

TSI (Texas Success Initiative) Study & Review Resources

The following resources may help you prepare to take the TSI assessments.

Accuplacer

Practice tests and sample questions and essays are available. At the College Board's [Accuplacer Website](#), you can download practice questions and sample essays, and sign up for the free web-based study app.

Learning Express TSI Resources

EBSCO Learning Express offers [TSI preparation practice exams](#) for the ELAR, Essay and Math assessments.

Anthony Peterson Center for Academic Assistance (APCAA)

The APCCA on our campuses will be glad to help you review materials to prepare to take the TSI assessment for the first time, or to retake the assessment if you did not receive the score you wanted. For more information, go to the [APCC Website](#).

Learning Locator Code

If you did not get the score you would like, and you would like to retake the TSI, you can review materials by using the Learning Locator Code (LLC) on your score report to enter the Math or ELAR code into this [Website](#).

College Readiness Classes for the TSI Assessments

This course is designed for students who did not receive a course placement after taking the TSI assessment. Classes are offered at the McKinney and Plano campuses in the evening.

Must be a high school graduate to attend. Please visit www.collinael.com, call 972-349-4550 or email collinael@grayson.edu to sign up for this free class.
