

Frequent Breaks for Testing (Testing Center)

This student may need to leave tests briefly to take short breaks. If a student also receives Frequent Breaks as an accommodation, the breaks are NOT counted in the extended time. These breaks are NOT counted toward the total test time.

*DUAL CREDIT STUDENTS: Only students taking courses at a Collin College campus can use the ACCESS Office or Collin College Testing Center for testing accommodations.

Students who take their courses at their high school campus will use their high school campus testing resources. Most high schools have a designated room for testing accommodations. If a student needs help making testing arrangements at their high school, they should contact the high school campus 504 coordinator or their high school counselor.
