process Flowchart on pages 103-104 provides an overview of Collin College's Title IX formal resolution process. If reported orally, the complaint will be reduced to writing by the appropriate Title IX coordinator or designee.

The complaint must be signed. If the complainant is not able or willing to sign the complaint, the appropriate Title IX coordinator or designee may sign the complaint in the complainant’s stead.

**Supportive Measures**

Once Collin College has actual knowledge of an allegation of dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, and/or stalking (hereafter referred to as “prohibited conduct”), the appropriate Title IX coordinator or designee will promptly contact the complainant and offer supportive measures (i.e., appropriate advocacy resources on and off campus).

These supportive measures and resources are available to the complainant whether or not they choose to file a formal complaint.

In the event a complaint is filed and the appropriate Title IX coordinator or designee determines an investigation should be initiated, supportive measures will also be offered to the respondent.

**Anticipated Time Frame for Formal Resolution Process**

Collin College will endeavor to expedite all formal complaint investigations and resolutions. Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the formal complaint process should be completed within a reasonably prompt time frame. However, Collin College may temporarily delay or grant a limited extension of the time frame for good cause as long as both parties are notified in writing of the delay or extension and the reason(s) for the action.

- The appropriate Title IX coordinator or designee promptly contacts the complainant and offers the notice of supportive measures (i.e., appropriate advocacy resources on and off campus, as outlined in Collin College’s Written Notification of Rights, Options, and Supportive Measures packet).
- These supportive measures and resources are available to the complainant whether or not they choose to file a formal complaint.
- In the event a formal complaint is filed and the appropriate Title IX coordinator or designee determines an investigation should be initiated, supportive measures are also offered to the respondent.

### Determination to Proceed with an Investigation
- The appropriate Title IX coordinator or designee determines whether the allegation(s): 1. occurred while participating in or attempting to participate in Collin College’s education program or activity, 2. impacted a person in the United States, and/or 3. if proven, would meet the definition of prohibited conduct.
- If the allegations meet the criteria defined above, the appropriate Title IX coordinator or designee assigns an appropriate individual(s) to investigate the complaint.
- If the allegation(s) should be addressed through another Collin College process, the appropriate Title IX coordinator or designee forwards the complaint to the appropriate party.
- If the allegations do not meet one (1) or more of the criteria listed under above, the complaint is dismissed. Additionally, Collin College may dismiss a complaint at any time if: 1. the complainant would like to withdraw the complaint, 2. the respondent is no longer enrolled at or employed by Collin College, or 3. specific circumstances prevent Collin College from gathering evidence sufficient to reach a determination.

### Investigation
- The respondent is presumed to be not responsible for the alleged misconduct until a written determination is made at the conclusion of the Title IX complaint process.
- The burden of gathering evidence and burden of proof falls on the investigator, not the parties.
- The investigator notifies the parties of their rights and options.
- The investigator meets separately with each party and their respective advisors (if the parties elect to provide their own advisors during this phase).
- The investigator meets separately with each witness.
- The investigator engages in an individualized safety and risk analysis to determine whether interim action(s) are appropriate and may recommend interim action(s) to the appropriate Title IX coordinator or designee. If the interim action(s) include a removal (e.g., temporary immediate suspension, temporary removal from Collin College Student Housing, temporary employee administrative leave, etc.), the respondent has the right to challenge the interim action(s) immediately after the removal.
Title IX Formal Resolution Process Flowchart (Continued)

This flowchart is an overview of the Title IX formal resolution process. For specific procedures, see the current Title IX Complaint Resolution Process Handbook for Collin College Students and Employees located at www.collin.edu/titleix/.

Investigation Report

- At the conclusion of the investigation, the investigator writes an Investigation Report that fairly summarizes the investigation and includes all evidence.
- The investigator sends the parties and their respective advisors (if the parties elect to provide their own advisors during this phase) the Investigation Report in electronic format or hard copy, and gives them 10 days to respond to the document prior to finalizing it.
- The investigator finalizes the Investigation Report at least 10 days prior to the live hearing.
- The investigator notifies the parties and their respective advisors (if the parties elect to provide their own advisors during this phase) simultaneously in writing of the final Investigation Report, and sends a copy of the document to them in electronic format or hard copy.

Live Hearing

- The investigation is followed by a live hearing.
- If a party is unable to obtain an advisor, the appropriate Title IX coordinator or designee assigns an appropriate advisor to the party for the purpose of conducting cross-examination for the party during the live hearing.
- The appropriate Title IX coordinator or designee notifies the parties and their respective advisors simultaneously in writing of the date, time, and place of the live hearing.
- Specific procedures for the live hearing, including time limits for statements, rebuttal, and cross-examination, will be provided to the parties and their respective advisors prior to the live hearing.
- The appropriate Title IX coordinator or designee assigns an individual(s) from the pool of hearing officers to conduct the live hearing.
- The hearing officer deliberates on the evidence, determines responsibility using the preponderance of the evidence standard (i.e., more likely than not to have occurred), and composes a Written Determination of Responsibility.

Appeal

- Either the complainant or respondent may appeal the hearing officer’s determination within 10 College District business days on the following grounds: 1. procedural irregularity that affected the outcome, 2. new evidence not reasonably available that could affect the outcome, or 3. conflict of interest or bias by Collin College’s participants that affected the outcome.
- The appropriate Title IX coordinator or designee notifies the non-appealing party the other party has appealed and allows them to submit a written statement in response.
- The appropriate Title IX coordinator or designee assigns the appropriate vice president or designee to serve as the appeal decision-maker.
- The appropriate vice president or designee deliberates on the evidence, makes a determination using the preponderance of the evidence standard (i.e., more likely than not to have occurred), and composes an Appeal Determination.

Expulsion and Termination Appeals

- In cases where expulsion of a student or termination of an employee is recommended, either party may appeal by submitting a written request to the appropriate Title IX coordinator or designee within 10 College District business days of the appeal decision-maker’s determination.
- The appropriate Title IX coordinator or designee notifies the non-appealing party the other party has appealed and allows them to submit a written statement in response.
- The appropriate Title IX coordinator or designee forwards all information regarding the case to the College District president or designee.
- The College District president or designee deliberates on the evidence and makes a determination to affirm, modify, remand, or reverse the recommendation for expulsion or termination.
- The College District president or designee’s decision is final and non-appealable.
The anticipated time frame from receipt of the formal complaint through the investigation and live hearing phases, culminating with the hearing officer’s Written Determination of Responsibility, is 60 College District business days.

The anticipated time frame for the appeal process phase, culminating with the appeal decision maker’s Appeal Determination or the College District president or designee’s decision (in cases where Expulsion of a student or Termination of an employee is recommended), is 45 College District business days.

Phase 1 of the Formal Resolution Process: Determination to Proceed with an Investigation
The appropriate Title IX coordinator or designee will determine whether the allegation(s):

1. Occurred while participating in or attempting to participate in Collin College’s education program or activity;
2. Impacted a person in the United States; and/or
3. If proven, would meet the definition of prohibited conduct.

The alleged conduct must be so severe, pervasive, or objectively offensive that it limits or denies a student’s ability to participate in or benefit from an educational program or activity. Note: Quid pro quo harassment, Clery Act, and VAWA offenses are not evaluated for severity, pervasiveness, or offensiveness, or denial of equal educational access because such misconduct is sufficiently serious to deprive a student of equal access.

If the allegations in the complaint meet the criteria defined above, the appropriate Title IX coordinator or designee will assign an appropriate individual(s) to investigate the complaint.

If the allegation(s) should be addressed through another Collin College process, the Title IX coordinator or designee will forward the complaint to the appropriate party.

Dismissal of Complaint
If the allegations in the formal complaint do not meet one (1) or more of the criteria listed above, the complaint will be dismissed. Additionally, Collin College may dismiss a complaint at any time if:

1. The complainant would like to withdraw the complaint;
2. The respondent is no longer enrolled at or employed by Collin College; or
3. Specific circumstances prevent Collin College from gathering evidence sufficient to reach a determination.

If a complaint is dismissed for any of the aforementioned reasons, the appropriate Title IX coordinator or designee will notify the parties in writing of the reason(s) for the dismissal.

Even if a formal complaint is dismissed for any of the aforementioned reasons, the appropriate Title IX coordinator or designee may refer the alleged incident to the student disciplinary process or employee general complaint process for appropriate investigation and resolution. For more information on the student disciplinary process, contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu. For more information on the employee general complaint process, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

Appealing the Complaint Dismissal
Either the complainant or respondent may appeal any dismissal of the complaint on the following grounds by submitting a written request to the appropriate Title IX coordinator or designee:

1. Procedural irregularity that affected the outcome;
2. New evidence not reasonably available that could affect the outcome; and/or
3. Conflict of interest or bias by Collin College’s participants that affected the outcome.

The non-appealing party will be notified the other party has appealed and will be allowed to submit a written statement in response.

Dismissal of Complaint Appeal Procedures
The appropriate Title IX coordinator or designee will assign an individual(s) from the pool of hearing officers to conduct the dismissal of complaint appeal. For more information on hearing officers, see the Hearing Officer section under Phase 3 of the Formal Complaint Process: Live Hearing below.

The hearing officer will be free from conflicts of interest or bias for or against the parties.
The hearing officer will conduct a prompt, fair, impartial, unbiased, and equitable process from receipt of the dismissal of complaint appeal to the submission of the Decision Regarding Dismissal of Complaint Appeal.

The appropriate Title IX coordinator or designee will forward all information regarding the formal complaint, reason(s) for dismissal, appeal of the dismissal, and the non-appealing party’s written statement to the hearing officer.

The hearing officer will review the documentation and may, at their discretion, meet separately with the complainant and/or respondent.

The hearing officer will consider whether the dismissal of the complaint is appropriate, and will write a rationale explaining their decision. The hearing officer will then notify the parties and appropriate Title IX coordinator or designee in writing whether the dismissal of the complaint is upheld or overturned.

If the dismissal of the complaint is overturned, the appropriate Title IX coordinator or designee will re-initiate the Title IX complaint resolution process at the appropriate level. The Title IX complaint resolution process will resume at the same point it ended when the complaint was dismissed.

If the dismissal of the complaint is upheld, the hearing officer’s determination is final and non-appealable. However, the appropriate Title IX coordinator or designee may still refer the alleged incident to the student disciplinary process or employee general complaint process for appropriate investigation and resolution. For more information on the student disciplinary process, contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu. For more information on the employee general complaint process, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

Phase 2 of the Formal Resolution Process: The Investigation Investigator
Collin College will maintain a pool of investigators consisting of members of the District Dean of Students Office and any other appropriately trained investigators designated by Collin College. The appropriate Title IX coordinator or designee will assign an individual(s) from the pool of investigators to investigate the complaint.

All investigators will receive appropriate training on at least an annual basis to function in this role.

The investigator will be free from conflicts of interest or bias for or against the complainant or respondent (hereafter referred to as “the parties”).

The investigator will conduct a prompt, fair, impartial, unbiased, and equitable process from the initial investigation to the submission of the Investigation Report.

Throughout the investigation, the burden of gathering evidence and burden of proof will fall on Collin College and the investigator, not the parties.

Initiating the Investigation
The investigator will send an initial written notice containing details of the complaint and allegation(s) to both parties at the onset of the investigation.

The respondent will be presumed to be not responsible for the alleged prohibited conduct until a written determination is made at the conclusion of the Title IX complaint process. This presumption will be stated in the initial written notice provided to both parties at the onset of the investigation.

Advisors’ Roles During the Investigation Phase
In accordance with Title IX, both parties will have equal right to be accompanied by an advisor of their choice to interviews, meetings, and hearings with the investigator. Collin College will not provide an advisor for either party during this phase of the Title IX complaint process. Collin College retains the right to limit the role of both parties’ advisors in interviews, meetings, and hearings with the investigator.

Interim Action(s) and Temporary Removal(s)
If, after engaging in an individualized safety and risk analysis, the investigator determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegation of prohibited conduct justifies the temporary removal of the respondent, the investigator may recommend interim action(s) to the appropriate Title IX coordinator or designee. If the appropriate Title IX coordinator or designee approves the interim action(s), the investigator will provide the respondent with written notice of the interim action(s).
The investigator will meet with the respondent to discuss and explain the interim action(s). If the interim action(s) include a temporary removal (e.g., Temporary Immediate Suspension, temporary removal from Collin College Student Housing, temporary employee administrative leave):

1. The investigator will explain to the respondent their right to challenge the interim action(s) immediately after the temporary removal.
2. The investigator will provide to the respondent the Notice to Challenge a Temporary Removal form.

If the respondent chooses to challenge the temporary removal and completes the Notice to Challenge a Temporary Removal form, the investigator will submit it to the designated removal challenge officer (RCO) along with a brief rationale explaining the individualized safety and risk analysis utilized to arrive at the interim action(s). The RCO will review the documentation, consider whether the removal is appropriate, and write a rationale explaining their decision. The RCO will then notify the parties and investigator in writing whether the removal is upheld or overturned.

Investigative Interviews, Meetings, or Hearings
The investigator will meet separately with the parties, their respective advisors (if the parties elect to provide their own advisors during this phase), and witnesses.

The investigator will send written notice of any investigative interviews, meetings, or hearings to both parties and afford them sufficient time to prepare for these events.

During the initial interview, meeting, or hearing, with the parties and their respective advisors (if the parties elect to provide their own advisors during this phase), the investigator will:

1. Notify the parties and their respective advisors (if the parties elect to provide their own advisors during this phase) of their rights and options, including their right to file a complaint with the U.S. Department of Education Office for Civil Rights (OCR);
2. Explain the preponderance of the evidence standard (i.e., more likely than not to have occurred);
3. Provide a list of potential disciplinary sanctions and remedies. The investigator will review and explain this document and answer any questions regarding the potential disciplinary sanctions and remedies; and
4. Explain the informal resolution provisions outlined in the Title IX Informal Resolution Process section of this document.

The parties will have equal opportunity to present witnesses (including both fact and expert witnesses), inculpatory evidence (i.e., evidence that can establish an individual’s involvement in an act or guilt), and exculpatory evidence (i.e., evidence that can exonerate an individual).

The investigator will not restrict the ability of either party or their respective advisors (if the parties elect to provide their own advisors during this phase) to discuss the allegations and gather or present relevant evidence.

Investigation Report
At the conclusion of the investigation, the investigator will write an Investigation Report that fairly summarizes the investigation and includes all evidence directly related to the allegations. The investigator will send the parties and their respective advisors (if the parties elect to provide their own advisors during this phase) the Investigation Report in electronic format or hard copy, and will give them 10 days to inspect, review, and respond to the document prior to finalizing it.

The investigator will complete the finalized Investigation Report at least 10 College District business days prior to the live hearing. The parties and their respective advisors (if the parties elect to provide their own advisors during this phase) will be notified simultaneously in writing of the final investigation findings, and a copy of the finalized Investigation Report will be sent to them in electronic format or hard copy by the investigator or appropriate Title IX coordinator or designee.

Phase 3 of the Formal Resolution Process: Live Hearing
The investigation will be followed by a live hearing.

The parties and their respective advisors will be notified simultaneously in writing of the date, time, and place of the live hearing.
If a party is unable to obtain an advisor for the live hearing, Collin College will provide one (1) free of charge for the purpose of conducting cross-examination for the party. The appropriate Title IX coordinator or designee will assign an appropriate advisor to the party for the live hearing.

**Hearing Officer**

The hearing officer will serve as the first decision maker in the formal Title IX complaint process.

Collin College will maintain a pool of appointed hearing officers. The hearing officers will not be the Title IX coordinators, deputy Title IX coordinators, investigators, or hearing officer who made a determination in the complaint dismissal appeal, if applicable.

The appropriate Title IX coordinator or designee will assign an individual(s) from the pool of hearing officers to conduct the live hearing.

All hearing officers will receive appropriate training on at least an annual basis to function in this role.

The hearing officer will be free from conflicts of interest or bias for or against the parties.

The hearing officer will conduct a prompt, fair, impartial, unbiased, and equitable process from the live hearing to the submission of the **Written Determination of Responsibility**.

**Live Hearing Procedures**

Specific procedures for the live hearing, including time limits for statements, rebuttal, and cross-examination, will be provided to the complainant, respondent, and their respective advisors prior to the live hearing.

The live hearing will be conducted by the hearing officer on the specified date and time to hear from the complainant, respondent, their respective advisors, and witnesses. Live hearings will be conducted in a designated room at the Collin Higher Education Center (CHEC), McKinney Campus, Plano Campus, or another location designated by Collin College.

At either party’s request, the hearing officer will provide the parties with separate rooms and the use of appropriate technology so the hearing officer, the parties, and their respective advisors can simultaneously see and hear all questions.

The hearing officer must make an audio recording, video recording, or transcript of the live hearing. The hearing officer will make the audio recording, video recording, or transcript available to the parties for inspection and review after the conclusion of the live hearing.

The hearing officer will permit each party’s advisor to ask the other party and all witnesses any relevant questions and follow-up questions, including those bearing on credibility. Cross-examination will be conducted directly, orally, and in real time by the parties’ respective advisors and never by the parties personally.

Advisors’ roles will not be limited when cross-examination is permitted during the live hearing. However, the hearing officer has the responsibility to determine the relevancy of questions and explain in real time any decision not to permit a question. Questions and evidence concerning a complainant’s sexual predisposition or prior sexual behavior are irrelevant and not permitted, unless these questions are offered to prove that someone other than the respondent committed the alleged misconduct or to prove consent.

A party or witness may refuse to submit to cross-examination during the live hearing. If a party or witness does not submit to cross-examination during the live hearing, that individual’s statements may be relied on by the hearing officer in reaching a determination regarding responsibility. Collin College is not permitted to draw an adverse inference based on the mere fact that an individual refused to submit to cross-examination.

**Written Determination of Responsibility**

After the live hearing, the hearing officer will deliberate on the evidence provided and determine responsibility using the preponderance of the evidence standard (i.e., more likely than not to have occurred). The hearing officer will compose a **Written Determination of Responsibility** which will:

1. Identify the allegation(s) at issue;
2. Describe the procedural steps taken throughout the case;
3. Detail the findings of fact supporting the hearing officer’s determination;
4. Enumerate the conclusions regarding application of Collin College’s Title IX policy;
5. Contain a detailed statement and rationale as to the determination for each allegation;
6. Clearly state any disciplinary sanctions being imposed (or recommended in the case of Expulsion of a student or Termination of an employee) on the respondent and any remedies that must be provided to the complainant; and
7. Describe the procedures and permissible grounds for appeal.

The hearing officer or appropriate Title IX coordinator or designee will send the Written Determination of Responsibility simultaneously to the parties and their respective advisors in electronic format or hard copy along with information about how to file an appeal.

The Written Determination of Responsibility will become final when:

1. The stated time period to file an appeal has passed for both parties and neither party appeals, or
2. The parties are notified that the hearing officer’s determination was upheld after the appeal process has been exhausted for both parties.

Potential Penalties Imposed on a Respondent
The hearing officer may impose the following penalties on a student respondent or other penalties, as appropriate.

1. Reprimand: A verbal or written warning to the student following a rule violation. Repetition of such misconduct may result in more severe disciplinary action.
2. Restitution: Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.
3. Educational Project Experience (EPE): An assignment or experience allowing the student to learn specific behaviors or lessons related to the student’s conduct and the specifics of the student’s disciplinary case. EPEs offered by Collin College include, but are not limited to, awareness seminars, essays or written assignments, and online learning modules.
4. Conditional Probation for One (1) Calendar Year, Two (2) Calendar Years, or Three (3) Calendar Years: The placing of a student on notice that continued infraction of regulations may result in Suspension or Expulsion from Collin College. Conditional Probation may include restrictions on a student’s rights and privileges or specified community service. The Conditional Probation may be for a specified length of time or an indefinite period according to the relative severity of the infraction or misconduct. Failure to fulfill the terms of the Conditional Probation may lead to Suspension or Expulsion.
5. Suspension for One (1) Regular Long Semester (i.e., Fall or Spring), One (1) Calendar Year, Two (2) Calendar Years, Three (3) Calendar Years, or Four (4) Calendar Years: Forced withdrawal from Collin College for either a definite period of time or until stated conditions have been met. Normally, Suspension will extend through a minimum of one (1) regular long semester (with summer sessions not counting in the one [1] semester minimum time lapse). However, Suspension may exceed the one (1) semester minimum.
6. Recommendation for Expulsion: Permanent forced withdrawal from Collin College. A student receiving Expulsion will have the action noted in the student’s permanent record.

For additional information regarding penalties for student misconduct, see the Student Code of Conduct located in the current Collin College Student Handbook, Board policy FM (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=fm, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

The hearing officer may impose the following penalties on an employee respondent or other penalties, as appropriate.

1. Coaching and Counseling
2. Written Disciplinary Action
3. Unpaid Administrative Leave
4. Recommendation for Termination
For additional information regarding penalties for employee misconduct, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

**Procedures for Investigating Complaints of Dating Violence, Domestic Violence, Sexual Assault, and Stalking That Do Not Meet Title IX Requirements**

If a formal complaint of dating violence, domestic violence, sexual assault, or stalking does not meet the requirements for investigation and resolution through the Title IX complaint resolution process, the appropriate Title IX coordinator or designee may forward the complaint to the student disciplinary process or employee general complaint process for appropriate investigation and resolution.

**Student Disciplinary Process**

When a Collin College student is named as the respondent in a formal complaint of dating violence, domestic violence, sexual assault, or stalking that does not meet the requirements for investigation and resolution through the Title IX complaint resolution process, the appropriate Title IX coordinator or designee may forward the complaint to the student disciplinary process for appropriate investigation and resolution. In these instances, Collin College will follow the procedures listed in Board policies FM (LOCAL) and FMA (LOCAL) and current the *Student Code of Conduct* to investigate and resolve the matter.

The *Student Disciplinary Process Flowchart* on page 114, provides an overview of the actions taken at each step during the student disciplinary process. This document is also located online at https://www.collin.edu/studentresources/deanofstudents/student_conduct_pdf_documents/Disciplinary%20Process%20Flowchart.pdf.

For more information and specific procedures, see the *Student Code of Conduct* located in the current Collin College Student Handbook, Board policies FM (LOCAL) and FMA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter-discipline, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

**Anticipated Time Frame for Student Disciplinary Process**

Collin College will endeavor to expedite all student disciplinary investigations and resolutions. Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the student disciplinary process should be completed within a reasonably prompt time frame. However, Collin College may temporarily delay or grant a limited extension of the time frame for good cause as long as both parties are notified in writing of the delay or extension and the reason(s) for the action.

The anticipated time frame for the District Dean of Students Office to complete its student disciplinary investigation is 30 College District business days. The anticipated time frame for completion of the student disciplinary appeal process is 45 College District business days.

**Reports of Alleged Misconduct**

Collin College faculty and staff will submit an alleged violation(s) of Collin College policies and procedures, including the rules for student conduct (see *Chapter 9: Student Code of Conduct Violations* in the *Student Code of Conduct* located in the current Collin College Student Handbook), committed by a student to the District Dean of Students Office within a reasonable time following an alleged incident. For the purpose of this policy, “a reasonable time” means within 10 College District business days of the alleged incident or, in the case of scholastic dishonesty, within 10 College District business days of the date the
instructor reviews the assignment in question. The allegation(s) must be submitted in writing by completing the
Student Incident Report Form online at https://k1.caspio.com/dp.asp?AppKey=eaab3000114b800ca9d8443991b1, and must describe the violation(s) and any surrounding facts.

The dean of students or designee will investigate the matter, as appropriate.

**Exception**
Reports of dating violence, domestic violence, gender-based harassment, retaliation, sexual assault, sex discrimination, sexual harassment, and stalking will be submitted in accordance with Board policies DIAA (LOCAL) and/or FFDA (LOCAL), as appropriate. For more information, see Board policies DIAA (LOCAL) and FFDA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=title%20ix, the Student Code of Conduct located in the current Collin College Student Handbook, and the Reporting Incidents of Prohibited Conduct section in this document.

**Dismissal of Allegation**
If an allegation is deemed to be unfounded, the dean of students or designee will dismiss the allegation and will provide the student written notice that the allegation of misconduct was made against the student and that the allegation was dismissed.

**Notifying the Student**
If the dean of students or designee determines the allegation warrants further consideration, the dean of students or designee will summon the student for a notification conference to be held within a reasonable time, not to exceed 10 College District business days, following receipt of the allegation of misconduct.

The communication will describe the alleged violation(s), provide information regarding the purpose for the notification conference, and give additional instructions to the student, as appropriate. The communication will be sent to the student through one (1) or more of the following methods:

1. A letter mailed to the student’s address as listed with the admissions area in the Student and Enrollment Services Office. The student is responsible for keeping the admissions area in the

Student and Enrollment Services Office apprised of their current home address;

2. A written communication sent to the student’s Collin Email account;

3. A letter hand-delivered by the dean of students or designee. The dean of students or designee will document the date, time, and place of hand-delivery; and/or

4. A sealed letter given to one (1) of the student’s professors for delivery at the end of class. The professor will be instructed to return the letter to the District Dean of Students Office immediately after the class if the student is not in attendance.

**Observers at Disciplinary Proceedings**
The student may appear at any disciplinary meeting(s) or appeal hearing(s) with an advisor, family member, or legal counsel (i.e., an observer). However, only the student may speak on their behalf. Should the student choose to appear with legal counsel, the student must notify the dean of students or designee no less than three (3) College District business days prior to the disciplinary meeting(s) or appeal hearing(s) in order for the dean of students or designee to also secure legal counsel.

**Recording Disciplinary Proceedings**
The student may make an audio recording of any disciplinary meeting(s) or appeal hearing(s). If the student intends to record any disciplinary meeting(s) or appeal hearing(s), the student will inform the dean of students or designee prior to the start of the meeting(s) or appeal hearing(s). In these instances, the dean of students or designee will also make an audio recording of the disciplinary meeting(s) or appeal hearing(s). The student and Collin College may each request a copy of the other’s audio recording. Any other recording, electronic, digital media, telecommunication, and/or wearable devices (e.g., laptops, phones, smartwatches, Fitbits, Bluetooth devices, tablets) not previously approved by the dean of students or designee must be completely turned off (not in silent or vibrate mode) during any disciplinary meeting(s) or appeal hearing(s).
**Student Disciplinary Process Flowchart**

This flowchart is an overview of the student disciplinary process. For specific procedures, see the Student Code of Conduct located in the current Collin College Student Handbook.

- The *Student Incident Report* is assigned to a Dean of Students Office (DSOS) case adjudicator.
- The DSOS case adjudicator reviews the *Student Incident Report* and initiates the disciplinary process.
- The DSOS case adjudicator contacts the person who originated the *Student Incident Report*, gathers and reviews the documentation, and interviews potential witnesses.

*Notification Conference*

- The DSOS case adjudicator sends a notification letter to the student instructing them to schedule a notification conference. If the student does not respond to the first notification letter within 7 College District business days, a second notification letter is sent to the student with a deadline by which they must respond.
- The purpose of the notification conference is to: 1. discuss the alleged *Student Code of Conduct* violation(s); 2. afford the student the opportunity to respond to the allegations; 3. review the *Student Code of Conduct*; and 4. receive clarification about students’ rights and the disciplinary process. The DSOS case adjudicator will also review the *Student Incident Report* and documentation obtained during the investigation.
- If the student fails to respond to the notification letter(s) and/or fails to attend a notification conference, the DSOS case adjudicator will proceed through the disciplinary process.

*Administrative Decision*

- Once the investigation is complete, the DSOS case adjudicator will use the "preponderance of the evidence" standard (i.e., more likely than not to have occurred) to determine whether the *Student Code of Conduct* was violated.
- In some instances, the case may be resolved informally. If the case is not resolved informally, the student will either be found responsible or not responsible for violating the *Student Code of Conduct* for each of the allegations listed in the notification letter(s).
- All decisions are given to the student in writing. This is called the administrative decision.

**Student Appeals**

If the student chooses to appeal the administrative decision, they must submit the Disciplinary Appeal Request Form on or before the 10th College District business day following the administrative decision. The Disciplinary Appeals Committee (DAC) will be convened to hear the case. The DAC’s decision may be appealed to the designated Leadership Team member.

The designated Leadership Team member may act to affirm, modify, remand, or reverse the DAC’s decision. The designated Leadership Team member’s decision is final and non-appealable, except when recommendation for expulsion is affirmed by the designated Leadership Team Member.

If the designated Leadership Team member affirms the expulsion recommendation, the student may appeal to the College District President or designee. The College District President or designee’s decision is final and non-appealable, except when considering expulsion revocation requests.

**Student Accepts**

A student who chooses to accept the administrative decision will sign an Acceptance of the Administrative Decision Statement indicating they understand:

1. the *Student Code of Conduct* violation(s),
2. the disciplinary penalty or penalties imposed; and
3. that by signing the Acceptance of the Administrative Decision Statement they voluntarily waive the right to appeal.

The statement must be signed no later than 10 College District business days following the administrative decision. Once the statement is signed, the administrative decision will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

**Student Takes No Action**

If the student does not sign the Acceptance of the Administrative Decision Statement or submit the Disciplinary Appeal Form by the stated deadline, the DSOS case adjudicator’s administrative decision will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.
Notification Conference
At the notification conference, the dean of students or designee will inform the student of the allegation(s) and provide the student an opportunity to respond and submit applicable documentation or evidence for consideration by the dean of students or designee.

During the notification conference, the dean of students or designee will review the information in the Student Code of Conduct related to the case and the documentation obtained during the investigation. The purpose of the notification conference is to hear and receive information and/or other evidence from the student.

The dean of students or designee may proceed with the disciplinary process and determine an appropriate disciplinary penalty or penalties if the student fails, without good cause, to comply with instructions in the notification letter(s) or otherwise fails to attend a scheduled meeting.

Administrative Decision

Standard of Evidence
The dean of students or designee will use the “preponderance of the evidence” standard (i.e., more likely than not to have occurred) when determining whether a student committed misconduct that violates the Student Code of Conduct, Board policies, laws, and/or Collin College procedures.

Not Responsible Administrative Decision
After conferring with the student, if the dean of students or designee determines the student did not commit a violation, the student will be found not responsible and will not be issued a disciplinary penalty. For more information, see the Potential Penalties for Student Misconduct section in this document. The student will be provided written notice of the not responsible administrative decision. A not responsible administrative decision from the dean of students or designee will be final and binding.

Informal Resolution
If the dean of students or designee determines that addressing the allegation(s) informally is more appropriate, the dean of students or designee will recommend an information resolution of the allegation(s). The dean of students or designee may recommend behavioral directives to support compliance with Collin College’s Student Code of Conduct. If the student agrees to comply with all recommended behavioral directives, the dean of students or designee will issue an Informal Resolution Agreement and the student will not be issued a disciplinary penalty. For more information, see the Potential Penalties for Student Misconduct section in this document.

As part of the Informal Resolution Agreement, the student will be required to sign an Acknowledgment Statement indicating the student will comply with the Student Code of Conduct for the designated time or for the remainder of their attendance at Collin College. Once the Acknowledgment Statement is signed, the Informal Resolution Agreement will be final, binding, and the student will not be allowed to appeal the informal resolution.

Formal Administrative Decision and Misconduct Warranting a Disciplinary Penalty
If the dean of students or designee determines the student committed misconduct that warrants a penalty or penalties, the dean of students or designee will provide the student a written administrative decision with notice of the penalty or penalties and the student’s options, including the right to appeal to the Disciplinary Appeals Committee (DAC). For more information, see the Potential Penalties for Student Misconduct section in this document.

Student Chooses to Appeal the Administrative Decision
If the student chooses to appeal the administrative decision of the dean of students or designee, they must submit the Disciplinary Appeal Request Form contained in the administrative decision documents on or before the tenth College District business day following the administrative decision. Once the deadline for filing an appeal has passed, the administrative decision of the dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Student Chooses to Accept the Administrative Decision
A student who chooses to accept the administrative decision rendered by the dean of students or designee will sign an Acceptance of the Administrative Decision Statement indicating they understand:
1. The Student Code of Conduct violation(s),
2. The disciplinary penalty or penalties imposed, and
3. That by signing the *Acceptance of the Administrative Decision Statement* they voluntarily waive the right to appeal.

The *Acceptance of the Administrative Decision Statement* must be signed no later than 10 College District business days following the administrative decision. Once *Acceptance of the Administrative Decision Statement* is signed, the administrative decision of the dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

**Student Chooses to Take No Action**
If the student does not sign the *Acceptance of the Administrative Decision Statement* or submit the *Disciplinary Appeal Request Form* by the stated deadline, the administrative decision of the dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

**Potential Penalties for Student Misconduct**
A student will be subject to discipline for violations of Collin College policies and procedures, including the rules outlining expectations for student conduct. For more information, see Board policy FLB (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=flb and the *Student Code of Conduct* located in the current *Collin College Student Handbook*. If a student commits an infraction or engages in misconduct, including, but not limited to, dating violence, domestic violence, sexual assault, and/or stalking, Collin College may impose one (1) or more of the following types of penalties.

1. **Reprimand**: A verbal or written warning to the student following a rule violation. Repetition of such misconduct may result in more severe disciplinary action.

2. **Restitution**: Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.

3. **Educational Project Experience (EPE)**: An assignment or experience allowing the student to learn specific behaviors or lessons related to the student’s conduct and the specifics of the student’s disciplinary case. EPEs offered by Collin College include, but are not limited to, awareness seminars, essays or written assignments, and online learning modules.

4. **Conditional Probation for One (1) Calendar Year, Two (2) Calendar Years, or Three (3) Calendar Years**: The placing of a student on notice that continued infraction of regulations may result in Suspension or Expulsion from Collin College. Conditional Probation may include restrictions on a student’s rights and privileges or specified community service. The Conditional Probation may be for a specified length of time or an indefinite period according to the relative severity of the infraction or misconduct. Failure to fulfill the terms of the Conditional Probation may lead to Suspension or Expulsion.

5. **Suspension for One (1) Regular Long Semester (i.e., Fall or Spring), One (1) Calendar Year, Two (2) Calendar Years, Three (3) Calendar Years, or Four (4) Calendar Years**: Forced withdrawal from Collin College for either a definite period of time or until stated conditions have been met. Normally, Suspension will extend through a minimum of one (1) regular long semester (with summer sessions not counting in the one [1] semester minimum time lapse). However, Suspension may exceed the one (1) semester minimum.

6. **Expulsion**: Permanent forced withdrawal from Collin College. A student receiving Expulsion will have the action noted in the student’s permanent record.

Procedures to Submit an Appeal
A student who is issued a disciplinary penalty or penalties has the right to appeal the dean of students or designee’s administrative decision, as outlined in the Student Code of Conduct located in the current Collin College Student Handbook. To initiate the disciplinary appeals process, the student must submit the Disciplinary Appeal Request Form contained in the administrative decision documents on or before the tenth College District business day following the administrative decision.

Concerns or complaints that are more appropriately addressed through another Collin College grievance process or policy (e.g., academic suspension appeals, complaints under instructional programs or core performance standards, financial aid appeals, grade appeals, Title IX complaints) will not be addressed through the disciplinary appeals process.

Disciplinary Appeals Committee (DAC)
The Disciplinary Appeals Committee (DAC) will be convened at the request of a student appealing the formal administrative decision and/or disciplinary penalty or penalties imposed by the dean of students or designee. The student’s request must be submitted in writing within 10 College District business days of the date of the dean of students or designee’s written administrative decision. For more information, see the Procedures to Submit an Appeal section in this document.

DAC’s Determination to Proceed with Appeal Hearing
Upon receipt of the student’s request for a disciplinary appeal hearing, and under reasons designated by the DAC, the DAC may recommend that the matter return to an informal resolution by the dean of students or designee prior to the scheduling of the DAC appeal hearing.

The DAC chair or associate chair assigned to oversee the disciplinary appeal hearing will review the student’s request for an appeal and determine whether the matter should be returned to the dean of students or designee to be addressed through the informal resolution process. Administrative decisions in which the dean of students or designee imposed one (1) or more of the following penalties may not be returned to an informal resolution and must proceed through the disciplinary appeals process:

1. Restitution,
2. Suspension for any length of time, and
3. Recommendation for Expulsion

For more information regarding informal resolution, see the Informal Resolution section in this document and the Student Code of Conduct located in the current Collin College Student Handbook.

Composition
The DAC will be composed of at least three (3) Collin College employees and a minimum of one (1) current Collin College student, when appropriate. To hold an appeal hearing, a quorum of three (3) DAC members must be met. The members of the DAC and the committee chairperson will be designated according to procedures developed by the designated Leadership Team member. All members chosen to serve on the DAC appeal hearing panel will be eligible to vote on the issue of whether or not the student violated Collin College policies and procedures, including the rules for student conduct, and whether the student should receive an appropriate disciplinary penalty or penalties.

DAC Appeal Hearing Notice
The dean of students or designee will notify the student by letter of the date, time, and place for the DAC appeal hearing. Unless the student and the dean of students or designee otherwise agree or unless there are unforeseeable circumstances beyond Collin College’s control, the DAC appeal hearing will take place within a reasonable time period, not to exceed 10 College District business days after the date of the student’s request for the appeal hearing. The dean of students or designee may extend Collin College’s 10-day timelines within this policy by sending written notice to the parties of the extension.

Contents of Notice
The notice will:

1. Direct the student to appear on the date and at the time and place specified;
2. Advise the student of their rights to:
   a. Have a private appeal hearing;
   b. Be assisted by an advisor or legal counsel at the appeal hearing;
c. Call witnesses, request copies of evidence in Collin College’s possession, and offer evidence and agreement on their own behalf;
d. Make an audio recording of the proceedings, after first notifying the dean of students or designee in advance of the appeal hearing, or, at the student’s own expense, to have a stenographer present at the appeal hearing to make a stenographic transcript of the appeal hearing; and
e. Ask questions of each witness who testifies against the student;

3. Contain the names of witnesses who will testify against the student and a description of documentary and other evidence that will be offered against the student;
4. Contain a description of the allegation(s) of misconduct in sufficient detail to enable the student to prepare their defense against the charges; and
5. State the proposed disciplinary penalty or range of disciplinary penalties that may be imposed.

The student will provide to the dean of students or designee any documentation, a list of potential witnesses, and other relevant evidence to support their appeal by the specified deadline. All documentation from the dean of students or designee and the student will be forwarded to the DAC members assigned to the case for review prior to the hearing.

The DAC chairperson or associate chairperson will have the authority to postpone the appeal hearing for good cause as long as all parties involved are notified by the dean of students or designee of the new appeal hearing date, time, and place.

*Failure to Appear for DAC Appeal Hearing*
The DAC may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the appeal hearing. For purposes of assessing an appropriate disciplinary penalty or penalties, the DAC may proceed with the appeal hearing in the student’s absence.

*DAC Appeal Hearing Procedures*
The DAC chairperson or an associate chairperson will be assigned to oversee each appeal hearing. DAC members assigned to each appeal hearing will review the documentation and other evidence provided by the dean of students or designee and the student prior to the appeal hearing.

DAC members will determine by vote whether or not a student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. All DAC members assigned to a given case will be eligible to vote during the appeal hearing. DAC decisions require a majority vote.

If the DAC finds the student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures, the DAC will determine whether the appropriate disciplinary penalty or penalties were imposed by the dean of students or designee and may adjust the disciplinary penalty or penalties, if warranted.

All DAC appeal hearings will be recorded by Collin College. The DAC appeal hearing will proceed as follows:

5. The dean of students or designee will have an opportunity for rebuttal argument.
6. The DAC members may ask questions of witnesses testifying on behalf of the student or Collin College.
7. The dean of students or designee will summarize and argue Collin College’s case.
8. The student or representative will summarize and argue their case.
9. The dean of students or designee will have an opportunity for rebuttal argument.
10. The DAC members will deliberate in closed session. The DAC members will vote on the issue of whether or not the student violated Collin College policies and procedures, including the rules for student
conducted, and whether the student should receive an appropriate disciplinary penalty or penalties.

11. If the DAC finds the student committed misconduct, the DAC members will determine whether the disciplinary penalty assessed, or proposed in the case of recommendation for Expulsion, by the dean of students or designee is appropriate and, if necessary, will assess a different or additional penalty.

12. The DAC chairperson or associate chairperson will communicate the decision and any findings of facts in support of the DAC’s decision to the dean of students or designee in writing within 10 College District business days of the appeal hearing. The dean of students or designee will notify the student in writing within 10 College District business days of the appeal hearing of the DAC’s decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC’s decision or appealing to the designated Leadership Team member.

Evidence

Evidence will be handled in accordance with the following:

1. Legal rules of evidence do not apply unless otherwise required by applicable Title IX regulations; the DAC chairperson or associate chairperson may admit evidence or exclude evidence considered to be irrelevant, immaterial, and unduly repetitious.

2. At the appeal hearing, Collin College will be required to prove by a preponderance of the evidence (i.e., more likely than not to have occurred) that the charges are true.

3. A student may not be compelled to testify.

4. The DAC will determine whether a violation has occurred and assess an appropriate disciplinary penalty or penalties based solely on the evidence presented at the appeal hearing.

After the Appeal Hearing

The dean of students or designee will notify the student in writing within 10 College District business days of the appeal hearing of the DAC’s decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC’s decision or appealing to the designated Leadership Team member.

After the Appeal

The designated Leadership Team member or designee will notify the student in writing within 10 College District business days of the appeal of the decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the designated Leadership Team member’s decision or appealing to the College District President or designee solely in those cases where Expulsion is recommended and affirmed.

College District President Review of Recommendation for Expulsion

Solely in the case where Expulsion is recommended and affirmed, a student may appeal to the College District President or designee. An appeal to the College District President or designee will be held on the request of a student appealing the designated Leadership Team member’s decision and affirmation of Expulsion. The appeal request must be submitted in writing within 10 College District business days of the designated Leadership Team member’s decision. To initiate the appeal to the College District President or designee, the student must submit the Disciplinary Appeal Request Form contained in the designated Leadership Team member’s decision documents on or before the tenth College District business day following the designated Leadership Team member’s decision.

The College District President or designee may request a meeting with the student prior to issuing a final administrative decision.

Unless otherwise specified in writing, Expulsion will have College District-wide effect, and an expelled student may not enroll for admission to any campus without the College District President or designee’s approval unless the student’s petition to revoke the Expulsion is approved. For more information, see the Petition to Revoke Expulsion section in this document and the Student Code of Conduct located in the current Collin College Student Handbook.

Employee General Complaint Process

To view the Board policies associated with this section, go to https://pol.tasb.org/Policy/Search/304?filter=dgba.

When a Collin College employee is named as the respondent in a formal complaint of dating violence, domestic violence, sexual assault, or stalking that does not meet the requirements for investigation and resolution through the Title IX complaint resolution process, the appropriate Title IX coordinator or designee may forward the complaint to the employee general complaint process for appropriate investigation and resolution. In these instances, Collin College will follow the procedures listed in Board policy DGBA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=dgba to investigate and resolve the matter.

For more information on the employee general complaint process, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

Anticipated Time Frame for Employee General Complaint Process

Collin College will endeavor to expedite all employee general complaint investigations and resolutions. Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the employee general complaint process should be completed within a reasonably prompt time frame. However, Collin College may temporarily delay or grant a limited extension of the time frame for good cause as long as both parties are notified in writing of the delay or extension and the reason(s) for the action.

The anticipated time frame for completion of the general employee complaint process investigation is 30 College District business days. The anticipated time frame for
The completion of the general employee appeal process is 45 College District business days.

**Level One**
The Human Resources (HR) Office will assign a Resolution Review Panel (RRP) or hearing officer, who will follow procedures outlined in Board Policy DGBA (LOCAL) and will, within 10 College District business days of the filing, schedule a meeting with the employee.

HR will send a notice of hearing procedures to the employee prior to the meeting, which will include the date, time, and place of the meeting, and set forth the procedures that will be followed at the meeting.

An HR representative will be present at the meeting and will audio record the meeting.

The RRP or hearing officer will investigate the matter, as appropriate, including meeting with the employee respondent.

Within 10 College District business days following all meetings related to the complaint, a response will be sent to the complainant and respondent, along with forms for a Level Two appeal, if applicable. If an extension is necessary, each party will be notified in writing of the extension.

**Level Two**
If the complainant or respondent is not satisfied with the Level One response, they may submit a Level Two appeal form (which will accompany the Level One response) within 10 College District business days to the chief human resources officer or designee.

HR will assign the appropriate vice president as the Level Two hearing officer, and will provide the hearing officer with a copy of the complaint file. The Level Two hearing officer will review the complaint file and conduct any further investigation, as appropriate.

Within 10 College District business days following the receipt of the appeal, a Level Two response will be sent to the employee. The decision of the appropriate vice president is final for all complaints, except complaints regarding the Termination of a full-time contract employee.

After Level Two, there are additional levels of appeal that apply for mid-contract termination, contract non-renewals, or termination of a full-time faculty contact. For additional information, see Board Policy DGBA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=dgba.

4. Termination

For additional information regarding penalties for employee misconduct, contact the Human Resources (HR) Office at 972.758.3856 or hr@collin.edu.

This evidence standard will be utilized whether the allegation is investigated and resolved through the Title IX complaint resolution process, student disciplinary process, or employee general complaint process.

**Simultaneous Written Notification of the Outcome and Disclosure of Results of Disciplinary Proceeding**
Collin College will provide simultaneous written notification of the outcome, within the extent permitted by applicable law, to the victim and the person against whom the complaint is filed. The parties will be given the opportunity to respond to the report. This simultaneous written notification will include, but is not limited to, the following information:

1. The results of any disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking;
2. Collin College’s procedures for the victim and the respondent to appeal the results of the disciplinary proceeding;
3. Any change to the results (e.g., through the appeal process); and
4. When such results become final.

In accordance with federal laws, upon written request Collin College will disclose to the alleged victim of a crime of violence, as defined in Title 18, § 16, United States Code, or non-forcible sex offense (i.e., incest or statutory rape) the report on the results of any disciplinary proceeding and/or appeal(s) conducted by Collin College against a student or employee who is the alleged perpetrator of such crime or offense. Therefore, information about the outcome regarding a respondent will be disclosed in writing to the victim in cases involving dating violence, domestic violence, sexual assault, and stalking. If the alleged victim is deceased as a result of such crime or offense, Collin College will treat the victim’s next of kin as the alleged victim, in accordance with the law.

No former student who has been suspended or expelled from Collin College for disciplinary reasons will be permitted on the campus or other facilities of Collin College, initiated into an honorary or service organization, or permitted to receive credit for academic work done in residence or by correspondence or extension during the period of Suspension or Expulsion without the prior written approval of the appropriate administrator or the Board of Trustees (Board).

At the student’s request, Collin College may remove the disciplinary notation from the student’s transcript if:

1. The student is eligible to reenroll at Collin College, or
2. Collin College determines good cause exists to remove the disciplinary notation.

To obtain a Petition for Disciplinary Suspension or Permanent Expulsion Transcript Notation Removal form, go to https://www.collin.edu/studentresources/deanofstudents/StudentConduct.html or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

For additional information regarding disciplinary notations on Collin College transcripts, see the Student Code of Conduct located in the current Collin College Student Handbook, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

**Petition to Revoke Expulsion**

To view the Board policies associated with this section, go to https://pol.tasb.org/Policy/Search/304?filter=fma.

Once five (5) calendar years from the date of the College District President or designee’s final decision have expired, the student may petition to revoke the Expulsion. To initiate the Expulsion revocation process, the student must complete the Expulsion Revocation Form and return it to the dean of students or designee. To obtain an Expulsion Revocation Form, go to https://www.collin.edu/studentresources/deanofstudents/StudentConduct.html or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

Once the completed Expulsion Revocation Form is received, the dean of students or designee will forward it to the College District President or designee for consideration. The College District President or designee will review the student’s petition to revoke the Expulsion and may request a meeting with the student prior to issuing a final decision.

If the petition to revoke the Expulsion is approved by the College District President or designee, the student will be required to meet with the dean of students or designee prior to returning to Collin College. Once the meeting with the dean of students or designee is concluded, the student will
be allowed to return to all Collin College campuses and will be considered to be in good disciplinary standing.

If the petition to revoke the Expulsion is not approved by the College District President or designee, the student’s Expulsion will remain in effect and the student will not be allowed to return to Collin College.

For additional information regarding the petition to revoke Expulsion process, see the Reinstatement Procedures for Suspended or Expelled Students section in this document, the Student Code of Conduct located in the current Collin College Student Handbook, and Board policy FMA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=fma, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

Reinstatement Procedures for Suspended or Expelled Students

Favorable Administrative Decision or Appeal
The dean of students or designee will make reasonable efforts to reinstate a student who receives a favorable administrative decision or appeal. This may include, but is not limited to, working with the student’s professor(s) to permit the student to make up missed coursework, revoking a Temporary Immediate Suspension, coordinating with the Collin College Police Department to revoke a Criminal Trespass Warning Notice, and, at the student’s request, assisting with obtaining a late withdrawal.

Non-Favorable Administrative Decision or Appeal
In a case where a student does not receive a favorable administrative decision and does not appeal, or has exhausted all levels of appeal, the final decision of the case will stand.

Reinstatement After Suspension or Expulsion
Once the student’s Suspension period has elapsed or if the College District President or designee approves the student’s petition to revoke the Expulsion, the student will be required to meet with the dean of students or designee prior to returning to Collin College. During the reinstatement meeting, the dean of students or designee will review the current Student Code of Conduct, reinforce that any additional violation(s) of the Student Code of Conduct will be considered grounds for additional disciplinary action, up to and including recommendation for Expulsion from Collin College, and request the student sign the Reinstatement After Suspension or Expulsion Form. Once the meeting with the dean of students or designee is concluded, the student will be allowed to return to all Collin College campuses, and will be considered to be in good disciplinary standing.

Additional Information
For additional information regarding reinstatement procedures for suspended or expelled students, see the Student Code of Conduct located in the current Collin College Student Handbook and Board policy FMA (LOCAL) located at https://pol.tasb.org/Policy/Search/304?filter=fma, or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

Retention of Title IX Materials and Records
Records of formal complaint resolutions and informal resolutions will be retained by Collin College for a period of seven (7) calendar years (i.e., January 1 through December 31). In the event a Collin College employee is terminated or a student is subject to a three (3)-year extended Suspension, four (4)-year extended Suspension, or expelled, the formal complaint resolution records will be kept permanently.

Collin College will retain all materials used to train institutional participants in the various phases of the Title IX complaint resolution process, including the Title IX coordinators, deputy Title IX coordinators, investigators, informal resolution facilitators, removal challenge officers (RCOs), appeal decision makers, and College District President for a period of seven (7) calendar years (i.e., January 1 through December 31). All materials utilized to train these individuals will be available on Collin College’s website, in accordance with applicable federal Title IX regulation requirements.

In instances where Collin College receives a report of prohibited conduct but a formal complaint is not filed, Collin College will maintain a record of all actions taken, including supportive measures, for a period of seven (7) calendar years.
(i.e., January 1 through December 31). In these instances, Collin College will include a written rationale explaining why a formal complaint was not filed.

For additional information, see the current Title IX Complaint Resolution Process Handbook for Collin College Students and Employees available at [http://www.collin.edu/titleix/](http://www.collin.edu/titleix/) and Board policies DIAA (LOCAL) and FFFDA (LOCAL) located at [https://pol.tasb.org/Policy/Search/304?filter=title%20ix](https://pol.tasb.org/Policy/Search/304?filter=title%20ix), or contact the appropriate Title IX coordinator or deputy Title IX coordinator listed in the Reporting to the Appropriate Title IX Coordinator or Deputy Title IX Coordinator section of this document.

### Student Disciplinary Records Retention

Collin College will maintain for every student alleged or determined to have committed misconduct at Collin College a disciplinary record that will reflect the charge(s), the disposition of the charge(s), the sanction(s) assessed, if any, and any other pertinent information. The disciplinary record will be separate from the student’s academic record and will be treated as confidential; the contents will not be revealed except on request of the student or in accordance with applicable state or federal laws.

The disciplinary record will be maintained permanently in the event that a student is expelled or subject to an extended Suspension. In all other cases, the disciplinary record will be maintained in accordance with Collin College’s records retention schedule (i.e., three [3] years from the end of the academic calendar year of the most recent alleged incident).

In certain disciplinary cases where a student is ineligible to reenroll at Collin College, a disciplinary notation will also be placed on their Collin College transcript. See the [Disciplinary Notations on Collin College Transcripts](http://www.collin.edu/titleix/) section in this document for more information.

For additional information, see the [Student Code of Conduct](http://www.collin.edu/titleix/) located in the current [Collin College Student Handbook](http://www.collin.edu/titleix/) and Board policy FM (LOCAL) located at [https://pol.tasb.org/Policy/Search/304?filter=fm](https://pol.tasb.org/Policy/Search/304?filter=fm), or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

### Employee Disciplinary Records Retention

The disciplinary record will be treated as confidential; the contents will not be revealed except on request of the employee or in accordance with applicable state or federal laws.

Section 7: Awareness and Prevention Programs

Alcohol and Substance Abuse Prevention and Intervention Programs
Collin College has developed an alcohol and substance abuse prevention and intervention program to educate, empower, and provide resources that address the use and abuse of alcohol and controlled substances by students and employees. This program provides services related to drug use and abuse including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary actions. Table 7.1 on page 127 lists Collin College’s alcohol and substance abuse prevention and intervention programs.

Crime Prevention, Safety, and Security Awareness Programs
Periodically throughout the academic year, the Collin College Police Department, in cooperation with other Collin College departments, presents crime prevention and awareness sessions on topics such as alcohol and drug abuse, personal safety, sexual assault, theft, and vandalism. Collin College Police Department officers facilitate these programs for Collin College students, faculty, staff, student organizations, and community organizations.

Information is also disseminated to Collin College students, faculty, and staff through the following media.

1. Articles on Collin College’s online college news site, Collin College News (www.collincollegenews.com).
2. Articles in Collin College’s monthly electronic newsletter, CougarNews, which is emailed to all students, faculty, and staff.
5. The Collin College Police Department’s website www.collin.edu/campuspolice/.

Crime prevention, safety, and security awareness programs are offered on a continual basis. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Table 7.2 on page 139 lists Collin College’s crime prevention, safety, and security awareness programs.

Programs to Promote Awareness and Prevention of Dating Violence, Domestic Violence, Sexual Assault, and Stalking
In order to comply with the federal government’s mandated training requirement under the Violence Against Women Reauthorization Act of 2013 (VAWA), various Collin College committees, departments, initiatives, and offices present programs and training sessions throughout each academic year to promote prohibition, prevention, and awareness of dating violence, domestic violence, sexual assault, and stalking. These programs are organized into “primary prevention and awareness programs” and “ongoing prevention and awareness programs” that are described below and offered on a continual basis.

Primary Prevention and Awareness Programs
Collin College provides primary prevention and awareness programs on dating violence, domestic violence, sexual assault, stalking, and other relevant topics to all incoming students, faculty, and staff. All of these programs include, but are not limited to, information on the following topics.

1. Collin College’s and the State of Texas’ definitions of dating violence, domestic violence, sexual assault, stalking, and consent to sexual activity.
2. Personal safety.
3. Safe and positive options for bystander intervention.
4. The importance of preserving evidence.
5. Risk reduction strategies.
6. Reporting options.

Table 7.3 on page 150 lists Collin College’s primary prevention and awareness programs.

Ongoing Prevention and Awareness Programs
Ongoing prevention and awareness programs (e.g., presentations, seminars, trainings, videos) on dating violence, domestic violence, sexual assault, stalking, and other relevant topics are also offered to all new and returning students, faculty, and staff members throughout each academic year. All of these programs include, but are not limited to information on the following topics.
1. Collin College’s and the State of Texas’ definitions of dating violence, domestic violence, sexual assault, stalking, and consent to sexual activity.
2. Personal safety.
3. Safe and positive options for bystander intervention.
4. The importance of preserving evidence.

Section 8: Annual Fire Safety Report for Collin College Student Housing Located on the Plano Campus

Policy for Publishing the Annual Fire Safety Report
Collin College publishes this Annual Fire Safety Report as part of its Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. § 1092(f) (Clery Act) compliance document. This report contains information on fire protection systems, fire safety practices, and fire safety standards for Collin College Student Housing located on the Plano Campus. Additionally, this report includes fire statistics for the three (3) previous calendar years for Collin College Student Housing concerning the number of fires, cause of each fire, number of injuries and deaths related to each fire, and value of the property damage caused by each fire.

As required by the Clery Act, fire statistics for Collin College Student Housing for the three (3) previous calendar years are located in Appendix C.

Definitions
In accordance with the Clery Act, Collin College uses the following definitions when preparing this Annual Fire Safety Report.

1. **On-Campus Student Housing or Residential Facility**: Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing or residential facility.

1. Safety Equipment:

c. Other security features such as self-closing door hinges, window and door locks, etc.;

2. Fire Hazards:
   a. Frayed or overloaded electrical wiring, including multiple cords or power strips plugged together (i.e., “daisy chained”);
   b. Stacks of newspapers or magazines;
   c. Covered heaters;
   d. Buildup of grease in ovens or on stovetops; and
   e. Storage of gasoline, other flammable materials, or gas-powered vehicle(s) in unit.

3. Health Hazards:
   a. Improperly stored or disposed of garbage and food;
   b. Unclean bathtub or shower surfaces;
   c. Improperly disposed of aluminum cans, glass bottles, and paper bags;
   d. Obstructions blocking interior safety equipment or ease of ingress and egress;
   e. Unreported water intrusion or leaks;
   f. Pest control issues;
   g. Prohibited pets;
   h. Potential illegal occupancy;
   i. Excessively dirty or cluttered rooms; and
   j. Any other violations of the Collin College Student Housing Terms and Conditions.

Corrective warning notices will be given in writing within a reasonable time following the inspection. Any violations that mandate an automatic fine will also be communicated and charged to the student resident’s account. Damages to the unit may be cause for disciplinary action through director of housing, in accordance with the Student Code of Conduct located in the current Collin College Student Handbook.

Keys and Locks

Apartment keys are issued during the check-in process. Student residents should carry their apartment keys at all times and never leave their keys unattended. For safety purposes, student residents should not place any identifying markers on their key rings. Making, causing to be made, or possessing any key for a Collin College facility without proper authorization is strictly prohibited, and may lead to disciplinary action through the director of housing, in accordance with the Student Code of Conduct located in the current Collin College Student Handbook.

If a key is lost, a new key will be issued and the student resident will be charged a replacement fee. Lost or broken keys must be immediately reported to the director of student housing operations or designee. Student residents may not loan or give their apartment key to any individual in order to give them access to Collin College Student Housing or the student resident’s apartment.

Jeopardizing the security of Collin College Student Housing by interfering with entrance doors or tampering with a lock is a serious violation. Student residents who tamper with room door locks (e.g., pin locking) will be assessed a fee for resulting damage. Additionally, tampering with locks will lead to disciplinary action through the director of housing, in accordance with the Student Code of Conduct located in the current Collin College Student Handbook.

Lockouts

Student residents who lose or temporarily misplace their keys should immediately report the issue to the director of student housing operations or designee. If a student resident is locked out after office hours, they should contact the director of student housing operations or designee on call at 972.881.5151.

Maintenance

Requests for routine maintenance service may be placed by phone at 972.881.5151, in person at the Collin College Student Housing Office, or through the student housing portal Star Rez. Requests for any security-related matters must be submitted in writing, except in the case of life or building safety emergencies. Call the Collin College Student
Housing Office at 972.881.5151 to report a maintenance emergency. Do not submit emergency maintenance issues online.

Student residents must promptly notify the director of student housing operations or designee of water leaks, mold, electrical problems, malfunctioning lights, broken or missing locks or latches, and other conditions that pose a hazard to property, health, or safety. Failure to do so may cause the student resident to be liable for any damage caused by the delayed or non-reporting of such problem in the student resident’s apartment or bedroom.

Maintenance Emergencies
Call the Collin College Student Housing Office at 972.881.5151 to report a maintenance emergency. The on-call technician will be notified and respond as quickly as possible. When calling to report a maintenance emergency, be as detailed as possible and leave current contact information (e.g., cellphone, home phone). The correct contact information is critical to ensure a quick and effective response.

Emergency Calls vs. Priority Calls
In an attempt to effectively manage after-hours calls, the director of student housing operations or designee categorizes calls into two (2) groupings: Emergency and Priority.

1. **Priority Calls** are calls that do not conform to criteria for after-hours emergencies. They are routine service calls that can wait until the next morning, at which time the work order will be given priority status.

2. **Emergency Calls** are defined as any breakdown or malfunction in which life, health, or property is threatened if immediate, corrective action is not taken. Though it is impossible to list or predict all possible scenarios, the list below includes acceptable reasons for emergency calls:
   a. No heat when outside temperature is less than 50 degrees or no air conditioning when outside temperature is higher than 80 degrees;
   b. Electrical failure of any kind;
   c. Overflowing toilet;
   d. Stopped up toilet;
   e. Water problems (e.g., no water, leaks, severe backups, broken pipes, no hot water when it is affecting more than one (1) unit or when the outside temperature is below 50 degrees);
   f. Malfunction of an essential appliance (e.g., non-working refrigerator);
   g. Any unsecured entry;
   h. Any threatening situation such as fire, flood, severe weather, police action, protecting a crime scene (e.g., broken windows, locks, doors);
   i. Biohazards; and
   j. Lock outs.

Patios and Balconies
Student residents must keep their patios and balconies neat and clean. These areas may not be used for the storage of automobile tires, firewood, other unsightly heavy items, or to dry clothes. No furniture may be placed on any patio or balcony. Pursuant to City of Plano Fire Code, the use and storage of any outdoor cooking grill is prohibited on the patios and balconies. No unsecured plants are permitted on the ledges or protruding from the railings. Motorbikes and mopeds are not allowed. Smoking or using any tobacco product or electronic smoking device and the disposal of tobacco is prohibited everywhere on Collin College property, including Collin College Student Housing apartment patios and balconies.

Reporting a Crime or Emergency to the Collin College Police Department
Collin College Police Department officers are available 24 hours a day, 365 days a year to answer calls. If assistance is required from another police department, Collin College Police Department officers will contact the appropriate agency. If a sexual assault should occur, responding officers will inform the victim of the support services available.

Any individual who needs to report a crime or an emergency that occurred at Collin College Student Housing can contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension 5555 from any Collin College system phone;
2. Dialing 972.578.5555 from any phone outside the Collin College system;
3. Pressing the “Emergency” button located on any Collin College system phone;
4. Pressing the “Emergency” button on any of the Blue Light phones located in the parking garages and parking lots at the Frisco Campus, McKinney Campus, and Plano Campus; or
5. Utilizing the Collin Mobile App “Call Campus Police” function under the “Emergency” menu.

Any individual who prefers to report a crime or an emergency that occurred at Collin College Student Housing in person may do so at any of the following Collin College Police Department office locations.

1. Celina Campus Room 129
2. Collin Higher Education Center (CHEC) Room 134
3. Courtyard Center (CYC) Room 125
4. Farmersville Campus Room 103
5. Frisco Campus Room LH-179
6. McKinney Campus Room C-119
7. Plano Campus Suite K-119
8. Technical Campus Room C-010
9. Wylie Campus Room B-139

In a medical emergency, individuals should first dial 911, and then contact the Collin College Police Department through one (1) of the methods listed above.

If a fire occurs in a Collin College building, the individual who discovers it should immediately notify the Collin College Police Department at 972.578.5555 or dial 911. The Collin College Police Department will initiate a response, and can summon the local fire department quickly through their communication links, if necessary. If a member of the Collin College community finds evidence of a fire that has been extinguished and is unsure whether the Collin College Police Department has already responded, they should immediately notify the Collin College Police Department so an officer can investigate and document the incident.

For any non-emergency complaint or concern, the Collin College Police Department can be contacted via email at cccdpublicsafety@collin.edu.

For more information regarding Collin College Police Department policies and procedures, go to www.collin.edu/campuspolice/.

Safety
Campus safety and security is a shared responsibility. Student residents can protect themselves, the community, and their property by taking steps to decrease their exposure to risk. Student residents should be aware of their physical surroundings and the people around them at all times. Travel with friends at night or use the Collin College Police Department’s walking escort services. Keep doors and windows locked, even when inside. Trust your instincts and use common sense to help keep you safe and deter an attacker. Remember, a crime cannot occur if the opportunity for crime is not present!

The Collin College Student Housing community is patrolled by the Collin College Police Department; however, no police department can function effectively without the collaborative assistance of the community it serves. If there is an immediate physical or medical emergency, call 911. Attempting to locate a police vehicle on patrol or calling the Collin College Student Housing Office will delay response time.

Collin College Student Housing cannot guarantee or assure your personal safety and security while residing on campus. It is each student resident’s responsibility to report acts of mischief or criminal activity in the community to the Collin College Police Department immediately. The provision of safety devices, locks, and Collin College Police Department services does not constitute a guarantee of their effectiveness. Student residents should exercise caution at all times when on campus and around their housing units.

Smoke Detectors
Each apartment has smoke detectors located throughout the unit. These smoke detectors are hardwired to the electrical system and have battery backup. It is a violation of the law and the Collin College Student Housing Terms and Conditions to remove or tamper with smoke detectors.

Smoke detectors are tested prior to move-in to ensure they are working properly. Student residents are responsible for ensuring their smoke detectors continue to work properly.
Student residents should test the smoke detectors on a monthly basis. Contact the director of student housing operations or designee at 972.881.5151 or by submitting a maintenance work order online at [www.collin.edu/studenthousing/](http://www.collin.edu/studenthousing/) immediately if a smoke detector starts “chirping” or is not working properly.

Do not disable smoke detectors. **Disabling a smoke detector or removing working batteries is a misdemeanor offense**, and violators are not only subject to fines and disciplinary action, but also legal prosecution and eviction.

**Fire Safety Systems**

Collin College Student Housing facilities are inspected for fire safety annually by municipal fire marshals, in accordance with the relevant City of Plano codes as well as state and federal guidelines. Each Collin College Student Housing residential unit is equipped with smoke detectors and sprinkler systems. Additionally, fire extinguishers are provided in the kitchens of each residential unit. Collin College Student Housing’s fire safety and suppression system is maintained and monitored 24 hours a day, 365 days a year by [Frontline Fire Protection, Inc.](http://frontlinefireprotection.com).

**Number of Fire Drills Held**

There were three (3) fire drills held at Collin College Student Housing during the 2020 calendar year.

**Policies Regarding Fire Safety Education and Training Programs**

Collin College Student Housing has established a comprehensive resident life program, which includes policies regarding fire safety education and training programs. These policies are distributed to all Collin College Student Housing staff and student residents annually. Additionally, they are disseminated to new student residents during the application and leasing process.

The Office of Emergency Management, in coordination with Collin College Student Housing staff, strives to identify and mitigate conditions and actions that may create an unsafe environment. Through appropriate training programs, Collin College Student Housing staff and student residents are educated on fire safety practices.

The Office of Emergency Management and Collin College Student Housing staff provide a fire safety training program focusing on basic fire safety procedures and evacuation plans specifically developed for Collin College Student Housing. This fire safety training program teaches Collin College Student Housing staff and student residents how to recognize and prevent fire hazards, what actions they should take in the event of a fire or other emergency, and how to respond properly to emergency situations (e.g., assaults, bomb threats, crimes, evacuations, fires, inclement weather, natural disasters). This training also provides evacuation information to all Collin College Student Housing staff and student residents, and includes a hands-on component focusing on the proper use of fire extinguishers.

For more information on fire safety education and training programs, contact the Collin College Student Housing Office at 972.881.5151 or the Office of Emergency Management at 972.881.5617 or [emergencymanagement@collin.edu](mailto:emergencymanagement@collin.edu).

**Procedures for Reporting a Fire**

Any Collin College Student Housing employee or student resident who discovers a fire should immediately sound the fire alarm and dial 911 to report the fire to the Plano Fire-Rescue Department. If a Collin College Student Housing employee or student resident finds evidence of a fire that has been extinguished, and is unsure whether the Plano Fire-Rescue Department has already responded, they should immediately dial 911 to report the fire and also notify the director of student housing operations or designee at 972.881.5151 so the incident can be investigated and documented appropriately.

For purposes of including a fire in the **Annual Fire Safety Report** and fire statistics, any Collin College Student Housing employee or student resident should report that a fire occurred to a Collin College Police Department officer, sergeant, lieutenant, or the chief of police by phone at 972.578.5555 or in person at the following campus location.

Collin College Police Department
Headquarters
Plano Campus
2800 East Spring Creek Parkway
Suite K-119
Plano, TX 75074

When reporting a fire for purposes of inclusion in the **Annual Fire Safety Report**, provide as much information as possible...
about the location, date, time, and cause of the fire as well as any property damage that occurred and any injuries that may have resulted. All fires that occur, including minor fires that do not require an emergency response, must be reported to the Collin College Police Department as soon as possible to ensure inclusion in the Annual Fire Safety Report and fire statistics.

**Procedures for Evacuation in Case of a Fire**

Never assume a fire alarm is a drill or false alarm. Treat each alarm as if it is the real thing. For your safety and protection, remember: in case of a fire, get out as quickly as possible and leave the firefighting to the professionals.

If a fire alarm is activated, Collin College Student Housing student residents and guests must do the following:

1. Evacuate the building immediately, move at least 100 feet away from the building, and stay out of fire lanes.
2. After everyone has exited an area, close the door and leave it unlocked.
3. Take personal belongings (e.g., keys, bags) if it is safe to do so.
4. Use stairways.
5. Remain calm and assist others, if necessary and safe to do so.
6. Notify emergency personnel or 911 if there is anyone trapped or injured in the building. Provide the individual’s location in the building and any additional information the first responders need to know.
7. Upon receiving verbal authorization from a Plano Fire-Rescue Department official, Collin College Police Department officer, or the director of student housing operations or designee, student residents and their guests should return to their residences quickly and quietly.

If there are questions or concerns, contact the director of student housing operations or designee at 972.881.5151.

**Fire Safety Information and Tips**

Buildings are equipped with a variety of features that are designed to detect, stop, and suppress the spread of a fire. A door can be the first line of defense against the spread of smoke or fire from one (1) area to another. Some doors, such as fire doors in corridors or stairwells, are designed to stand up to fire longer than those of an individual room. It is important that these doors remain closed for them to work. Additionally, if a door has a device that automatically closes the door, it should not be propped open.

Sprinklers are effective in preventing the spread of fire when operating properly in 98% of fire incidents. Do not obstruct the sprinkler heads with materials like clothing hanging from the piping.

Smoke detectors cannot do their job if they are disabled or covered. Disabling or covering smoke detectors is a violation of Collin College and Collin College Student Housing policies.

Sixty-seven percent (67%) of residential fires caused by smoking materials or products, primarily cigarettes, occur because these items are abandoned or disposed of carelessly. Collin College is a smoke- and tobacco-free institution; therefore, smoking is not permitted in any Collin College building or on any Collin College property, including student residents’ apartments and bedrooms in Collin College Student Housing.

Safe evacuations require familiarization with the exits in each facility so the evacuees use the nearest stairwell or exit from the facility. Safe evacuations also include not using an elevator as a means of escape. The elevators that have not been recalled for fire department use may operate erratically in a fire situation, which may result in entrapment. Emergency phones in the elevators should be used to call 911 should entrapment occur.

**Prepare in Advance**

Know the locations of alternate exits from your area. Know exactly how many doors you will pass along your evacuation route before you reach the nearest exit door, since exit signs

---

may be invisible in heavy smoke. Even in heavy smoke, you can count the number of doors you pass so you will know when you reach the exit door.

**If There is a Fire on Your Floor**
1. Immediately call 911, and report the location of the fire.
2. When it is safe to do so, call 972.578.5555 and report the fire to the Collin College Police Department.
3. Activate the fire alarm, alert others, and move everyone away from the fire.
4. Use a fire extinguisher on small (i.e., wastebasket size) fires only if it is safe to do so.
5. For larger fires, get out and close the doors to contain the fire as much as possible.
6. If clothing catches fire, **STOP, DROP, and ROLL**.
7. Follow all directions given to you by emergency personnel, if present.

**Fire Extinguisher Instructions**
1. **PULL** the safety pin from the handle.
2. **AIM** the nozzle, cone, and horn at the base of the fire.
3. **SQUEEZE** the trigger handle.
4. **SWEEP** the nozzle from side to side, and watch for re-flash (i.e., rekindling of the fire).

**When a Fire Alarm is Activated**
1. Proceed to the nearest exit.
2. Feel the top and bottom of the door for heat using the back of your hand. If the door is hot, do not open it. If the door is not hot, open it slowly. Stand behind the door and to one (1) side, and be prepared to close it quickly if fire is present.
4. Stay low when moving through smoke.

5. Walk down to the ground floor, and exit the building.
6. Do not return to the area until instructed to do so by emergency personnel.

**If You Are Trapped in a Room**
1. Place cloth material around and under the door to prevent smoke from entering.
2. Retreat, and close as many doors as possible between you and the fire.
3. Be prepared to signal from a window, but **do not break the glass** unless absolutely necessary, as outside smoke may be drawn in.

**If You Are Caught in Smoke**
1. Drop to your hands and knees, and crawl or crouch low with your head 30” to 36” above the floor. Watch the base of the wall as you go.
2. Hold your breath as much as possible, and breathe shallowly through your nose while using your shirt as a filter.

**Plans for Future Improvements in Fire Safety**
Collin College purchased Collin College Student Housing from the Collin College Foundation in the summer of 2019, and subsequently improved the grounds and renovated all buildings on the property during the remainder of 2019 through the summer of 2020, in preparation for the grand re-opening in Fall 2020. Collin College Facilities and Plant Operations staff and the director of student housing operations or designee coordinated with the contractor(s) assigned to complete the renovations to identify any necessary improvements in fire safety and incorporate them into the renovations. The grounds and buildings at Collin College Student Housing are up-to-date with all fire safety programs; fire protection systems; and local, state, and federal requirements. Therefore, at this time there are no plans for future improvements in fire safety at Collin College Student Housing.
