The Michael Gregorash Student Leader of the Year Award

Michael Gregorash passionately served the students and Collin College for over fifteen years. Throughout his tenure at Collin College, Michael served in numerous roles in Student Engagement at Collin, including Assistant Director of Student Engagement at our Frisco and McKinney Campuses.

Michael was an invaluable mentor, advisor, and student advocate to all Collin College students serving in various leadership capacities. He developed and produced events, including our annual Student Leadership Camp, and served as the Primary Advisor of the Student Government Association for over four years. Michael's passion for service and commitment to student involvement and development has and will continue to impact Collin College students indefinitely.

Michael distinguished himself with his work with his dedicated committee work for the betterment of students, such as the Plano Martin Luther King Jr. Power Leadership Breakfast Planning Committee, the Health and Safety Fair Planning Committee, and the Student Activity Fee Advisory Committee (SAFAC), which he had his most significant legacy with over 15 years of leadership.

The Collin College Student Government Association created this award to celebrate and honor one student leader who has shown dedication to their student organization, commitment to serving others through volunteer service, and involvement with Collin College, as Michael Gregorash dedicated his work to student involvement, service, and engagement. We welcome all student organizations to nominate one student leader for this award and honor and celebrate the student's impact on their organization and the Collin College community.
