

Less Distracted Area for Testing (ACCESS Office)

This accommodation allows the student to take exams, tests, and quizzes in a place with limited noise and distraction. The ACCESS Office requires that students follow ACCESS Testing procedures when scheduling any tests to be taken in the ACCESS Office areas.

*DUAL CREDIT STUDENTS: Only students taking courses at a Collin College campus can use the ACCESS Office or Collin College Testing Center for testing accommodations.

Students who take their courses at their high school campus will use their high school campus testing resources. Most high schools have a designated room for testing accommodations. If a student needs help making testing arrangements at their high school, they should contact the high school campus 504 coordinator or their high school counselor.
