

## **No Scantrons for Testing (ACCESS Office)**

This accommodation allows the student to provide their answers to any multiple-choice assignments, quizzes, exams, or tests on the test paper or scratch paper instead of a Scantron form. If you require a Scantron form, an ACCESS staff member will transfer the answers onto the form and provide you with the test or scratch paper used.

\*DUAL CREDIT STUDENTS: Only students taking courses at a Collin College campus can use the ACCESS Office or Collin College Testing Center for testing accommodations.

Students who take their courses at their high school campus will use their high school campus testing resources. Most high schools have a designated room for testing accommodations. If a student needs help making testing arrangements at their high school, they should contact the high school campus 504 coordinator or their high school counselor.
