Need Help with Math? We're Here for You!

The Math Lab provides free support to Collin College students with math-related questions. Whether you need one-on-one tutoring, help reviewing course material, or alternative strategies for success, our team is here to help you reach your academic goals.

Tutoring Options

1. By Appointment

- In-person, one-on-one tutoring
- Choose from 30-minute or 60-minute sessions
- Appointments are strongly recommended for upper-level math courses (Calculus and above) to ensure the tutor is matched with your course

2. Walk-In Tutoring

- One-on-one or small-group assistance
- First-come, first-served

Note: Walk-in availability is subject to tutor availability.

Additional Services

- Helpful handouts (formulas, summaries, statistics charts, TSI prep materials, and practice tests)
- Current textbooks and solution manuals (in-lab use only)
- ROWOPS and TI-83/84 calculator programs available for download
- Computer access and printing
- Computer stations, printers, study tables, whiteboards, and power outlets
- Stay as long as you like during our open hours!

TracCloud Policies

- Appointments may be canceled up to 60 minutes before the start time.
 - Log in to TracCloud, locate your appointment on the dashboard, and click the X in the upper-right corner of the appointment block.
 - You may also call or email the Math Lab to cancel.
- If you do not cancel, or if you are more than 10 minutes late, the appointment will be marked as a “no-show.”
- After three no-shows in a semester, you will be blocked from scheduling future appointments for that semester.
- Students may schedule one appointment per day and up to five appointments per week.
